(2)(i) Subject to paragraph (a)(2)(ii) of this section, if it is determined, through an appropriate evaluation under §§ 300.304 through 300.311, that a child has one of the disabilities identified in paragraph (a)(1) of this section, but only needs a related service and not special education, the child is not a child with a disability under this part.

(ii) If, consistent with § 300.39(a)(2), the related service required by the child is considered special education rather than a related service under State standards, the child would be determined to be a child with a disability under paragraph (a)(1) of this section.

Other characteristics often associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences.

(ii) Autism does not apply if a child’s educational performance is adversely affected primarily because the child has an emotional disturbance, as defined in paragraph (c)(4) of this section.

(iii) A child who manifests the characteristics of autism after age three could be identified as having autism if the criteria in paragraph (c)(1)(i) of this section are satisfied.

(2) *Deaf-blindness* means concomitant hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for children with deafness or children with blindness.

(3) *Deafness* means a hearing impairment that is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, that adversely affects a child’s educational performance.

(C) Inappropriate types of behavior or feelings under normal circumstances.

(D) A general pervasive mood of unhappiness or depression.

(7) *Multiple disabilities* means concomitant impairments (such as mental retardation-blindness or mental retardation-orthopedic impairment), the combination of which causes such severe educational needs that they cannot be accommodated in special education programs solely for one of the impairments. Multiple disabilities does not include deaf-blindness.

(8) *Orthopedic impairment* means a severe orthopedic impairment that adversely affects a child's educational performance. The term includes impairments caused by a congenital anomaly, impairments caused by disease (e.g., poliomyelitis, bone tuberculosis), and impairments from other causes (e.g., cerebral palsy, amputations, and fractures or burns that cause contractures).

(9) *Other health impairment* means having limited strength, vitality, or alertness, including a heightened alertness to environmental stimuli, that results in limited alertness with respect to the educational environment, that—

(a) *General.* To the extent consistent with the number and location of children with disabilities who are enrolled by their parents in private, including religious, elementary schools and secondary schools located in the school district served by the LEA, provision is made for the participation of those children in the program assisted or carried out under Part B of the Act by providing them with special education and related services, including direct services determined in accordance with § 300.137, unless the Secretary has arranged for services to those children under the by-pass provisions in §§ 300.190 through 300.198.

(1) For children aged 3 through 21, an amount that is the same proportion of the LEA's total subgrant under section 611(f) of the Act as the number of private school children with disabilities aged 3 through 21 who are enrolled by their parents in private, including religious, elementary schools and secondary schools located in the school district served by the LEA, is to the total number of children with disabilities in its jurisdiction aged 3 through 21.

(2)(i) For children aged three through five, an amount that is the same proportion of the LEA's total subgrant under section 619(g) of the Act as the number of parentally-placed private school children with disabilities aged three through five who are enrolled by their parents in a private, including religious, elementary school located in the school district served by the LEA, is to the total number of children with disabilities in its jurisdiction aged three through five.

(ii) As described in paragraph (a)(2)(i) of this section, children aged three through five are considered to be parentally-placed private school children with disabilities enrolled by their parents in private, including religious, elementary schools, if they are enrolled in a private school that meets the definition of elementary school in § 300.13.

(3) If an LEA has not expended for equitable services all of the funds described in paragraphs (a)(1) and (a)(2) of this section by the end of the fiscal year for which Congress appropriated the funds, the LEA must obligate the remaining funds for special education and related services (including direct services) to parentally-placed private school children with disabilities during

a carry-over period of one additional year.

(b) *Calculating proportionate amount.* In calculating the proportionate amount of Federal funds to be provided for parentally-placed private school children with disabilities, the LEA, after timely and meaningful consultation with representatives of private schools under § 300.134, must conduct a thorough and complete child find process to determine the number of parentally-placed children with disabilities attending private schools located in the LEA. (See Appendix B for an example of how proportionate share is calculated).

(c) *Annual count of the number of parentally-placed private school children with disabilities.* (1) Each LEA must—

(i) After timely and meaningful consultation with representatives of parentally-placed private school children with disabilities (consistent with § 300.134), determine the number of parentally-placed private school children with disabilities attending private schools located in the LEA; and

(ii) Ensure that the count is conducted on any date between October 1 and December 1, inclusive, of each year.

(2) The count must be used to determine the amount that the LEA must spend on providing special education and related services to parentally-placed private school children with disabilities in the next subsequent fiscal year.

(d) *Supplement, not supplant.* State and local funds may supplement and in no case supplant the proportionate amount of Federal funds required to be expended for parentally-placed private school children with disabilities under this part.

CHILDREN WITH DISABILITIES ENROLLED BY THEIR PARENTS IN PRIVATE SCHOOLS WHEN FAPE IS AT ISSUE

§ 300.148 Placement of children by parents when FAPE is at issue.

(a) *General.* This part does not require an LEA to pay for the cost of education, including special education and related services, of a child with a disability at a private school or facility if that agency made FAPE available to the child and the parents elected to place the child in a private school or facility. However, the public agency must include that child in the population whose needs are addressed consistent with §§ 300.131 through 300.144.

(b) *Disagreements about FAPE.* Disagreements between the parents and a public agency regarding the availability of a program appropriate for the child, and the question of financial reimbursement, are subject to the due process procedures in §§ 300.504 through 300.520.

(c) *Reimbursement for private school placement.* If the parents of a child with a disability, who previously received special education and related services under the authority of a public agency, enroll the child in a private preschool, elementary school, or secondary school without the consent of or referral by the public agency, a court or a hearing officer may require the agency to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the agency had not made FAPE available to the child in a timely manner prior to that enrollment and that the private placement is appropriate. A parental placement may be found to be appropriate by a hearing officer or a court even if it does not meet the State standards that apply to education provided by the SEA and LEAs.

(d) *Limitation on reimbursement.* The cost of reimbursement described in

paragraph (c) of this section may be reduced or denied—

(1) If—

(i) At the most recent IEP Team meeting that the parents attended prior to removal of the child from the public school, the parents did not inform the IEP Team that they were rejecting the placement proposed by the public agency to provide FAPE to their child, including stating their concerns and their intent to enroll their child in a private school at public expense; or

(ii) At least ten (10) business days (including any holidays that occur on a business day) prior to the removal of the child from the public school, the parents did not give written notice to the public agency of the information described in paragraph (d)(1)(i) of this section;

(2) If, prior to the parents' removal of the child from the public school, the public agency informed the parents, through the notice requirements described in § 300.503(a)(1), of its intent to evaluate the child (including a statement of the purpose of the evaluation that was appropriate and reasonable), but the parents did not make the child available for the evaluation; or

(3) Upon a judicial finding of unreasonableness with respect to actions taken by the parents.

(e) *Exception.* Notwithstanding the notice requirement in paragraph (d)(1) of this section, the cost of reimbursement—

(1) Must not be reduced or denied for failure to provide the notice if—

(i) The school prevented the parents from providing the notice;

(ii) The parents had not received notice, pursuant to § 300.504, of the notice requirement in paragraph (d)(1) of this section; or

(iii) Compliance with paragraph (d)(1) of this section would likely result in physical harm to the child; and

(2) May, in the discretion of the court or a hearing officer, not be reduced or denied for failure to provide this notice if—

(i) The parents are not literate or cannot write in English; or

However, any issue in the complaint that is not a part of the due process action must be resolved using the time limit and procedures described in paragraphs (a) and (b) of this section.

METHODS OF ENSURING SERVICES

§ 300.154 Methods of ensuring services.

(a) *Establishing responsibility for services.* The Chief Executive Officer of a State or designee of that officer must ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each noneducational public agency described in paragraph (b) of this section and the SEA, in order to ensure that all services described in paragraph (b)(1) of this section that are needed to ensure FAPE are provided, including the provision of these services during the pendency of any dispute under paragraph (a)(3) of this section. The agreement or mechanism must include the following:

(1) An identification of, or a method for defining, the financial responsi-

bility of each agency for providing services described in paragraph (b)(1) of this section to ensure FAPE to children with disabilities. The financial responsibility of each noneducational public agency described in paragraph (b) of this section, including the State Medicaid agency and other public insurers of children with disabilities, must precede the financial responsibility of the LEA (or the State agency responsible for developing the child's IEP).

(2) The conditions, terms, and procedures under which an LEA must be reimbursed by other agencies.

(3) Procedures for resolving interagency disputes (including procedures under which LEAs may initiate proceedings) under the agreement or other mechanism to secure reimbursement from other agencies or otherwise implement the provisions of the agreement or mechanism.

(4) Policies and procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services described in paragraph (b)(1) of this section.

(b) *Obligation of noneducational public agencies.* (1)(i) If any public agency other than an educational agency is otherwise obligated under Federal or State law, or assigned responsibility under State policy or pursuant to paragraph (a) of this section, to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in §300.5 relating to assistive technology devices, §300.6 relating to assistive technology services, §300.34 relating to related services, §300.41 relating to supplementary aids and services, and §300.42 relating to transition services) that are necessary for ensuring FAPE to children with disabilities within the State, the public agency must fulfill that obligation or responsibility, either directly or through contract or other arrangement pursuant to paragraph (a) of this section or an agreement pursuant to paragraph (c) of this section.

(ii) A noneducational public agency described in paragraph (b)(1)(i) of this section may not disqualify an eligible

service for Medicaid reimbursement because that service is provided in a school context.

(2) If a public agency other than an educational agency fails to provide or pay for the special education and related services described in paragraph (b)(1) of this section, the LEA (or State agency responsible for developing the child's IEP) must provide or pay for these services to the child in a timely manner. The LEA or State agency is authorized to claim reimbursement for the services from the noneducational public agency that failed to provide or pay for these services and that agency must reimburse the LEA or State agency in accordance with the terms of the interagency agreement or other mechanism described in paragraph (a) of this section.

(c) *Special rule.* The requirements of paragraph (a) of this section may be met through—

(1) State statute or regulation;

(2) Signed agreements between respective agency officials that clearly identify the responsibilities of each agency relating to the provision of services; or

(3) Other appropriate written methods as determined by the Chief Executive Officer of the State or designee of that officer and approved by the Secretary.

(d) *Children with disabilities who are covered by public benefits or insurance.*

(1) A public agency may use the Medicaid or other public benefits or insurance programs in which a child participates to provide or pay for services required under this part, as permitted under the public benefits or insurance program, except as provided in paragraph (d)(2) of this section.

(2) With regard to services required to provide FAPE to an eligible child under this part, the public agency—

(i) May not require parents to sign up for or enroll in public benefits or insurance programs in order for their child to receive FAPE under Part B of the Act;

(ii) May not require parents to incur an out-of-pocket expense such as the payment of a deductible or co-pay amount incurred in filing a claim for services provided pursuant to this part, but pursuant to paragraph (g)(2) of this

section, may pay the cost that the parents otherwise would be required to pay;

(iii) May not use a child's benefits under a public benefits or insurance program if that use would—

(A) Decrease available lifetime coverage or any other insured benefit;

(B) Result in the family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the child outside of the time the child is in school;

(C) Increase premiums or lead to the discontinuation of benefits or insurance; or

(D) Risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures; and

(iv)(A) Must obtain parental consent, consistent with §300.9, each time that access to public benefits or insurance is sought; and

(B) Notify parents that the parents' refusal to allow access to their public benefits or insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

(e) *Children with disabilities who are covered by private insurance.* (1) With regard to services required to provide FAPE to an eligible child under this part, a public agency may access the parents' private insurance proceeds only if the parents provide consent consistent with §300.9.

(2) Each time the public agency proposes to access the parents' private insurance proceeds, the agency must—

(i) Obtain parental consent in accordance with paragraph (e)(1) of this section; and

(ii) Inform the parents that their refusal to permit the public agency to access their private insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

(f) *Use of Part B funds.* (1) If a public agency is unable to obtain parental consent to use the parents' private insurance, or public benefits or insurance when the parents would incur a cost for a specified service required under this part, to ensure FAPE the public agency

may use its Part B funds to pay for the service.

(2) To avoid financial cost to parents who otherwise would consent to use private insurance, or public benefits or insurance if the parents would incur a cost, the public agency may use its Part B funds to pay the cost that the parents otherwise would have to pay to use the parents' benefits or insurance (e.g., the deductible or co-pay amounts).

(g) *Proceeds from public benefits or insurance or private insurance.* (1) Proceeds from public benefits or insurance or private insurance will not be treated as program income for purposes of 34 CFR 80.25.

(2) If a public agency spends reimbursements from Federal funds (e.g., Medicaid) for services under this part, those funds will not be considered "State or local" funds for purposes of the maintenance of effort provisions in §§ 300.163 and 300.203.

(h) *Construction.* Nothing in this part should be construed to alter the requirements imposed on a State Medicaid agency, or any other agency administering a public benefits or insurance program by Federal statute, regulations or policy under title XIX, or title XXI of the Social Security Act, 42 U.S.C. 1396 through 1396v and 42 U.S.C. 1397aa through 1397jj, or any other public benefits or insurance program.

ADDITIONAL ELIGIBILITY REQUIREMENTS

§ 300.155 Hearings relating to LEA eligibility.

§ 300.156 Personnel qualifications.

(a) *General.* The SEA must establish and maintain qualifications to ensure that personnel necessary to carry out

the purposes of this part are appropriately and adequately prepared and trained, including that those personnel have the content knowledge and skills to serve children with disabilities.

(b) *Related services personnel and paraprofessionals.* The qualifications under paragraph (a) of this section must include qualifications for related services personnel and paraprofessionals that—

(1) Are consistent with any State-approved or State-recognized certification, licensing, registration, or other comparable requirements that apply to the professional discipline in which those personnel are providing special education or related services; and

(2) Ensure that related services personnel who deliver services in their discipline or profession—

(i) Meet the requirements of paragraph (b)(1) of this section; and

(ii) Have not had certification or licensure requirements waived on an emergency, temporary, or provisional basis; and

(iii) Allow paraprofessionals and assistants who are appropriately trained and supervised, in accordance with State law, regulation, or written policy, in meeting the requirements of this part to be used to assist in the provision of special education and related services under this part to children with disabilities.

(c) *Qualifications for special education teachers.* The qualifications described in paragraph (a) of this section must ensure that each person employed as a public school special education teacher in the State who teaches in an elementary school, middle school, or secondary school is highly qualified as a special education teacher by the deadline established in section 1119(a)(2) of the ESEA.

(d) *Policy.* In implementing this section, a State must adopt a policy that includes a requirement that LEAs in the State take measurable steps to recruit, hire, train, and retain highly qualified personnel to provide special education and related services under this part to children with disabilities.

(e) *Rule of construction.* Notwithstanding any other individual right of action that a parent or student may maintain under this part, nothing in this part shall be construed to create a

§ 300.157

right of action on behalf of an individual student or a class of students for the failure of a particular SEA or LEA employee to be highly qualified, or to prevent a parent from filing a complaint about staff qualifications with the SEA as provided for under this part.

(1) Promote the purposes of this part, as stated in § 300.1;

(2) Are the same as the State’s objectives for progress by children in its definition of adequate yearly progress, including the State’s objectives for progress by children with disabilities, under section 1111(b)(2)(C) of the ESEA, 20 U.S.C. 6311;

§§ 300.158–300.159 [Reserved]

§ 300.160 Participation in assessments.

(a) *General.* A State must ensure that all children with disabilities are included in all general State and district-wide assessment programs, including assessments described under section 1111 of the ESEA, 20 U.S.C. 6311, with appropriate accommodations and alternate assessments, if necessary, as indicated in their respective IEPs.

(b) *Accommodation guidelines.* (1) A State (or, in the case of a district-wide assessment, an LEA) must develop guidelines for the provision of appropriate accommodations.

(2) The State’s (or, in the case of a district-wide assessment, the LEA’s) guidelines must—

(i) Identify only those accommodations for each assessment that do not invalidate the score; and

(ii) Instruct IEP Teams to select, for each assessment, only those accommodations that do not invalidate the score.

(c) *Alternate assessments.* (1) A State (or, in the case of a district-wide assessment, an LEA) must develop and implement alternate assessments and guidelines for the participation of children with disabilities in alternate assessments for those children who cannot participate in regular assessments, even with accommodations, as indicated in their respective IEPs, as provided in paragraph (a) of this section.

(2) For assessing the academic progress of students with disabilities under Title I of the ESEA, the alternate assessments and guidelines in paragraph (c)(1) of this section must provide for alternate assessments that—

(i) Are aligned with the State’s challenging academic content standards and challenging student academic achievement standards;

(ii) If the State has adopted modified academic achievement standards permitted in 34 CFR 200.1(e), measure the achievement of children with disabilities meeting the State’s criteria under § 200.1(e)(2) against those standards; and

(iii) If the State has adopted alternate academic achievement standards permitted in 34 CFR 200.1(d), measure

the achievement of children with the most significant cognitive disabilities against those standards.

(d) *Explanation to IEP Teams.* A State (or in the case of a district-wide assessment, an LEA) must provide IEP Teams with a clear explanation of the differences between assessments based on grade-level academic achievement standards and those based on modified or alternate academic achievement standards, including any effects of State or local policies on the student's education resulting from taking an alternate assessment based on alternate or modified academic achievement standards (such as whether only satisfactory performance on a regular assessment would qualify a student for a regular high school diploma).

(e) *Inform parents.* A State (or in the case of a district-wide assessment, an LEA) must ensure that parents of students selected to be assessed based on alternate or modified academic achievement standards are informed that their child's achievement will be measured based on alternate or modified academic achievement standards.

(f) *Reports.* An SEA (or, in the case of a district-wide assessment, an LEA) must make available to the public, and report to the public with the same frequency and in the same detail as it reports on the assessment of nondisabled children, the following:

(1) The number of children with disabilities participating in regular assessments, and the number of those children who were provided accommodations (that did not result in an invalid score) in order to participate in those assessments.

(2) The number of children with disabilities, if any, participating in alternate assessments based on grade-level academic achievement standards.

(3) The number of children with disabilities, if any, participating in alternate assessments based on modified academic achievement standards.

(4) The number of children with disabilities, if any, participating in alternate assessments based on alternate academic achievement standards.

(5) Compared with the achievement of all children, including children with disabilities, the performance results of children with disabilities on regular as-

sessments, alternate assessments based on grade-level academic achievement standards, alternate assessments based on modified academic achievement standards, and alternate assessments based on alternate academic achievement standards if—

(i) The number of children participating in those assessments is sufficient to yield statistically reliable information; and

(ii) Reporting that information will not reveal personally identifiable information about an individual student on those assessments.

(g) *Universal design.* An SEA (or, in the case of a district-wide assessment, an LEA) must, to the extent possible, use universal design principles in developing and administering any assessments under this section.

(b) *Prohibition against commingling.* (1) Funds paid to a State under this part must not be commingled with State funds.

(2) The requirement in paragraph (b)(1) of this section is satisfied by the use of a separate accounting system that includes an audit trail of the expenditure of funds paid to a State under this part. Separate bank accounts are not required. (See 34 CFR 76.702 (Fiscal control and fund accounting procedures).)

(c) *State-level nonsupplanting.* (1) Except as provided in §300.203, funds paid to a State under Part B of the Act must be used to supplement the level of Federal, State, and local funds (including funds that are not under the direct control of the SEA or LEAs) expended for special education and related services provided to children with disabilities under Part B of the Act, and in no case to supplant those Federal, State, and local funds.

(2) If the State provides clear and convincing evidence that all children

(a) *General.* A State must not reduce the amount of State financial support for special education and related services for children with disabilities, or otherwise made available because of the excess costs of educating those children, below the amount of that support for the preceding fiscal year.

(b) *Reduction of funds for failure to maintain support.* The Secretary reduces the allocation of funds under section 611 of the Act for any fiscal year following the fiscal year in which the State fails to comply with the requirement of paragraph (a) of this section by the same amount by which the State fails to meet the requirement.

(c) *Waivers for exceptional or uncontrollable circumstances.* The Secretary may waive the requirement of paragraph (a) of this section for a State, for one fiscal year at a time, if the Secretary determines that—

§ 300.164 Waiver of requirement regarding supplementing and not supplanting with Part B funds.

(a) Except as provided under §§ 300.202 through 300.205, funds paid to a State under Part B of the Act must be used to supplement and increase the level of Federal, State, and local funds (including funds that are not under the direct control of SEAs or LEAs) expended for special education and related services provided to children with disabilities under Part B of the Act and in no case to supplant those Federal, State, and local funds. A State may use funds it retains under § 300.704(a) and (b) without regard to the prohibition on supplanting other funds.

(b) If a State provides clear and convincing evidence that all eligible children with disabilities throughout the State have FAPE available to them, the Secretary may waive for a period of one year in whole or in part the requirement under § 300.162 (regarding State-level nonsupplanting) if the Secretary concurs with the evidence provided by the State.

(c) If a State wishes to request a waiver under this section, it must submit to the Secretary a written request that includes—

(1) An assurance that FAPE is currently available, and will remain available throughout the period that a waiver would be in effect, to all eligible children with disabilities throughout the State, regardless of the public agency that is responsible for providing FAPE to them. The assurance must be signed by an official who has the authority to provide that assurance as it applies to all eligible children with disabilities in the State;

(2) All evidence that the State wishes the Secretary to consider in determining whether all eligible children with disabilities have FAPE available to them, setting forth in detail—

(i) The basis on which the State has concluded that FAPE is available to all eligible children in the State; and

(ii) The procedures that the State will implement to ensure that FAPE remains available to all eligible children in the State, which must include—

(A) The State's procedures under § 300.111 for ensuring that all eligible children are identified, located and evaluated;

(B) The State's procedures for monitoring public agencies to ensure that they comply with all requirements of this part;

(C) The State's complaint procedures under §§ 300.151 through 300.153; and

(D) The State's hearing procedures under §§ 300.511 through 300.516 and §§ 300.530 through 300.536;

(3) A summary of all State and Federal monitoring reports, and State complaint decisions (see §§ 300.151 through 300.153) and hearing decisions (see §§ 300.511 through 300.516 and §§ 300.530 through 300.536), issued within three years prior to the date of the State's request for a waiver under this section, that includes any finding that FAPE has not been available to one or more eligible children, and evidence that FAPE is now available to all children addressed in those reports or decisions; and

(4) Evidence that the State, in determining that FAPE is currently available to all eligible children with disabilities in the State, has consulted with the State advisory panel under § 300.167.

(d) If the Secretary determines that the request and supporting evidence submitted by the State makes a prima facie showing that FAPE is, and will remain, available to all eligible children with disabilities in the State, the Secretary, after notice to the public throughout the State, conducts a public hearing at which all interested persons and organizations may present evidence regarding the following issues:

(1) Whether FAPE is currently available to all eligible children with disabilities in the State.

(2) Whether the State will be able to ensure that FAPE remains available to all eligible children with disabilities in the State if the Secretary provides the requested waiver.

(e) Following the hearing, the Secretary, based on all submitted evidence, will provide a waiver, in whole or in part, for a period of one year if the Secretary finds that the State has provided clear and convincing evidence that FAPE is currently available to all eligible children with disabilities in the State, and the State will be able to ensure that FAPE remains available to all eligible children with disabilities in the State if the Secretary provides the requested waiver.

(f) A State may receive a waiver of the requirement of section 612(a)(18)(A) of the Act and § 300.164 if it satisfies the requirements of paragraphs (b) through (e) of this section.

(g) The Secretary may grant subsequent waivers for a period of one year each, if the Secretary determines that the State has provided clear and convincing evidence that all eligible children with disabilities throughout the State have, and will continue to have throughout the one-year period of the waiver, FAPE available to them.

(d) The Secretary deducts from the State's allocation under Part B of the Act the amount the Secretary determines is necessary to implement a by-pass and pays that amount to the provider of services. STATE ADMINISTRATION

§ 300.199 State administration.

(a) *Rulemaking.* Each State that receives funds under Part B of the Act must—

(1) Ensure that any State rules, regulations, and policies relating to this part conform to the purposes of this part;

(2) Identify in writing to LEAs located in the State and the Secretary any such rule, regulation, or policy as a State-imposed requirement that is not required by Part B of the Act and Federal regulations; and

(3) Minimize the number of rules, regulations, and policies to which the LEAs and schools located in the State are subject under Part B of the Act.

(b) *Support and facilitation.* State rules, regulations, and policies under Part B of the Act must support and facilitate LEA and school-level system improvement designed to enable children with disabilities to meet the challenging State student academic achievement standards.

Subpart C—Local Educational Agency Eligibility

§ 300.200 Condition of assistance.

An LEA is eligible for assistance under Part B of the Act for a fiscal year if the agency submits a plan that provides assurances to the SEA that the LEA meets each of the conditions in §§ 300.201 through 300.213.

(Authority: 20 U.S.C. 1413(a))

§ 300.201 Consistency with State policies.

The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §§ 300.101 through 300.163, and §§ 300.165 through 300.174.

(Approved by the Office of Management and Budget under control number 1820-0600)

(Authority: 20 U.S.C. 1413(a)(1))

§ 300.202 Use of amounts.

(a) *General.* Amounts provided to the LEA under Part B of the Act—

(1) Must be expended in accordance with the applicable provisions of this part;

(2) Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and

(3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.

(b) *Excess cost requirement—(1) General.* (i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.

(ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for non-disabled children of these ages. However, the LEA must comply with the nonsupplanting and other requirements

§ 300.203

of this part in providing the education and services for these children.

(2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.

(ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of *excess costs* in §300.16. That amount may not include capital outlay or debt service.

(3) If two or more LEAs jointly establish eligibility in accordance with §300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in §300.16 in those agencies for elementary or secondary school students, as the case may be.

§ 300.203 Maintenance of effort.

(a) *General.* Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(b) *Standard.* (1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

(i) Local funds only.

(ii) The combination of State and local funds.

(2) An LEA that relies on paragraph (b)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education

34 CFR Ch. III (7-1-10 Edition)

of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in paragraph (b)(1)(i) of this section was used to establish its compliance with this section.

(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA's compliance with the requirement in paragraph (a) of this section.

§ 300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(a), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

(a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.

(b) A decrease in the enrollment of children with disabilities.

