Subpart A—Relation of This Part to Other Laws and Regulations

§ 544.101 Relation of this part to other laws and regulations.

This part is separate from, and independent of, the other parts of this chapter, with the exception of part 501 of this chapter, the recordkeeping and reporting requirements and license application and other procedures of which apply to this part. Actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. Differing foreign policy and national security circumstances may result in differing interpretations of similar language among the parts of this chapter. No license or authorization contained in or issued pursuant to those other parts authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to any other provision of law or regulation authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to this part relieves the involved parties from complying with any other applicable laws or regulations.

Note to §544.101: The sanctions implemented pursuant to the Weapons of Mass Destruction Trade Control Regulations set forth in part 539 of this chapter are separate and distinct from the sanctions implemented pursuant to this part, even though both programs have been imposed pursuant to the same declaration of national emergency in Executive Order 12938 of November 14, 1994. Accordingly, a “designated foreign person” whose goods, technology, or services are prohibited from being imported into the United States under part 539 is not necessarily a person whose property and interests in property are blocked pursuant to §544.201(a). Consequently, the property and interests in property of a “designated foreign person” under part 539 are not blocked, unless the “designated foreign person” has separately become a person whose property and interests in property are blocked pursuant to §544.201(a) or any other part of 31 CFR chapter V. Note, however, that the importation into the United States of goods, technology, or services (other than information or informational materials) produced or provided by a “designated foreign person” under part 539 is prohibited by that part.

Subpart B—Prohibitions

§ 544.201 Prohibited transactions involving blocked property.

(a) Except as authorized by regulations, orders, directives, rulings, instructions, licenses or otherwise, and notwithstanding any contracts entered into or any license or permit granted prior to the effective date, all property and interests in property that are in the United States, or that are or hereafter come within the United States, that hereafter come within the possession or control of U.S. persons, including their overseas branches, of the following persons are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in:

(1) Any person listed in the Annex to Executive Order 13382 of June 28, 2005 (70 FR 38567, July 1, 2005);

(2) Any foreign person determined by the Secretary of State, in consultation with the Secretary of the Treasury, the Attorney General, and other relevant agencies, to have engaged, or attempted to engage, in activities or transactions that have materially contributed to, or pose a risk of materially contributing to, the proliferation of

weapons of mass destruction or their means of delivery (including missiles capable of delivering such weapons), including any efforts to manufacture, acquire, possess, develop, transport, transfer or use such items, by any person or foreign country of proliferation concern:

(3) Any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Attorney General, and other relevant agencies, to have provided, or attempted to provide, financial, material, technological or other support for, or goods or services in support of, any activity or transaction described in paragraph (a)(2) of this section, or any person whose property and interests in property are blocked pursuant to this section; and

(4) Any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Attorney General, and other relevant agencies, to be owned or controlled by, or acting or purporting to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to this section.

NOTE 1 TO PARAGRAPH (a) OF § 544.201: The names of persons listed in or designated pursuant to Executive Order 13382, whose property and interests in property therefore are blocked pursuant to paragraph (a) of this section, are published in the Federal Register and incorporated into the SDN List with the identifier “[NPWMD].” The SDN List is accessible through the following page on the Office of Foreign Assets Control’s Web site: http://www.treasury.gov/sdn. Additional information pertaining to the SDN List can be found in appendix A to this chapter. See § 544.411 concerning entities that may not be listed on the SDN List but whose property and interests in property are nevertheless blocked pursuant to paragraph (a) of this section.

The names of persons whose property and interests in property are blocked pending investigation pursuant to paragraph (a) of this section also are published in the Federal Register and incorporated into the SDN List with the identifier “[BPI–NPWMD].”
