§ 40.512 Change in ownership or control.

(b) Change in trade name. When there is a change in a trade name used by a manufacturer of processed tobacco in connection with operations authorized by the permit, the manufacturer must, within 30 days of such change, make application on TTB F 5200.16 for an amended permit to reflect such change. This requirement also applies to the addition or discontinuance of a trade name. The manufacturer must also furnish a true copy of any new trade name certificate or document issued to the manufacturer, or statement in lieu thereof, required by § 40.496.

(c) Change in corporate name. When there is a change in the corporate name of a manufacturer of processed tobacco, the manufacturer must, within 30 days of such change, make application on TTB F 5200.16 for an amended permit. The manufacturer must also furnish such documents as may be necessary to establish that the corporate name has been changed.

§ 40.512 Change in ownership or control.

(a) Fiduciary successor. If an administrator, executor, receiver, trustee, assignee, or other fiduciary is to take over the business of a manufacturer of processed tobacco as a continuing operation, such fiduciary shall, before commencing operations, make application for a permit in accordance with this subpart, furnish certified copies, in duplicate, of the order of the court, or other pertinent documents, showing his appointment and qualification as such fiduciary, and make a commencing inventory in accordance with § 40.523. However, where a fiduciary intends only to liquidate the business, qualification as a manufacturer of processed tobacco will not be required if such fiduciary promptly files with the appropriate TTB officer a written statement to that effect, in duplicate.

(b) Transfer of ownership. If a transfer in ownership of the business of a manufacturer of processed tobacco (including a change of any member of a partnership or association) is to be made, such manufacturer shall give notice, in writing, to the appropriate TTB officer, naming the proposed successor and the desired effective date of the transfer. The proposed successor shall, before commencing operations, qualify as a manufacturer of processed tobacco in accordance with this subpart. The manufacturer shall give notice of the transfer, and the proposed successor shall make application for permit, in ample time for examination and approval thereof before the desired date of such change. The predecessor shall make a concluding inventory and concluding report, in accordance with §§ 40.523 and 40.522, respectively, and surrender the permit with such inventory and report. The successor shall make a commencing inventory and first report, in accordance with §§ 40.523 and 40.522, respectively.

(c) Change in officers, directors, or stockholders of a corporation. Upon election or appointment (excluding successive reelection or reappointment) of any officer or director of a corporation operating the business of a manufacturer of processed tobacco, or upon any occurrence that results in a person acquiring ownership or control of more than ten percent in aggregate of the outstanding stock of such corporation, the manufacturer shall, within 30 days of such action, so notify the appropriate TTB officer in writing, giving the identity of such person. When there is any change in the authority furnished under § 40.494 for officers to act in behalf of the corporation, the manufacturer shall immediately so notify the appropriate TTB officer in writing.

(d) Change in control of corporation. When the issuance, sale, or transfer of the stock of a corporation operating as a manufacturer of processed tobacco results in a change in the identity of the principal stockholders exercising actual or legal control of the operations of the corporation, the corporate manufacturer shall, within 30 days after the change occurs, make application on TTB F 5200.3 for a new permit. Otherwise, the present permit shall be automatically terminated at the expiration of such 30-day period, and the manufacturer shall dispose of all processed tobacco on hand, make a concluding inventory and concluding report, in accordance with the provisions of §§ 40.523 and 40.522, respectively, and surrender the permit with such inventory and report. If the application for a new permit is timely made,
the present permit shall continue in effect pending final action with respect to such application.

§ 40.513 Change in location or address of factory.

Whenever a manufacturer of processed tobacco intends to relocate its factory, the manufacturer shall, before commencing operations at the new location, make application on TTB F 5200.16 for, and obtain, an amended permit. Whenever any change occurs in the address, but not the location, of the factory of a manufacturer of processed tobacco as a result of action of local authorities, the manufacturer shall, within 30 days of such change, make application on TTB F 5200.16 for an amended permit.