(c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child—

(1) Has left the jurisdiction of the agency;

(2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or

(3) No longer needs the program of special education.

(d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.

(e) The assumption of cost by the high cost fund operated by the SEA under § 300.704(c).

§ 300.205 Adjustment to local fiscal efforts in certain fiscal years.

(a) *Amounts in excess.* Notwithstanding § 300.202(a)(2) and (b) and § 300.203(a), and except as provided in paragraph (d) of this section and § 300.230(e)(2), for any fiscal year for which the allocation received by an LEA under § 300.705 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by § 300.203(a) by not more than 50 percent of the amount of that excess.

(b) *Use of amounts to carry out activities under ESEA.* If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.

(c) *State prohibition.* Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must prohibit the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.

(d) *Special rule.* The amount of funds expended by an LEA for early intervening services under § 300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section.

§ 300.206 Schoolwide programs under title I of the ESEA.

(a) *General.* Notwithstanding the provisions of §§ 300.202 and 300.203 or any other provision of Part B of the Act, an LEA may use funds received under Part B of the Act for any fiscal year to carry out a schoolwide program under section 1114 of the ESEA, except that the amount used in any schoolwide program may not exceed—

(1)(i) The amount received by the LEA under Part B of the Act for that fiscal year; divided by

(ii) The number of children with disabilities in the jurisdiction of the LEA; and multiplied by

(2) The number of children with disabilities participating in the schoolwide program.

(b) *Funding conditions.* The funds described in paragraph (a) of this section are subject to the following conditions:

(1) The funds must be considered as Federal Part B funds for purposes of the calculations required by § 300.202(a)(2) and (a)(3).

(2) The funds may be used without regard to the requirements of § 300.202(a)(1).

(c) *Meeting other Part B requirements.* Except as provided in paragraph (b) of this section, all other requirements of Part B of the Act must be met by an LEA using Part B funds in accordance with paragraph (a) of this section, including ensuring that children with disabilities in schoolwide program schools—

(1) Receive services in accordance with a properly developed IEP; and

(2) Are afforded all of the rights and services guaranteed to children with disabilities under the Act.

(1) *Services and aids that also benefit nondisabled children.* For the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to a child with a disability in accordance with the IEP of the child, even if one or more nondisabled children benefit from these services.

(2) *Early intervening services.* To develop and implement coordinated, early intervening educational services in accordance with §300.226.

(3) *High cost special education and related services.* To establish and implement cost or risk sharing funds, consortia, or cooperatives for the LEA itself, or for LEAs working in a consortium of which the LEA is a part, to pay for high cost special education and related services.

(b) *Administrative case management.* An LEA may use funds received under Part B of the Act to purchase appropriate technology for recordkeeping, data collection, and related case management activities of teachers and related services personnel providing services described in the IEP of children with disabilities, that is needed for the implementation of those case management activities.

§ 300.209 Treatment of charter schools and their students.

(a) *Rights of children with disabilities.* Children with disabilities who attend public charter schools and their parents retain all rights under this part.

(b) *Charter schools that are public schools of the LEA.* (1) In carrying out Part B of the Act and these regulations with respect to charter schools that are public schools of the LEA, the LEA must—

(i) Serve children with disabilities attending those charter schools in the same manner as the LEA serves children with disabilities in its other schools, including providing supplementary and related services on site at the charter school to the same extent to which the LEA has a policy or practice of providing such services on the site to its other public schools; and

(ii) Provide funds under Part B of the Act to those charter schools—

(A) On the same basis as the LEA provides funds to the LEA's other public schools, including proportional distribution based on relative enrollment of children with disabilities; and

(B) At the same time as the LEA distributes other Federal funds to the LEA's other public schools, consistent with the State's charter school law.

(2) If the public charter school is a school of an LEA that receives funding under §300.705 and includes other public schools—

(i) The LEA is responsible for ensuring that the requirements of this part are met, unless State law assigns that responsibility to some other entity; and

(ii) The LEA must meet the requirements of paragraph (b)(1) of this section.

(c) *Public charter schools that are LEAs.* If the public charter school is an LEA, consistent with §300.28, that receives funding under §300.705, that charter school is responsible for ensuring that the requirements of this part are met, unless State law assigns that responsibility to some other entity.

(d) *Public charter schools that are not an LEA or a school that is part of an LEA.* (1) If the public charter school is not an LEA receiving funding under §300.705, or a school that is part of an LEA receiving funding under §300.705, the SEA is responsible for ensuring that the requirements of this part are met.

(2) Paragraph (d)(1) of this section does not preclude a State from assigning initial responsibility for ensuring

the requirements of this part are met to another entity. However, the SEA must maintain the ultimate responsibility for ensuring compliance with this part, consistent with §300.149.

(b) *Rights of LEA.* (1) Nothing in this section shall be construed to require an LEA to coordinate with the NIMAC.

(2) If an LEA chooses not to coordinate with the NIMAC, the LEA must provide an assurance to the SEA that the LEA will provide instructional materials to blind persons or other persons with print disabilities in a timely manner.

(3) Nothing in this section relieves an LEA of its responsibility to ensure that children with disabilities who need instructional materials in accessible formats but are not included under the definition of blind or other persons with print disabilities in §300.172(e)(1)(i) or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner.

(a) *General.* An SEA may require an LEA to establish its eligibility jointly with another LEA if the SEA determines that the LEA will be ineligible under this subpart because the agency will not be able to establish and maintain programs of sufficient size and scope to effectively meet the needs of children with disabilities.

(b) *Charter school exception.* An SEA may not require a charter school that is an LEA to jointly establish its eligibility under paragraph (a) of this section unless the charter school is explicitly permitted to do so under the State's charter school statute.

(c) *Amount of payments.* If an SEA requires the joint establishment of eligibility under paragraph (a) of this section, the total amount of funds made available to the affected LEAs must be equal to the sum of the payments that each LEA would have received under § 300.705 if the agencies were eligible for those payments.

(2) Be jointly responsible for implementing programs that receive assistance under Part B of the Act.

(b) *Requirements for educational service agencies in general.* If an educational service agency is required by State law to carry out programs under Part B of the Act, the joint responsibilities given to LEAs under Part B of the Act—

(1) Do not apply to the administration and disbursement of any payments received by that educational service agency; and

§ 300.226 Early intervening services.

(a) *General.* An LEA may not use more than 15 percent of the amount the LEA receives under Part B of the Act for any fiscal year, less any amount reduced by the LEA pursuant to §300.205, if any, in combination with other amounts (which may include amounts other than education funds), to develop and implement coordinated, early intervening services, which may include interagency financing structures, for students in kindergarten through grade 12 (with a particular emphasis on students in kindergarten through grade three) who are not currently identified as needing special education or related services, but who need additional academic and behavioral support to succeed in a general education environment. (See Appendix D for examples of how §300.205(d), regarding local maintenance of effort, and §300.226(a) affect one another.)

(b) *Activities.* In implementing coordinated, early intervening services under this section, an LEA may carry out activities that include—

(1) Professional development (which may be provided by entities other than LEAs) for teachers and other school staff to enable such personnel to deliver scientifically based academic and behavioral interventions, including scientifically based literacy instruction, and, where appropriate, instruction on the use of adaptive and instructional software; and

(2) Providing educational and behavioral evaluations, services, and supports, including scientifically based literacy instruction.

(c) *Construction.* Nothing in this section shall be construed to either limit or create a right to FAPE under Part B of the Act or to delay appropriate evaluation of a child suspected of having a disability.

(d) *Reporting.* Each LEA that develops and maintains coordinated, early

intervening services under this section must annually report to the SEA on—

(1) The number of children served under this section who received early intervening services; and

(2) The number of children served under this section who received early intervening services and subsequently receive special education and related services under Part B of the Act during the preceding two year period.

(e) *Coordination with ESEA.* Funds made available to carry out this section may be used to carry out coordinated, early intervening services aligned with activities funded by, and carried out under the ESEA if those funds are used to supplement, and not supplant, funds made available under the ESEA for the activities and services assisted under this section.

(i) Has not provided the information needed to establish the eligibility of the LEA or State agency, or elected not to apply for its Part B allotment, under Part B of the Act;

(ii) Is unable to establish and maintain programs of FAPE that meet the requirements of this part;

(iii) Is unable or unwilling to be consolidated with one or more LEAs in order to establish and maintain the programs; or

(iv) Has one or more children with disabilities who can best be served by a regional or State program or service delivery system designed to meet the needs of these children.

(2) *SEA administrative procedures.* (i) In meeting the requirements in paragraph (a)(1) of this section, the SEA

may provide special education and related services directly, by contract, or through other arrangements.

(ii) The excess cost requirements of § 300.202(b) do not apply to the SEA.

(b) *Manner and location of education and services.* The SEA may provide special education and related services under paragraph (a) of this section in the manner and at the locations (including regional or State centers) as the SEA considers appropriate. (b) The statement may include a description of any behavior engaged in by the child that required disciplinary action, a description of the disciplinary action taken, and any other information that is relevant to the safety of the child and other individuals involved with the child.

§ 300.230 SEA flexibility.

(a) *Adjustment to State fiscal effort in certain fiscal years.* For any fiscal year for which the allotment received by a State under § 300.703 exceeds the amount the State received for the previous fiscal year and if the State in school year 2003–2004 or any subsequent school year pays or reimburses all LEAs within the State from State revenue 100 percent of the non-Federal share of the costs of special education and related services, the SEA, notwithstanding §§ 300.162 through 300.163 (related to State-level nonsupplanting and maintenance of effort), and § 300.175 (related to direct services by the SEA) may reduce the level of expenditures from State sources for the education of children with disabilities by not more than 50 percent of the amount of such excess.

(b) *Prohibition.* Notwithstanding paragraph (a) of this section, if the Secretary determines that an SEA is unable to establish, maintain, or oversee programs of FAPE that meet the requirements of this part, or that the State needs assistance, intervention, or substantial intervention under § 300.603, the Secretary prohibits the SEA from exercising the authority in paragraph (a) of this section.

(c) *Education activities.* If an SEA exercises the authority under paragraph (a) of this section, the agency must use funds from State sources, in an amount equal to the amount of the reduction under paragraph (a) of this section, to support activities authorized under the ESEA, or to support need-based student or teacher higher education programs.

(d) *Report.* For each fiscal year for which an SEA exercises the authority under paragraph (a) of this section, the SEA must report to the Secretary—

(1) The amount of expenditures reduced pursuant to that paragraph; and

(2) The activities that were funded pursuant to paragraph (c) of this section.

(e) *Limitation.* (1) Notwithstanding paragraph (a) of this section, an SEA

may not reduce the level of expenditures described in paragraph (a) of this section if any LEA in the State would, as a result of such reduction, receive less than 100 percent of the amount necessary to ensure that all children with disabilities served by the LEA receive FAPE from the combination of Federal funds received under Part B of the Act and State funds received from the SEA.

(2) If an SEA exercises the authority under paragraph (a) of this section, LEAs in the State may not reduce local effort under §300.205 by more than the reduction in the State funds they receive.

(a) *Parental consent for initial evaluation.* (1)(i) The public agency proposing to conduct an initial evaluation to determine if a child qualifies as a child with a disability under §300.8 must, after providing notice consistent with §§300.503 and 300.504, obtain informed consent, consistent with §300.9, from the parent of the child before conducting the evaluation.

(ii) Parental consent for initial evaluation must not be construed as consent for initial provision of special education and related services.

(iii) The public agency must make reasonable efforts to obtain the informed consent from the parent for an initial evaluation to determine whether the child is a child with a disability.

(2) For initial evaluations only, if the child is a ward of the State and is not residing with the child's parent, the public agency is not required to obtain informed consent from the parent for an initial evaluation to determine whether the child is a child with a disability if—

(i) Despite reasonable efforts to do so, the public agency cannot discover the whereabouts of the parent of the child;

(ii) The rights of the parents of the child have been terminated in accordance with State law; or

(iii) The rights of the parent to make educational decisions have been subrogated by a judge in accordance with State law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the child.

(3)(i) If the parent of a child enrolled in public school or seeking to be enrolled in public school does not provide consent for initial evaluation under paragraph (a)(1) of this section, or the parent fails to respond to a request to provide consent, the public agency may, but is not required to, pursue the initial evaluation of the child by utilizing the procedural safeguards in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516), if appropriate, except to the extent inconsistent with State law relating to such parental consent.

(ii) The public agency does not violate its obligation under §300.111 and §§300.301 through 300.311 if it declines to pursue the evaluation.

(b) *Parental consent for services.* (1) A public agency that is responsible for making FAPE available to a child with a disability must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child.

(2) The public agency must make reasonable efforts to obtain informed consent from the parent for the initial provision of special education and related services to the child.

(3) If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of special education and related services, the public agency—

(i) May not use the procedures in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child;

(ii) Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with

§ 300.300

34 CFR Ch. III (7–1–10 Edition)

the special education and related services for which the parent refuses to or fails to provide consent; and

(iii) Is not required to convene an IEP Team meeting or develop an IEP under §§ 300.320 and 300.324 for the child.

(4) If, at any time subsequent to the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, the public agency—

(i) May not continue to provide special education and related services to the child, but must provide prior written notice in accordance with § 300.503 before ceasing the provision of special education and related services;

(ii) May not use the procedures in subpart E of this part (including the mediation procedures under § 300.506 or the due process procedures under §§ 300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child;

(iii) Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education and related services; and

(iv) Is not required to convene an IEP Team meeting or develop an IEP under §§ 300.320 and 300.324 for the child for further provision of special education and related services.

(c) *Parental consent for reevaluations.*

(1) Subject to paragraph (c)(2) of this section, each public agency—

(i) Must obtain informed parental consent, in accordance with § 300.300(a)(1), prior to conducting any reevaluation of a child with a disability.

(ii) If the parent refuses to consent to the reevaluation, the public agency may, but is not required to, pursue the reevaluation by using the consent override procedures described in paragraph (a)(3) of this section.

(iii) The public agency does not violate its obligation under § 300.111 and §§ 300.301 through 300.311 if it declines to pursue the evaluation or reevaluation.

(2) The informed parental consent described in paragraph (c)(1) of this section need not be obtained if the public agency can demonstrate that—

(i) It made reasonable efforts to obtain such consent; and

(ii) The child's parent has failed to respond.

(d) Other consent requirements.

(1) Parental consent is not required before—

(i) Reviewing existing data as part of an evaluation or a reevaluation; or

(ii) Administering a test or other evaluation that is administered to all children unless, before administration of that test or evaluation, consent is required of parents of all children.

(2) In addition to the parental consent requirements described in paragraphs (a), (b), and (c) of this section, a State may require parental consent for other services and activities under this part if it ensures that each public agency in the State establishes and implements effective procedures to ensure that a parent's refusal to consent does not result in a failure to provide the child with FAPE.

(3) A public agency may not use a parent's refusal to consent to one service or activity under paragraphs (a), (b), (c), or (d)(2) of this section to deny the parent or child any other service, benefit, or activity of the public agency, except as required by this part.

(4)(i) If a parent of a child who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, the public agency may not use the consent override procedures (described in paragraphs (a)(3) and (c)(1) of this section); and

(ii) The public agency is not required to consider the child as eligible for services under §§ 300.132 through 300.144.

(5) To meet the reasonable efforts requirement in paragraphs (a)(1)(iii), (a)(2)(i), (b)(2), and (c)(2)(i) of this section, the public agency must document its attempts to obtain parental consent using the procedures in § 300.322(d).

EVALUATIONS AND REEVALUATIONS

§ 300.301 Initial evaluations.

(a) *General.* Each public agency must conduct a full and individual initial evaluation, in accordance with §§ 300.304 through 300.306, before the initial provision of special education and related services to a child with a disability under this part.

(b) *Request for initial evaluation.* Consistent with the consent requirements in § 300.300, either a parent of a child or a public agency may initiate a request for an initial evaluation to determine if the child is a child with a disability.

(c) *Procedures for initial evaluation.* The initial evaluation—

(1)(i) Must be conducted within 60 days of receiving parental consent for the evaluation; or

(ii) If the State establishes a timeframe within which the evaluation must be conducted, within that timeframe; and

(2) Must consist of procedures—

(i) To determine if the child is a child with a disability under § 300.8; and

(ii) To determine the educational needs of the child.

(d) *Exception.* The timeframe described in paragraph (c)(1) of this section does not apply to a public agency if—

(1) The parent of a child repeatedly fails or refuses to produce the child for the evaluation; or

(2) A child enrolls in a school of another public agency after the relevant timeframe in paragraph (c)(1) of this section has begun, and prior to a determination by the child's previous public agency as to whether the child is a child with a disability under § 300.8.

(e) The exception in paragraph (d)(2) of this section applies only if the subsequent public agency is making sufficient progress to ensure a prompt completion of the evaluation, and the parent and subsequent public agency agree to a specific time when the evaluation will be completed.

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services.

(Authority: 20 U.S.C. 1414(a)(1)(E))

§ 300.303 Reevaluations.

(a) *General.* A public agency must ensure that a reevaluation of each child with a disability is conducted in accordance with §§ 300.304 through 300.311—

(1) If the public agency determines that the educational or related services needs, including improved academic achievement and functional performance, of the child warrant a reevaluation; or

(2) If the child's parent or teacher requests a reevaluation.

(b) *Limitation.* A reevaluation conducted under paragraph (a) of this section—

(1) May occur not more than once a year, unless the parent and the public agency agree otherwise; and

(2) Must occur at least once every 3 years, unless the parent and the public agency agree that a reevaluation is unnecessary.

(Authority: 20 U.S.C. 1414(a)(2))

§ 300.304 Evaluation procedures.

(a) *Notice.* The public agency must provide notice to the parents of a child with a disability, in accordance with § 300.503, that describes any evaluation procedures the agency proposes to conduct.

(b) *Conduct of evaluation.* In conducting the evaluation, the public agency must—

(1) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the child, including information provided by the parent, that may assist in determining—

(i) Whether the child is a child with a disability under § 300.8; and

(ii) The content of the child's IEP, including information related to enabling the child to be involved in and

§ 300.305

34 CFR Ch. III (7–1–10 Edition)

progress in the general education curriculum (or for a preschool child, to participate in appropriate activities);

(2) Not use any single measure or assessment as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child; and

(3) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

(c) *Other evaluation procedures.* Each public agency must ensure that—

(1) Assessments and other evaluation materials used to assess a child under this part—

(i) Are selected and administered so as not to be discriminatory on a racial or cultural basis;

(ii) Are provided and administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer;

(iii) Are used for the purposes for which the assessments or measures are valid and reliable;

(iv) Are administered by trained and knowledgeable personnel; and

(v) Are administered in accordance with any instructions provided by the producer of the assessments.

(2) Assessments and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.

(3) Assessments are selected and administered so as best to ensure that if an assessment is administered to a child with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).

(4) The child is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities;

(5) Assessments of children with disabilities who transfer from one public agency to another public agency in the same school year are coordinated with those children's prior and subsequent schools, as necessary and as expeditiously as possible, consistent with §300.301(d)(2) and (e), to ensure prompt completion of full evaluations.

(6) In evaluating each child with a disability under §§300.304 through 300.306, the evaluation is sufficiently comprehensive to identify all of the child's special education and related services needs, whether or not commonly linked to the disability category in which the child has been classified.

(7) Assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child are provided.

(Authority: 20 U.S.C. 1414(b)(1)-(3), 1412(a)(6)(B))

§ 300.305 Additional requirements for evaluations and reevaluations.

(a) *Review of existing evaluation data.* As part of an initial evaluation (if appropriate) and as part of any reevaluation under this part, the IEP Team and other qualified professionals, as appropriate, must—

(1) Review existing evaluation data on the child, including—

(i) Evaluations and information provided by the parents of the child;

(ii) Current classroom-based, local, or State assessments, and classroom-based observations; and

(iii) Observations by teachers and related services providers; and

(2) On the basis of that review, and input from the child's parents, identify what additional data, if any, are needed to determine—

(i)(A) Whether the child is a child with a disability, as defined in §300.8, and the educational needs of the child; or

(B) In case of a reevaluation of a child, whether the child continues to

have such a disability, and the educational needs of the child;

(ii) The present levels of academic achievement and related developmental needs of the child;

(iii)(A) Whether the child needs special education and related services; or

(B) In the case of a reevaluation of a child, whether the child continues to need special education and related services; and

(iv) Whether any additions or modifications to the special education and related services are needed to enable the child to meet the measurable annual goals set out in the IEP of the child and to participate, as appropriate, in the general education curriculum.

(b) *Conduct of review.* The group described in paragraph (a) of this section may conduct its review without a meeting.

(c) *Source of data.* The public agency must administer such assessments and other evaluation measures as may be needed to produce the data identified under paragraph (a) of this section.

(d) *Requirements if additional data are not needed.* (1) If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the child continues to be a child with a disability, and to determine the child's educational needs, the public agency must notify the child's parents of—

(i) That determination and the reasons for the determination; and

(ii) The right of the parents to request an assessment to determine whether the child continues to be a child with a disability, and to determine the child's educational needs.

(2) The public agency is not required to conduct the assessment described in paragraph (d)(1)(ii) of this section unless requested to do so by the child's parents.

(e) *Evaluations before change in eligibility.* (1) Except as provided in paragraph (e)(2) of this section, a public agency must evaluate a child with a disability in accordance with §§ 300.304 through 300.311 before determining that the child is no longer a child with a disability.

(2) The evaluation described in paragraph (e)(1) of this section is not re-

quired before the termination of a child's eligibility under this part due to graduation from secondary school with a regular diploma, or due to exceeding the age eligibility for FAPE under State law.

(3) For a child whose eligibility terminates under circumstances described in paragraph (e)(2) of this section, a public agency must provide the child with a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals.

§ 300.306 Determination of eligibility.

(a) *General.* Upon completion of the administration of assessments and other evaluation measures—

(1) A group of qualified professionals and the parent of the child determines whether the child is a child with a disability, as defined in § 300.8, in accordance with paragraph (c) of this section and the educational needs of the child; and

(2) The public agency provides a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

(b) *Special rule for eligibility determination.* A child must not be determined to be a child with a disability under this part—

(1) If the determinant factor for that determination is—

(i) Lack of appropriate instruction in reading, including the essential components of reading instruction (as defined in section 1208(3) of the ESEA);

(ii) Lack of appropriate instruction in math; or

(iii) Limited English proficiency; and

(2) If the child does not otherwise meet the eligibility criteria under § 300.8(a).

(c) *Procedures for determining eligibility and educational need.* (1) In interpreting evaluation data for the purpose of determining if a child is a child with a disability under § 300.8, and the educational needs of the child, each public agency must—

§ 300.307

(i) Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the child's physical condition, social or cultural background, and adaptive behavior; and

(ii) Ensure that information obtained from all of these sources is documented and carefully considered.

(2) If a determination is made that a child has a disability and needs special education and related services, an IEP must be developed for the child in accordance with §§ 300.320 through 300.324.

ADDITIONAL PROCEDURES FOR IDENTIFYING CHILDREN WITH SPECIFIC LEARNING DISABILITIES

§ 300.307 Specific learning disabilities.

(a) *General.* A State must adopt, consistent with § 300.309, criteria for determining whether a child has a specific learning disability as defined in § 300.8(c)(10). In addition, the criteria adopted by the State—

(1) Must not require the use of a severe discrepancy between intellectual ability and achievement for determining whether a child has a specific learning disability, as defined in § 300.8(c)(10);

(2) Must permit the use of a process based on the child's response to scientific, research-based intervention; and

(3) May permit the use of other alternative research-based procedures for determining whether a child has a specific learning disability, as defined in § 300.8(c)(10).

(b) *Consistency with State criteria.* A public agency must use the State criteria adopted pursuant to paragraph (a) of this section in determining whether a child has a specific learning disability.

§ 300.308 Additional group members.

The determination of whether a child suspected of having a specific learning disability is a child with a disability as

defined in § 300.8, must be made by the child's parents and a team of qualified professionals, which must include—

(a)(1) The child's regular teacher; or

(2) If the child does not have a regular teacher, a regular classroom teacher qualified to teach a child of his or her age; or

(3) For a child of less than school age, an individual qualified by the SEA to teach a child of his or her age; and

(b) At least one person qualified to conduct individual diagnostic examinations of children, such as a school psychologist, speech-language pathologist, or remedial reading teacher.

§ 300.309 Determining the existence of a specific learning disability.

(a) The group described in § 300.306 may determine that a child has a specific learning disability, as defined in § 300.8(c)(10), if—

(1) The child does not achieve adequately for the child's age or to meet State-approved grade-level standards in one or more of the following areas, when provided with learning experiences and instruction appropriate for the child's age or State-approved grade-level standards:

- (i) Oral expression.
- (ii) Listening comprehension.
- (iii) Written expression.
- (iv) Basic reading skill.
- (v) Reading fluency skills.
- (vi) Reading comprehension.
- (vii) Mathematics calculation.
- (viii) Mathematics problem solving.

(2)(i) The child does not make sufficient progress to meet age or State-approved grade-level standards in one or more of the areas identified in paragraph (a)(1) of this section when using a process based on the child's response to scientific, research-based intervention; or

(ii) The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, State-approved grade-level standards, or intellectual development, that is determined by the group to be relevant to the identification of a specific learning disability, using appropriate assessments, consistent with §§ 300.304 and 300.305; and

(3) The group determines that its findings under paragraphs (a)(1) and (2) of this section are not primarily the result of—

- (i) A visual, hearing, or motor disability;
- (ii) Mental retardation;
- (iii) Emotional disturbance;
- (iv) Cultural factors;
- (v) Environmental or economic disadvantage; or
- (vi) Limited English proficiency.

(b) To ensure that underachievement in a child suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group must consider, as part of the evaluation described in §§ 300.304 through 300.306—

(1) Data that demonstrate that prior to, or as a part of, the referral process, the child was provided appropriate instruction in regular education settings, delivered by qualified personnel; and

(2) Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of student progress during instruction, which was provided to the child's parents.

