Memorandum for the Secretary of State

Pursuant to section 104 of the United States-India Nuclear Cooperation Approval and Nonproliferation Enhancement Act (Public Law 110–369), I hereby determine and certify that:

1. The Agreement between the Government of India and the International Atomic Energy Agency for the Application of Safeguards to Civilian Nuclear Facilities, as approved by the Board of Governors of the International Atomic Energy Agency on August 1, 2008 (the “Safeguards Agreement”), has entered into force; and

2. The Government of India has filed a declaration of facilities pursuant to paragraph 13 of the Safeguards Agreement that is not materially inconsistent with the facilities and schedule described in paragraph 14 of the Separation Plan presented in the national parliament of India on May 11, 2006, taking into account the later initiation of safeguards than was anticipated in the Separation Plan.

You are authorized and directed to publish this determination in the Federal Register.

BARACK OBAMA

THE WHITE HOUSE,

Memorandum of February 9, 2010

Establishing a Task Force on Childhood Obesity

Memorandum for the Heads of Executive Departments and Agencies

Across our country, childhood obesity has reached epidemic rates and, as a result, our children may live shorter lives than their parents. Obesity has been recognized as a problem for decades, but efforts to address this crisis to date have been insufficient. My Administration is committed to redoubling our efforts to solve the problem of childhood obesity within a generation through a comprehensive approach that builds on effective strategies, engages families and communities, and mobilizes both public and private sector resources.

Nearly one third of children in America are overweight or obese—a rate that has tripled in adolescents and more than doubled in younger children since 1980. One third of all individuals born in the year 2000 or later will eventually suffer from diabetes over the course of their lifetime, while too many others will face chronic obesity-related health problems such as heart
