§ 104.106 Passenger access area.

(a) A ferry, passenger vessel, or cruise ship may designate areas within the vessel as passenger access areas.

(b) An employee access area is a defined space, within the area over which the owner or operator has implemented security measures for access control, of a ferry, passenger vessel, or cruise ship that is open to passengers. It is not a secure area and does not require a TWIC for unescorted access.

(c) Passenger access areas may not include any areas defined as restricted areas in the VSP.