(c) The public agency must promptly request parental consent to evaluate the child to determine if the child needs special education and related services, and must adhere to the timeframes described in §§ 300.301 and 300.303, unless extended by mutual written agreement of the child's parents and a group of qualified professionals, as described in § 300.306(a)(1)—

(1) If, prior to a referral, a child has not made adequate progress after an appropriate period of time when provided instruction, as described in paragraphs (b)(1) and (b)(2) of this section; and

(2) Whenever a child is referred for an evaluation.

§ 300.310 Observation.

(a) The public agency must ensure that the child is observed in the child's learning environment (including the regular classroom setting) to document the child's academic performance and behavior in the areas of difficulty.

(b) The group described in § 300.306(a)(1), in determining whether a child has a specific learning disability, must decide to—

(1) Use information from an observation in routine classroom instruction and monitoring of the child's performance that was done before the child was referred for an evaluation; or

(2) Have at least one member of the group described in § 300.306(a)(1) conduct an observation of the child's academic performance in the regular classroom after the child has been referred for an evaluation and parental consent, consistent with § 300.300(a), is obtained.

(c) In the case of a child of less than school age or out of school, a group member must observe the child in an environment appropriate for a child of that age.

§ 300.311 Specific documentation for the eligibility determination.

(a) For a child suspected of having a specific learning disability, the documentation of the determination of eligibility, as required in § 300.306(a)(2), must contain a statement of—

(1) Whether the child has a specific learning disability;

(2) The basis for making the determination, including an assurance that the determination has been made in accordance with § 300.306(c)(1);

(3) The relevant behavior, if any, noted during the observation of the child and the relationship of that behavior to the child's academic functioning;

(4) The educationally relevant medical findings, if any;

(5) Whether—

(i) The child does not achieve adequately for the child's age or to meet State-approved grade-level standards consistent with § 300.309(a)(1); and

(ii)(A) The child does not make sufficient progress to meet age or State-approved grade-level standards consistent with § 300.309(a)(2)(i); or

(B) The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to

§ 300.320

34 CFR Ch. III (7-1-10 Edition)

age, State-approved grade level standards or intellectual development consistent with §300.309(a)(2)(ii);

(6) The determination of the group concerning the effects of a visual, hearing, or motor disability; mental retardation; emotional disturbance; cultural factors; environmental or economic disadvantage; or limited English proficiency on the child's achievement level; and

(7) If the child has participated in a process that assesses the child's response to scientific, research-based intervention—

(i) The instructional strategies used and the student-centered data collected; and

(ii) The documentation that the child's parents were notified about—

(A) The State's policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided;

(B) Strategies for increasing the child's rate of learning; and

(C) The parents' right to request an evaluation.

(b) Each group member must certify in writing whether the report reflects the member's conclusion. If it does not reflect the member's conclusion, the group member must submit a separate statement presenting the member's conclusions.

INDIVIDUALIZED EDUCATION PROGRAMS

§ 300.320 Definition of individualized education program.

(a) *General.* As used in this part, the term individualized education program or IEP means a written statement for each child with a disability that is developed, reviewed, and revised in a meeting in accordance with §§300.320 through 300.324, and that must include—

(1) A statement of the child's present levels of academic achievement and functional performance, including—

(i) How the child's disability affects the child's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled children); or

(ii) For preschool children, as appropriate, how the disability affects the child's participation in appropriate activities;

(2)(i) A statement of measurable annual goals, including academic and functional goals designed to—

(A) Meet the child's needs that result from the child's disability to enable the child to be involved in and make progress in the general education curriculum; and

(B) Meet each of the child's other educational needs that result from the child's disability;

(ii) For children with disabilities who take alternate assessments aligned to alternate academic achievement standards, a description of benchmarks or short-term objectives;

(3) A description of—

(i) How the child's progress toward meeting the annual goals described in paragraph (2) of this section will be measured; and

(ii) When periodic reports on the progress the child is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports, concurrent with the issuance of report cards) will be provided;

(4) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the child, or on behalf of the child, and a statement of the program modifications or supports for school personnel that will be provided to enable the child—

(i) To advance appropriately toward attaining the annual goals;

(ii) To be involved in and make progress in the general education curriculum in accordance with paragraph (a)(1) of this section, and to participate in extracurricular and other nonacademic activities; and

(iii) To be educated and participate with other children with disabilities and nondisabled children in the activities described in this section;

(5) An explanation of the extent, if any, to which the child will not participate with nondisabled children in the regular class and in the activities described in paragraph (a)(4) of this section;

(6)(i) A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the child on State and district-wide assessments consistent with section 612(a)(16) of the Act; and

(ii) If the IEP Team determines that the child must take an alternate assessment instead of a particular regular State or districtwide assessment of student achievement, a statement of why—

(A) The child cannot participate in the regular assessment; and

(B) The particular alternate assessment selected is appropriate for the child; and

(7) The projected date for the beginning of the services and modifications described in paragraph (a)(4) of this section, and the anticipated frequency, location, and duration of those services and modifications.

(b) *Transition services.* Beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, and updated annually, thereafter, the IEP must include—

(1) Appropriate measurable postsecondary goals based upon age appropriate transition assessments related to training, education, employment, and, where appropriate, independent living skills; and

(2) The transition services (including courses of study) needed to assist the child in reaching those goals.

(c) *Transfer of rights at age of majority.* Beginning not later than one year before the child reaches the age of majority under State law, the IEP must include a statement that the child has been informed of the child's rights under Part B of the Act, if any, that will transfer to the child on reaching the age of majority under §300.520.

(d) *Construction.* Nothing in this section shall be construed to require—

(1) That additional information be included in a child's IEP beyond what is explicitly required in section 614 of the Act; or

(2) The IEP Team to include information under one component of a child's

IEP that is already contained under another component of the child's IEP.

(c) *Determination of knowledge and special expertise.* The determination of the knowledge or special expertise of any individual described in paragraph (a)(6) of this section must be made by the party (parents or public agency) who invited the individual to be a member of the IEP Team.

(d) *Designating a public agency representative.* A public agency may designate a public agency member of the IEP Team to also serve as the agency representative, if the criteria in paragraph (a)(4) of this section are satisfied.

§ 300.322 Parent participation.

(a) *Public agency responsibility—general.* Each public agency must take steps to ensure that one or both of the parents of a child with a disability are present at each IEP Team meeting or are afforded the opportunity to participate, including—

(1) Notifying parents of the meeting early enough to ensure that they will have an opportunity to attend; and

(2) Scheduling the meeting at a mutually agreed on time and place.

(b) *Information provided to parents.* (1) The notice required under paragraph (a)(1) of this section must—

(i) Indicate the purpose, time, and location of the meeting and who will be in attendance; and

(ii) Inform the parents of the provisions in § 300.321(a)(6) and (c) (relating to the participation of other individuals on the IEP Team who have knowledge or special expertise about the child), and § 300.321(f) (relating to the participation of the Part C service coordinator or other representatives of the Part C system at the initial IEP Team meeting for a child previously served under Part C of the Act).

(2) For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, the notice also must—

(i) Indicate—

(A) That a purpose of the meeting will be the consideration of the post-secondary goals and transition services for the child, in accordance with § 300.320(b); and

(B) That the agency will invite the student; and

(ii) Identify any other agency that will be invited to send a representative.

(c) *Other methods to ensure parent participation.* If neither parent can attend an IEP Team meeting, the public agency must use other methods to ensure parent participation, including individual or conference telephone calls,

consistent with §300.328 (related to alternative means of meeting participation).

(d) *Conducting an IEP Team meeting without a parent in attendance.* A meeting may be conducted without a parent in attendance if the public agency is unable to convince the parents that they should attend. In this case, the public agency must keep a record of its attempts to arrange a mutually agreed on time and place, such as—

(1) Detailed records of telephone calls made or attempted and the results of those calls;

(2) Copies of correspondence sent to the parents and any responses received; and

(3) Detailed records of visits made to the parent's home or place of employment and the results of those visits.

(e) *Use of interpreters or other action, as appropriate.* The public agency must take whatever action is necessary to ensure that the parent understands the proceedings of the IEP Team meeting, including arranging for an interpreter for parents with deafness or whose native language is other than English.

(f) *Parent copy of child's IEP.* The public agency must give the parent a copy of the child's IEP at no cost to the parent.

(Authority: 20 U.S.C. 1414(d)(1)(B)(i))

§ 300.323 When IEPs must be in effect.

(a) *General.* At the beginning of each school year, each public agency must have in effect, for each child with a disability within its jurisdiction, an IEP, as defined in §300.320.

(b) *IEP or IFSP for children aged three through five.* (1) In the case of a child with a disability aged three through five (or, at the discretion of the SEA, a two-year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP

procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is—

(i) Consistent with State policy; and
 (ii) Agreed to by the agency and the child's parents.

(2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must—

(i) Provide to the child's parents a detailed explanation of the differences between an IFSP and an IEP; and

(ii) If the parents choose an IFSP, obtain written informed consent from the parents.

(c) *Initial IEPs; provision of services.* Each public agency must ensure that—

(1) A meeting to develop an IEP for a child is conducted within 30 days of a determination that the child needs special education and related services; and

(2) As soon as possible following development of the IEP, special education and related services are made available to the child in accordance with the child's IEP.

(d) *Accessibility of child's IEP to teachers and others.* Each public agency must ensure that—

(1) The child's IEP is accessible to each regular education teacher, special education teacher, related services provider, and any other service provider who is responsible for its implementation; and

(2) Each teacher and provider described in paragraph (d)(1) of this section is informed of—

(i) His or her specific responsibilities related to implementing the child's IEP; and

(ii) The specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

(e) *IEPs for children who transfer public agencies in the same State.* If a child with a disability (who had an IEP that was in effect in a previous public agency in the same State) transfers to a new public agency in the same State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child's IEP from the previous public agency), until the new public agency either—

§ 300.324

34 CFR Ch. III (7–1–10 Edition)

(1) Adopts the child’s IEP from the previous public agency; or

(2) Develops, adopts, and implements a new IEP that meets the applicable requirements in §§ 300.320 through 300.324.

(f) *IEPs for children who transfer from another State.* If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a public agency in a new State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child’s IEP from the previous public agency), until the new public agency—

(1) Conducts an evaluation pursuant to §§ 300.304 through 300.306 (if determined to be necessary by the new public agency); and

(2) Develops, adopts, and implements a new IEP, if appropriate, that meets the applicable requirements in §§ 300.320 through 300.324.

(g) *Transmittal of records.* To facilitate the transition for a child described in paragraphs (e) and (f) of this section—

(1) The new public agency in which the child enrolls must take reasonable steps to promptly obtain the child’s records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous public agency in which the child was enrolled, pursuant to 34 CFR 99.31(a)(2); and

(2) The previous public agency in which the child was enrolled must take reasonable steps to promptly respond to the request from the new public agency.

DEVELOPMENT OF IEP

§ 300.324 Development, review, and revision of IEP.

(a) *Development of IEP*—(1) *General.* In developing each child’s IEP, the IEP Team must consider—

- (i) The strengths of the child;
- (ii) The concerns of the parents for enhancing the education of their child;
- (iii) The results of the initial or most recent evaluation of the child; and

(iv) The academic, developmental, and functional needs of the child.

(2) *Consideration of special factors.* The IEP Team must—

(i) In the case of a child whose behavior impedes the child’s learning or that of others, consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior;

(ii) In the case of a child with limited English proficiency, consider the language needs of the child as those needs relate to the child’s IEP;

(iii) In the case of a child who is blind or visually impaired, provide for instruction in Braille and the use of Braille unless the IEP Team determines, after an evaluation of the child’s reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the child’s future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the child;

(iv) Consider the communication needs of the child, and in the case of a child who is deaf or hard of hearing, consider the child’s language and communication needs, opportunities for direct communications with peers and professional personnel in the child’s language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the child’s language and communication mode; and

(v) Consider whether the child needs assistive technology devices and services.

(3) *Requirement with respect to regular education teacher.* A regular education teacher of a child with a disability, as a member of the IEP Team, must, to the extent appropriate, participate in the development of the IEP of the child, including the determination of—

(i) Appropriate positive behavioral interventions and supports and other strategies for the child; and

(ii) Supplementary aids and services, program modifications, and support for school personnel consistent with § 300.320(a)(4).

(4) *Agreement.* (i) In making changes to a child’s IEP after the annual IEP Team meeting for a school year, the parent of a child with a disability and

the public agency may agree not to convene an IEP Team meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the child's current IEP.

(ii) If changes are made to the child's IEP in accordance with paragraph (a)(4)(i) of this section, the public agency must ensure that the child's IEP Team is informed of those changes.

(5) *Consolidation of IEP Team meetings.* To the extent possible, the public agency must encourage the consolidation of reevaluation meetings for the child and other IEP Team meetings for the child.

(6) *Amendments.* Changes to the IEP may be made either by the entire IEP Team at an IEP Team meeting, or as provided in paragraph (a)(4) of this section, by amending the IEP rather than by redrafting the entire IEP. Upon request, a parent must be provided with a revised copy of the IEP with the amendments incorporated.

(b) *Review and revision of IEPs*—(1) *General.* Each public agency must ensure that, subject to paragraphs (b)(2) and (b)(3) of this section, the IEP Team—

(i) Reviews the child's IEP periodically, but not less than annually, to determine whether the annual goals for the child are being achieved; and

(ii) Revises the IEP, as appropriate, to address—

(A) Any lack of expected progress toward the annual goals described in §300.320(a)(2), and in the general education curriculum, if appropriate;

(B) The results of any reevaluation conducted under §300.303;

(C) Information about the child provided to, or by, the parents, as described under §300.305(a)(2);

(D) The child's anticipated needs; or

(E) Other matters.

(2) *Consideration of special factors.* In conducting a review of the child's IEP, the IEP Team must consider the special factors described in paragraph (a)(2) of this section.

(3) *Requirement with respect to regular education teacher.* A regular education teacher of the child, as a member of the IEP Team, must, consistent with paragraph (a)(3) of this section, participate in the review and revision of the IEP of the child.

(c) *Failure to meet transition objectives*—(1) *Participating agency failure.* If a participating agency, other than the public agency, fails to provide the transition services described in the IEP in accordance with §300.320(b), the public agency must reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the child set out in the IEP.

(2) *Construction.* Nothing in this part relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to children with disabilities who meet the eligibility criteria of that agency.

(d) *Children with disabilities in adult prisons*—(1) *Requirements that do not apply.* The following requirements do not apply to children with disabilities who are convicted as adults under State law and incarcerated in adult prisons:

(i) The requirements contained in section 612(a)(16) of the Act and §300.320(a)(6) (relating to participation of children with disabilities in general assessments).

(ii) The requirements in §300.320(b) (relating to transition planning and transition services) do not apply with respect to the children whose eligibility under Part B of the Act will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

(2) *Modifications of IEP or placement.*

(i) Subject to paragraph (d)(2)(ii) of this section, the IEP Team of a child with a disability who is convicted as an adult under State law and incarcerated in an adult prison may modify the child's IEP or placement if the State has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

(ii) The requirements of §§300.320 (relating to IEPs), and 300.112 (relating to LRE), do not apply with respect to the modifications described in paragraph (d)(2)(i) of this section.

(Authority: 20 U.S.C. 1412(a)(1), 1412(a)(12)(A)(i), 1414(d)(3), (4)(B), and (7); and 1414(e))

§ 300.325

§ 300.325 Private school placements by public agencies.

(a) *Developing IEPs.* (1) Before a public agency places a child with a disability in, or refers a child to, a private school or facility, the agency must initiate and conduct a meeting to develop an IEP for the child in accordance with §§ 300.320 and 300.324.

(2) The agency must ensure that a representative of the private school or facility attends the meeting. If the representative cannot attend, the agency must use other methods to ensure participation by the private school or facility, including individual or conference telephone calls.

(b) *Reviewing and revising IEPs.* (1) After a child with a disability enters a private school or facility, any meetings to review and revise the child's IEP may be initiated and conducted by the private school or facility at the discretion of the public agency.

(2) If the private school or facility initiates and conducts these meetings, the public agency must ensure that the parents and an agency representative—

(i) Are involved in any decision about the child's IEP; and

(ii) Agree to any proposed changes in the IEP before those changes are implemented.

(c) *Responsibility.* Even if a private school or facility implements a child's IEP, responsibility for compliance with this part remains with the public agency and the SEA.

§ 300.501 Opportunity to examine records; parent participation in meetings.

(a) *Opportunity to examine records.* The parents of a child with a disability must be afforded, in accordance with the procedures of §§ 300.613 through 300.621, an opportunity to inspect and review all education records with respect to—

(1) The identification, evaluation, and educational placement of the child; and

(2) The provision of FAPE to the child.

(b) *Parent participation in meetings.* (1) The parents of a child with a disability must be afforded an opportunity to participate in meetings with respect to—

(i) The identification, evaluation, and educational placement of the child; and

(ii) The provision of FAPE to the child.

(2) Each public agency must provide notice consistent with § 300.322(a)(1) and (b)(1) to ensure that parents of children with disabilities have the opportunity to participate in meetings described in paragraph (b)(1) of this section.

(3) A meeting does not include informal or unscheduled conversations involving public agency personnel and

conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that public agency personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

(c) *Parent involvement in placement decisions.* (1) Each public agency must ensure that a parent of each child with a disability is a member of any group that makes decisions on the educational placement of the parent's child.

(2) In implementing the requirements of paragraph (c)(1) of this section, the public agency must use procedures consistent with the procedures described in § 300.322(a) through (b)(1).

(3) If neither parent can participate in a meeting in which a decision is to be made relating to the educational placement of their child, the public agency must use other methods to ensure their participation, including individual or conference telephone calls, or video conferencing.

(4) A placement decision may be made by a group without the involvement of a parent, if the public agency is unable to obtain the parent's participation in the decision. In this case, the public agency must have a record of its attempt to ensure their involvement.

§ 300.502 Independent educational evaluation.

(a) *General.* (1) The parents of a child with a disability have the right under this part to obtain an independent educational evaluation of the child, subject to paragraphs (b) through (e) of this section.

(2) Each public agency must provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the agency criteria applicable for independent educational evaluations as set forth in paragraph (e) of this section.

(3) For the purposes of this subpart—

(i) *Independent educational evaluation* means an evaluation conducted by a qualified examiner who is not em-

ployed by the public agency responsible for the education of the child in question; and

(ii) *Public expense* means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with § 300.103.

(b) *Parent right to evaluation at public expense.* (1) A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in paragraphs (b)(2) through (4) of this section.

(2) If a parent requests an independent educational evaluation at public expense, the public agency must, without unnecessary delay, either—

(i) File a due process complaint to request a hearing to show that its evaluation is appropriate; or

(ii) Ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§ 300.507 through 300.513 that the evaluation obtained by the parent did not meet agency criteria.

(3) If the public agency files a due process complaint notice to request a hearing and the final decision is that the agency's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

(4) If a parent requests an independent educational evaluation, the public agency may ask for the parent's reason why he or she objects to the public evaluation. However, the public agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation.

(5) A parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

(c) *Parent-initiated evaluations.* If the parent obtains an independent educational evaluation at public expense

§ 300.503

34 CFR Ch. III (7–1–10 Edition)

or shares with the public agency an evaluation obtained at private expense, the results of the evaluation—

(1) Must be considered by the public agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the child; and

(2) May be presented by any party as evidence at a hearing on a due process complaint under subpart E of this part regarding that child.

(d) *Requests for evaluations by hearing officers.* If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

(e) *Agency criteria.* (1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

(2) Except for the criteria described in paragraph (e)(1) of this section, a public agency may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

(Authority: 20 U.S.C. 1415(b)(1) and (d)(2)(A))

§ 300.503 Prior notice by the public agency; content of notice.

(a) *Notice.* Written notice that meets the requirements of paragraph (b) of this section must be given to the parents of a child with a disability a reasonable time before the public agency—

(1) Proposes to initiate or change the identification, evaluation, or educational placement of the child or the provision of FAPE to the child; or

(2) Refuses to initiate or change the identification, evaluation, or educational placement of the child or the provision of FAPE to the child.

(b) *Content of notice.* The notice required under paragraph (a) of this section must include—

(1) A description of the action proposed or refused by the agency;

(5) Sources for parents to contact to obtain assistance in understanding the provisions of this part;

(6) A description of other options that the IEP Team considered and the reasons why those options were rejected; and

(7) A description of other factors that are relevant to the agency's proposal or refusal.

(c) *Notice in understandable language.*

(1) The notice required under paragraph (a) of this section must be—

(i) Written in language understandable to the general public; and

(ii) Provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so.

(2) If the native language or other mode of communication of the parent is not a written language, the public agency must take steps to ensure—

(i) That the notice is translated orally or by other means to the parent in his or her native language or other mode of communication;

(ii) That the parent understands the content of the notice; and

(iii) That there is written evidence that the requirements in paragraphs (c)(2)(i) and (ii) of this section have been met.

§ 300.506 Mediation.

(a) *General.* Each public agency must ensure that procedures are established and implemented to allow parties to disputes involving any matter under this part, including matters arising prior to the filing of a due process complaint, to resolve disputes through a mediation process.

(b) *Requirements.* The procedures must meet the following requirements:

(1) The procedures must ensure that the mediation process—

(i) Is voluntary on the part of the parties;

(ii) Is not used to deny or delay a parent's right to a hearing on the parent's due process complaint, or to deny any other rights afforded under Part B of the Act; and

(iii) Is conducted by a qualified and impartial mediator who is trained in effective mediation techniques.

(2) A public agency may establish procedures to offer to parents and schools that choose not to use the mediation process, an opportunity to meet, at a time and location convenient to the parents, with a disinterested party—

(i) Who is under contract with an appropriate alternative dispute resolution entity, or a parent training and information center or community parent resource center in the State established under section 671 or 672 of the Act; and

§ 300.507

34 CFR Ch. III (7–1–10 Edition)

(ii) Who would explain the benefits of, and encourage the use of, the mediation process to the parents.

(3)(i) The State must maintain a list of individuals who are qualified mediators and knowledgeable in laws and regulations relating to the provision of special education and related services.

(ii) The SEA must select mediators on a random, rotational, or other impartial basis.

(4) The State must bear the cost of the mediation process, including the costs of meetings described in paragraph (b)(2) of this section.

(5) Each session in the mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the dispute.

(6) If the parties resolve a dispute through the mediation process, the parties must execute a legally binding agreement that sets forth that resolution and that—

(i) States that all discussions that occurred during the mediation process will remain confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding; and

(ii) Is signed by both the parent and a representative of the agency who has the authority to bind such agency.

(7) A written, signed mediation agreement under this paragraph is enforceable in any State court of competent jurisdiction or in a district court of the United States.

(8) Discussions that occur during the mediation process must be confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding of any Federal court or State court of a State receiving assistance under this part.

(c) *Impartiality of mediator.* (1) An individual who serves as a mediator under this part—

(i) May not be an employee of the SEA or the LEA that is involved in the education or care of the child; and

(ii) Must not have a personal or professional interest that conflicts with the person’s objectivity.

(2) A person who otherwise qualifies as a mediator is not an employee of an LEA or State agency described under

§ 300.228 solely because he or she is paid by the agency to serve as a mediator.

(a) *General.* (1) A parent or a public agency may file a due process complaint on any of the matters described in § 300.503(a)(1) and (2) (relating to the identification, evaluation or educational placement of a child with a disability, or the provision of FAPE to the child).

(2) The due process complaint must allege a violation that occurred not more than two years before the date the parent or public agency knew or should have known about the alleged action that forms the basis of the due process complaint, or, if the State has an explicit time limitation for filing a due process complaint under this part, in the time allowed by that State law, except that the exceptions to the timeline described in § 300.511(f) apply to the timeline in this section.

(b) *Information for parents.* The public agency must inform the parent of any free or low-cost legal and other relevant services available in the area if—

(1) The parent requests the information; or

(2) The parent or the agency files a due process complaint under this section.

(Authority: 20 U.S.C. 1415(b)(6))

§ 300.508 Due process complaint.

(a) *General.* (1) The public agency must have procedures that require either party, or the attorney representing a party, to provide to the other party a due process complaint (which must remain confidential).

(2) The party filing a due process complaint must forward a copy of the due process complaint to the SEA.

(b) *Content of complaint.* The due process complaint required in paragraph (a)(1) of this section must include—

(1) The name of the child;

(2) The address of the residence of the child;

(3) The name of the school the child is attending;

(4) In the case of a homeless child or youth (within the meaning of section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), available contact information for the child, and the name of the school the child is attending;

(5) A description of the nature of the problem of the child relating to the proposed or refused initiation or change, including facts relating to the problem; and

(6) A proposed resolution of the problem to the extent known and available to the party at the time.

(c) *Notice required before a hearing on a due process complaint.* A party may not have a hearing on a due process complaint until the party, or the attorney representing the party, files a due process complaint that meets the requirements of paragraph (b) of this section.

(d) *Sufficiency of complaint.* (1) The due process complaint required by this section must be deemed sufficient unless the party receiving the due process complaint notifies the hearing officer and the other party in writing, within 15 days of receipt of the due process complaint, that the receiving party believes the due process complaint does not meet the requirements in paragraph (b) of this section.

(2) Within five days of receipt of notification under paragraph (d)(1) of this section, the hearing officer must make a determination on the face of the due process complaint of whether the due process complaint meets the requirements of paragraph (b) of this section, and must immediately notify the parties in writing of that determination.

(3) A party may amend its due process complaint only if—

(i) The other party consents in writing to the amendment and is given the opportunity to resolve the due process complaint through a meeting held pursuant to §300.510; or

(ii) The hearing officer grants permission, except that the hearing officer may only grant permission to amend at any time not later than five days before the due process hearing begins.

(4) If a party files an amended due process complaint, the timelines for the resolution meeting in §300.510(a) and the time period to resolve in §300.510(b) begin again with the filing of the amended due process complaint.

(e) *LEA response to a due process complaint.* (1) If the LEA has not sent a prior written notice under §300.503 to the parent regarding the subject matter contained in the parent's due process complaint, the LEA must, within 10 days of receiving the due process complaint, send to the parent a response that includes—

(i) An explanation of why the agency proposed or refused to take the action raised in the due process complaint;

(ii) A description of other options that the IEP Team considered and the reasons why those options were rejected;

(iii) A description of each evaluation procedure, assessment, record, or report the agency used as the basis for the proposed or refused action; and

(iv) A description of the other factors that are relevant to the agency's proposed or refused action.

