      (1) By the terms of the “Interagency Agreement on Access for Official Agency Historians,” hereafter referred to as “the Agreement”, historians employed by a signatory Agency may have access to the classified information of any other Agency signatory to the Agreement found in OSD files. The Central Intelligence Agency (CIA) and National Security Council (NSC) are not signatories to the Agreement. Authorization for access must be obtained from these Agencies, as well as from any other non-signatory Agency whose classified information is expected to be found in the files to be accessed.
      (2) If the official historian is employed by an Agency that is not a signatory to the Agreement, authorization for access must be obtained from the CIA, NSC, Department of State (DoS), and any other non-DoD Agency whose classified information is expected to be found in the files to be accessed.

      (4) Make a written determination as to the researcher’s trustworthiness based on the researcher having been issued a security clearance.
