§ 215.10 Funding.

(a) Reporting requirements to provide for financing costs associated with civil disturbance operations, to include reimbursement of military department expenditures, will be in accordance with DoD Instruction 7200.9, “Financing and Reporting Costs of Military Resources Used in Civil Disturbances,” January 26, 1970, and DoD Executive Agent implementing instructions.

(b) Military assistance (Groups One, Two, and Three military resources) provided to civil authorities, under the provisions of §215.9, will be on a reimbursable or reclaimable basis as appropriate.

§ 216.1 Purpose.

This part:

(a) Implements 10 U.S.C. 983.

(b) Updates policy and responsibilities relating to the management of covered schools that have a policy of denying or effectively preventing military recruiting personnel access to their campuses or access to students on their campuses in a manner that is at least equal in quality and scope to the access to campuses and to students provided to any other employer, or access to student-recruiting information. The term “equal in quality and scope” means the same access to campus and students provided by the school to the any other nonmilitary recruiters or employers receiving the most favorable access. The focus is not on the content of a school’s recruiting policy, but instead on the result achieved by the policy and compares the access provided military recruiters to that provided other recruiters. Therefore, it is insufficient to comply with the statute (10 U.S.C. 983) if the policy results in a greater level of access for other recruiters than for the military.

(c) Updates policy and responsibilities relating to the management of covered schools that have an anti-ROTC policy.