(2) A response by an LEA under paragraph (e)(1) of this section shall not be construed to preclude the LEA from asserting that the parent's due process complaint was insufficient, where appropriate.

(f) *Other party response to a due process complaint.* Except as provided in paragraph (e) of this section, the party receiving a due process complaint must, within 10 days of receiving the due process complaint, send to the other party a response that specifically addresses the issues raised in the due process complaint.

§ 300.509 Model forms.

(a) Each SEA must develop model forms to assist parents and public agencies in filing a due process complaint in accordance with §§300.507(a) and 300.508(a) through (c) and to assist parents and other parties in filing a State complaint under §§300.151 through 300.153. However, the SEA or LEA may not require the use of the model forms.

(b) Parents, public agencies, and other parties may use the appropriate

§ 300.510

34 CFR Ch. III (7–1–10 Edition)

model form described in paragraph (a) of this section, or another form or other document, so long as the form or document that is used meets, as appropriate, the content requirements in § 300.508(b) for filing a due process complaint, or the requirements in § 300.153(b) for filing a State complaint.

(Authority: 20 U.S.C. 1415(b)(8))

§ 300.510 Resolution process.

(a) *Resolution meeting.* (1) Within 15 days of receiving notice of the parent's due process complaint, and prior to the initiation of a due process hearing under § 300.511, the LEA must convene a meeting with the parent and the relevant member or members of the IEP Team who have specific knowledge of the facts identified in the due process complaint that—

(i) Includes a representative of the public agency who has decision-making authority on behalf of that agency; and

(ii) May not include an attorney of the LEA unless the parent is accompanied by an attorney.

(2) The purpose of the meeting is for the parent of the child to discuss the due process complaint, and the facts that form the basis of the due process complaint, so that the LEA has the opportunity to resolve the dispute that is the basis for the due process complaint.

(3) The meeting described in paragraph (a)(1) and (2) of this section need not be held if—

(i) The parent and the LEA agree in writing to waive the meeting; or

(ii) The parent and the LEA agree to use the mediation process described in § 300.506.

(4) The parent and the LEA determine the relevant members of the IEP Team to attend the meeting.

(b) *Resolution period.* (1) If the LEA has not resolved the due process complaint to the satisfaction of the parent within 30 days of the receipt of the due process complaint, the due process hearing may occur.

(2) Except as provided in paragraph (c) of this section, the timeline for issuing a final decision under § 300.515 begins at the expiration of this 30-day period.

(3) Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwith-

standing paragraphs (b)(1) and (2) of this section, the failure of the parent filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.

(4) If the LEA is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and documented using the procedures in § 300.322(d)), the LEA may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's due process complaint.

(5) If the LEA fails to hold the resolution meeting specified in paragraph (a) of this section within 15 days of receiving notice of a parent's due process complaint or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

(c) *Adjustments to 30-day resolution period.* The 45-day timeline for the due process hearing in § 300.515(a) starts the day after one of the following events:

(1) Both parties agree in writing to waive the resolution meeting;

(2) After either the mediation or resolution meeting starts but before the end of the 30-day period, the parties agree in writing that no agreement is possible;

(3) If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, the parent or public agency withdraws from the mediation process.

(d) *Written settlement agreement.* If a resolution to the dispute is reached at the meeting described in paragraphs (a)(1) and (2) of this section, the parties must execute a legally binding agreement that is—

(1) Signed by both the parent and a representative of the agency who has the authority to bind the agency; and

(2) Enforceable in any State court of competent jurisdiction or in a district court of the United States, or, by the SEA, if the State has other mechanisms or procedures that permit parties to seek enforcement of resolution agreements, pursuant to § 300.537.

(e) *Agreement review period.* If the parties execute an agreement pursuant to

paragraph (d) of this section, a party may void the agreement within 3 business days of the agreement's execution.

§ 300.511 Impartial due process hearing.

(a) *General.* Whenever a due process complaint is received under § 300.507 or § 300.532, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing, consistent with the procedures in §§ 300.507, 300.508, and 300.510.

(b) *Agency responsible for conducting the due process hearing.* The hearing described in paragraph (a) of this section must be conducted by the SEA or the public agency directly responsible for the education of the child, as determined under State statute, State regulation, or a written policy of the SEA.

- (iv) Must possess the knowledge and ability to render and write decisions in accordance with appropriate, standard legal practice.

(2) A person who otherwise qualifies to conduct a hearing under paragraph (c)(1) of this section is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer.

(3) Each public agency must keep a list of the persons who serve as hearing officers. The list must include a statement of the qualifications of each of those persons.

(d) *Subject matter of due process hearings.* The party requesting the due process hearing may not raise issues at the due process hearing that were not raised in the due process complaint filed under § 300.508(b), unless the other party agrees otherwise.

(e) *Timeline for requesting a hearing.* A parent or agency must request an impartial hearing on their due process complaint within two years of the date the parent or agency knew or should have known about the alleged action that forms the basis of the due process complaint, or if the State has an explicit time limitation for requesting such a due process hearing under this part, in the time allowed by that State law.

(f) *Exceptions to the timeline.* The timeline described in paragraph (e) of this section does not apply to a parent if the parent was prevented from filing a due process complaint due to—

- (1) Specific misrepresentations by the LEA that it had resolved the problem forming the basis of the due process complaint; or
- (2) The LEA's withholding of information from the parent that was required under this part to be provided to the parent.

(a) *Decision of hearing officer on the provision of FAPE.* (1) Subject to paragraph (a)(2) of this section, a hearing officer's determination of whether a child received FAPE must be based on substantive grounds.

(2) In matters alleging a procedural violation, a hearing officer may find that a child did not receive a FAPE only if the procedural inadequacies—

(i) Impeded the child's right to a FAPE;

(ii) Significantly impeded the parent's opportunity to participate in the decision-making process regarding the provision of a FAPE to the parent's child; or

(iii) Caused a deprivation of educational benefit.

(3) Nothing in paragraph (a) of this section shall be construed to preclude a

hearing officer from ordering an LEA to comply with procedural requirements under §§ 300.500 through 300.536.

(b) *Construction clause.* Nothing in §§ 300.507 through 300.513 shall be construed to affect the right of a parent to file an appeal of the due process hearing decision with the SEA under § 300.514(b), if a State level appeal is available.

(a) *Finality of hearing decision.* A decision made in a hearing conducted pursuant to §§ 300.507 through 300.513 or §§ 300.530 through 300.534 is final, except that any party involved in the hearing may appeal the decision under the provisions of paragraph (b) of this section and § 300.516.

(b) *Appeal of decisions; impartial review.* (1) If the hearing required by § 300.511 is conducted by a public agency other than the SEA, any party aggrieved by the findings and decision in the hearing may appeal to the SEA.

(2) If there is an appeal, the SEA must conduct an impartial review of the findings and decision appealed. The official conducting the review must—

(i) Examine the entire hearing record;

§ 300.516 Civil action.

(a) *General.* Any party aggrieved by the findings and decision made under §§ 300.507 through 300.513 or §§ 300.530 through 300.534 who does not have the right to an appeal under § 300.514(b), and any party aggrieved by the findings and decision under § 300.514(b), has the right to bring a civil action with respect to the due process complaint notice requesting a due process hearing under § 300.507 or §§ 300.530 through 300.532. The action may be brought in any State court of competent jurisdiction or in a district court of the United States without regard to the amount in controversy.

(b) *Time limitation.* The party bringing the action shall have 90 days from the date of the decision of the hearing officer or, if applicable, the decision of the State review official, to file a civil action, or, if the State has an explicit time limitation for bringing civil actions under Part B of the Act, in the time allowed by that State law.

(c) *Additional requirements.* In any action brought under paragraph (a) of this section, the court—

§ 300.517 Attorneys' fees.

(a) *In general.* (1) In any action or proceeding brought under section 615 of the Act, the court, in its discretion, may award reasonable attorneys' fees as part of the costs to—

(i) The prevailing party who is the parent of a child with a disability;

(ii) To a prevailing party who is an SEA or LEA against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or

(iii) To a prevailing SEA or LEA against the attorney of a parent, or against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

(2) Nothing in this subsection shall be construed to affect section 327 of the District of Columbia Appropriations Act, 2005.

(b) *Prohibition on use of funds.* (1) Funds under Part B of the Act may not be used to pay attorneys' fees or costs of a party related to any action or proceeding under section 615 of the Act and subpart E of this part.

(2) Paragraph (b)(1) of this section does not preclude a public agency from using funds under Part B of the Act for conducting an action or proceeding under section 615 of the Act.

(c) *Award of fees.* A court awards reasonable attorneys' fees under section 615(i)(3) of the Act consistent with the following:

(1) Fees awarded under section 615(i)(3) of the Act must be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this paragraph.

(2)(i) Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under section 615 of the Act for services performed subsequent to the time of a written offer of settlement to a parent if—

(A) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than 10 days before the proceeding begins;

(B) The offer is not accepted within 10 days; and

(C) The court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(ii) Attorneys' fees may not be awarded relating to any meeting of the IEP Team unless the meeting is convened as a result of an administrative proceeding or judicial action, or at the discretion of the State, for a mediation described in § 300.506.

(iii) A meeting conducted pursuant to § 300.510 shall not be considered—

(A) A meeting convened as a result of an administrative hearing or judicial action; or

(B) An administrative hearing or judicial action for purposes of this section.

(3) Notwithstanding paragraph (c)(2) of this section, an award of attorneys' fees and related costs may be made to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

(4) Except as provided in paragraph (c)(5) of this section, the court reduces, accordingly, the amount of the attorneys' fees awarded under section 615 of the Act, if the court finds that—

(i) The parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;

(ii) The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

(iii) The time spent and legal services furnished were excessive considering

the nature of the action or proceeding; or

(iv) The attorney representing the parent did not provide to the LEA the appropriate information in the due process request notice in accordance with §300.508.

(5) The provisions of paragraph (c)(4) of this section do not apply in any action or proceeding if the court finds that the State or local agency unreasonably protracted the final resolution of the action or proceeding or there was a violation of section 615 of the Act.

§300.518 Child's status during proceedings.

(a) Except as provided in §300.533, during the pendency of any administrative or judicial proceeding regarding a due process complaint notice requesting a due process hearing under §300.507, unless the State or local agency and the parents of the child agree otherwise, the child involved in the complaint must remain in his or her current educational placement.

(b) If the complaint involves an application for initial admission to public school, the child, with the consent of the parents, must be placed in the public school until the completion of all the proceedings.

(c) If the complaint involves an application for initial services under this part from a child who is transitioning from Part C of the Act to Part B and is no longer eligible for Part C services because the child has turned three, the public agency is not required to provide the Part C services that the child had been receiving. If the child is found eligible for special education and related services under Part B and the parent consents to the initial provision of special education and related services under §300.300(b), then the public agency must provide those special education and related services that are not in dispute between the parent and the public agency.

(d) If the hearing officer in a due process hearing conducted by the SEA or a State review official in an administrative appeal agrees with the child's parents that a change of placement is appropriate, that placement must be

treated as an agreement between the State and the parents for purposes of paragraph (a) of this section.

(2) The public agency, after reasonable efforts, cannot locate a parent;

(3) The child is a ward of the State under the laws of that State; or

(4) The child is an unaccompanied homeless youth as defined in section 725(6) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(6)).

(b) *Duties of public agency.* The duties of a public agency under paragraph (a) of this section include the assignment of an individual to act as a surrogate for the parents. This must include a method—

(1) For determining whether a child needs a surrogate parent; and

(2) For assigning a surrogate parent to the child.

(c) *Wards of the State.* In the case of a child who is a ward of the State, the surrogate parent alternatively may be appointed by the judge overseeing the child's case, provided that the surrogate meets the requirements in paragraphs (d)(2)(i) and (e) of this section.

(d) *Criteria for selection of surrogate parents.* (1) The public agency may select a surrogate parent in any way permitted under State law.

(2) Public agencies must ensure that a person selected as a surrogate parent—

(i) Is not an employee of the SEA, the LEA, or any other agency that is involved in the education or care of the child;

(ii) Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and

(iii) Has knowledge and skills that ensure adequate representation of the child.

(e) *Non-employee requirement; compensation.* A person otherwise qualified to be a surrogate parent under paragraph (d) of this section is not an employee of the agency solely because he

§ 300.520

or she is paid by the agency to serve as a surrogate parent.

(f) *Unaccompanied homeless youth.* In the case of a child who is an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents without regard to paragraph (d)(2)(i) of this section, until a surrogate parent can be appointed that meets all of the requirements of paragraph (d) of this section.

(g) *Surrogate parent responsibilities.* The surrogate parent may represent the child in all matters relating to—

(1) The identification, evaluation, and educational placement of the child; and

(2) The provision of FAPE to the child.

(h) *SEA responsibility.* The SEA must make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after a public agency determines that the child needs a surrogate parent.

(a) *General.* A State may provide that, when a child with a disability reaches the age of majority under State law that applies to all children (except for a child with a disability who has been determined to be incompetent under State law)—

(1)(i) The public agency must provide any notice required by this part to both the child and the parents; and

(ii) All rights accorded to parents under Part B of the Act transfer to the child;

(2) All rights accorded to parents under Part B of the Act transfer to children who are incarcerated in an adult or juvenile, State or local correctional institution; and

(3) Whenever a State provides for the transfer of rights under this part pursuant to paragraph (a)(1) or (a)(2) of this section, the agency must notify the child and the parents of the transfer of rights.

(b) *Special rule.* A State must establish procedures for appointing the parent of a child with a disability, or, if

the parent is not available, another appropriate individual, to represent the educational interests of the child throughout the period of the child’s eligibility under Part B of the Act if, under State law, a child who has reached the age of majority, but has not been determined to be incompetent, can be determined not to have the ability to provide informed consent with respect to the child’s educational program.

DISCIPLINE PROCEDURES

§ 300.530 Authority of school personnel.

(a) *Case-by-case determination.* School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a child with a disability who violates a code of student conduct.

(b) *General.* (1) School personnel under this section may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under § 300.536).

(2) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal the public agency must provide services to the extent required under paragraph (d) of this section.

(c) *Additional authority.* For disciplinary changes in placement that would exceed 10 consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child’s disability pursuant to paragraph (e) of

this section, school personnel may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to children without disabilities, except as provided in paragraph (d) of this section.

(d) *Services.* (1) A child with a disability who is removed from the child's current placement pursuant to paragraphs (c), or (g) of this section must—

(i) Continue to receive educational services, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP; and

(ii) Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

(2) The services required by paragraph (d)(1), (d)(3), (d)(4), and (d)(5) of this section may be provided in an interim alternative educational setting.

(3) A public agency is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 school days or less in that school year, if it provides services to a child without disabilities who is similarly removed.

(4) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, if the current removal is for not more than 10 consecutive school days and is not a change of placement under §300.536, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, as provided in §300.101(a), so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP.

(5) If the removal is a change of placement under §300.536, the child's IEP Team determines appropriate services under paragraph (d)(1) of this section.

(e) *Manifestation determination.* (1) Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child's IEP Team (as determined by the parent and the LEA) must review all relevant information in the student's file, including the child's IEP, any teacher observations, and any relevant information provided by the parents to determine—

(i) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or

(ii) If the conduct in question was the direct result of the LEA's failure to implement the IEP.

(2) The conduct must be determined to be a manifestation of the child's disability if the LEA, the parent, and relevant members of the child's IEP Team determine that a condition in either paragraph (e)(1)(i) or (1)(ii) of this section was met.

(3) If the LEA, the parent, and relevant members of the child's IEP Team determine the condition described in paragraph (e)(1)(ii) of this section was met, the LEA must take immediate steps to remedy those deficiencies.

(f) *Determination that behavior was a manifestation.* If the LEA, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team must—

(1) Either—

(i) Conduct a functional behavioral assessment, unless the LEA had conducted a functional behavioral assessment before the behavior that resulted in the change of placement occurred, and implement a behavioral intervention plan for the child; or

(ii) If a behavioral intervention plan already has been developed, review the behavioral intervention plan, and modify it, as necessary, to address the behavior; and

(2) Except as provided in paragraph (g) of this section, return the child to the placement from which the child was removed, unless the parent and the LEA agree to a change of placement as part of the modification of the behavioral intervention plan.

§ 300.531

(g) *Special circumstances.* School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability, if the child—

(1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of an SEA or an LEA;

(2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA; or

(3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of an SEA or an LEA.

(h) *Notification.* On the date on which the decision is made to make a removal that constitutes a change of placement of a child with a disability because of a violation of a code of student conduct, the LEA must notify the parents of that decision, and provide the parents the procedural safeguards notice described in § 300.504.

(i) *Definitions.* For purposes of this section, the following definitions apply:

(1) *Controlled substance* means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c)).

(2) *Illegal drug* means a controlled substance; but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under that Act or under any other provision of Federal law.

(3) *Serious bodily injury* has the meaning given the term “serious bodily injury” under paragraph (3) of subsection (h) of section 1365 of title 18, United States Code.

(4) *Weapon* has the meaning given the term “dangerous weapon” under paragraph (2) of the first subsection (g) of section 930 of title 18, United States Code.

§ 300.532 Appeal.

(a) *General.* The parent of a child with a disability who disagrees with any decision regarding placement under §§ 300.530 and 300.531, or the manifestation determination under § 300.530(e), or an LEA that believes that maintaining the current placement of the child is substantially likely to result in injury to the child or others, may appeal the decision by requesting a hearing. The hearing is requested by filing a complaint pursuant to §§ 300.507 and 300.508(a) and (b).

(b) *Authority of hearing officer.* (1) A hearing officer under § 300.511 hears, and makes a determination regarding an appeal under paragraph (a) of this section.

(2) In making the determination under paragraph (b)(1) of this section, the hearing officer may—

(i) Return the child with a disability to the placement from which the child was removed if the hearing officer determines that the removal was a violation of § 300.530 or that the child's behavior was a manifestation of the child's disability; or

(ii) Order a change of placement of the child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of the child is substantially likely to result in injury to the child or to others.

(3) The procedures under paragraphs (a) and (b)(1) and (2) of this section may be repeated, if the LEA believes that returning the child to the original placement is substantially likely to result in injury to the child or to others.

(c) *Expedited due process hearing.* (1) Whenever a hearing is requested under paragraph (a) of this section, the parents or the LEA involved in the dispute must have an opportunity for an impartial due process hearing consistent with the requirements of §§ 300.507 and

300.508(a) through (c) and §§300.510 through 300.514, except as provided in paragraph (c)(2) through (4) of this section.

(2) The SEA or LEA is responsible for arranging the expedited due process hearing, which must occur within 20 school days of the date the complaint requesting the hearing is filed. The hearing officer must make a determination within 10 school days after the hearing.

(3) Unless the parents and LEA agree in writing to waive the resolution meeting described in paragraph (c)(3)(i) of this section, or agree to use the mediation process described in §300.506—

(i) A resolution meeting must occur within seven days of receiving notice of the due process complaint; and

(ii) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint.

(4) A State may establish different State-imposed procedural rules for expedited due process hearings conducted under this section than it has established for other due process hearings, but, except for the timelines as modified in paragraph (c)(3) of this section, the State must ensure that the requirements in §§300.510 through 300.514 are met.

(5) The decisions on expedited due process hearings are appealable consistent with §300.514.

§ 300.534 Protections for children not determined eligible for special education and related services.

(a) *General.* A child who has not been determined to be eligible for special education and related services under this part and who has engaged in behavior that violated a code of student conduct, may assert any of the protections provided for in this part if the public agency had knowledge (as determined in accordance with paragraph (b) of this section) that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.

(b) *Basis of knowledge.* A public agency must be deemed to have knowledge that a child is a child with a disability if before the behavior that precipitated the disciplinary action occurred—

(1) The parent of the child expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the child, that the child is in need of special education and related services;

(2) The parent of the child requested an evaluation of the child pursuant to §§300.300 through 300.311; or

(3) The teacher of the child, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education of the agency or to other supervisory personnel of the agency.

(c) *Exception.* A public agency would not be deemed to have knowledge under paragraph (b) of this section if—

(1) The parent of the child—

(i) Has not allowed an evaluation of the child pursuant to §§300.300 through 300.311; or

(ii) Has refused services under this part; or

(2) The child has been evaluated in accordance with §§300.300 through 300.311 and determined to not be a child with a disability under this part.

(d) *Conditions that apply if no basis of knowledge.* (1) If a public agency does not have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against the child, the child may be subjected to the disciplinary measures applied to children without disabilities

§ 300.535

who engage in comparable behaviors consistent with paragraph (d)(2) of this section.

(2)(i) If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under §300.530, the evaluation must be conducted in an expedited manner.

(ii) Until the evaluation is completed, the child remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

(iii) If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency must provide special education and related services in accordance with this part, including the requirements of §§300.530 through 300.536 and section 612(a)(1)(A) of the Act.

(b) *Transmittal of records.* (1) An agency reporting a crime committed by a child with a disability must ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to whom the agency reports the crime.

(1) The removal is for more than 10 consecutive school days; or

(2) The child has been subjected to a series of removals that constitute a pattern—

(i) Because the series of removals total more than 10 school days in a school year;

(ii) Because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals; and

(iii) Because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

(b)(1) The public agency determines on a case-by-case basis whether a pattern of removals constitutes a change of placement.

(b) *Special rule for use of fiscal year 1999 amount.* If a State received any funds under section 611 of the Act for fiscal year 1999 on the basis of children aged three through five, but does not make FAPE available to all children with disabilities aged three through five in the State in any subsequent fiscal year, the Secretary computes the State's amount for fiscal year 1999, solely for the purpose of calculating the State's allocation in that subsequent year under paragraph (c) or (d) of this section, by subtracting the amount allocated to the State for fiscal year 1999 on the basis of those children.

(c) *Increase in funds.* If the amount available for allocations to States under paragraph (a) of this section for a fiscal year is equal to or greater than the amount allocated to the States under section 611 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(1) *Allocation of increase—(i) General.* Except as provided in paragraph (c)(2) of this section, the Secretary allocates for the fiscal year—

(A) To each State the amount the State received under this section for fiscal year 1999;

(B) Eighty-five (85) percent of any remaining funds to States on the basis of the States' relative populations of children aged 3 through 21 who are of the same age as children with disabilities for whom the State ensures the availability of FAPE under Part B of the Act; and

(C) Fifteen (15) percent of those remaining funds to States on the basis of the States' relative populations of children described in paragraph (c)(1)(i)(B) of this section who are living in poverty.

(ii) *Data.* For the purpose of making grants under this section, the Secretary uses the most recent population data, including data on children living in poverty, that are available and satisfactory to the Secretary.

§ 300.704

34 CFR Ch. III (7-1-10 Edition)

(2) *Limitations.* Notwithstanding paragraph (c)(1) of this section, allocations under this section are subject to the following:

(i) *Preceding year allocation.* No State's allocation may be less than its allocation under section 611 of the Act for the preceding fiscal year.

(ii) *Minimum.* No State's allocation may be less than the greatest of—

(A) The sum of—

(1) The amount the State received under section 611 of the Act for fiscal year 1999; and

(2) One third of one percent of the amount by which the amount appropriated under section 611(i) of the Act for the fiscal year exceeds the amount appropriated for section 611 of the Act for fiscal year 1999;

(B) The sum of—

(1) The amount the State received under section 611 of the Act for the preceding fiscal year; and

(2) That amount multiplied by the percentage by which the increase in the funds appropriated for section 611 of the Act from the preceding fiscal year exceeds 1.5 percent; or

(C) The sum of—

(1) The amount the State received under section 611 of the Act for the preceding fiscal year; and

(2) That amount multiplied by 90 percent of the percentage increase in the amount appropriated for section 611 of the Act from the preceding fiscal year.

(iii) *Maximum.* Notwithstanding paragraph (c)(2)(ii) of this section, no State's allocation under paragraph (a) of this section may exceed the sum of—

(A) The amount the State received under section 611 of the Act for the preceding fiscal year; and

(B) That amount multiplied by the sum of 1.5 percent and the percentage increase in the amount appropriated under section 611 of the Act from the preceding fiscal year.

(3) *Ratable reduction.* If the amount available for allocations to States under paragraph (c) of this section is insufficient to pay those allocations in full, those allocations are ratably reduced, subject to paragraph (c)(2)(i) of this section.

(d) *Decrease in funds.* If the amount available for allocations to States under paragraph (a) of this section for

a fiscal year is less than the amount allocated to the States under section 611 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(1) *Amounts greater than fiscal year 1999 allocations.* If the amount available for allocations under paragraph (a) of this section is greater than the amount allocated to the States for fiscal year 1999, each State is allocated the sum of—

(i) *1999 amount.* The amount the State received under section 611 of the Act for fiscal year 1999; and

(ii) *Remaining funds.* An amount that bears the same relation to any remaining funds as the increase the State received under section 611 of the Act for the preceding fiscal year over fiscal year 1999 bears to the total of all such increases for all States.

(2) *Amounts equal to or less than fiscal year 1999 allocations—(i) General.* If the amount available for allocations under paragraph (a) of this section is equal to or less than the amount allocated to the States for fiscal year 1999, each State is allocated the amount it received for fiscal year 1999.

(ii) *Ratable reduction.* If the amount available for allocations under paragraph (d) of this section is insufficient to make the allocations described in paragraph (d)(2)(i) of this section, those allocations are ratably reduced.

(a) *State administration.* (1) For the purpose of administering Part B of the Act, including paragraph (c) of this section, section 619 of the Act, and the coordination of activities under Part B of the Act with, and providing technical assistance to, other programs that provide services to children with disabilities—

(i) Each State may reserve for each fiscal year not more than the maximum amount the State was eligible to reserve for State administration under section 611 of the Act for fiscal year 2004 or \$800,000 (adjusted in accordance with paragraph (a)(2) of this section), whichever is greater; and

area receives under § 300.701(a) for the fiscal year or \$35,000, whichever is greater.

