§ 750.51 Final disposition.

(a) Claimant to be notified. The adjudicating authority shall notify the claimant, in writing, of the action taken on the claim.

(b) Final denial. A final denial, in whole or in part, of any MCA claim shall be in writing and sent to the claimant, or his attorney or legal representative, by certified or registered mail, return receipt requested. The notification of denial shall include a statement of the reasons or reasons for denial and that the claimant may appeal. The notification shall also inform the claimant:

1. The title of the appellate authority who will act on the appeal and that the appeal will be addressed to the adjudicating authority who last acted on the claim.
2. No form is prescribed for the appeal, but the grounds for appeal should be set forth fully.
3. The appeal must be submitted within 30 days of receipt by the claimant of notice of action on the claim.

§ 750.52 Appeal.

(a) A claim which is disapproved in whole or in part may be appealed by the claimant at any time within 30 days after receipt of notification of disapproval. An appeal shall be in writing and state the grounds relied upon. An appeal is not an adversary proceeding and a hearing is not authorized; however, the claimant may obtain and submit any additional evidence or written argument for consideration by the appellate authority.

(b) Upon receipt, the adjudicating authority examines the appeal, determines whether the appeal complies with this regulation, and reviews the claims investigative file to ensure it is complete. The claim, with the complete investigative file and a memorandum of law, will be forwarded to the appellate authority for action. If the evidence in the file, including information submitted by the claimant with the appeal, indicates the appeal should be approved, the adjudicating authority may treat the appeal as a request for reconsideration.

(c) Processing of the appeal may be delayed pending further efforts by the adjudicating authority to settle the claim. Where the adjudicating authority does not reach a final agreement on an appealed claim, it shall send the entire claim file to the next higher settlement authority, who is the appellate authority for that claim.

(d) The appellate authority shall notify the claimant in writing of the determination on appeal; such determination constitutes the final administrative action on the claim; and there is no right to sue under the MCA.

§ 750.53 Cross-servicing.

(a) See § 750.13 or information about single-service claims responsibility under DODDIR 5515.8 of 9 June 1990.

(b) Claims settlement procedures. Where a single service has been assigned a country or area claims responsibility, that service will settle claims cognizable under the MCA under the regulations of that service. The forwarding command shall afford any assistance necessary to the appropriate service in the investigation and adjudication of such claims.

§ 750.54 Payment of costs, settlements, and judgments related to certain medical or legal malpractice claims.

(a) General. Requests for reimbursement/indemnification of costs, settlements, and judgments cognizable under 10 U.S.C. 1089(f) [for personal injury or death caused by any physician, dentist, nurse, pharmacist, paramedic, or other supporting personnel (including medical and dental technicians, nurse assistants, and therapists)] or 10 U.S.C. 1054(f) (for damages for injury or loss of property caused by any attorney, para-legal, or other member of a legal staff) while acting as DON personnel will be paid if:

(b) Requests for Indemnification. All requests for indemnification for personal liability of DON personnel for
acts or omissions arising out of assigned duties shall be forwarded to the Judge Advocate General for action.

§ 750.55 Attorney’s fees.
Attorney’s fees not in excess of 20 percent of any settlement may be allowed. Attorney’s fees so determined are to be paid out of the amount awarded and not in addition to the award. These fee limitations shall be incorporated in any settlement agreement secured from a claimant.

§§ 750.56–750.60 [Reserved]
