be exported provided that the proprietor maintains on file an English translation of that information. The export label may state the net contents and percentage of alcohol by volume in the units of measurement of the foreign country, provided that the proprietor maintains a record of the equivalent units as required for labels of spirits bottled for domestic consumption.

(d) **Waiver.** The appropriate TTB officer may waive the requirement to show any information required by this section, other than the kind of spirits, upon a showing that the country to which the spirits are to be exported prohibits the showing of such information. In regard to kind (class and type) of spirits, the appropriate TTB officer may waive the designation required by §5.22 of this chapter, only to the extent that the label need not bear the word "diluted" for distilled spirits bottled below the minimum bottling proof, and provided that this is in accordance with the rules of the country to which the product is to be exported.

**Closure Requirements**

§ 19.523 Affixing closures.

Each bottle or other container of spirits having a capacity of one gallon (3.785 liters) or less must have a closure or other device securely affixed to the container prior to withdrawal from bond or customs custody. The closure or other device must be constructed in such a manner as to require breaking in order to gain access to the contents of the container.

(26 U.S.C. 5301)

§ 19.525 Reclosing.

A proprietor may reclose bottles of distilled spirits filled on bonded premises as provided in subpart N of this part. A proprietor may also reclose bottles of distilled spirits to which closures or other devices have been affixed as provided in §19.498.

**Subpart V—Records and Reports**

**GENERAL RULES FOR RECORDS**

§ 19.571 Records in general.

Each proprietor of a distilled spirits plant must maintain records that accurately reflect the operations and transactions occurring at the plant. This subpart specifies the types of records that a proprietor must maintain. In general, a proprietor is responsible for recording activities and transactions related to the three primary operational accounts at a plant: production, storage, and processing. A proprietor’s records must show receipts in each account, movement from one account to another, transfers in bond, and withdrawals of spirits, denatured spirits, articles, or wines. The types of records that a proprietor must keep include:

(a) All individual transaction forms, records, and summaries that are specifically required by this part;

(b) All supplemental, auxiliary, and source data that a proprietor uses to compile required forms, records, and summaries, and to prepare reports, returns and claims; and

(c) Copies of notices, reports, returns, and approved applications and other documents relating to operations and transactions.

(26 U.S.C. 5207)

§ 19.572 Format of records.

As a general rule, the provisions of this subpart do not require proprietors to keep their records in any particular format or medium. For example, a proprietor may keep required records on paper, on microfilm or microfiche, or on a computer or other electronic medium, so long as the records are readily retrievable in hardcopy format for review by TTB officers as necessary.