(2) For each fiscal year, beginning with fiscal year 2005, the Secretary cumulatively adjusts—

(i) The maximum amount the State was eligible to reserve for State administration under section 611 of the Act for fiscal year 2004; and

(i) If the amount that the State sets aside for State administration under paragraph (a) of this section is greater than \$850,000 and the State opts to finance a high cost fund under paragraph (c) of this section:

(A) For fiscal years 2005 and 2006, 10 percent of the State's allocation under § 300.703.

(B) For fiscal year 2007 and subsequent fiscal years, an amount equal to 10 percent of the State's allocation for fiscal year 2006 under § 300.703 adjusted cumulatively for inflation.

(ii) If the amount that the State sets aside for State administration under paragraph (a) of this section is greater than \$850,000 and the State opts not to finance a high cost fund under paragraph (c) of this section—

(B) For fiscal year 2007 and subsequent fiscal years, an amount equal to nine percent of the State's allocation for fiscal year 2006 adjusted cumulatively for inflation.

(iii) If the amount that the State sets aside for State administration under paragraph (a) of this section is less than or equal to \$850,000 and the State opts to finance a high cost fund under paragraph (c) of this section:

(A) For fiscal years 2005 and 2006, 10.5 percent of the State's allocation under § 300.703.

(B) For fiscal year 2007 and subsequent fiscal years, an amount equal to 10.5 percent of the State's allocation for fiscal year 2006 under § 300.703 adjusted cumulatively for inflation.

(A) For fiscal years 2005 and 2006, nine and one-half percent of the State's allocation under § 300.703.

(B) For fiscal year 2007 and subsequent fiscal years, an amount equal to nine and one-half percent of the State's allocation for fiscal year 2006 under § 300.703 adjusted cumulatively for inflation.

(2) The adjustment for inflation is the rate of inflation as measured by the percentage of increase, if any, from the preceding fiscal year in the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor.

(3) Some portion of the funds reserved under paragraph (b)(1) of this section must be used to carry out the following activities:

(i) For monitoring, enforcement, and complaint investigation; and

(ii) To establish and implement the mediation process required by section 615(e) of the Act, including providing for the costs of mediators and support personnel;

(4) Funds reserved under paragraph (b)(1) of this section also may be used to carry out the following activities:

§ 300.704

34 CFR Ch. III (7–1–10 Edition)

(i) For support and direct services, including technical assistance, personnel preparation, and professional development and training;

(ii) To support paperwork reduction activities, including expanding the use of technology in the IEP process;

(iii) To assist LEAs in providing positive behavioral interventions and supports and mental health services for children with disabilities;

(iv) To improve the use of technology in the classroom by children with disabilities to enhance learning;

(v) To support the use of technology, including technology with universal design principles and assistive technology devices, to maximize accessibility to the general education curriculum for children with disabilities;

(vi) Development and implementation of transition programs, including coordination of services with agencies involved in supporting the transition of students with disabilities to postsecondary activities;

(vii) To assist LEAs in meeting personnel shortages;

(viii) To support capacity building activities and improve the delivery of services by LEAs to improve results for children with disabilities;

(x) To support the development and provision of appropriate accommodations for children with disabilities, or the development and provision of alternate assessments that are valid and reliable for assessing the performance of children with disabilities, in accordance with sections 1111(b) and 6111 of the ESEA; and

(xi) To provide technical assistance to schools and LEAs, and direct services, including supplemental educational services as defined in section 1116(e) of the ESEA to children with disabilities, in schools or LEAs identified for improvement under section 1116 of the ESEA on the sole basis of the assessment results of the disaggregated subgroup of children with disabilities,

including providing professional development to special and regular education teachers, who teach children with disabilities, based on scientifically based research to improve educational instruction, in order to improve academic achievement to meet or exceed the objectives established by the State under section 1111(b)(2)(G) of the ESEA.

(c) *Local educational agency high cost fund.* (1) In general—

(i) For the purpose of assisting LEAs (including a charter school that is an LEA or a consortium of LEAs) in addressing the needs of high need children with disabilities, each State has the option to reserve for each fiscal year 10 percent of the amount of funds the State reserves for other State-level activities under paragraph (b)(1) of this section—

(A) To finance and make disbursements from the high cost fund to LEAs in accordance with paragraph (c) of this section during the first and succeeding fiscal years of the high cost fund; and

(B) To support innovative and effective ways of cost sharing by the State, by an LEA, or among a consortium of LEAs, as determined by the State in coordination with representatives from LEAs, subject to paragraph (c)(2)(ii) of this section.

(ii) For purposes of paragraph (c) of this section, *local educational agency* includes a charter school that is an LEA, or a consortium of LEAs.

(2)(i) A State must not use any of the funds the State reserves pursuant to paragraph (c)(1)(i) of this section, which are solely for disbursement to LEAs, for costs associated with establishing, supporting, and otherwise administering the fund. The State may use funds the State reserves under paragraph (a) of this section for those administrative costs.

(ii) A State must not use more than 5 percent of the funds the State reserves pursuant to paragraph (c)(1)(i) of this section for each fiscal year to support innovative and effective ways of cost sharing among consortia of LEAs.

(3)(i) The SEA must develop, not later than 90 days after the State reserves funds under paragraph (c)(1)(i) of this section, annually review, and

amend as necessary, a State plan for the high cost fund. Such State plan must—

(A) Establish, in consultation and coordination with representatives from LEAs, a definition of a high need child with a disability that, at a minimum—

(1) Addresses the financial impact a high need child with a disability has on the budget of the child's LEA; and

(2) Ensures that the cost of the high need child with a disability is greater than 3 times the average per pupil expenditure (as defined in section 9101 of the ESEA) in that State;

(B) Establish eligibility criteria for the participation of an LEA that, at a minimum, take into account the number and percentage of high need children with disabilities served by an LEA;

(C) Establish criteria to ensure that placements supported by the fund are consistent with the requirements of §§ 300.114 through 300.118;

(D) Develop a funding mechanism that provides distributions each fiscal year to LEAs that meet the criteria developed by the State under paragraph (c)(3)(i)(B) of this section;

(E) Establish an annual schedule by which the SEA must make its distributions from the high cost fund each fiscal year; and

(F) If the State elects to reserve funds for supporting innovative and effective ways of cost sharing under paragraph (c)(1)(i)(B) of this section, describe how these funds will be used.

(ii) The State must make its final State plan available to the public not less than 30 days before the beginning of the school year, including dissemination of such information on the State Web site.

(4)(i) Each SEA must make all annual disbursements from the high cost fund established under paragraph (c)(1)(i) of this section in accordance with the State plan published pursuant to paragraph (c)(3) of this section.

(ii) The costs associated with educating a high need child with a disability, as defined under paragraph (c)(3)(i)(A) of this section, are only those costs associated with providing direct special education and related services to the child that are identified in that child's IEP, including the cost

of room and board for a residential placement determined necessary, consistent with § 300.114, to implement a child's IEP.

(iii) The funds in the high cost fund remain under the control of the State until disbursed to an LEA to support a specific child who qualifies under the State plan for the high cost funds or distributed to LEAs, consistent with paragraph (c)(9) of this section.

(5) The disbursements under paragraph (c)(4) of this section must not be used to support legal fees, court costs, or other costs associated with a cause of action brought on behalf of a child with a disability to ensure FAPE for such child.

(6) Nothing in paragraph (c) of this section—

(i) Limits or conditions the right of a child with a disability who is assisted under Part B of the Act to receive FAPE pursuant to section 612(a)(1) of the Act in the least restrictive environment pursuant to section 612(a)(5) of the Act; or

(ii) Authorizes an SEA or LEA to establish a limit on what may be spent on the education of a child with a disability.

(7) Notwithstanding the provisions of paragraphs (c)(1) through (6) of this section, a State may use funds reserved pursuant to paragraph (c)(1)(i) of this section for implementing a placement neutral cost sharing and reimbursement program of high need, low incidence, catastrophic, or extraordinary aid to LEAs that provides services to high need children based on eligibility criteria for such programs that were created not later than January 1, 2004, and are currently in operation, if such program serves children that meet the requirement of the definition of a high need child with a disability as described in paragraph (c)(3)(i)(A) of this section.

(8) Disbursements provided under paragraph (c) of this section must not be used to pay costs that otherwise would be reimbursed as medical assistance for a child with a disability under the State Medicaid program under Title XIX of the Social Security Act.

§ 300.705

34 CFR Ch. III (7–1–10 Edition)

(9) Funds reserved under paragraph (c)(1)(i) of this section from the appropriation for any fiscal year, but not expended pursuant to paragraph (c)(4) of this section before the beginning of their last year of availability for obligation, must be allocated to LEAs in the same manner as other funds from the appropriation for that fiscal year are allocated to LEAs under § 300.705 during their final year of availability.

(d) *Inapplicability of certain prohibitions.* A State may use funds the State reserves under paragraphs (a) and (b) of this section without regard to—

(1) The prohibition on commingling of funds in § 300.162(b).

(2) The prohibition on supplanting other funds in § 300.162(c).

(e) *Special rule for increasing funds.* A State may use funds the State reserves under paragraph (a)(1) of this section as a result of inflationary increases under paragraph (a)(2) of this section to carry out activities authorized under paragraph (b)(4)(i), (iii), (vii), or (viii) of this section.

(f) *Flexibility in using funds for Part C.* Any State eligible to receive a grant under section 619 of the Act may use funds made available under paragraph (a)(1) of this section, § 300.705(c), or § 300.814(e) to develop and implement a State policy jointly with the lead agency under Part C of the Act and the SEA to provide early intervention services (which must include an educational component that promotes school readiness and incorporates preliteracy, language, and numeracy skills) in accordance with Part C of the Act to children with disabilities who are eligible for services under section 619 of the Act and who previously received services under Part C of the Act until the children enter, or are eligible under State law to enter, kindergarten, or elementary school as appropriate.

§ 300.705 Subgrants to LEAs.

(a) *Subgrants required.* Each State that receives a grant under section 611 of the Act for any fiscal year must dis-

tribute any funds the State does not reserve under § 300.704 to LEAs (including public charter schools that operate as LEAs) in the State that have established their eligibility under section 613 of the Act for use in accordance with Part B of the Act. Effective with funds that become available on the July 1, 2009, each State must distribute funds to eligible LEAs, including public charter schools that operate as LEAs, even if the LEA is not serving any children with disabilities.

(b) *Allocations to LEAs.* For each fiscal year for which funds are allocated to States under § 300.703, each State shall allocate funds as follows:

(1) *Base payments.* The State first must award each LEA described in paragraph (a) of this section the amount the LEA would have received under section 611 of the Act for fiscal year 1999, if the State had distributed 75 percent of its grant for that year under section 611(d) of the Act, as that section was then in effect.

(2) *Base payment adjustments.* For any fiscal year after 1999—

(i) If a new LEA is created, the State must divide the base allocation determined under paragraph (b)(1) of this section for the LEAs that would have been responsible for serving children with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of children with disabilities ages 3 through 21, or ages 6 through 21 if a State has had its payment reduced under § 300.703(b), currently provided special education by each of the LEAs;

(ii) If one or more LEAs are combined into a single new LEA, the State must combine the base allocations of the merged LEAs;

(iii) If, for two or more LEAs, geographic boundaries or administrative responsibility for providing services to children with disabilities ages 3 through 21 change, the base allocations of affected LEAs must be redistributed among affected LEAs based on the relative numbers of children with disabilities ages 3 through 21, or ages 6 through 21 if a State has had its payment reduced under § 300.703(b), currently provided special education by each affected LEA; and

(iv) If an LEA received a base payment of zero in its first year of operation, the SEA must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any children with disabilities. The State must divide the base allocation determined under paragraph (b)(1) of this section for the LEAs that would have been responsible for serving children with disabilities now being served by the LEA, among the LEA and affected LEAs based on the relative numbers of children with disabilities ages 3 through 21, or ages 6 through 21 currently provided special education by each of the LEAs. This requirement takes effect with funds that become available on July 1, 2009.

(3) *Allocation of remaining funds.* After making allocations under paragraph (b)(1) of this section, as adjusted by paragraph (b)(2) of this section, the State must—

(i) Allocate 85 percent of any remaining funds to those LEAs on the basis of the relative numbers of children enrolled in public and private elementary schools and secondary schools within the LEA's jurisdiction; and

(ii) Allocate 15 percent of those remaining funds to those LEAs in accordance with their relative numbers of children living in poverty, as determined by the SEA.

(c) *Reallocation of LEA funds.* (1) If an SEA determines that an LEA is adequately providing FAPE to all children with disabilities residing in the area served by that agency with State and local funds, the SEA may reallocate any portion of the funds under this part that are not needed by that LEA to provide FAPE, to other LEAs in the State that are not adequately providing special education and related services to all children with disabilities residing in the areas served by those other LEAs. The SEA may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to §300.704.

(2) After an SEA distributes funds under this part to an eligible LEA that is not serving any children with dis-

abilities, as provided in paragraph (a) of this section, the SEA must determine, within a reasonable period of time prior to the end of the carryover period in 34 CFR 76.709, whether the LEA has obligated the funds. The SEA may reallocate any of those funds not obligated by the LEA to other LEAs in the State that are not adequately providing special education and related services to all children with disabilities residing in the areas served by those other LEAs. The SEA may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to §300.704.

The amount of the payments under paragraph (b) of this section for any fiscal year is equal to 20 percent of the amount allotted under § 300.701(b).

(b) *Distribution of funds.* The Secretary of the Interior must distribute the total amount of the payment under paragraph (a) of this section by allocating to each tribe, tribal organization, or consortium an amount based on the number of children with disabilities aged three through five residing on reservations as reported annually, divided by the total of those children served by all tribes or tribal organizations.

(c) *Submission of information.* To receive a payment under this section, the tribe or tribal organization must submit the figures to the Secretary of the Interior as required to determine the amounts to be allocated under paragraph (b) of this section. This information must be compiled and submitted to the Secretary.

(d) *Use of funds.* (1) The funds received by a tribe or tribal organization must be used to assist in child find, screening, and other procedures for the early identification of children aged three through five, parent training, and the provision of direct services. These activities may be carried out directly or through contracts or cooperative agreements with the BIA, LEAs, and other public or private nonprofit organizations. The tribe or tribal organization is encouraged to involve Indian parents in the development and implementation of these activities.

(2) The tribe or tribal organization, as appropriate, must make referrals to local, State, or Federal entities for the provision of services or further diagnosis.

(e) *Biennial report.* To be eligible to receive a grant pursuant to paragraph (a) of this section, the tribe or tribal organization must provide to the Secretary of the Interior a biennial report of activities undertaken under this section, including the number of contracts and cooperative agreements entered

§ 300.713

into, the number of children contacted and receiving services for each year, and the estimated number of children needing services during the two years following the year in which the report is made. The Secretary of the Interior must include a summary of this information on a biennial basis in the report to the Secretary required under section 611(h) of the Act. The Secretary may require any additional information from the Secretary of the Interior.

(f) *Prohibitions.* None of the funds allocated under this section may be used by the Secretary of the Interior for administrative purposes, including child count and the provision of technical assistance.

(b) The plan must provide for the coordination of services benefiting those children from whatever source, including tribes, the Indian Health Service, other BIA divisions, other Federal agencies, State educational agencies, and State, local, and tribal juvenile and adult correctional facilities.

(c) In developing the plan, the Secretary of the Interior must consult with all interested and involved parties.

(d) The plan must be based on the needs of the children and the system best suited for meeting those needs, and may involve the establishment of cooperative agreements between the BIA, other Federal agencies, and other entities.

(e) The plan also must be distributed upon request to States; to SEAs, LEAs, and other agencies providing services to infants, toddlers, and children with disabilities; to tribes; and to other interested parties.

(A) The amount the State received under section 619 of the Act for fiscal year 1997; and

(B) One-third of one percent of the amount by which the amount appropriated under section 619(j) of the Act for the fiscal year exceeds the amount appropriated for section 619 of the Act for fiscal year 1997;

(ii) The sum of—

(B) That amount multiplied by the percentage by which the increase in the funds appropriated under section 619 of the Act from the preceding fiscal year exceeds 1.5 percent; or

(iii) The sum of—

(A) The amount the State received under section 619 of the Act for the preceding fiscal year; and

(B) That amount multiplied by 90 percent of the percentage increase in the amount appropriated under section 619 of the Act from the preceding fiscal year.

§ 300.810 Decrease in funds.

If the amount available for allocations to States under §300.807 for a fiscal year is less than the amount allocated to the States under section 619 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(1) The amount the State received under section 619 of the Act for fiscal year 1997; and

(2) An amount that bears the same relation to any remaining funds as the increase the State received under section 619 of the Act for the preceding fiscal year over fiscal year 1997 bears to the total of all such increases for all States.

§ 300.814 Other State-level activities.

Each State must use any funds the State reserves under §300.812 and does not use for administration under §300.813—

(a) For support services (including establishing and implementing the mediation process required by section 615(e) of the Act), which may benefit children with disabilities younger than three or older than five as long as those services also benefit children with disabilities aged three through five;

(b) For direct services for children eligible for services under section 619 of the Act;

(c) For activities at the State and local levels to meet the performance goals established by the State under section 612(a)(15) of the Act;

(e) To provide early intervention services (which must include an educational component that promotes school readiness and incorporates preliteracy, language, and numeracy skills) in accordance with Part C of the Act to children with disabilities who are eligible for services under section 619 of the Act and who previously received services under Part C of the Act until such children enter, or are eligible under State law to enter, kindergarten; or

(f) At the State's discretion, to continue service coordination or case management for families who receive services under Part C of the Act, consistent with § 300.814(e).

§ 300.815 Subgrants to LEAs.

Each State that receives a grant under section 619 of the Act for any fiscal year must distribute all of the grant funds the State does not reserve under § 300.812 to LEAs (including public charter schools that operate as LEAs) in the State that have established their eligibility under section 613 of the Act. Effective with funds that become available on July 1, 2009, each State must distribute funds to eligible LEAs that are responsible for providing education to children aged three through five years, including public charter schools that operate as LEAs, even if the LEA is not serving any pre-school children with disabilities.

[73 FR 73028, Dec. 1, 2008]

§ 300.816 Allocations to LEAs.

(a) *Base payments.* The State must first award each LEA described in § 300.815 the amount that agency would have received under section 619 of the Act for fiscal year 1997 if the State had distributed 75 percent of its grant for that year under section 619(c)(3), as such section was then in effect.

(b) *Base payment adjustments.* For fiscal year 1998 and beyond—

(1) If a new LEA is created, the State must divide the base allocation determined under paragraph (a) of this section for the LEAs that would have been responsible for serving children with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of children with disabilities ages three through five currently provided special education by each of the LEAs;

(2) If one or more LEAs are combined into a single new LEA, the State must combine the base allocations of the merged LEAs;

(3) If for two or more LEAs, geographic boundaries or administrative responsibility for providing services to children with disabilities ages three through five changes, the base allocations of affected LEAs must be redistributed among affected LEAs based on the relative numbers of children with disabilities ages three through five currently provided special education by each affected LEA; and

(4) If an LEA received a base payment of zero in its first year of operation, the SEA must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any children with disabilities aged three through five years. The State must divide the base allocation determined under paragraph (a) of this section for the LEAs that would have been responsible for serving children with disabilities aged three through five years now being served by the LEA, among the LEA and affected LEAs based on the relative numbers of children with disabilities aged three through five years currently provided special education by each of the LEAs. This requirement takes effect with funds that become available on July 1, 2009.

(c) *Allocation of remaining funds.* After making allocations under paragraph (a) of this section, the State must—

(1) Allocate 85 percent of any remaining funds to those LEAs on the basis of the relative numbers of children enrolled in public and private elementary schools and secondary schools within the LEA's jurisdiction; and

(2) Allocate 15 percent of those remaining funds to those LEAs in accordance with their relative numbers of

children living in poverty, as determined by the SEA.

(d) *Use of best data.* For the purpose of making grants under this section, States must apply on a uniform basis across all LEAs the best data that are available to them on the numbers of children enrolled in public and private elementary and secondary schools and the numbers of children living in poverty.

§ 300.817 Reallocation of LEA funds.

(a) If an SEA determines that an LEA is adequately providing FAPE to all children with disabilities aged three through five years residing in the area served by the LEA with State and local funds, the SEA may reallocate any portion of the funds under section 619 of the Act that are not needed by that LEA to provide FAPE, to other LEAs in the State that are not adequately providing special education and related services to all children with disabilities aged three through five years residing in the areas served by those other LEAs. The SEA may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to § 300.812.

(b) After an SEA distributes section 619 funds to an eligible LEA that is not serving any children with disabilities aged three through five years, as provided in § 300.815, the SEA must determine, within a reasonable period of time prior to the end of the carryover period in 34 CFR 76.709, whether the LEA has obligated the funds. The SEA may reallocate any of those funds not obligated by the LEA to other LEAs in the State that are not adequately providing special education and related services to all children with disabilities aged three through five years residing in the areas served by those other LEAs. The SEA may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is

permitted to reserve for State-level activities pursuant to § 300.812.

APPENDIX A TO PART 300—EXCESS COSTS CALCULATION

Except as otherwise provided, amounts provided to an LEA under Part B of the Act may be used only to pay the excess costs of providing special education and related services to children with disabilities. Excess costs are those costs for the education of an elementary school or secondary school student with a disability that are in excess of the average annual per student expenditure in an LEA during the preceding school year for an elementary school or secondary school student, as may be appropriate. An LEA must spend at least the average annual per student expenditure on the education of an elementary school or secondary school child with a disability before funds under Part B of the Act are used to pay the excess costs of providing special education and related services.

Section 602(8) of the Act and § 300.16 require the LEA to compute the minimum average amount separately for children with disabilities in its elementary schools and for children with disabilities in its secondary schools. LEAs may not compute the minimum average amount it must spend on the education of children with disabilities based on a combination of the enrollments in its elementary schools and secondary schools.

The following example shows how to compute the minimum average amount an LEA must spend for the education of each of its elementary school children with disabilities under section 602(3) of the Act before it may use funds under Part B of the Act.

a. First the LEA must determine the total amount of its expenditures for elementary school students from all sources—local, State, and Federal (including Part B)—in the preceding school year. Only capital outlay and debt services are excluded.

Example: The following is an example of a computation for children with disabilities enrolled in an LEA's elementary schools. In this example, the LEA had an average elementary school enrollment for the preceding school year of 800 (including 100 children

Pt. 300, App. B

34 CFR Ch. III (7-1-10 Edition)

with disabilities). The LEA spent the following amounts last year for elementary school students (including its elementary school children with disabilities):

(1)	From State and local tax funds.	\$6,500,000
(2)	From Federal funds	600,000
	Total expenditures	7,100,000

Of this total, \$60,000 was for capital outlay and debt service relating to the education of elementary school students. This must be subtracted from total expenditures.

(1)	Total Expenditures	\$7,100,000
(2)	Less capital outlay and debt.	-60,000
	Total expenditures for elementary school students less capital outlay and debt.	\$7,040,000

b. Next, the LEA must subtract from the total expenditures amounts spent for:

- (1) IDEA, Part B allocation,
- (2) ESEA, Title I, Part A allocation,
- (3) ESEA, Title III, Parts A and B allocation,
- (4) State and local funds for children with disabilities, and
- (5) State or local funds for programs under ESEA, Title I, Part A, and Title III, Parts A and B.

These are funds that the LEA actually spent, not funds received last year but carried over for the current school year.

Example: The LEA spent the following amounts for elementary school students last year:

(1)	From funds under IDEA, Part B allocation.	\$ 200,000
(2)	From funds under ESEA, Title I, Part A allocation.	250,000
(3)	From funds under ESEA, Title III, Parts A and B allocation.	50,000
(4)	From State funds and local funds for children with disabilities.	500,000
(5)	From State and local funds for programs under ESEA, Title I, Part A, and Title III, Parts A and B.	150,000
	Total	1,150,000
(1)	Total expenditures less capital outlay and debt.	7,040,000

(2)	Other deductions	-1,150,000
	Total	\$5,890,000

c. Except as otherwise provided, the LEA next must determine the average annual per student expenditure for its elementary schools dividing the average number of students enrolled in the elementary schools of the agency during the preceding year (including its children with disabilities) into the amount computed under the above paragraph. The amount obtained through this computation is the minimum amount the LEA must spend (on the average) for the education of each of its elementary school children with disabilities. Funds under Part B of the Act may be used only for costs over and above this minimum.

(1)	Amount from Step b	\$5,890,000
(2)	Average number of students enrolled.	800
(3)	\$5,890,000/800 Average annual per student expenditure.	\$ 7,362

d. Except as otherwise provided, to determine the total minimum amount of funds the LEA must spend for the education of its elementary school children with disabilities in the LEA (not including capital outlay and debt service), the LEA must multiply the number of elementary school children with disabilities in the LEA times the average annual per student expenditure obtained in paragraph c above. Funds under Part B of the Act can only be used for excess costs over and above this minimum.

(1)	Number of children with disabilities in the LEA's elementary schools.	100
(2)	Average annual per student expenditure.	\$ 7,362
(3)	\$7,362 x 100.	
	Total minimum amount of funds the LEA must spend for the education of children with disabilities enrolled in the LEA's elementary schools before using Part B funds.	\$ 736,200

**APPENDIX B TO PART 300—
PROPORTIONATE SHARE CALCULATION**

Each LEA must expend, during the grant period, on the provision of special education and related services for the parentally-placed private school children with disabilities enrolled in private elementary schools and secondary schools located in the LEA an amount that is equal to—

(1) A proportionate share of the LEA's subgrant under section 611(f) of the Act for children with disabilities aged 3 through 21. This is an amount that is the same proportion of the LEA's total subgrant under section 611(f) of the Act as the number of parentally-placed private school children with disabilities aged 3 through 21 enrolled in private elementary schools and secondary schools located in the LEA is to the total number of children with disabilities enrolled in public and private elementary schools and secondary schools located in the LEA aged 3 through 21; and

(2) A proportionate share of the LEA's subgrant under section 619(g) of the Act for children with disabilities aged 3 through 5. This is an amount that is the same proportion of the LEA's total subgrant under section 619(g) of the Act as the total number of parentally-placed private school children with disabilities aged 3 through 5 enrolled in private elementary schools located in the LEA is to the total number of children with disabilities enrolled in public and private elementary schools located in the LEA aged 3 through 5.

