with another driveway, and then continues north-northeast in a straight line to the 400-foot contour line;

(8) Follows the 400-foot contour line easterly approximately 0.7 miles to its intersection with an unimproved dirt road (an extension of a road known locally as the North Fork of Crystal Springs Road), which lies in the Carne Humana Land Grant approximately 1,400 feet southwest of the northwest corner of section 11, T8N/R6W on the St. Helena map;

(9) Continues northerly along the unimproved dirt road approximately 2,700 feet to its intersection with the 880-foot contour line in section 2, T9N/R6W;

(10) Follows the meandering 880-foot contour line northwesterly, crossing onto the Calistoga map in section 2, T9N/R6W, and continues along the 880-foot contour line through section 3, T9N/R6W, sections 34 and 35, T9N/R6W, (with a brief return to the St. Helena map in section 35), to the 880-contour line’s intersection with Biter Creek in the northeast quadrant of section 34, T9N/R6W;

(11) Continues westerly along the meandering 880-foot contour line around Dutch Henry Canyon in section 28, T9N/R6W, and Simmons Canyon in section 29, T9N/R6W, to the contour line’s first intersection with the R7W/R6W range line in section 30, T9N/R6W;

(12) Continues northerly along the meandering 880-foot contour line across the two forks of Horns Creek and through Hoisting Works Canyon in section 19, T9N/R6W, crossing between the Calistoga and Detert Reservoir maps, to the contour line’s intersection with Garnett Creek in section 13, T9N/R7W, on the Detert Reservoir map;

(13) Continues westerly along the meandering 880-foot contour line, crossing between the Calistoga and Detert Reservoir maps in sections 13 and 14, T9N/R7W, and in the region labeled “Mallacomes or Moristul y Plan de Agua Caliente,” to the contour line’s intersection with the Napa-Sonoma county line approximately 1.1 miles northeast of State Route 128 in the “Mallacomes or Moristul y Plan de Agua Caliente” region, T9N/R7W, of the Mark Springs West map; and

(14) Proceeds southerly along the Napa-Sonoma county line to the beginning point.

(d) Transition Period. A label containing the word “Calistoga” in the brand name approved prior to December 8, 2009 may not be used on wine bottled on or after December 10, 2012 if the wine does not conform to the standards for use of the label set forth in §4.39(i) of this chapter.

§ 9.210 Lehigh Valley.

(a) Name. The name of the viticultural area described in this section is “Lehigh Valley.” For purposes of part 4 of this chapter, “Lehigh Valley” and “Lehigh” are terms of viticultural significance.

(b) Approved maps. The seven United Stages Geological Survey 1:50,000 scale topographic maps used to determine the boundary of the Lehigh Valley viticultural area are titled:

(1) Berks County, Pennsylvania, 1978;
(2) Schuylkill County (West Half), Pennsylvania, 1979;
(3) Schuylkill County (East Half), Pennsylvania, 1979;
(4) Carbon County, Pennsylvania, 1991;
(5) Monroe County, Pennsylvania, 1980;
(6) Northampton County, Pennsylvania, 1981; and

(c) Boundary. The Lehigh Valley viticultural area is located in portions of Lehigh, Northampton, Berks, Schuylkill, Carbon, and Monroe Counties, Pennsylvania. The boundary of the proposed Lehigh Valley viticultural area is as described below:

(1) The beginning point is on the Berks County map at the intersection of the Berks-Lancaster County line and the single-track Conrail rail line located near Cacoosing Creek in South Heidelberg Township;

(2) From the beginning point, proceed northwest along the Berks County line and, crossing onto the Schuylkill County (West Half) map, continue northwest along the Schuylkill-Lebanon County line to the county line’s intersection with the northern boundary of Pine Grove township; then
§ 9.211 Swan Creek.

(a) Name. The name of the viticultural area described in this section is “Swan Creek”. For purposes of part 4 of this chapter, “Swan Creek” is a term of viticultural significance.

(b) Approved Maps. The appropriate maps for determining the boundaries of the Swan Creek viticultural area are three United States Geological Survey (USGS) 1:100,000 scale topographic maps. They are titled:

(1) Winston-Salem, North Carolina, 1984, photoinspected 1982;
