§ 1227.300 What audit functions may a State perform?

An audit consists of an examination of records to verify that royalty reports and payments accurately reflect actual production, sales, revenues and costs, and compliance with Federal statutes, regulations, lease terms, and ONRR policy determinations.

(a) If you request delegation of audit functions, you must perform at least the following:
   (1) Submitting requests for records;
   (2) Examining royalty and production reports;
   (3) Examining lessee production and sales records, including contracts, payments, invoices, and transportation and processing costs to substantiate production and royalty reporting;
   (4) Providing assistance to ONRR for appealed demands or orders, including preparing field reports, performing remedied actions, modifying orders, and providing oral and written briefing and testimony as expert witnesses.

(b) If necessary for a particular audit, you may also perform any of the following:
   (1) Issuing engagement letters;
   (2) Arranging for entrance conferences;
   (3) Scheduling site visits; and
   (4) Issuing record releases and audit closure letters; and
   (5) Holding closeout conferences.

§ 1227.301 What are a State’s responsibilities if it performs audits?

If you perform audits you must:
   (a) Comply with the ONRR Audit Procedures Manual and the Government Auditing Standards issued by the Comptroller General of the United States;
   (b) Follow the ONRR Annual Audit Work Plan and 5-year Audit Strategy, which ONRR will develop in consultation with States having delegated audit authority;
   (c) Agree to undertake special audit initiatives ONRR identifies targeting specific royalty issues, such as valuation or volume determinations;
   (d) Prepare, construct, or compile audit work papers under the appropriate procedures, manuals, and guidelines;
   (e) Prepare and submit ONRR Audit Work Plans. You may modify your Audit Work Plans with ONRR approval; and
   (f) Comply with procedures for appealed demands or orders, including meeting timeframes, supplying information, and using the appropriate format.

§ 1227.400 What functions may a State perform in processing production reports or royalty reports?

Production reporters or royalty reporters provide production, sales, and royalty information on mineral production from leases that must be collected, analyzed, and corrected.

(a) If you request delegation of either production report or royalty report processing functions, you must perform at least the following:
   (1) Receiving, identifying, and date stamping production reports or royalty reports;
   (2) Processing production or royalty data to allow entry into a data base;
   (3) Creating copies of reports by means such as electronic imaging;
   (4) Timely transmitting production report or royalty report data to ONRR and other affected Federal agencies as provided in your delegation agreement and the Standards;
   (5) Providing training and assistance to production reporters or royalty reporters;
§ 1227.401 What are a State’s responsibilities if it processes production reports or royalty reports?

In processing production reports or royalty reports you must:

(a) Process reports accurately and timely as provided in the Standards and your delegation agreement;

(b) Identify and resolve fatal errors in reports and payment requirements for marginal properties and any alternative royalty and payment requirements for unit agreements and communitization agreements you approve;

(c) Accept multiple forms of electronic media from reporters, as ONRR specifies;

(d) Timely transmit required production or royalty data to ONRR and other affected Federal agencies;

(e) Access well, lease, agreement, and reporter reference data from ONRR and provide updated information to ONRR;

(f) For production reports, maintain adequate system software edits to ensure compliance with the provisions of 30 CFR part 1210—Forms and Reports, the ONRR Minerals Production Reporter Handbook, any interagency memo-

random of understanding to which ONRR is a party, and the Standards;

(g) For royalty reports, maintain adequate system software edits to ensure compliance with the provisions of 30 CFR part 1218, the Oil and Gas Payor Handbook, Volume II, “Dear Payor” letters, and the Standards; and

(h) Comply with the procedures for appealed demands or orders, including meeting timeframes, supplying information, and using the appropriate format.

§ 1227.500 What functions may a State perform to ensure that reporters correct erroneous report data?

Production data and royalty data must be edited to ensure that what is reported is correct, that disbursement is made to the proper recipient, and that correct data are used for other functions, such as automated verification and audits. If you request delegation of error correction functions for production reports or royalty reports, or both, you must perform at least the following:

(a) Correcting all fatal errors and assigning appropriate confirmation indicators;

(b) Verifying whether production reports are missing;

(c) Contacting production reporters or royalty reporters about missing reports and resolving exceptions;

(d) Documenting all corrections made, including providing production reporters or royalty reporters with confirmation reports of any changes;

(e) Providing training and assistance to production reporters or royalty reporters;

(f) Issuing notices, orders to report, and bills as needed, including, but not limited to, imposing assessments on a person who chronically submits erroneous reports; and

(g) Providing assistance to ONRR for appealed demands or orders, including preparing field reports, performing remanded actions, modifying orders, and providing oral and written briefing and testimony as expert witnesses.