Consistent with section 612(a)(10)(A)(i) of the Act and § 300.133 of these regulations, annual expenditures for parentally-placed private school children with disabilities are calculated based on the total number of children with disabilities enrolled in public and private elementary schools and secondary schools located in the LEA eligible to receive special education and related services under Part B, as compared with the total number of eligible parentally-placed private school children with disabilities enrolled in private elementary schools located in the LEA. This ratio is used to determine the proportion of the LEA's total Part B subgrants under section 611(f) of the Act for children aged 3 through 21, and under section 619(g) of the Act for children aged 3 through 5, that is to be expended on services for parentally-placed private school children with disabilities enrolled in private elementary schools and secondary schools located in the LEA.

The following is an example of how the proportionate share is calculated:

There are 300 eligible children with disabilities enrolled in the Flintstone School District and 20 eligible parentally-placed private school children with disabilities enrolled in private elementary schools and secondary schools located in the LEA for a total of 320 eligible public and private school children with disabilities (note: proportionate share for parentally-placed private school children with disabilities (20) divided by the total number of eligible public and private school children with disabilities (320) indicates that 6.25 percent of the LEA's subgrant must be

spent for the group of eligible parentally-placed children with disabilities enrolled in private elementary schools and secondary schools located in the LEA. Flintstone School District receives \$152,500 in Federal flow through funds. Therefore, the LEA must spend \$9,531.25 on special education or related services to the group of parentally-placed private school children with disabilities enrolled in private elementary schools and secondary schools located in the LEA. (Note: The LEA must calculate the proportionate share of IDEA funds before earmarking funds for any early intervening activities in § 300.226).

The following outlines the calculations for the example of how the proportionate share is calculated.

Proportionate Share Calculation for Parentally-Placed Private School Children with Disabilities For Flintstone School District:	
Number of eligible children with disabilities in public schools in the LEA	300
Number of parentally-placed eligible children with disabilities in private elementary schools and secondary schools located in the LEA	20
Total number of eligible children	320
FEDERAL FLOW-THROUGH FUNDS TO FLINTSTONE SCHOOL DISTRICT	
Total allocation to Flintstone	\$152,500
Calculating Proportionate Share:	
Total allocation to Flintstone	152,500
Divided by total number of eligible children	320
Average allocation per eligible child	476.5625
Multiplied by the number of parentally-placed children with disabilities	20
Amount to be expended for parentally-placed children with disabilities	9,531.25

APPENDIX C TO PART 300—NATIONAL INSTRUCTIONAL MATERIALS ACCESSIBILITY STANDARD (NIMAS)

Under sections 612(a)(23)(A) and 674(e)(4) of the Individuals with Disabilities Education Act, as amended by the Individuals with Disabilities Education Improvement Act of 2004, the Secretary of Education establishes the

NIMAS. Under section 674(e)(4) of the Act, the NIMAS applies to print instructional materials published after July 19, 2006. The purpose of the NIMAS is to help increase the availability and timely delivery of print instructional materials in accessible formats to blind or other persons with print disabilities in elementary and secondary schools.

TECHNICAL SPECIFICATIONS—THE BASELINE ELEMENT SET

The Baseline Element Set details the minimum requirement that must be delivered to fulfill the NIMAS. It is the responsibility of publishers to provide this NIMAS-conformant XML content file, a package file (OPF), a PDF-format copy of the title page (or whichever page(s) contain(s) ISBN and copyright information), and a full set of the content's images. All of the images included within a work must be provided in a folder and placeholders entered in the relevant XML document indicating their location (all images must be included). The preferred image type is SVG, next is either PNG or JPG format. Images should be rendered in

the same size/proportion as their originals at 300 dpi. Images should be named with relative path filenames in XML files (example: `img id="staricon4" src="/images/U10C02/staricon4.jpg" alt="star icon"`).

NIMAS-conformant content must be valid to the NIMAS 1.1 [see ANSI/NISO Z39.86 2005 or subsequent revisions]. In addition, files are required to use the tags from the Baseline Element Set when such tags are appropriate. Publishers are encouraged to augment the required Baseline Element Set with tags from the Optional Element Set (elements not included in the Standard) as applicable. For the purposes of NIMAS, appropriate usage of elements, both baseline and optional, is defined by the DAISY Structure Guidelines. Files that do not follow these guidelines in the selection and application of tags are not conformant to this Standard. Both optional elements and appropriate structure guidelines may be located within Z39.86–2002 and Z39.86–2005 available from <http://www.daisy.org/z3986/>. Use of the most current standard is recommended.

THE BASELINE ELEMENT SET

Element	Description
a. Document-level tags	
dtbook	The root element in the Digital Talking Book DTD. <dtbook> contains metadata in <head> and the contents itself in <book>.
head	Contains metainformation about the book but no actual content of the book itself, which is placed in <book>.
book	Surrounds the actual content of the document, which is divided into <frontmatter>, <bodymatter>, and <rearmatter>. <head>, which contains metadata, precedes <book>.
meta	Indicates metadata about the book. It is an empty element that may appear repeatedly only in <head>. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/
b. Structure and Hierarchy	
frontmatter	Usually contains <doctitle> and <docauthor>, as well as preliminary material that is often enclosed in appropriate <level> or <level1> etc. Content may include a copyright notice, a foreword, an acknowledgements section, a table of contents, etc. <frontmatter> serves as a guide to the content and nature of a <book>.
bodymatter	Consists of the text proper of a book, as contrasted with preliminary material <frontmatter> or supplementary information in <rearmatter>.
rearmatter	Contains supplementary material such as appendices, glossaries, bibliographies, and indices. It follows the <bodymatter> of the book.
level1	The highest-level container of major divisions of a book. Used in <frontmatter>, <bodymatter>, and <rearmatter> to mark the largest divisions of the book (usually parts or chapters), inside which <level2> subdivisions (often sections) may nest. The class attribute identifies the actual name (e.g., part, chapter) of the structure it marks. Contrast with <level>.
level2	Contains subdivisions that nest within <level1> divisions. The class attribute identifies the actual name (e.g., subpart, chapter, subsection) of the structure it marks.
level3	Contains sub-subdivisions that nest within <level2> subdivisions (e.g., sub-subsections within subsections). The class attribute identifies the actual name (e.g., section, subpart, subsubsection) of the subordinate structure it marks.
level4	Contains further subdivisions that nest within <level3> subdivisions. The class attribute identifies the actual name of the subordinate structure it marks.
level5	Contains further subdivisions that nest within <level4> subdivisions. The class attribute identifies the actual name of the subordinate structure it marks.
level6	Contains further subdivisions that nest within <level5> subdivisions. The class attribute identifies the actual name of the subordinate structure it marks.
h1	Contains the text of the heading for a <level1> structure.
h2	Contains the text of the heading for a <level2> structure.
h3	Contains the text of the heading for a <level3> structure.
h4	Contains the text of the heading for a <level4> structure.

THE BASELINE ELEMENT SET—Continued

Element	Description
h5	Contains the text of the heading for a <level5> structure.
h6	Contains the text of the heading for a <level6> structure. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/
c. Block elements	
author	Identifies the writer of a work other than this one. Contrast with <docauthor>, which identifies the author of this work. <author> typically occurs within <blockquote> and <cite>.
blockquote	Indicates a block of quoted content that is set off from the surrounding text by paragraph breaks. Compare with <q>, which marks short, inline quotations.
list	Contains some form of list, ordered or unordered. The list may have an intermixed heading <hd> (generally only one, possibly with <prodnote>), and an intermixture of list items and <pagenum>. If bullets and outline enumerations are part of the print content, they are expected to prefix those list items in content, rather than be implicitly generated.
li	Marks each list item in a <list>. content may be either inline or block and may include other nested lists. Alternatively it may contain a sequence of list item components, <lic>, that identify regularly occurring content, such as the heading and page number of each entry in a table of contents.
hd	Marks the text of a heading in a <list> or <sidebar>.
note	Marks a footnote, endnote, etc. Any local reference to <note id="yyy"> is by <noteref idref="#yyy">. [Attribute id]
p	Contains a paragraph, which may contain subsidiary <list> or <dl>.
sidebar	Contains information supplementary to the main text and/or narrative flow and is often boxed and printed apart from the main text block on a page. It may have a heading <hd>.
cite	Marks a reference (or citation) to another document.
dd	Marks a definition of the preceding term <dt> within a definition list <dl>. A definition without a preceding <dt> has no semantic interpretation, but is visually presented aligned with other <dd>.
dl	Contains a definition list, usually consisting of pairs of terms <dt> and definitions <dd>. Any definition can contain another definition list.
dt	Marks a term in a definition list <dl> for which a definition <dd> follows. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/
d. Inline Elements	
em	Indicates emphasis. Usually is rendered in italics. Compare with .
q	Contains a short, inline quotation. Compare with <blockquote>, which marks a longer quotation set off from the surrounding text.
strong	Marks stronger emphasis than . Visually is usually rendered bold.
sub	Indicates a subscript character (printed below a character's normal baseline). Can be used recursively and/or intermixed with <sup>.
sup	Marks a superscript character (printed above a character's normal baseline). Can be used recursively and/or intermixed with <sub>.
br	Marks a forced line break.
line	Marks a single logical line of text. Often used in conjunction with <linenum> in documents with numbered lines. [Use only when line breaks must be preserved to capture meaning (e.g., poems, legal texts).]
linenum	Contains a line number, for example in legal text. [Use only when <line> is used, and only for lines numbered in print book.]
pagenum	Contains one page number as it appears from the print document, usually inserted at the point within the file immediately preceding the first item of content on a new page. [NB: Only valid when it includes an id attribute].
noteref	Marks one or more characters that reference a footnote or endnote <note>. Contrast with <annoref>. <noteref> and <note> are independently skippable. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/
e. Tables	
table	Contains cells of tabular data arranged in rows and columns. A <table> may have a <caption>. It may have descriptions of the columns in <col>s or groupings of several <col> in <colgroup>. A simple <table> may be made up of just rows <tr>. A long table crossing several pages of the print book should have separate <pagenum> values for each of the pages containing that <table> indicated on the page where it starts. Note the logical order of optional <thead>, optional <tfoot>, then one or more of either <tbody> or just rows <tr>. This order accommodates simple or large, complex tables. The <thead> and <tfoot> information usually helps identify content of the <tbody> rows. For a multiple-page print <table> the <thead> and <tfoot> are repeated on each page, but not redundantly tagged.
td	Indicates a table cell containing data.
tr	Marks one row of a <table> containing <th> or <td> cells. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/

THE BASELINE ELEMENT SET—Continued

Element	Description
f. Images	
imggroup	Provides a container for one or more and associated <caption>(s) and <prodnote>(s). A <prodnote> may contain a description of the image. The content model allows: 1) multiple if they share a caption, with the ids of each in the <caption imgref="id1 id2 ...">, 2) multiple <caption> if several captions refer to a single where each caption has the same <caption imgref="xxx">, 3) multiple <prodnote> if different versions are needed for different media (e.g., large print, braille, or print). If several <prodnote> refer to a single , each prodnote has the same <prodnote imgref="xxx">.
img	Points to the image to be rendered. An may stand alone or be grouped using <imggroup>. Note that providing extracted images is not a requirement of the NIMAS. If they are included, it is best to refer to them using within the <imggroup> container.
caption	Describes a <table> or . If used with <table> it must follow immediately after the <table> start tag. If used with <imggroup> it is not so constrained. For the most current usage guidelines, please refer to http://www.daisy.org/z3986/

1. THE OPTIONAL ELEMENTS AND GUIDELINES FOR USE

Publishers are encouraged to apply mark-up beyond the baseline (required) elements. The complete DTBook Element Set reflects the tags necessary to create the six types of Digital Talking Books and Braille output. Because of the present necessity to subdivide the creation of alternate format materials into distinct phases, the Panel determined that baseline elements would be provided by publishers, and optional elements would be added to the NIMAS-conformant files by third party conversion entities. In both circumstances the protocols for tagging digital files should conform to the most current ANSI/NISO Z39.86 specification. Content converters are directed to the most current DAISY Structure Guidelines (<http://www.daisy.org/z3986/>) for guidance on their use.

Since the publication of the original National File Format report from which the NIMAS technical specifications were derived, ANSI/NISO Z39.86-2002 was updated and is now ANSI/NISO Z39.86-2005. It may be best to avoid using the following optional elements which are no longer included in ANSI/NISO Z39.86-2005: style, notice, hr, and levelhd.

Also, the following new elements were introduced by ANSI/NISO Z39.86-2005 and should be considered optional elements for the NIMAS: bridgehead, byline, covertitle, dateline, epigraph, linegroup, and poem. Please refer to ANSI/NISO Z39.86-2005 for additional information regarding these elements. To access the ANSI/NISO Z39.86-2005 specification, go to <http://www.daisy.org/z3986/>.

2. PACKAGE FILE

A package file describes a publication. It identifies all other files in the publication and provides descriptive and access information about them. A publication must include

a package file conforming to the NIMAS. The package file is based on the Open eBook Publication Structure 1.2 package file specification (For most recent detail please see <http://www.openebook.org/oebps/oebps1.2/download/oeb12-rhtml.htm#sec2>). A NIMAS package file must be an XML-valid OeB PS 1.2 package file instance and must meet the following additional standards:

The NIMAS Package File must include the following Dublin Core (dc:)metadata:

dc:Title.
dc:Creator (if applicable).
dc:Publisher.
dc:Date (Date of NIMAS-compliant file creation—yyyy-mm-dd).
dc:Format (“NIMAS 1.0”).
dc:Identifier (a unique identifier for the NIMAS-compliant digital publication, e.g., print ISBN + “-NIMAS”—exact format to be determined).
dc:Language (one instance, or multiple in the case of a foreign language textbook, etc.).
dc:Rights (details to be determined).
dc:Source (ISBN of print version of textbook).

And the following x-metadata items:
nimas-SourceEdition (the edition of the print textbook).
nimas-SourceDate (date of publication of the print textbook).

The following metadata were proposed also as a means of facilitating recordkeeping, storage and file retrieval:

dc:Subject (Lang Arts, Soc Studies, etc.).
nimas-grade (specific grade level of the print textbook, e.g.; Grade 6).
nimas gradeRange (specific grade range of the print textbook, e.g.; Grades 4-5).

An additional suggestion references the use of:

dc:audience:educationLevel (for the grade and gradeRange identifiers, noting that Dublin Core recommends using

educationLevel with an appropriate controlled vocabulary for context, and recommends the U.S. Department of Education's Level of Education vocabulary online at <http://www.ed.gov/admin/reference/index.jsp>. Using educationLevel obviates the need for a separate field for gradeRange since dc elements can repeat more than once. A book used in more than one grade would therefore have two elements, one with value "Grade 4" and another with value "Grade 5."

A final determination as to which of these specific metadata elements to use needs to be clarified in practice. The package manifest must list all provided files (text, images, etc.).

(NOTE: For purposes of continuity and to minimize errors in transformation and processing, the NIMAS-compliant digital text should be provided as a single document.)

3. MODULAR EXTENSIONS

The most current DAISY/NISO standard, formally the *ANSI/NISO Z39.86, Specifications for the Digital Talking Book* defines a comprehensive system for creating Digital Talking Books. A part of this standard is DTBook, an XML vocabulary that provides a core set of elements needed to produce most types of books. However, DTBook is not intended to be an exhaustive vocabulary for all types of books.

Guidelines for the correct approach to extend the DAISY/NISO standard have been established. Mathematics, video support, testing, workbooks, music, dictionaries, chemistry, and searching are some of the extensions that have been discussed. Visit <http://www.daisy.org/z3986/> to learn more about modular extensions.

APPENDIX D TO PART 300—MAINTENANCE OF EFFORT AND EARLY INTERVENING SERVICES

LEAs that seek to reduce their local maintenance of effort in accordance with §300.205(d) and use some of their Part B funds for early intervening services under §300.226 must do so with caution because the local maintenance of effort reduction provision and the authority to use Part B funds for early intervening services are interconnected. The decisions that an LEA makes about the amount of funds that it uses for one purpose affect the amount that it may use for the other. Below are examples that illustrate how §§300.205(d) and 300.226(a) affect one another.

Example 1: In this example, the amount that is 15 percent of the LEA's total grant (see §300.226(a)), which is the maximum amount that the LEA may use for early intervening services (EIS), is greater than the

amount that may be used for local maintenance of effort (MOE) reduction (50 percent of the increase in the LEA's grant from the prior year's grant) (see §300.205(a)).

Prior Year's Allocation	\$900,000.
Current Year's Allocation	1,000,000.
Increase	100,000.
Maximum Available for MOE	
Reduction	50,000.
Maximum Available for EIS	150,000.

If the LEA chooses to set aside \$150,000 for EIS, it may not reduce its MOE (MOE maximum \$50,000 less \$150,000 for EIS means \$0 can be used for MOE).

If the LEA chooses to set aside \$100,000 for EIS, it may not reduce its MOE (MOE maximum \$50,000 less \$100,000 for EIS means \$0 can be used for MOE).

If the LEA chooses to set aside \$50,000 for EIS, it may not reduce its MOE (MOE maximum \$50,000 less \$50,000 for EIS means \$0 can be used for MOE).

If the LEA chooses to set aside \$30,000 for EIS, it may reduce its MOE by \$20,000 (MOE maximum \$50,000 less \$30,000 for EIS means \$20,000 can be used for MOE).

If the LEA chooses to set aside \$0 for EIS, it may reduce its MOE by \$50,000 (MOE maximum \$50,000 less \$0 for EIS means \$50,000 can be used for MOE).

Example 2: In this example, the amount that is 15 percent of the LEA's total grant (see §300.226(a)), which is the maximum amount that the LEA may use for EIS, is less than the amount that may be used for MOE reduction (50 percent of the increase in the LEA's grant from the prior year's grant) (see §300.205(a)).

Prior Year's Allocation	\$1,000,000.
Current Year's Allocation	2,000,000.
Increase	1,000,000.
Maximum Available for MOE	
Reduction	500,000.
Maximum Available for EIS	300,000.

If the LEA chooses to use no funds for MOE, it may set aside \$300,000 for EIS (EIS maximum \$300,000 less \$0 means \$300,000 for EIS).

If the LEA chooses to use \$100,000 for MOE, it may set aside \$200,000 for EIS (EIS maximum \$300,000 less \$100,000 means \$200,000 for EIS).

If the LEA chooses to use \$150,000 for MOE, it may set aside \$150,000 for EIS (EIS maximum \$300,000 less \$150,000 means \$150,000 for EIS).

If the LEA chooses to use \$300,000 for MOE, it may not set aside anything for EIS (EIS maximum \$300,000 less \$300,000 means \$0 for EIS).

If the LEA chooses to use \$500,000 for MOE, it may not set aside anything for EIS (EIS maximum \$300,000 less \$500,000 means \$0 for EIS).

§ 303.13

34 CFR Ch. III (7–1–10 Edition)

§ 303.13 Health services.

(a) As used in this part, *health services* means services necessary to enable a child to benefit from the other early intervention services under this part during the time that the child is receiving the other early intervention services.

(b) The term includes—

(1) Such services as clean intermittent catheterization, tracheostomy care, tube feeding, the changing of dressings or colostomy collection bags, and other health services; and

(2) Consultation by physicians with other service providers concerning the special health care needs of eligible children that will need to be addressed in the course of providing other early intervention services.

(c) The term does not include the following:

(1) Services that are—

(i) Surgical in nature (such as cleft palate surgery, surgery for club foot, or the shunting of hydrocephalus); or

(ii) Purely medical in nature (such as hospitalization for management of congenital heart ailments, or the prescribing of medicine or drugs for any purpose).

(2) Devices necessary to control or treat a medical condition.

(3) Medical-health services (such as immunizations and regular “well-baby” care) that are routinely recommended for all children.

(Authority: 20 U.S.C. 1432(4))

NOTE: The definition in this section distinguishes between the health services that are required under this part and the medical-health services that are not required. The IFSP requirements in subpart D of this part provide that, to the extent appropriate, these other medical-health services are to be included in the IFSP, along with the funding sources to be used in paying for the services or the steps that will be taken to secure the services through public or private sources. Identifying these services in the IFSP does not impose an obligation to provide the services if they are otherwise not required to be provided under this part. (See § 303.344(e) and the note 3 following that section.)

§ 303.14 IFSP.

As used in this part, *IFSP* means the individualized family service plan, as that term is defined in § 303.340(b).

(Authority: 20 U.S.C. 1436)

§ 303.15 Include; including.

As used in this part, *include* or *including* means that the items named are not all of the possible items that are covered whether like or unlike the ones named.

(Authority: 20 U.S.C. 1431–1445)

§ 303.16 Infants and toddlers with disabilities.

(a) As used in this part, *infants and toddlers with disabilities* means individuals from birth through age two who need early intervention services because they—

(1) Are experiencing developmental delays, as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas:

(i) Cognitive development.

(ii) Physical development, including vision and hearing.

(iii) Communication development.

(iv) Social or emotional development.

(v) Adaptive development; or

(2) Have a diagnosed physical or mental condition that has a high probability of resulting in developmental delay.

(b) The term may also include, at a State’s discretion, children from birth through age two who are at risk of having substantial developmental delays if early intervention services are not provided.

(Authority: 20 U.S.C. 1432(5))

NOTE 1: The phrase “a diagnosed physical or mental condition that has a high probability of resulting in developmental delay,” as used in paragraph (a)(2) of this section, applies to a condition if it typically results in developmental delay. Examples of these conditions include chromosomal abnormalities; genetic or congenital disorders; severe sensory impairments, including hearing and vision; inborn errors of metabolism; disorders reflecting disturbance of the development of the nervous system; congenital infections; disorders secondary to exposure to toxic substances, including fetal alcohol syndrome; and severe attachment disorders.

NOTE 2: With respect to paragraph (b) of this section, children who are at risk may be eligible under this part if a State elects to extend services to that population, even though they have not been identified as disabled.

Under this provision, States have the authority to define who would be “at risk of having substantial developmental delays if

early intervention services are not provided." In defining the "at risk" population, States may include well-known biological and environmental factors that can be identified and that place infants and toddlers "at risk" for developmental delay. Commonly cited factors include low birth weight, respiratory distress as a newborn, lack of oxygen, brain hemorrhage, infection, nutritional deprivation, and a history of abuse or neglect. It should be noted that "at risk" factors do not predict the presence of a barrier to development, but they may indicate children who are at higher risk of developmental delay than children without these problems.

§ 303.17 Multidisciplinary.

As used in this part, *multidisciplinary* means the involvement of two or more disciplines or professions in the provision of integrated and coordinated services, including evaluation and assessment activities in § 303.322 and development of the IFSP in § 303.342.

(Authority: 20 U.S.C. 1435(a)(3), 1436(a))

§ 303.18 Natural environments.

As used in this part, *natural environments* means settings that are natural or normal for the child's age peers who have no disabilities.

(Authority: 20 U.S.C. 1435 and 1436)

[63 FR 18294, Apr. 14, 1998]

§ 303.19 Parent.

(a) *General.* As used in this part, "parent" means—

(1) A natural or adoptive parent of a child;

(2) A guardian;

(3) A person acting in the place of a parent (such as a grandparent or step-parent with whom the child lives, or a person who is legally responsible for the child's welfare); or

(4) A surrogate parent who has been assigned in accordance with § 303.406.

(b) *Foster parent.* Unless State law prohibits a foster parent from acting as a parent, a State may allow a foster parent to act as a parent under Part C of the Act if—

(1) The natural parents' authority to make the decisions required of parents under the Act has been extinguished under State law; and

(2) The foster parent—

(i) Has an ongoing, long-term parental relationship with the child;

(ii) Is willing to make the decisions required of parents under the Act; and

(iii) Has no interest that would conflict with the interests of the child.

[64 FR 12535, Mar. 12, 1999]

§ 303.20 Policies.

(a) As used in this part, *policies* means State statutes, regulations, Governor's orders, directives by the lead agency, or other written documents that represent the State's position concerning any matter covered under this part.

(b) State policies include—

(1) A State's commitment to maintain the statewide system (see § 303.140);

(2) A State's eligibility criteria and procedures (see § 303.300);

(3) A statement that, consistent with § 303.520(b), provides that services under this part will be provided at no cost to parents, except where a system of payments is provided for under Federal or State law.

(4) A State's standards for personnel who provide services to children eligible under this part (see § 303.361);

(5) A State's position and procedures related to contracting or making other arrangements with service providers under subpart F of this part; and

(6) Other positions that the State has adopted related to implementing any of the other requirements under this part.

§ 303.21 Public agency.

As used in this part, *public agency* includes the lead agency and any other political subdivision of the State that is responsible for providing early intervention services to children eligible under this part and their families.

[58 FR 40959, July 30, 1993. Redesignated at 63 FR 18294, Apr. 14, 1998]

§ 303.22 Qualified.

As used in this part, *qualified* means that a person has met State approved or recognized certification, licensing,

§ 303.23

34 CFR Ch. III (7-1-10 Edition)

registration, or other comparable requirements that apply to the area in which the person is providing early intervention services.

(Authority: 20 U.S.C. 1432(4))

NOTE: These regulations contain the following provisions relating to a State's responsibility to ensure that personnel are qualified to provide early intervention services:

1. Section 303.12(a)(4) provides that early intervention services must meet State standards. This provision implements a requirement that is similar to a longstanding provision under part B of the Act (i.e., that the State educational agency establish standards and ensure that those standards are currently met for all programs providing special education and related services).

2. Section 303.12(a)(3)(ii) provides that early intervention services must be provided by qualified personnel.

3. Section 303.361(b) requires statewide systems to have policies and procedures relating to personnel standards.

§ 303.23 Service coordination (case management).

