§ 547.5 What are the rules of interpretation and of general application for this part?

(a) Minimum standards. A tribal gaming regulatory authority may establish and implement additional technical standards that are as stringent as, or more stringent than, those set out in this part.

(b) Only applicable standards apply. Gaming equipment and software used with Class II gaming systems shall meet all applicable requirements of this part. For example, if a Class II gaming system lacks the ability to print or accept vouchers, then any standards that govern vouchers do not apply.

(c) Fairness. No Class II gaming system shall cheat or mislead users. All prizes advertised shall be available to win. No progressive prize shall have a probability of winning less than 1 in 100,000,000. No other prize shall have a probability of winning less than 1 in 50,000,000.

(d) Approved equipment and software only. All gaming equipment and software used with Class II gaming systems shall be identical in all respects to a prototype reviewed and tested by a testing laboratory and approved for use by the tribal gaming regulatory authority pursuant to §547.4(c).

§ 547.6 What are the minimum technical standards for enrolling and enabling Class II gaming system components?

(a) General requirements. Class II gaming systems shall provide a method to:

(1) Enroll and unenroll system components;

(2) Enable and disable specific system components.

(b) Specific requirements. Class II gaming systems shall:

(1) Ensure that only enrolled and enabled system components participate in gaming; and

(2) Ensure that the default condition for components shall be unenrolled and disabled.

§ 547.7 What are the minimum technical hardware standards applicable to Class II gaming systems?

(a) General requirements. (1) The Class II gaming system shall operate in compliance with applicable regulations of the Federal Communications Commission.

(2) Prior to approval by the tribal gaming regulatory authority pursuant to §547.4(c), the Class II gaming system shall have obtained from Underwriters' Laboratories, or its equivalent, relevant certification(s) required for equipment of its type, including but not limited to certifications for liquid...
