Office of the Secretary of Defense

Pt. 50, App. B

consumer complaints are received by the State insurance commissioner for the State which has issued the agent a resident license or the company is domiciled, as applicable.

2. To comply with paragraphs A.1.b., A.1.c. and A.1.d., an appropriate reference stamped on the first page of the contract shall draw the attention of the policyholder to any restrictions by reason of Military Service or military occupational specialty. The reference shall describe any extra premium charges and any variations in the amount of death benefit or premium based upon the length of time the contract has been in force.

3. Variable life insurance products may be offered provided they meet the criteria of the appropriate insurance regulatory agency and the Securities and Exchange Commission.

4. Insurance products shall not be marketed or sold disguised as investments. If there is a savings component to an insurance product, the agent shall provide the customer written documentation, which clearly explains how much of the premium goes to the savings component per year broken down over the life of the policy. This document must also show the total amount per year allocated to insurance premiums. The customer must be provided a copy of this document that is signed by the insurance agent.

B. SALE OF SECURITIES

1. All securities must be registered with the Securities and Exchange Commission.

2. All sales of securities must comply with the appropriate Securities and Exchange Commission regulations.

3. All securities representatives must apply to the commander of the installation on which they desire to solicit the sale of securities for permission to solicit.

4. Where the accredited insurer’s policy permits, an overseas accredited life insurance agent—if duly qualified to engage in security activities either as a registered representative of the National Association of Securities Dealers or as an associate of a broker or dealer registered with the Securities and Exchange Commission—may offer life insurance and securities for sale simultaneously. In cases of commingled sales, the allotment of pay for the purchase of securities cannot be made to the insurer.

C. USE OF THE ALLOTMENT OF PAY SYSTEM

1. Allotments of military pay for life insurance products shall be made in accordance with DoD 7000.14-R.

2. For personnel in pay grades E-4 and below, in order to obtain financial counseling, at least seven calendar days shall elapse between the signing of a life insurance application and the certification of a military pay allotment for any supplemental commercial life insurance. Installation Finance Officers are responsible for ensuring this seven-day cooling-off period is monitored and enforced. The purchaser’s commanding officer may grant a waiver of the seven-day cooling-off period requirement for good cause, such as the purchaser’s imminent deployment or permanent change of station.

D. ASSOCIATIONS—GENERAL

The recent growth and general acceptability of quasi-military associations offering various insurance plans to military personnel are acknowledged. Some associations are not organized within the supervision of insurance laws of either a State or the Federal Government. While some are organized for profit, others function as nonprofit associations under Internal Revenue Service regulations. Regardless of the manner in which insurance is offered to members, the management of the association is responsible for complying fully with the policies contained in this part.

APPENDIX B TO PART 50—OVERSEAS LIFE INSURANCE REGISTRATION PROGRAM

A. REGISTRATION CRITERIA

1. Initial Registration

a. Insurers must demonstrate continuous successful operation in the life insurance business for a period of not less than 5 years on December 31 of the year preceding the date of filing the application.

b. Insurers must be listed in Best’s Life-Health Insurance Reports and be assigned a rating of B+ (Very Good) or better for the business year preceding the Government’s fiscal year for which registration is sought.

2. Re-Registration

a. Insurers must demonstrate continuous successful operation in the life insurance business, as described in paragraph A.1.a. of this appendix.

b. Insurers must retain a Best’s rating of B+ or better, as described in paragraph A.1.b. of this appendix.

c. Insurers must demonstrate a record of compliance with the policies found in this part.

Waivers of the initial registration or re-registration provisions shall be considered for those insurers demonstrating substantial compliance with the aforementioned criteria.

B. APPLICATION INSTRUCTIONS

1. Applications Filed Annually. Insurers must apply by June 30 of each year for solicitation privileges on overseas U.S. military
installations for the next fiscal year beginning October 1. Applications e-mailed, faxed, or postmarked after June 30 shall not be considered.

2. Application prerequisites. A letter of application, signed by the President, Vice President, or designated official of the insurance company shall be forwarded to the Principal Deputy Under Secretary of Defense (Personnel and Readiness) or Attention: Morale, Welfare and Recreation (MWR) Policy Director, 4000 Defense Pentagon, Washington, DC 20301–4000. The registration criteria in paragraph A1.a. or A1.b. of this appendix must be met to satisfy application prerequisites. The letter shall contain the information set forth below, submitted in the order listed. Where criteria are not applicable, the letter shall state:

   a. The overseas Combatant Commands (e.g., U.S. European Command, U.S. Pacific Command, U.S. Central Command, U.S. Southern Command) where the company presently solicits, or plans to solicit, on U.S. military installations.

   b. A statement that the company has complied with, or shall comply with, the applicable laws of the country or countries wherein it proposes to solicit. “Laws of the country” means all national, provincial, city, or county laws or ordinances of any country, as applicable.

   c. A statement that the products to be offered for sale conform to the standards prescribed in appendix A to this part and contain only the standard provisions such as those prescribed by the laws of the State where the company’s headquarters are located.

   d. A statement that the company shall assume full responsibility for the acts of its agents with respect to solicitation. If warranted, the number of agents may be limited by the overseas command concerned.

   e. A statement that the company shall only use agents who have been licensed by the appropriate State and registered by the overseas command concerned to sell to DoD personnel on DoD installations.

   f. Any explanatory or supplemental comments that shall assist in evaluating the application.

   g. If the Department of Defense requires facts or statistics beyond those normally involved in registration, the company shall make separate arrangements to provide them.

   h. A statement that the company’s general agent and other registered agents are appointed in accordance with the prerequisites established in section C of this appendix.

3. If a company is a life insurance company subsidiary, it must be registered separately on its own merits.

C. AGENT REQUIREMENTS

The overseas Combatant Commanders shall apply the following principles in registering agents:

1. An agent must possess a current State license. This requirement may be waived for a registered agent continuously residing and successfully selling life insurance in foreign areas, who, through no fault of his or her own, due to State law (or regulation) governing domicile requirements, or requiring that the agent’s company be licensed to do business in that State, forfeits eligibility for a State license. The request for a waiver shall contain the name of the State or jurisdiction that would not renew the agent’s license.

2. General agents and agents may represent only one registered commercial insurance company. This principle may be waived by the overseas Combatant Commander if multiple representations are in the best interest of DoD personnel.

3. An agent must have at least 1 year of successful life insurance underwriting experience in the United States or its territories, generally within the 5 years preceding the date of application, in order to be approved for overseas solicitation.

4. The overseas Combatant Commanders may exercise further agent control procedures as necessary.

5. An agent, once registered in an overseas area, may not change affiliation from the staff of one general agent to another and retain registration, unless the previous employer certifies in writing that the release is without justifiable prejudice. Overseas Combatant Commanders will have final authority to determine justifiable prejudice. Indebtedness of an agent to a previous employer is an example of justifiable prejudice.

D. ANNOUNCEMENT OF REGISTRATION

1. Registration by the Department of Defense upon annual applications of insurers shall be announced as soon as practicable by notice to each applicant and by a list released annually in September to the appropriate overseas Combatant Commanders. Approval does not constitute DoD endorsement of the insurer or its products. Any advertising by insurers or verbal representation by its agents, which suggests such endorsement, is prohibited.

2. In the event registration is denied, specific reasons for the denial shall be provided to the applicant.

a. The insurer shall have 30 days from the receipt of notification of denial of registration (sent certified mail, return receipt requested) in which to request reconsideration of the original decision. This request must be in writing and accompanied by substantiating data or information in rebuttal of the