(a) *General.* (1) As used in this part, except in § 303.12(d)(11), *service coordination* means the activities carried out by a service coordinator to assist and enable a child eligible under this part and the child's family to receive the rights, procedural safeguards, and services that are authorized to be provided under the State's early intervention program.

(2) Each child eligible under this part and the child's family must be provided with one service coordinator who is responsible for—

(i) Coordinating all services across agency lines; and

(ii) Serving as the single point of contact in helping parents to obtain the services and assistance they need.

(3) Service coordination is an active, ongoing process that involves—

(i) Assisting parents of eligible children in gaining access to the early intervention services and other services identified in the individualized family service plan;

(ii) Coordinating the provision of early intervention services and other services (such as medical services for other than diagnostic and evaluation

purposes) that the child needs or is being provided;

(iii) Facilitating the timely delivery of available services; and

(iv) Continuously seeking the appropriate services and situations necessary to benefit the development of each child being served for the duration of the child's eligibility.

(b) *Specific service coordination activities.* Service coordination activities include—

(1) Coordinating the performance of evaluations and assessments;

(2) Facilitating and participating in the development, review, and evaluation of individualized family service plans;

(3) Assisting families in identifying available service providers;

(4) Coordinating and monitoring the delivery of available services;

(5) Informing families of the availability of advocacy services;

(6) Coordinating with medical and health providers; and

(7) Facilitating the development of a transition plan to preschool services, if appropriate.

(c) *Employment and assignment of service coordinators.* (1) Service coordinators may be employed or assigned in any way that is permitted under State law, so long as it is consistent with the requirements of this part.

(2) A State's policies and procedures for implementing the statewide system of early intervention services must be designed and implemented to ensure that service coordinators are able to effectively carry out on an interagency basis the functions and services listed under paragraphs (a) and (b) of this section.

(d) *Qualifications of service coordinators.* Service coordinators must be persons who, consistent with § 303.344(g), have demonstrated knowledge and understanding about—

(1) Infants and toddlers who are eligible under this part;

(2) Part C of the Act and the regulations in this part; and

(3) The nature and scope of services available under the State's early intervention program, the system of payments for services in the State, and other pertinent information.

(Authority: 20 U.S.C. 1432(4))

NOTE 1: If States have existing service coordination systems, the States may use or adapt those systems, so long as they are consistent with the requirements of this part.

NOTE 2: The legislative history of the 1991 amendments to the Act indicates that the use of the term "service coordination" was not intended to affect the authority to seek reimbursement for services provided under Medicaid or any other legislation that makes reference to "case management" services. See H.R. Rep. No. 198, 102d Cong., 1st Sess. 12 (1991); S. Rep. No. 84, 102d Cong., 1st Sess. 20 (1991).

STATEMENT OF ASSURANCES

§ 303.120 General.

(a) A State's statement of assurances must contain the information required in §§ 303.121 through 303.128.

(b) Unless otherwise required by the Secretary, the statement is submitted only once, and remains in effect throughout the term of a State's participation under this part.

(c) A State may submit a revised statement of assurances if the statement is consistent with the requirements in §§ 303.121 through 303.128.

(Authority: 20 U.S.C. 1437(b))

§ 303.121 Reports and records.

The statement must provide for—

(a) Making reports in such form and containing such information as the Secretary may require; and

(b) Keeping such records and affording such access to those records as the Secretary may find necessary to assure

compliance with the requirements of this part, the correctness and verification of reports, and the proper disbursement of funds provided under this part.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1437(b)(4))

§ 303.122 Control of funds and property.

The statement must provide assurance satisfactory to the Secretary that—

(a) The control of funds provided under this part, and title to property acquired with those funds, will be in a public agency for the uses and purposes provided in this part; and

(b) A public agency will administer the funds and property.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1437(b)(3))

§ 303.123 Prohibition against commingling.

The statement must include an assurance satisfactory to the Secretary that funds made available under this part will not be commingled with State funds.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1437(b)(5)(A))

NOTE: As used in this part, *commingle* means depositing or recording funds in a general account without the ability to identify each specific source of funds for any expenditure. Under that general definition, it is clear that commingling is prohibited. However, to the extent that the funds from each of a series of Federal, State, local, and private funding sources can be identified—with a clear audit trail for each source—it is appropriate for those funds to be consolidated for carrying out a common purpose. In fact, a State may find it essential to set out a funding plan that incorporates, and accounts for, all sources of funds that can be targeted on a given activity or function related to the State's early intervention program.

Thus, the assurance in this section is satisfied by the use of an accounting system that includes an "audit trail" of the expenditure of funds awarded under this part. Separate bank accounts are not required.

§ 303.124 Prohibition against supplanting.

(a) The statement must include an assurance satisfactory to the Secretary that Federal funds made available under this part will be used to supplement the level of State and local funds expended for children eligible under this part and their families and in no case to supplant those State and local funds.

(b) To meet the requirement in paragraph (a) of this section, the total amount of State and local funds budgeted for expenditures in the current fiscal year for early intervention services for children eligible under this part and their families must be at least equal to the total amount of State and local funds actually expended for early intervention services for these children and their families in the most recent preceding fiscal year for which the information is available. Allowance may be made for—

(1) Decreases in the number of children who are eligible to receive early intervention services under this part; and

(2) Unusually large amounts of funds expended for such long-term purposes as the acquisition of equipment and the construction of facilities.

(b) The State shall describe the criteria and procedures, including the use of informed clinical opinion, that will

(iii) Parents;

(iv) Day care programs;

(v) Local educational agencies;

(vi) Public health facilities;

(vii) Other social service agencies; and

(viii) Other health care providers.

(e) *Timelines for public agencies to act on referrals.* (1) Once the public agency receives a referral, it shall appoint a service coordinator as soon as possible.

§ 303.322

34 CFR Ch. III (7–1–10 Edition)

(2) Within 45 days after it receives a referral, the public agency shall—

- (i) Complete the evaluation and assessment activities in § 303.322; and
- (ii) Hold an IFSP meeting, in accordance with § 303.342.

§ 303.322 Evaluation and assessment.

(a) *General.* (1) Each system must include the performance of a timely, comprehensive, multidisciplinary evaluation of each child, birth through age two, referred for evaluation, and a family-directed identification of the needs of each child's family to appropriately assist in the development of the child.

(2) The lead agency shall be responsible for ensuring that the requirements of this section are implemented by all affected public agencies and service providers in the State.

(b) *Definitions of evaluation and assessment.* As used in this part—

(1) *Evaluation* means the procedures used by appropriate qualified personnel to determine a child's initial and continuing eligibility under this part, consistent with the definition of "infants and toddlers with disabilities" in § 303.16, including determining the status of the child in each of the developmental areas in paragraph (c)(3)(ii) of this section.

(2) *Assessment* means the ongoing procedures used by appropriate qualified personnel throughout the period of a child's eligibility under this part to identify—

- (i) The child's unique strengths and needs and the services appropriate to meet those needs; and
- (ii) The resources, priorities, and concerns of the family and the supports and services necessary to enhance the family's capacity to meet the developmental needs of their infant or toddler with a disability.

(c) *Evaluation and assessment of the child.* The evaluation and assessment of each child must—

(1) Be conducted by personnel trained to utilize appropriate methods and procedures;

(2) Be based on informed clinical opinion; and

(3) Include the following:

(i) A review of pertinent records related to the child's current health status and medical history.

(ii) An evaluation of the child's level of functioning in each of the following developmental areas:

(A) Cognitive development.

(B) Physical development, including vision and hearing.

(C) Communication development.

(D) Social or emotional development.

(E) Adaptive development.

(iii) An assessment of the unique needs of the child in terms of each of the developmental areas in paragraph (c)(3)(ii) of this section, including the identification of services appropriate to meet those needs.

(d) *Family assessment.* (1) Family assessments under this part must be family-directed and designed to determine the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the child.

(2) Any assessment that is conducted must be voluntary on the part of the family.

(3) If an assessment of the family is carried out, the assessment must—

(i) Be conducted by personnel trained to utilize appropriate methods and procedures;

(ii) Be based on information provided by the family through a personal interview; and

(iii) Incorporate the family's description of its resources, priorities, and concerns related to enhancing the child's development.

(e) *Timelines.* (1) Except as provided in paragraph (e)(2) of this section, the evaluation and initial assessment of each child (including the family assessment) must be completed within the 45-day time period required in § 303.321(e).

(2) The lead agency shall develop procedures to ensure that in the event of exceptional circumstances that make

it impossible to complete the evaluation and assessment within 45 days (e.g., if a child is ill), public agencies will—

- (i) Document those circumstances; and
- (ii) Develop and implement an interim IFSP, to the extent appropriate and consistent with § 303.345 (b)(1) and (b)(2).

§ 303.323 Nondiscriminatory procedures.

Each lead agency shall adopt nondiscriminatory evaluation and assessment procedures. The procedures must provide that public agencies responsible for the evaluation and assessment of children and families under this part shall ensure, at a minimum, that—

- (a) Tests and other evaluation materials and procedures are administered in the native language of the parents or other mode of communication, unless it is clearly not feasible to do so;
- (b) Any assessment and evaluation procedures and materials that are used are selected and administered so as not to be racially or culturally discriminatory;
- (c) No single procedure is used as the sole criterion for determining a child's eligibility under this part; and
- (d) Evaluations and assessments are conducted by qualified personnel.

INDIVIDUALIZED FAMILY SERVICE PLANS (IFSPs)

§ 303.340 General.

- (a) Each system must include policies and procedures regarding individualized family service plans (IFSPs) that meet the requirements of this section and §§ 303.341 through 303.346.
- (b) As used in this part, *individualized family service plan* and *IFSP* mean a written plan for providing early inter-

vention services to a child eligible under this part and the child's family. The plan must—

- (1) Be developed in accordance with §§ 303.342 and 303.343;
- (2) Be based on the evaluation and assessment described in § 303.322; and
- (3) Include the matters specified in § 303.344.

(c) *Lead agency responsibility.* The lead agency shall ensure that an IFSP is developed and implemented for each eligible child, in accordance with the requirements of this part. If there is a dispute between agencies as to who has responsibility for developing or implementing an IFSP, the lead agency shall resolve the dispute or assign responsibility.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1436)

NOTE: In instances where an eligible child must have both an IFSP and an individualized service plan under another Federal program, it may be possible to develop a single consolidated document, provided that it (1) contains all of the required information in § 303.344, and (2) is developed in accordance with the requirements of this part.

§ 303.341 [Reserved]

§ 303.342 Procedures for IFSP development, review, and evaluation.

- (a) *Meeting to develop initial IFSP—timelines.* For a child who has been evaluated for the first time and determined to be eligible, a meeting to develop the initial IFSP must be conducted within the 45-day time period in § 303.321(e).
- (b) *Periodic review.* (1) A review of the IFSP for a child and the child's family must be conducted every six months, or more frequently if conditions warrant, or if the family requests such a review. The purpose of the periodic review is to determine—
 - (i) The degree to which progress toward achieving the outcomes is being made; and
 - (ii) Whether modification or revision of the outcomes or services is necessary.
- (2) The review may be carried out by a meeting or by another means that is acceptable to the parents and other participants.

§ 303.343

34 CFR Ch. III (7-1-10 Edition)

(c) *Annual meeting to evaluate the IFSP.* A meeting must be conducted on at least an annual basis to evaluate the IFSP for a child and the child's family, and, as appropriate, to revise its provisions. The results of any current evaluations conducted under §303.322(c), and other information available from the ongoing assessment of the child and family, must be used in determining what services are needed and will be provided.

(d) *Accessibility and convenience of meetings.* (1) IFSP meetings must be conducted—

(i) In settings and at times that are convenient to families; and

(ii) In the native language of the family or other mode of communication used by the family, unless it is clearly not feasible to do so.

(2) Meeting arrangements must be made with, and written notice provided to, the family and other participants early enough before the meeting date to ensure that they will be able to attend.

(e) *Parental consent.* The contents of the IFSP must be fully explained to the parents and informed written consent from the parents must be obtained prior to the provision of early intervention services described in the plan. If the parents do not provide consent with respect to a particular early intervention service or withdraw consent after first providing it, that service may not be provided. The early intervention services to which parental consent is obtained must be provided.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1436)

NOTE: The requirement for the annual evaluation incorporates the periodic review process. Therefore, it is necessary to have only one separate periodic review each year (i.e., six months after the initial and subsequent annual IFSP meetings), unless conditions warrant otherwise.

Because the needs of infants and toddlers change so rapidly during the course of a year, certain evaluation procedures may need to be repeated before conducting the periodic reviews and annual evaluation meetings in paragraphs (b) and (c) of this section.

§ 303.343 Participants in IFSP meetings and periodic reviews.

(a) *Initial and annual IFSP meetings.*

(1) Each initial meeting and each annual meeting to evaluate the IFSP must include the following participants:

(i) The parent or parents of the child.

(ii) Other family members, as requested by the parent, if feasible to do so;

(iii) An advocate or person outside of the family, if the parent requests that the person participate.

(iv) The service coordinator who has been working with the family since the initial referral of the child for evaluation, or who has been designated by the public agency to be responsible for implementation of the IFSP.

(v) A person or persons directly involved in conducting the evaluations and assessments in §303.322.

(vi) As appropriate, persons who will be providing services to the child or family.

(2) If a person listed in paragraph (a)(1)(v) of this section is unable to attend a meeting, arrangements must be made for the person's involvement through other means, including—

(i) Participating in a telephone conference call;

(ii) Having a knowledgeable authorized representative attend the meeting; or

(iii) Making pertinent records available at the meeting.

(b) *Periodic review.* Each periodic review must provide for the participation of persons in paragraphs (a)(1)(i) through (a)(1)(iv) of this section. If conditions warrant, provisions must be made for the participation of other representatives identified in paragraph (a) of this section.

(Authority: 20 U.S.C. 1436(b))

§ 303.344 Content of an IFSP.

(a) *Information about the child's status.*

(1) The IFSP must include a statement of the child's present levels of physical development (including vision, hearing,

and health status), cognitive development, communication development, social or emotional development, and adaptive development.

(2) The statement in paragraph (a)(1) of this section must be based on professionally acceptable objective criteria.

(b) *Family information.* With the concurrence of the family, the IFS must include a statement of the family's resources, priorities, and concerns related to enhancing the development of the child.

(c) *Outcomes.* The IFSP must include a statement of the major outcomes expected to be achieved for the child and family, and the criteria, procedures, and timeliness used to determine—

(1) The degree to which progress toward achieving the outcomes is being made; and

(2) Whether modifications or revisions of the outcomes or services are necessary.

(d) *Early intervention services.* (1) The IFSP must include a statement of the specific early intervention services necessary to meet the unique needs of the child and the family to achieve the outcomes identified in paragraph (c) of this section, including—

(i) The frequency, intensity, and method of delivering the services;

(ii) The natural environments, as described in §303.12(b), and §303.18 in which early intervention services will be provided, and a justification of the extent, if any, to which the services will not be provided in a natural environment;

(iii) The location of the services; and

(iv) The payment arrangements, if any.

(2) As used in paragraph (d)(1)(i) of this section—

(i) *Frequency* and *intensity* mean the number of days or sessions that a service will be provided, the length of time the service is provided during each session, and whether the service is provided on an individual or group basis; and

(ii) *Method* means how a service is provided.

(3) As used in paragraph (d)(1)(iii) of this section, *location* means the actual place or places where a service will be provided.

(e) *Other services.* (1) To the extent appropriate, the IFSP must include—

(i) Medical and other services that the child needs, but that are not required under this part; and

(ii) The funding sources to be used in paying for those services or the steps that will be taken to secure those services through public or private sources.

(2) The requirement in paragraph (e)(1) of this section does not apply to routine medical services (e.g., immunizations and "well-baby" care), unless a child needs those services and the services are not otherwise available or being provided.

(f) *Dates; duration of services.* The IFSP must include—

(1) The projected dates for initiation of the services in paragraph (d)(1) of this section as soon as possible after the IFSP meetings described in §303.342; and

(2) The anticipated duration of those services.

(g) *Service coordinator.* (1) The IFSP must include the name of the service coordinator from the profession most immediately relevant to the child's or family's needs (or who is otherwise qualified to carry out all applicable responsibilities under this part), who will be responsible for the implementation of the IFSP and coordination with other agencies and persons.

(2) In meeting the requirements in paragraph (g)(1) of this section, the public agency may—

(i) Assign the same service coordinator who was appointed at the time that the child was initially referred for evaluation to be responsible for implementing a child's and family's IFSP; or

(ii) Appoint a new service coordinator.

(3) As used in paragraph (g)(1) of this section, the term *profession* includes "service coordination."

(h) *Transition from Part C services.* (1) The IFSP must include the steps to be taken to support the transition of the child, in accordance with §303.148, to—

(i) Preschool services under Part B of the Act, to the extent that those services are appropriate; or

(ii) Other services that may be available, if appropriate.

(2) The steps required in paragraph (h)(1) of this section include—

(i) Discussions with, and training of, parents regarding future placements and other matters related to the child’s transition;

(ii) Procedures to prepare the child for changes in service delivery, including steps to help the child adjust to, and function in, a new setting; and

(iii) With parental consent, the transmission of information about the child to the local educational agency, to ensure continuity of services, including evaluation and assessment information required in § 303.322, and copies of IFSPs that have been developed and implemented in accordance with §§ 303.340 through 303.346.

(Approved by the Office of Management and Budget under control number 1820–0550)

(Authority: 20 U.S.C. 1436(d))

NOTE 1: With respect to the requirements in paragraph (d) of this section, the appropriate location of services for some infants and toddlers might be a hospital setting—during the period in which they require extensive medical intervention. However, for these and other eligible children, early intervention services must be provided in natural environments (e.g., the home, child care centers, or other community settings) to the maximum extent appropriate to the needs of the child.

NOTE 2: Throughout the process of developing and implementing IFSPs for an eligible child and the child’s family, it is important for agencies to recognize the variety of roles that family members play in enhancing the child’s development. It also is important that the degree to which the needs of the family are addressed in the IFSP process is determined in a collaborative manner with the full agreement and participation of the parents of the child. Parents retain the ultimate decision in determining whether they, their child, or other family members will accept or decline services under this part.

NOTE 3: The early intervention services in paragraph (d) of this section are those services that a State is required to provide to a child in accordance with § 303.12.

The “other services” in paragraph (e) of this section are services that a child or family needs, but that are neither required nor covered under this part. While listing the non-required services in the IFSP does not mean that those services must be provided, their identification can be helpful to both the child’s family and the service coordinator, for the following reasons: First, the IFSP would provide a comprehensive picture of the child’s total service needs (including the need for medical and health services, as well as early intervention services). Second, it is appropriate for the service coordinator

to assist the family in securing the non-required services (e.g., by (1) determining if there is a public agency that could provide financial assistance, if needed, (2) assisting in the preparation of eligibility claims or insurance claims, if needed, and (3) assisting the family in seeking out and arranging for the child to receive the needed medical-health services).

Thus, to the extent appropriate, it is important for a State’s procedures under this part to provide for ensuring that other needs of the child, and of the family related to enhancing the development of the child, such as medical and health needs, are considered and addressed, including determining (1) who will provide each service, and when, where, and how it will be provided, and (2) how the service will be paid for (e.g., through private insurance, an existing Federal-State funding source, such as Medicaid or EPSDT, or some other funding arrangement).

NOTE 4: Although the IFSP must include information about each of the items in paragraphs (b) through (h) of this section, this does not mean that the IFSP must be a detailed, lengthy document. It might be a brief outline, with appropriate attachments that address each of the points in the paragraphs under this section. It is important for the IFSP itself to be clear about (a) what services are to be provided, (b) the actions that are to be taken by the service coordinator in initiating those services, and (c) what actions will be taken by the parents.

[58 FR 40959, July 30, 1993, as amended at 63 FR 18295, Apr. 14, 1998; 64 FR 12536, Mar. 12, 1999]

§ 303.345 Provision of services before evaluation and assessment are completed.

Early intervention services for an eligible child and the child’s family may commence before the completion of the evaluation and assessment in § 303.322, if the following conditions are met:

- (a) Parental consent is obtained.
- (b) An interim IFSP is developed that includes—

(1) The name of the service coordinator who will be responsible, consistent with § 303.344(g), for implementation of the interim IFSP and coordination with other agencies and persons; and

(2) The early intervention services that have been determined to be needed immediately by the child and the child’s family.

(c) The evaluation and assessment are completed within the time period required in § 303.322(e).

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1436(c))

NOTE: This section is intended to accomplish two specific purposes: (1) To facilitate the provision of services in the event that a child has obvious immediate needs that are identified, even at the time of referral (e.g., a physician recommends that a child with cerebral palsy begin receiving physical therapy as soon as possible), and (2) to ensure that the requirements for the timely evaluation and assessment are not circumvented.

§ 303.346 Responsibility and accountability.

Each agency or person who has a direct role in the provision of early intervention services is responsible for making a good faith effort to assist each eligible child in achieving the outcomes in the child's IFSP. However, part C of the Act does not require that any agency or person be held accountable if an eligible child does not achieve the growth projected in the child's IFSP.

PERSONNEL TRAINING AND STANDARDS

§ 303.360 Comprehensive system of personnel development.

(a) Each system must include a comprehensive system of personnel development.

(b) The personnel development system under this part must—

(1) Be consistent with the comprehensive system of personnel development required under part B of the Act (34 CFR 300.380 through 300.387);

(2) Provide for preservice and inservice training to be conducted on an interdisciplinary basis, to the extent appropriate;

(3) Provide for the training of a variety of personnel needed to meet the requirements of this part, including public and private providers, primary referral sources, paraprofessionals, and persons who will serve as service coordinators; and

(4) Ensure that the training provided relates specifically to—

(i) Understanding the basic components of early intervention services available in the State;

(ii) Meeting the interrelated social or emotional, health, developmental, and educational needs of eligible children under this part; and

(iii) Assisting families in enhancing the development of their children, and in participating fully in the development and implementation of IFSPs.

(c) A personnel development system under this part may include—

(1) Implementing innovative strategies and activities for the recruitment and retention of early intervention service providers;

(2) Promoting the preparation of early intervention providers who are fully and appropriately qualified to provide early intervention services under this part;

(3) Training personnel to work in rural and inner-city areas; and

(4) Training personnel to coordinate transition services for infants and toddlers with disabilities from an early intervention program under this part to a preschool program under part B of the Act or to other preschool or other appropriate services.

[58 FR 40959, July 30, 1993, as amended at 63 FR 18295, Apr. 14, 1998]

§ 303.361 Personnel standards.

(a) As used in this part—

(1) *Appropriate professional requirements in the State* means entry level requirements that—

(i) Are based on the highest requirements in the State applicable to the profession or discipline in which a person is providing early intervention services; and

(ii) Establish suitable qualifications for personnel providing early intervention services under this part to eligible children and their families who are served by State, local, and private agencies.

(2) *Highest requirements in the State applicable to a specific profession or discipline* means the highest entry-level academic degree needed for any State

approved or recognized certification, licensing, registration, or other comparable requirements that apply to that profession or discipline.

(3) *Profession or discipline* means a specific occupational category that—

(i) Provides early intervention services to children eligible under this part and their families;

(ii) Has been established or designated by the State; and

(iii) Has a required scope of responsibility and degree of supervision.

(4) *State approved or recognized certification, licensing, registration, or other comparable requirements* means the requirements that a State legislature either has enacted or has authorized a State agency to promulgate through rules to establish the entry-level standards for employment in a specific profession or discipline in that State.

(b)(1) Each statewide system must have policies and procedures relating to the establishment and maintenance of standards to ensure that personnel necessary to carry out the purposes of this part are appropriately and adequately prepared and trained.

(2) The policies and procedures required in paragraph (b)(1) of this section must provide for the establishment and maintenance of standards that are consistent with any State-approved or State-recognized certification, licensing, registration, or other comparable requirements that apply to the profession or discipline in which a person is providing early intervention services.

(c) To the extent that a State's standards for a profession or discipline, including standards for temporary or emergency certification, are not based on the highest requirements in the State applicable to a specific profession or discipline, the State's application for assistance under this part must include the steps the State is taking, the procedures for notifying public agencies and personnel of those steps, and the timelines it has established for the retraining or hiring of personnel that meet appropriate professional requirements in the State.

(d)(1) In meeting the requirements in paragraphs (b) and (c) of this section, a determination must be made about the status of personnel standards in the

State. That determination must be based on current information that accurately describes, for each profession or discipline in which personnel are providing early intervention services, whether the applicable standards are consistent with the highest requirements in the State for that profession or discipline.

(2) The information required in paragraph (d)(1) of this section must be on file in the lead agency, and available to the public.

(e) In identifying the "highest requirements in the State" for purposes of this section, the requirements of all State statutes and the rules of all State agencies applicable to serving children eligible under this part and their families must be considered.

(f) A State may allow paraprofessionals and assistants who are appropriately trained and supervised, in accordance with State law, regulations, or written policy, to assist in the provision of early intervention services to eligible children under this part.

(g) In implementing this section, a State may adopt a policy that includes making ongoing good-faith efforts to recruit and hire appropriately and adequately trained personnel to provide early intervention services to eligible children, including, in a geographic area of the State where there is a shortage of personnel that meet these qualifications, the most qualified individuals available who are making satisfactory progress toward completing applicable course work necessary to meet the standards described in paragraph (b)(2) of this section, consistent with State law, within 3 years.

(Approved by the Office of Management and Budget under control number 1820–0550)

(Authority: 20 U.S.C. 1435(a)(9))

NOTE: This section requires that a State use its own existing highest requirements to determine the standards appropriate to personnel who provide early intervention services under this part. The regulations do not require States to set any specified training standard, such as a master's degree, for employment of personnel who provide services under this part.

The regulations permit each State to determine the specific occupational categories required to provide early intervention services to children eligible under this part and their families, and to revise or expand these

categories as needed. The professions or disciplines need not be limited to traditional occupational categories.

§ 303.404 Parent consent.

(a) Written parental consent must be obtained before—

(1) Conducting the initial evaluation and assessment of a child under § 303.322; and

(2) Initiating the provision of early intervention services (see § 303.342(e)).

