§ 5.39 Presence of neutral spirits and coloring, flavoring, and blending materials.

(a) Neutral spirits and name of commodity. (1) In the case of distilled spirits (other than cordials, liqueurs, and specialties) produced by blending or rectification, if neutral spirits have been used in the production thereof, there shall be stated the percentage of neutral spirits so used and the name of the commodity from which such neutral spirits have been distilled. The statement of percentage and the name of the commodity shall be made in substantially the following form: "____% neutral spirits distilled from (insert grain, cane products, or fruit as appropriate)"; or "____% neutral spirits (vodka) distilled from (insert grain, cane products, or fruit, as appropriate)"; or "____% grain (cane products), (fruit) neutral spirits"; or "____% grain spirits."

(2) In the case of neutral spirits or of gin produced by a process of continuous distillation, there shall be stated the name of the commodity from which such neutral spirits or gin have been distilled. The statement of the name of the commodity shall be made in substantially the following form: "Distilled from grain", or "Distilled from cane products", or "Distilled from fruit".

(b) Coloring materials. The words "artificially colored" shall be stated on the label of any distilled spirits containing synthetic or natural materials which primarily contribute color, or when the label conveys the impression that the color is derived from a source other than the actual source, except that:

(1) If no coloring material other than natural flavoring material has been added, there may be stated in lieu of the words "artificially colored" a truthful and adequate statement of the source of the color:

(2) If no coloring material other than those certified as suitable for use in foods by the Food and Drug Administration has been added, there may be stated in lieu of the words "artificially colored," the words "certified color added"; and
