§ 165.704 Safety Zone; Tampa Bay, Florida.

(a) A floating safety zone is established consisting of an area 1000 yards fore and aft of a loaded Liquefied Petroleum Gas (LPG) vessel and the width of the channel in the following areas. Any vessels desiring to enter the safety zone must obtain authorization from the Captain of the Port St. Petersburg.

(1) For vessels loaded with LPG and bound for the LPG receiving terminal in Port Sutton the safety zone starts at Tampa Bay Cut ''F'' Channel from Lighted Buoyos "3F" and "4F" and proceeds north ending at Gadsden Point Cut Lighted Buoyos "3" and "4". The safety zone starts again at Gadsden Point Cut Lighted Buoyos "7" and "8" and proceeds north through Hillsborough Cut "C", Port Sutton Entrance Channel, and ends at the Port Sutton LPG facility.

(2) For vessels loaded with LPG and bound for the LPG receiving terminal in Rattlesnake the safety zone starts at Tampa Bay Cut "J" Channel from Lighted Buoy "10J" and proceeds north through Tampa Bay Cut "K" Channel to buoy "11K". When a loaded LPG vessel departs the marked channel at Tampa Bay Cut "K" buoy "11K" enroute to Rattlesnake, Tampa, FL, the floating safety zone extends 500 yards in all directions surrounding the loaded LPG vessel, until it arrives at the entrance to Rattlesnake. While the loaded LPG vessel is maneuvering in the Rattlesnake slip and until it is safely moored at the LPG facility, the floating safety zone extends 150 feet fore and aft of the loaded LPG vessel and the width of the slip. Moored vessels are allowed within the parameters of the 150-foot safety zone.

(b) The floating safety zone is established when the LPG carrier is safely moored at the LPG receiving facility.

(c) For outbound tank vessels loaded with LPG, the safety zone is established when the vessel departs the terminal and continues through the area described in paragraph (a) of this section.

(d) All vessels over 5000 gross tons intending to pass LPG vessels moored in Port Sutton, and all vessels intending to pass LPG vessels moored in Rattlesnake, must give 30 minutes notice to the LPG vessel so it may take appropriate safety precautions.

(e) The general regulations governing safety zones contained in §165.23 apply.

(f) The Coast Guard Captain of the Port St. Petersburg will notify the maritime community of periods during which these safety zones will be in effect by providing advance notice of scheduled arrivals and departures of loaded LPG vessels via a marine broadcast Notice to Mariners.

(g) Should the actual time of entry of the LPG vessel into the safety zone vary more than one half (1⁄2) hour from the scheduled time stated in the broadcast Notice to Mariners, the person directing the movement of the LPG vessel shall obtain permission from Captain of the Port St. Petersburg before commencing the transit.

(h) Prior to commencing the movement, the person directing the movement of the LPG vessel shall make a security broadcast to advise mariners of the intended transit. All additional security broadcasts as recommended by the U.S. Coast Pilot 5, ATLANTIC COAST, shall be made throughout the transit.

(i) Vessels carrying LPG are permitted to enter and transit Tampa Bay and Hillsborough Bay and approaches only with a minimum of three miles visibility.

(j) The Captain of the Port St. Petersburg may waive any of the requirements of this subpart for any vessel upon finding that the vessel or class of vessel, operational conditions, or other circumstances are such that application of this subpart is unnecessary or impractical for purposes of port safety or environmental safety.

(k) The owner, master, agent or person in charge of a vessel or barge, loaded with LPG shall report, at a minimum, the following information to the Captain of the Port St. Petersburg at least twenty-four (24) hours before entering Tampa Bay, its approaches, or departing Tampa Bay.
§ 165.0704 Safety Zone; Savannah River, Savannah, Georgia.

(a) Location. The following area is a safety zone: Two hundred foot radius around Garden City Terminal, approximate position 32 degrees 8 minutes, N, 81 degrees 9.5 minutes W, and around all cargo ships loaded with military equipment and transiting the Savannah River.

(b) Effective dates. This regulation becomes effective at 12 p.m. 14 December 1990 until terminated by the Captain of the Port, Savannah, GA.

(c) Regulation. In accordance with the general regulations in §165.33 of this part, entry into the zone is subject to the following requirements.

(1) All persons and vessels in the vicinity of the safety zone shall immediately obey any direction or order of the Captain of the Port or a representative of the Captain of the Port.

(2) The “representative of the Captain of the Port” is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port, Savannah, GA to act on his behalf. A representative of the Captain of the Port may be contacted on board any Coast Guard vessel assigned to enforce the safety zone.

(3) Before entering the safety zone, a vessel operator shall contact the Captain of the Port or a representative of the Captain of the Port to determine what restrictions, if any, have been imposed on vessels in the safety zone. The Captain of the Port may be contacted by telephone via the Command Duty Officer at (912) 944-4371. Coast Guard vessels assisting in the enforcement of the safety zone may be contacted on VHF-FM channels 13 or 16, or vessel operators may determine restrictions in effect for the safety zone by coming alongside a Coast Guard vessel patrolling the perimeter of the safety zone.

(4) The Captain of the Port will issue a Marine Safety Information Broadcast Notice to Mariners to Notify the maritime community of the safety zone and restrictions imposed.

[EFFECTIVE DATE NOTE: At 55 FR 52272, Dec. 21, 1990, §165.0704 was added. This is an emergency temporary rule and will remain in effect until terminated by the Captain of the Port Savannah, GA.]

§ 165.0705 Port Canaveral Harbor, Cape Canaveral, Florida.

(a) Security Zone A—East (Trident) Basin, Port Canaveral Harbor, at Cape Canaveral Air Force Station, Brevard County, Florida. All waters of the East Basin north of latitude 28°24′36″ N.

(b) Security Zone B—Middle Basin, Port Canaveral Harbor, adjacent to the Navy wharf at Cape Canaveral Air Force Station, Brevard County, Florida. The waters of Port Canaveral Harbor within a line circumscribing the water approaches to the Navy wharf along the northeasterly edge of the Port Canaveral Harbor turning basin at a distance of 200 feet from all portions of the wharf including the dolphins located 200 feet off the northwest end and 75 feet off the southeast end of the wharf.

(c) Entrance into these zones by vessels other than vessels owned or leased by the United States is prohibited without permission of the Captain of the Port, Jacksonville, Florida.

(d) The general regulations governing security zones contained in 33 CFR 165.33 apply.

§ 165.708 Safety/Security Zone; Charleston Harbor and Cooper River, Charleston, SC.

(a) Regulated area. The following boundaries are established as a safety and security zone during specified conditions:

(1) All waters 200 yards ahead and astern and 100 yards to each side of a vessel transporting nuclear materials
