The Secretary may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report is not required after completion of the project.

(d) When required, performance reports must generally contain, for each award, brief information on each of the following:

1. A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, this quantitative data should be related to cost data for computation of unit costs.

2. Reasons why established goals were not met, if appropriate.

3. Other pertinent information including, when appropriate, analysis, and explanation of cost overruns or high unit costs.

(e) Recipients are not required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Secretary of developments that have a significant impact on the award-supported activities. Also, notification must be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification must include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) The Secretary may make site visits, as needed.

(h) The Secretary complies with the clearance requirements of 5 CFR part 1220 when requesting performance data from recipients.

uses this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) The Secretary may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, the Secretary may require recipients to report in the “Remarks” section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF–272 15 calendar days following the end of each quarter. The Secretary may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) The Secretary may waive the requirement for submission of the SF–272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that advances are monitored through other forms contained in this section;

(B) If, in the Secretary’s opinion, the recipient’s accounting controls are adequate to minimize excessive Federal advances; or

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Secretary needs additional information or more frequent reports, the following shall be observed:

(1) When additional information is needed to comply with legislative requirements, the Secretary shall issue instructions to require recipients to submit information under the “Remarks” section of the reports.

(2) When the Secretary determines that a recipient’s accounting system does not meet the standards in §74.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until the system is brought up to standard. The Secretary, in obtaining this information, complies with the report clearance requirements of 5 CFR part 1320.

(3) The Secretary may shade out any line item on any report if not necessary.

(4) The Secretary may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) The Secretary may provide computer or electronic outputs to recipients when these outputs expedite or contribute to the accuracy of reporting.

§ 74.53 Retention and access requirements for records.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Secretary. The only exceptions are the following:

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Secretary, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in §74.53(g).

(c) Copies of original records may be substituted for the original records if authorized by the Secretary.
