§ 200.32 Identification for school improvement.

(a)(1) An LEA must identify for school improvement any elementary or secondary school served under subpart A of this part that fails, for two consecutive years, to make AYP as defined under §§200.13 through 200.20.

(ii) In identifying schools for improvement, an LEA—

(A) May base identification on whether a school did not make AYP because it did not meet the annual measurable objectives for the same subject...
