Ocean Energy Bureau, Interior

(f) Hydrographic and oceanographic observations and measurements, including the setting of instruments;
(g) Sampling by box core or grab sampler to determine seabed geological or geotechnical properties;
(h) Television and still photographic observation and measurements;
(i) Shipboard hard mineral assaying and analysis; and
(j) Placement of positioning systems, including bottom transponders and surface and subsurface buoys reported in Notices to Mariners.

§ 280.31 Whom will MMS notify about environmental issues?

(a) In cases where Coastal Zone Management Act consistency review is required, the Director will notify the Governor of each adjacent State with a copy of the application for a permit immediately upon the submission for approval.
(b) In cases where an environmental assessment is to be prepared, the Director will invite the Governor of each adjacent State to review and provide comments regarding the proposed activities. The Director’s invitation to provide comments will allow the Governor a specified period of time to comment.
(c) When a permit is issued, the Director will notify affected parties including each affected coastal State, Federal agency, local government, and special interest organization that has expressed an interest.

Penalties and Appeals

§ 280.32 What penalties may I be subject to?

(a) Penalties for noncompliance under a permit. You are subject to the penalty provisions of section 24 of the Act (43 U.S.C. 1350) and the procedures contained in 30 CFR part 250, subpart N for noncompliance with:
   (1) Any provision of the Act;
   (2) Any provisions of a G&G or drilling permit; or
   (3) Any regulation or order issued under the Act.
(b) Penalties under other laws and regulations. The penalties prescribed in this section are in addition to any other penalty imposed by any other law or regulation.

§ 280.33 How can I appeal a penalty?

See 30 CFR § 250.1409 and 30 CFR part 290, subpart A, for instructions on how to appeal any decision assessing a civil penalty under 43 U.S.C. 1350 and 30 CFR part 250, subpart A.

§ 280.34 How can I appeal an order or decision?

See 30 CFR part 290, subpart A, for instructions on how to appeal an order or decision.

Subpart D—Data Requirements

GEOLOGICAL DATA AND INFORMATION

§ 280.40 When do I notify MMS that geological data and information are available for submission, inspection, and selection?

(a) You must notify the RD, in writing, when you complete the initial analysis, processing, or interpretation of any geological data and information. Initial analysis and processing are the stages of analysis or processing where the data and information first become available for in-house interpretation by the permittee or become available commercially to third parties via sale, trade, license agreement, or other means.
(b) The RD may ask if you have further analyzed, processed, or interpreted any geological data and information. When asked, you must respond to us in writing within 30 days.
(c) The RD may ask you or a third party to submit the analyzed, processed, or interpreted geologic data and information for us to inspect or permanently retain. You must submit the data and information within 30 days after such a request.

§ 280.41 What types of geological data and information must I submit to MMS?

Unless the RD specifies otherwise, you must submit geological data and information that include:
(a) An accurate and complete record of all geological (including geochemical) data and information describing each operation of analysis, processing, and interpretation;
(b) Paleontological reports identifying by depth any microscopic fossils.
