§ 644.410 Procedure for other transfers.

(a) Applicability—Exceptions. Sections 644.410 through 644.412 are applicable to all transfers of real and related personal property to other Federal agencies by the Army and Air Force except as provided above.

(b) Authority to execute—(1) Secretaries of the Army and Air Force. Instruments effecting the transfer of fee-owned land (except fee-owned land that has been reported to GSA and is transferred at the direction of GSA) will be executed at Secretarial level. The Secretary of the Army, or his designee, will execute instruments transferring Air Force land to other Federal agencies.

(2) Division and District Engineers will execute instruments transferring real property and related personal property to other Federal agencies: (i) Which has been reported to GSA and which is transferred at the direction of GSA; (ii) leaseholds, easements, and other lesser interests in lands; and (iii) buildings, fixtures, and other improvements.

§ 644.411 Form of inter-agency transfer instrument.

(a) Inter-agency transfer instruments will be prepared by the Chief of Engineers in either memorandum or letter form. The instruments will be prepared for signature of the Secretary of the transferring department and will be addressed to the Secretary of head of the receiving department or agency. The instrument will provide, as a minimum, the following: citation of statutory authority for the transfer; statement as to whether the transfer is made with or without reimbursement; statement of the reimbursement amount, if applicable; statement as to whether the requirements of 10 U.S.C. 2662 have been met or that the transfer is not subject thereto; statement as to the acreage of land involved; and, by means of an inclosure, a description of the property being transferred. Based on the circumstances and nature of the property, other appropriate data outlined below will be included in the instrument.

(1) Effective date of transfer (where right-of-entry has been granted or custody transferred, this date will be used.)

(2) Restrictions, conditions, reservations and exceptions, as necessary.

(3) When, where, how and by whom transfer of physical possession and accountability for the property will be accomplished.

(4) Location and proposed disposition of title papers pertaining to the property.

(5) Description of the land and copy of map depicting the property and reflecting its relation to retained property, if any, and to encumbrances such as rights-of-way, easements, and leaseholds.

(6) Instructions concerning payment of rent where a lease is involved. The transfer will be conditioned upon assumption of all obligations incurred in connection with the leasehold, including obligations to restore the premises.

(7) Instructions concerning removal and site restoration where buildings or timber, or sand and gravel, or other separable property is involved.

(8) Statement of source of title and cost of acquisition where land is involved. Reservations and exceptions in and to the Government’s title and easements and other rights in the property granted by the Government will be stated with particularity.

(9) List and description of buildings and improvements and cost of buildings and improvements not acquired with the land.

(10) A reference to excess or other directive making the property available for transfer when instrument is executed by District Engineer.

(11) Statement of responsibility and reimbursement for utility services.

(12) Reference to Report of Excess, Standard Form 118, where property has been reported to GSA.

(13) Other appropriate information.

(b) The DE will provide the data outlined in paragraph (a) of this section to HQDA (DAEN–REM) WASH DC 20314 for
use in preparing transfers to be executed at the Secretariat level. The forwarding correspondence will contain sufficient information for a full and complete understanding of the proposed transfer action, including an appraisal when reimbursement is required, together with other appropriate comments and recommendations.

§ 644.412 Transfer of custody and accountability.

The DE will transfer custody and accountability or will coordinate the transfer, as appropriate. The DE will collect any reimbursement and obtain any releases required. Where a leasehold is involved, the DE will furnish the transferee a copy of the lease and advice of the last rental paid and when the next rent is due. Upon completion of the transfer, proper notice will be given to the General Accounting Office, the lessor, and the Finance Officer as to the responsibility of the transferee for future rental payments. This action will be initiated or completed promptly upon receipt of a copy of the executed instrument, and a conformed copy thereof will be furnished to HQDA (DAEN-REP) WASH DC 20314.

§ 644.413 Exchanges of fee-owned land and easement interests.

The statutes identified in §§644.414 through 644.417 authorize the exchange of Government-owned lands and interests therein for private lands and lands owned by States, other non-Federal agencies, and their instrumentalities. As a general rule, any exchange of lands should be restricted to lands of approximately equal value. Where the Government property proposed for exchange has a value substantially in excess of the private land to be acquired, the question of whether the transaction is truly an exchange arises. In drafting relocation contracts, care must be exercised to insure that there is legal authority for execution of the conveyance or easement proposed.

§ 644.414 MCA acts.

The annual military construction authorization acts usually contain general authority for the acquisition, “by donation, purchase, exchange of Government-owned lands, or otherwise,” of lands and interests therein at specified installations or for specified military purposes. The annual acts must be examined to determine that specific authority exists to acquire land by exchange, unless a contemplated exchange falls within the scope of one of the special laws mentioned in §§644.415 through 644.419.

§ 644.415 Army military and Air Force lands—$50,000 limitation.

(a) 10 U.S.C. 2672 authorizes the Secretary of a military department to acquire land and interests in land, by gift, purchase, exchange of Government-owned land, or otherwise, that:
   (1) The Secretary or his designee determines is needed in the interest of national defense, and
   (2) Does not cost more than $50,000.

(b) 10 U.S.C. 2672a authorizes the Secretary of a military department to acquire any interest in land, including by exchange of Government-owned land, that:
   (1) The Secretary or his designee determines is needed in the interest of national defense;
   (2) Is required to maintain the operations integrity of a military installation; and
   (3) Considerations of urgency do not permit the delay necessary to include the required acquisition in an annual Military Construction Authorization Act.

§ 644.416 Army civil works lands.

The Secretary of the Army is authorized to exchange lands acquired for river and harbor and flood control projects for privately-owned lands required for such purposes (33 U.S.C. 558b and 558b–1).
