Coast Guard, DHS

(b) Methods of submission. The notice must be submitted to the National Vessel Movement Center by electronic Notice of Arrival and Departure format using methods specified at the NVMC’s Web site at http://www.nvmc.uscg.gov/.

(c) Updates to a submitted NOA. Unless otherwise specified in this section, whenever the most recently submitted NOA information becomes inaccurate, the owner or operator of the foreign floating facility must revise and re-submit the NOA within the times required in paragraph (e) of this section. An owner or operator does not need to revise or re-submit an NOA for the following:

(1) A change in submitted arrival time that is less than 6 hours;

(2) Changes in the location, latitude and longitude, of the floating facility from the location at the time the NOA was reported; or

(3) Changes to personnel positions or duties on the foreign floating facility.

(d) Required reporting time of an initial NOA. The owner or operator of a foreign floating facility subject to this section must submit an initial NOA:

(1) If the voyage time is more than 96 hours, owners or operators of a foreign floating facility must submit an initial NOA at least 96 hours before the foreign floating facility arrives at the OCS location where the owner or operator plans to perform OCS activities; or

(2) If the voyage time is less than 96 hours, the owner or operator of a foreign floating facility must submit an initial NOA at least 24 hours before the foreign floating facility arrives at the OCS location where the owner or operator plans to perform OCS activities.

(e) Required reporting time of an update to an NOA. The owner or operator of a foreign floating facility subject to this section must submit an NOA update:

(1) If the most recently submitted NOA, or NOA update, differs by less than 24 hours from the current estimated time of arrival, the owner or operator of the foreign floating facility must provide an updated NOA as soon as practicable but at least 12 hours before the floating facility arrives at the OCS location where owners or operators plan to perform OCS activities.

(f) Towing vessels. When a towing vessel controls a foreign floating facility required to submit a NOA under this subpart, the owner or operator of the towing vessel, or lead towing vessel if there is more than one, is responsible for submitting only one NOA containing the NOA information items required for towing vessels, under §146.405, and the foreign floating facility under paragraph (a) of this section.

(g) This section does not apply to a foreign floating facility merely transiting the waters superjacent to the OCS and not engaged in OCS activities.

§ 146.115 Duties of personnel during an emergency.

(a) The owner, the owner’s agent, or the person in charge shall assign to each person on a manned facility special duties and duty stations so that in event an emergency arises confusion will be minimized and no delay will occur with respect to the use or application of equipment required by this subchapter. The duties shall, as far as
