§ 250.233 What decisions will MMS make on the EP and within what timeframe?

(a) Timeframe. The Regional Supervisor will take one of the actions shown in the table in paragraph (b) of this section within 30 calendar days after the Regional Supervisor deems your EP submitted under §250.231, or receives the last amendment to your proposed EP, whichever occurs later.

(b) MMS decision. By the deadline in paragraph (a) of this section, the Regional Supervisor will take one of the following actions:

<table>
<thead>
<tr>
<th>The regional supervisor will . . .</th>
<th>If . . .</th>
<th>And then . . .</th>
</tr>
</thead>
<tbody>
<tr>
<td>(1) Approve your EP . . .</td>
<td>It complies with all applicable requirements . . .</td>
<td>The Regional Supervisor will notify you in writing of the decision and may require you to meet certain conditions, including those to provide monitoring information.</td>
</tr>
<tr>
<td>(2) Require you to modify your proposed EP.</td>
<td>The Regional Supervisor finds that it is inconsistent with the lease, the Act, the regulations prescribed under the Act, or other Federal laws.</td>
<td>The Regional Supervisor will notify you in writing of the decision and describe the modifications you must make to your proposed EP to ensure it complies with all applicable requirements.</td>
</tr>
<tr>
<td>(3) Disapprove your EP . . .</td>
<td>Your proposed activities would probably cause serious harm or damage to life (including fish or other aquatic life); property; any mineral (in areas leased or not leased); the national security or defense; or the marine, coastal, or human environment; and you cannot modify your proposed activities to avoid such condition(s).</td>
<td>The Regional Supervisor will notify you in writing of the decision and describe the reason(s) for disapproving your EP. If (i) the Regional Supervisor finds the lease and compensate you under 43 U.S.C. 1334(a)(2)(C) and the implementing regulations in §§250.182, 250.184, and 250.185 and 30 CFR 256.77.</td>
</tr>
</tbody>
</table>

§ 250.234 How do I submit a modified EP or resubmit a disapproved EP, and when will MMS make a decision?

(a) Modified EP. If the Regional Supervisor requires you to modify your proposed EP under §250.233(b)(2), you must submit the modification(s) to the Regional Supervisor in the same manner as for a new EP. You need submit only information related to the proposed modification(s).

(b) Resubmitted EP. If the Regional Supervisor disapproves your EP under §250.233(b)(3), you may resubmit the disapproved EP if there is a change in the conditions that were the basis of its disapproval.

(c) MMS review and timeframe. The Regional Supervisor will use the performance standards in §250.202 to either approve, require you to further modify, or disapprove your modified or resubmitted EP. The Regional Supervisor will make a decision within 30 calendar days after the Regional Supervisor deems your modified or resubmitted EP to be submitted, or receives the last amendment to your modified or resubmitted EP, whichever occurs later.

§ 250.235 If a State objects to the EP’s coastal zone consistency certification, what can I do?

If an affected State objects to the coastal zone consistency certification accompanying your proposed EP within the timeframe prescribed in §250.233(a) or §250.234(c), you may do one of the following:

(a) Amend your EP. Amend your EP to accommodate the State’s objection and submit the amendment to the Regional Supervisor for approval. The
amendment needs to only address information related to the State's objection.

(b) Appeal. Appeal the State's objection to the Secretary of Commerce using the procedures in 15 CFR part 850, subpart H. The Secretary of Commerce will either:

(1) Grant your appeal by finding, under section 307(c)(3)(B)(iii) of the CZMA (16 U.S.C. 1456(c)(3)(B)(iii)), that each activity described in detail in your EP is consistent with the objectives of the CZMA, or is otherwise necessary in the interest of national security; or

(2) Deny your appeal, in which case you may amend your EP as described in paragraph (a) of this section.

(c) Withdraw your EP. Withdraw your EP if you decide not to conduct your proposed exploration activities.

[70 FR 51501, Aug. 30, 2005; 71 FR 12438, Mar. 10, 2006]

§ 250.241 What must the DPP or DOCD include?

Your DPP or DOCD must include the following:

(a) Description, objectives, and schedule. A description, discussion of the objectives, and tentative schedule (from start to completion) of the development and production activities you propose to undertake. Examples of development and production activities include:

(1) Development drilling;

(2) Well test flaring;

(3) Installation of production platforms, satellite structures, subsea wellheads and manifolds, and lease term pipelines (see definition at § 250.105); and

(4) Installation of production facilities and conduct of production operations.

(b) Location. The location and water depth of each of your proposed wells and production facilities. Include a map showing the surface and bottom-hole location and water depth of each proposed well, the surface location of each production facility, and the locations of all associated drilling unit and construction barge anchors.

(c) Drilling unit. A description of the drilling unit and associated equipment you will use to conduct your proposed development drilling activities. Include a brief description of its important safety and pollution prevention features, and a table indicating the type and the estimated maximum quantity of fuels and oil that will be stored on the facility (see third definition of “facility” under § 250.105).

(d) Production facilities. A description of the production platforms, satellite structures, subsea wellheads and manifolds, lease term pipelines (see definition at § 250.105), production facilities, umbilicals, and other facilities you will use to conduct your proposed development and production activities. Include a brief description of their important safety and pollution prevention features, and a table indicating the type and the estimated maximum quantity of fuels and oil that will be stored on the facility (see third definition of “facility” under § 250.105).

(e) Service fee. You must include payment of the service fee listed in § 250.125.

§ 250.242 What information must accompany the DPP or DOCD?

The following information must accompany your DPP or DOCD.

(a) General information required by § 250.243;

(b) G&G information required by § 250.244;

(c) Hydrogen sulfide information required by § 250.245;

(d) Mineral resource conservation information required by § 250.246;

(e) Biological, physical, and socio-economic information required by § 250.247;

(f) Solid and liquid wastes and discharges information and cooling water intake information required by § 250.248;

(g) Air emissions information required by § 250.249;

(h) Oil and hazardous substance spills information required by § 250.250;

(i) Alaska planning information required by § 250.251;
