§ 300.711 Early intervening services.

(a) The Secretary of the Interior may allow each elementary school and secondary school for Indian children operated or funded by the Secretary of the Interior to use not more than 15 percent of the amount the school receives under §300.707(b) for any fiscal year, in combination with other amounts (which may include amounts other than education funds), to develop and implement coordinated, early intervening services, which may include interagency financing structures, for children in kindergarten through grade 12 (with a particular emphasis on children in kindergarten through grade three) who have not been identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment, in accordance with section 613(f) of the Act.

(b) Each elementary school and secondary school for Indian children operated or funded by the Secretary of the Interior that develops and maintains coordinated early intervening services in accordance with section 613(f) of the Act and §300.226 must annually report to the Secretary of the Interior in accordance with section 613(f) of the Act.

(Authority: 20 U.S.C. 1411(b)(1)(A))

§ 300.712 Payments for education and services for Indian children with disabilities aged three through five.

(a) General. With funds appropriated under section 611(i) of the Act, the Secretary makes payments to the Secretary of the Interior to be distributed to tribes or tribal organizations (as defined under section 4 of the Indian Self-Determination and Education Assistance Act) or consortia of tribes or tribal organizations to provide for the coordination of assistance for special education and related services for children with disabilities aged three through five on reservations served by elementary schools and secondary schools for Indian children operated or funded by the Department of the Interior. The amount of the payments under paragraph (a) of this section for any fiscal year is equal to 20 percent of the amount allotted under §300.701(b).

(2) The tribe or tribal organization, as appropriate, must make referrals to local, State, or Federal entities for the provision of services or further diagnosis. These activities may be carried out directly or through contracts or cooperative agreements with the BIA, LEAs, and other public or private nonprofit organizations. The tribe or tribal organization is encouraged to involve Indian parents in the development and implementation of these activities.

(c) Submission of information. To receive a grant pursuant to paragraph (a) of this section, the tribe or tribal organization must provide to the Secretary of the Interior biennial reports of activities undertaken under this section, including the number of contracts and cooperative agreements entered into pursuant to this section.
