§ 560.533 Brokering sales of agricultural commodities, medicine, and medical devices.

(a) General license for brokering sales by U.S. persons. United States persons are authorized to provide brokerage services on behalf of U.S. persons for the sale and exportation or reexportation by United States persons of agricultural commodities, medicine, and medical devices, provided that the sale and exportation or reexportation is authorized by a one-year license issued pursuant to §560.530.

(b) Specific licensing for brokering sales by non-U.S. persons of bulk agricultural commodities. Specific licenses may be issued on a case-by-case basis to permit United States persons to provide brokerage services on behalf of non-United States, non-Iranian persons for the sale and exportation or reexportation of bulk agricultural commodities to the Government of Iran, entities in Iran or individuals in Iran. Specific licenses issued pursuant to this section will authorize the brokering only of sales that:

1. Are limited to the bulk agricultural commodities listed in appendix B to this part 560;
2. Are to purchasers permitted pursuant to §560.530; and

Note to §560.533(b)(2): Requests for specific licenses to provide brokerage services under this paragraph must include all of the information described in §560.530(c).

3. Make any performance involving the exportation or reexportation of any goods, technology or services (including technical data, software, or information) that are subject to license application requirements of another Federal agency contingent upon the prior authorization of that agency. (For example, items classified EAR 99 under the Export Administration Regulations, 15 CFR parts 730 through 774, may in certain instances require a license from the Department of Commerce, Bureau of Industry and Security. See, e.g., 15 CFR 736.2(b)(5), 744.2 through 744.7, 744.10; and 22 CFR 123.9.)

(c) No debits or credits to Iranian accounts on the books of U.S. depository institutions. Payment for any brokerage fee earned pursuant to this section may not involve debits or credits to Iranian accounts, as defined in §560.320.

(d) Recordkeeping and reporting requirements. Attention is drawn to the recordkeeping, retention, and reporting requirements of §§501.601 and 501.602.

(b) No exportations or re-exportations of goods or technology, whether U.S. or foreign origin, to Iran are permitted pursuant to this section, except for articles, such as food, clothing, and medicine, intended to be used to relieve human suffering or items intended for temporary use, as personal baggage, by representatives of the authorized nongovernmental organization, provided that:

1. Any such goods or technology are not of the type controlled under the Department of Commerce’s Export Administration Regulations for exportation or re-exportation to Iran or controlled on the United States Munitions List, and
