NOTE TO §537.204: Section 570 of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1997 (Public Law 104–208) provides that the prohibition contained in this section may be waived, temporarily or permanently, by the President if he determines and certifies to Congress that the application of this sanction would be contrary to the national interests of the United States. Licensees are thus not available for purposes of authorizing transactions prohibited under this section in the absence of such a waiver determination and certification to Congress.