(b) If consent is not given, the public agency shall make reasonable efforts to ensure that the parent—

(1) Is fully aware of the nature of the evaluation and assessment or the services that would be available; and

(2) Understands that the child will not be able to receive the evaluation and assessment or services unless consent is given.

(Authority: 20 U.S.C. 1439)

NOTE 1: In addition to the consent requirements in this section, other consent requirements are included in (1) § 303.460(a), regarding the exchange of personally identifiable information among agencies, and (2) the confidentiality provisions in the regulations under part B of the Act (34 CFR 300.571) and 34 CFR part 99 (Family Educational Rights and Privacy), both of which apply to this part.

NOTE 2: Under § 300.504(b) of the part B regulations, a public agency may initiate procedures to challenge a parent's refusal to consent to the initial evaluation of the parent's child and, if successful, obtain the evaluation. This provision applies to eligible children under this part, since the part B evaluation requirement applies to all children with disabilities in a State, including infants and toddlers.

34 CFR Ch. III (7–1–10 Edition)

§ 303.405 Parent right to decline service.

The parents of a child eligible under this part may determine whether they, their child, or other family members will accept or decline any early intervention service under this part in accordance with State law, and may decline such a service after first accepting it, without jeopardizing other early intervention services under this part.

(Authority: 20 U.S.C. 1439(a)(3))

§ 303.406 Surrogate parents.

(a) *General.* Each lead agency shall ensure that the rights of children eligible under this part are protected if—

(1) No parent (as defined in § 303.18) can be identified;

(2) The public agency, after reasonable efforts, cannot discover the whereabouts of a parent; or

(3) The child is a ward of the State under the laws of that State.

(b) *Duty of lead agency and other public agencies.* The duty of the lead agency, or other public agency under paragraph (a) of this section, includes the assignment of an individual to act as a surrogate for the parent. This must include a method for—

(1) Determining whether a child needs a surrogate parent; and

(2) Assigning a surrogate parent to the child.

(c) *Criteria for selecting surrogates.* (1) The lead agency or other public agency may select a surrogate parent in any way permitted under State law.

(2) Public agencies shall ensure that a person selected as a surrogate parent—

(i) Has no interest that conflicts with the interests of the child he or she represents; and

(ii) Has knowledge and skills that ensure adequate representation of the child.

(d) *Non-employee requirement; compensation.* (1) A person assigned as a surrogate parent may not be—

(i) An employee of any State agency; or

(ii) A person or an employee of a person providing early intervention services to the child or to any family member of the child.

(2) A person who otherwise qualifies to be a surrogate parent under paragraph (d)(1) of this section is not an employee solely because he or she is paid by a public agency to serve as a surrogate parent.

(e) *Responsibilities.* A surrogate parent may represent a child in all matters related to—

(1) The evaluation and assessment of the child;

(2) Development and implementation of the child's IFSPs, including annual evaluations and periodic reviews;

(3) The ongoing provision of early intervention services to the child; and

(4) Any other rights established under this part.

MEDIATION AND DUE PROCESS PROCEDURES FOR PARENTS AND CHILDREN

§ 303.419 Mediation.

(a) *General.* Each State shall ensure that procedures are established and implemented to allow parties to disputes involving any matter described in § 303.403(a) to resolve the disputes through a mediation process which, at a minimum, must be available whenever a hearing is requested under § 303.420. The lead agency may either use the mediation system established under Part B of the Act or establish its own system.

(b) *Requirements.* The procedures must meet the following requirements:

(1) The procedures must ensure that the mediation process—

(i) Is voluntary on the part of the parties;

(ii) Is not used to deny or delay a parent's right to a due process hearing under § 303.420, or to deny any other rights afforded under Part C of the Act; and

(iii) Is conducted by a qualified and impartial mediator who is trained in effective mediation techniques.

(2) The State shall maintain a list of individuals who are qualified mediators and knowledgeable in laws and regulations relating to the provision of special education and related services.

(3) The State shall bear the cost of the mediation process, including the

costs of meetings described in paragraph (c) of this section.

(4) Each session in the mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the dispute.

(5) An agreement reached by the parties to the dispute in the mediation process must be set forth in a written mediation agreement.

(6) Discussions that occur during the mediation process must be confidential and may not be used as evidence in any subsequent due process hearings or civil proceedings, and the parties to the mediation process may be required to sign a confidentiality pledge prior to the commencement of the process.

(c) *Meeting to encourage mediation.* A State may establish procedures to require parents who elect not to use the mediation process to meet, at a time and location convenient to the parents, with a disinterested party—

(1) Who is under contract with a parent training and information center or community parent resource center in the State established under sections 682 or 683 of the Act, or an appropriate alternative dispute resolution entity; and

(2) Who would explain the benefits of the mediation process and encourage the parents to use the process.

(Authority: 20 U.S.C. 1415(e) and 1439(a)(8))

[63 FR 18296, Apr. 14, 1998]

§ 303.420 Due process procedures.

Each system must include written procedures including procedures for mediation as described in § 303.419, for the timely administrative resolution of individual child complaints by parents concerning any of the matters in § 303.403(a). A State may meet this requirement by—

(a) Adopting the mediation and due process procedures in 34 CFR 300.506 through 300.512 and developing procedures that meet the requirements of § 303.425; or

(b) Developing procedures that—

(1) Meet the requirements in § 303.419 and §§ 303.421 through 303.425; and

§ 303.421

(2) Provide parents a means of filing a complaint.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1439(a)(1))

NOTE 1: Sections 303.420 through 303.425 are concerned with the adoption of impartial procedures for resolving individual child complaints (i.e., complaints that generally affect only a single child or the child's family). These procedures require the appointment of a decision-maker who is impartial, as defined in §303.421(b), to resolve a dispute concerning any of the matters in §303.403(a). The decision of the impartial decision-maker is binding unless it is reversed on appeal.

A different type of administrative procedure is included in §§303.510 through 303.512 of subpart F of this part. Under those procedures, the lead agency is responsible for (1) investigating any complaint that it receives (including individual child complaints and those that are systemic in nature), and (2) resolving the complaint if the agency determines that a violation has occurred.

NOTE 2: It is important that the administrative procedures developed by a State be designed to result in speedy resolution of complaints. An infant's or toddler's development is so rapid that undue delay could be potentially harmful.

[58 FR 40959, July 30, 1993, as amended at 63 FR 18296, Apr. 14, 1998]

§ 303.421 Appointment of an impartial person.

(a) *Qualifications and duties.* An impartial person must be appointed to implement the complaint resolution process in this subpart. The person must—

(1) Have knowledge about the provisions of this part and the needs of, and services available for, eligible children and their families; and

(2) Perform the following duties:

(i) Listen to the presentation of relevant viewpoints about the complaint, examine all information relevant to the issues, and seek to reach a timely resolution of the complaint.

(ii) Provide a record of the proceedings, including a written decision.

(b) *Definition of impartial.* (1) As used in this section, *impartial* means that the person appointed to implement the complaint resolution process—

(i) Is not an employee of any agency or other entity involved in the provision of early intervention services or care of the child; and

(ii) Does not have a personal or professional interest that would conflict with his or her objectivity in implementing the process.

(2) A person who otherwise qualifies under paragraph (b)(1) of this section is not an employee of an agency solely because the person is paid by the agency to implement the complaint resolution process.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1439(a)(1))

§ 303.422 Parent rights in administrative proceedings.

(a) *General.* Each lead agency shall ensure that the parents of children eligible under this part are afforded the rights in paragraph (b) of this section in any administrative proceedings carried out under §303.420.

(b) *Rights.* Any parent involved in an administrative proceeding has the right to—

(1) Be accompanied and advised by counsel and by individuals with special knowledge or training with respect to early intervention services for children eligible under this part;

(2) Present evidence and confront, cross-examine, and compel the attendance of witnesses;

(3) Prohibit the introduction of any evidence at the proceeding that has not been disclosed to the parent at least five days before the proceeding;

(4) Obtain a written or electronic verbatim transcription of the proceeding; and

(5) Obtain written findings of fact and decisions.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1439)

§ 303.423 Convenience of proceedings; timelines.

(a) Any proceeding for implementing the complaint resolution process in this subpart must be carried out at a time and place that is reasonably convenient to the parents.

(b) Each lead agency shall ensure that, not later than 30 days after the receipt of a parent's complaint, the impartial proceeding required under this

subpart is completed and a written decision mailed to each of the parties.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1439(a)(1))

NOTE: Under part B of the Act, States are allowed 45 days to conduct an impartial due process hearing (i.e., within 45 days after the receipt of a request for a hearing, a decision is reached and a copy of the decision is mailed to each of the parties). (See 34 CFR 300.512.) Thus, if a State, in meeting the requirements of § 303.420, elects to adopt the due process procedures under part B, that State would also have 45 days for hearings. However, any State in that situation is encouraged (but not required) to accelerate the timeline for the due process hearing for children who are eligible under this part—from 45 days to the 30-day timeline in this section. Because the needs of children in the birth-through-two-age range change so rapidly, quick resolution of complaints is important.

§ 303.424 Civil action.

Any party aggrieved by the findings and decision regarding an administrative complaint has the right to bring a civil action in State or Federal court under section 639(a)(1) of the Act.

§ 303.425 Status of a child during proceedings.

(a) During the pendency of any proceeding involving a complaint under this subpart, unless the public agency and parents of a child otherwise agree, the child must continue to receive the appropriate early intervention services currently being provided.

(b) If the complaint involves an application for initial services under this part, the child must receive those services that are not in dispute.

CONFIDENTIALITY

§ 303.460 Confidentiality of information.

(a) Each State shall adopt or develop policies and procedures that the State

will follow in order to ensure the protection of any personally identifiable information collected, used, or maintained under this part, including the right of parents to written notice of and written consent to the exchange of this information among agencies consistent with Federal and State law.

(b) These policies and procedures must meet the requirements in 34 CFR 300.560 through 300.576, with the modifications specified in § 303.5(b).

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1439(a)(2), 1442)

NOTE: With the modifications referred to in paragraph (b) of this section, the confidentiality requirements in the regulations implementing part B of the Act (34 CFR 300.560 through 300.576) are to be used by public agencies to meet the confidentiality requirements under part C of the Act and this section (§ 303.460).

The part B provisions incorporate by reference the regulations in 34 CFR part 99 (Family Educational Rights and Privacy); therefore, those regulations also apply to this part.

Subpart F—State Administration

§ 303.500 Lead agency establishment or designation.

Each system must include a single line of responsibility in a lead agency that—

(a) Is established or designated by the Governor; and

(b) Is responsible for the administration of the system, in accordance with the requirements of this part.

(b) *Methods of administering programs.* In meeting the requirement in paragraph (a) of this section, the lead agency shall adopt and use proper methods of administering each program, including—

(1) Monitoring agencies, institutions, and organizations used by the State to carry out this part;

(2) Enforcing any obligations imposed on those agencies under part C of the Act and these regulations;

(3) Providing technical assistance, if necessary, to those agencies, institutions, and organizations; and

(4) Correcting deficiencies that are identified through monitoring.

LEAD AGENCY PROCEDURES FOR RESOLVING COMPLAINTS

§ 303.510 Adopting complaint procedures.

(a) *General.* Each lead agency shall adopt written procedures for—

(1) Resolving any complaint, including a complaint filed by an organization or individual from another State, that any public agency or private service provider is violating a requirement of Part C of the Act or this Part by—

(i) Providing for the filing of a complaint with the lead agency; and

(ii) At the lead agency's discretion, providing for the filing of a complaint with a public agency and the right to have the lead agency review the public agency's decision on the complaint; and

(2) Widely disseminating to parents and other interested individuals, including parent training centers, protection and advocacy agencies, independent living centers, and other appropriate entities, the State's procedures under §§ 303.510-303.512.

(b) *Remedies for denial of appropriate services.* In resolving a complaint in which it finds a failure to provide appropriate services, a lead agency, pursuant to its general supervisory au-

34 CFR Ch. III (7-1-10 Edition)

thority under Part C of the Act, must address:

(1) How to remediate the denial of those services, including, as appropriate, the awarding of monetary reimbursement or other corrective action appropriate to the needs of the child and the child's family; and

(2) Appropriate future provision of services for all infants and toddlers with disabilities and their families.

§ 303.511 An organization or individual may file a complaint.

(a) *General.* An individual or organization may file a written signed complaint under § 303.510. The complaint must include—

(1) A statement that the State has violated a requirement of part C of the Act or the regulations in this part; and

(2) The facts on which the complaint is based.

(b) *Limitations.* The alleged violation must have occurred not more than one year before the date that the complaint is received by the public agency unless a longer period is reasonable because—

(1) The alleged violation continues for that child or other children; or

(2) The complainant is requesting reimbursement or corrective action for a violation that occurred not more than three years before the date on which the complaint is received by the public agency.

(Authority: 20 U.S.C. 1435(a)(10))

[64 FR 12536, Mar. 12, 1999]

§ 303.512 Minimum State complaint procedures.

(a) *Time limit, minimum procedures.* Each lead agency shall include in its complaint procedures a time limit of 60 calendar days after a complaint is filed under § 303.510(a) to—

(1) Carry out an independent on-site investigation, if the lead agency determines that such an investigation is necessary;

(2) Give the complainant the opportunity to submit additional information, either orally or in writing, about the allegations in the complaint;

(3) Review all relevant information and make an independent determination as to whether the public agency is violating a requirement of Part C of the Act or of this Part; and

(4) Issue a written decision to the complainant that addresses each allegation in the complaint and contains—

(i) Findings of fact and conclusions; and

(ii) The reasons for the lead agency's final decision.

(b) *Time extension; final decisions; implementation.* The lead agency's procedures described in paragraph (a) of this section also must—

(1) Permit an extension of the time limit under paragraph (a) of this section only if exceptional circumstances exist with respect to a particular complaint; and

(2) Include procedures for effective implementation of the lead agency's final decision, if needed, including—

(i) Technical assistance activities;

(ii) Negotiations; and

(iii) Corrective actions to achieve compliance.

(c) *Complaints filed under this section, and due process hearings under § 303.420.*

(1) If a written complaint is received that is also the subject of a due process hearing under § 303.420, or contains multiple issues, of which one or more are part of that hearing, the State must set aside any part of the complaint that is being addressed in the due process hearing until the conclusion of the hearing. However, any issue in the complaint that is not a part of the due process action must be resolved within the 60-calendar-day timeline using the complaint procedures described in paragraphs (a) and (b) of this section.

(2) If an issue is raised in a complaint filed under this section that has previously been decided in a due process hearing involving the same parties—

(i) The hearing decision is binding; and

(ii) The lead agency must inform the complainant to that effect.

(3) A complaint alleging a public agency's or private service provider's failure to implement a due process de-

cision must be resolved by the lead agency.

POLICIES AND PROCEDURES RELATED TO FINANCIAL MATTERS

§ 303.520 Policies related to payment for services.

(a) *General.* Each lead agency is responsible for establishing State policies related to how services to children eligible under this part and their families will be paid for under the State's early intervention program. The policies must—

(1) Meet the requirements in paragraph (b) of this section; and

(2) Be reflected in the interagency agreements required in § 303.523.

(b) *Specific funding policies.* A State's policies must—

(1) Specify which functions and services will be provided at no cost to all parents;

(2) Specify which functions or services, if any, will be subject to a system of payments, and include—

(i) Information about the payment system and schedule of sliding fees that will be used; and

(ii) The basis and amount of payments; and

(3) Include an assurance that—

(i) Fees will not be charged for the services that a child is otherwise entitled to receive at no cost to parents; and

(ii) The inability of the parents of an eligible child to pay for services will not result in the denial of services to the child or the child's family; and

(4) Set out any fees that will be charged for early intervention services and the basis for those fees.

(c) *Procedures to ensure the timely provision of services.* No later than the beginning of the fifth year of a State's participation under this part, the State shall implement a mechanism to ensure that no services that a child is entitled to receive are delayed or denied because of disputes between agencies regarding financial or other responsibilities.

§ 303.521

(d) *Proceeds from public or private insurance.* (1) Proceeds from public or private insurance are not treated as program income for purposes of 34 CFR 80.25.

(2) If a public agency spends reimbursements from Federal funds (e.g., Medicaid) for services under this part, those funds are not considered State or local funds for purposes of the provisions contained in § 303.124.

(b) *Functions not subject to fees.* The following are required functions that must be carried out at public expense by a State, and for which no fees may be charged to parents:

(1) Implementing the child find requirements in § 303.321.

(2) Evaluation and assessment, as included in § 303.322, and including the functions related to evaluation and assessment in § 303.12.

(3) Service coordination, as included in §§ 303.22 and 303.344(g).

(4) Administrative and coordinative activities related to—

(i) The development, review, and evaluation of IFSPs in §§ 303.340 through 303.346; and

(ii) Implementation of the procedural safeguards in subpart E of this part and the other components of the statewide system of early intervention services in subparts D and F of this part.

(c) *States with mandates to serve children from birth.* If a State has in effect a State law requiring the provision of a free appropriate public education to children with disabilities from birth, the State may not charge parents for any services (e.g., physical or occupational therapy) required under that law that are provided to children eligible under this part and their families.

(c) *Procedures for resolving disputes.* (1) Each agreement must include procedures for achieving a timely resolution of intra-agency and interagency disputes about payments for a given service, or disputes about other matters related to the State's early intervention

program. Those procedures must include a mechanism for making a final determination that is binding upon the agencies involved.

(2) The agreement with each agency must—

(i) Permit the agency to resolve its own internal disputes (based on the agency’s procedures that are included in the agreement), so long as the agency acts in a timely manner; and

(ii) Include the process that the lead agency will follow in achieving resolution of intra-agency disputes, if a given agency is unable to resolve its own internal disputes in a timely manner.

NOTE: A State may meet the requirement in paragraph (c)(1) of this section in any way permitted under State law, including (1) providing for a third party (e.g., an administrative law judge) to review a dispute and render a decision, (2) assignment of the responsibility by the Governor to the lead agency or Council, or (3) having the final decision made directly by the Governor.

§ 303.524 Resolution of disputes.

(a) Each lead agency is responsible for resolving individual disputes, in accordance with the procedures in § 303.523(c)(2)(ii).

(b)(1) During a dispute, the individual or entity responsible for assigning financial responsibility among appropriate agencies under § 303.143 (“financial designee”) shall assign financial responsibility to—

(i) An agency, subject to the provisions in paragraph (b)(2) of this section; or

(ii) The lead agency, in accordance with the “payor of last resort” provisions in § 303.527.

(2) If, during the lead agency’s resolution of the dispute, the financial designee determines that the assignment of financial responsibility under paragraph (b)(1)(i) of this section was inappropriately made—

(i) The financial designee shall reassign the responsibility to the appropriate agency; and

(ii) The lead agency shall make arrangements for reimbursement of any expenditures incurred by the agency originally assigned responsibility.

(c) To the extent necessary to ensure compliance with its action in paragraph (b)(2) of this section, the lead agency shall—

(1) Refer the dispute to the Council or the Governor; and

(2) Implement the procedures to ensure the delivery of services in a timely manner in accordance with § 303.525.

§ 303.526 Policy for contracting or otherwise arranging for services.

Each system must include a policy pertaining to contracting or making other arrangements with public or private service providers to provide early intervention services. The policy must include—

(a) A requirement that all early intervention services must meet State standards and be consistent with the provisions of this part;

(b) The mechanisms that the lead agency will use in arranging for these services, including the process by which awards or other arrangements are made; and

§ 303.527

(Authority: 20 U.S.C. 1435(a)(11))

NOTE: In implementing the statewide system, States may elect to continue using agencies and individuals in both the public and private sectors that have previously been involved in providing early intervention services, so long as those agencies and individuals meet the requirements of this part.

§ 303.527 Payor of last resort.

(a) *Nonsubstitution of funds.* Except as provided in paragraph (b)(1) of this section, funds under this part may not be used to satisfy a financial commitment for services that would otherwise have been paid for from another public or private source, including any medical program administered by the Secretary of Defense, but for the enactment of part C of the Act. Therefore, funds under this part may be used only for early intervention services that an eligible child needs but is not currently entitled to under any other Federal, State, local, or private source.

(b) *Interim payments—reimbursement.*

(1) If necessary to prevent a delay in the timely provision of services to an eligible child or the child's family, funds under this part may be used to pay the provider of services, pending reimbursement from the agency or entity that has ultimate responsibility for the payment.

(2) Payments under paragraph (b)(1) of this section may be made for—

(i) Early intervention services, as described in § 303.12;

(ii) Eligible health services (see § 303.13); and

(iii) Other functions and services authorized under this part, including child find and evaluation and assessment.

(3) The provisions of paragraph (b)(1) of this section do not apply to medical services or “well-baby” health care (see § 303.13(c)(1)).

NOTE: The Congress intended that the enactment of part C not be construed as a license to any agency (including the lead agency and other agencies in the State) to withdraw funding for services that currently are or would be made available to eligible children but for the existence of the program under this part. Thus, the Congress intended that other funding sources would continue, and that there would be greater coordination among agencies regarding the payment of costs.

The Congress further clarified its intent concerning payments under Medicaid by including in section 411(k)(13) of the Medicare Catastrophic Coverage Act of 1988 (Pub. L. 100-360) an amendment to title XIX of the Social Security Act. That amendment states, in effect, that nothing in this title shall be construed as prohibiting or restricting, or authorizing the Secretary of Health and Human Services to prohibit or restrict, payment under subsection (a) of section 1903 of the Social Security Act for medical assistance for covered services furnished to an infant or toddler with a disability because those services are included in the child's IFSP adopted pursuant to part C of the Act.

§ 361.36 Ability to serve all eligible individuals; order of selection for services.

(a) *General provisions.* (1) The designated State unit either must be able to provide the full range of services listed in section 103(a) of the Act and § 361.48, as appropriate, to all eligible individuals or, in the event that vocational rehabilitation services cannot be provided to all eligible individuals in the State who apply for the services, include in the State plan the order to be followed in selecting eligible individuals to be provided vocational rehabilitation services.

(2) The ability of the designated State unit to provide the full range of vocational rehabilitation services to all eligible individuals must be supported by a determination that satisfies the requirements of paragraph (b) or (c) of this section and a determination that, on the basis of the designated State unit's projected fiscal and personnel resources and its assessment of the rehabilitation needs of individuals with significant disabilities within the State, it can—

(i) Continue to provide services to all individuals currently receiving services;

(ii) Provide assessment services to all individuals expected to apply for services in the next fiscal year;

(iii) Provide services to all individuals who are expected to be determined eligible in the next fiscal year; and

(iv) Meet all program requirements.

(3) If the designated State unit is unable to provide the full range vocational rehabilitation services to all eligible individuals in the State who

apply for the services, the State plan must—

(i) Show the order to be followed in selecting eligible individuals to be provided vocational rehabilitation services;

(ii) Provide a justification for the order of selection;

(iii) Identify service and outcome goals and the time within which the goals may be achieved for individuals in each priority category within the order, as required under § 361.29(c)(5); and

(iv) Assure that—

(A) In accordance with criteria established by the State for the order of selection, individuals with the most significant disabilities will be selected first for the provision of vocational rehabilitation services; and

(B) Individuals who do not meet the order of selection criteria will have access to services provided through the information and referral system established under § 361.37.

(b) *Basis for assurance that services can be provided to all eligible individuals.* (1) For a designated State unit that determined, for the current fiscal year and the preceding fiscal year, that it is able to provide the full range of services, as appropriate, to all eligible individuals, the State unit, during the current fiscal and preceding fiscal year, must have in fact—

(i) Provided assessment services to all applicants and the full range of services, as appropriate, to all eligible individuals;

(ii) Made referral forms widely available throughout the State;

(iii) Conducted outreach efforts to identify and serve individuals with disabilities who have been unserved or underserved by the vocational rehabilitation system; and

(iv) Not delayed, through waiting lists or other means, determinations of eligibility, the development of individualized plans for employment for individuals determined eligible for vocational rehabilitation services, or the provision of services for eligible individuals for whom individualized plans for employment have been developed.

(2) For a designated State unit that was unable to provide the full range of

services to all eligible individuals during the current or preceding fiscal year or that has not met the requirements in paragraph (b)(1) of this section, the determination that the designated State unit is able to provide the full range of vocational rehabilitation services to all eligible individuals in the next fiscal year must be based on—

(i) Circumstances that have changed that will allow the designated State unit to meet the requirements of paragraph (a)(2) of this section in the next fiscal year, including—

(A) An estimate of the number of and projected costs of serving, in the next fiscal year, individuals with existing individualized plans for employment;

(B) The projected number of individuals with disabilities who will apply for services and will be determined eligible in the next fiscal year and the projected costs of serving those individuals;

(C) The projected costs of administering the program in the next fiscal year, including, but not limited to, costs of staff salaries and benefits, outreach activities, and required statewide studies; and

(D) The projected revenues and projected number of qualified personnel for the program in the next fiscal year;

(ii) Comparable data, as relevant, for the current or preceding fiscal year, or for both years, of the costs listed in paragraphs (b)(2)(i)(A) through (C) of this section and the resources identified in paragraph (b)(2)(i)(D) of this section and an explanation of any projected increases or decreases in these costs and resources; and

(iii) A determination that the projected revenues and the projected number of qualified personnel for the program in the next fiscal year are adequate to cover the costs identified in paragraphs (b)(2)(i)(A) through (C) of this section to ensure the provision of the full range of services, as appropriate, to all eligible individuals.

(c) *Determining need for establishing and implementing an order of selection.*

(1) The designated State unit must determine, prior to the beginning of each fiscal year, whether to establish and implement an order of selection.

(2) If the designated State unit determines that it does not need to establish

an order of selection, it must reevaluate this determination whenever changed circumstances during the course of a fiscal year, such as a decrease in its fiscal or personnel resources or an increase in its program costs, indicate that it may no longer be able to provide the full range of services, as appropriate, to all eligible individuals, as described in paragraph (a)(2) of this section.

(3) If a DSU establishes an order of selection, but determines that it does not need to implement that order at the beginning of the fiscal year, it must continue to meet the requirements of paragraph (a)(2) of this section, or it must implement the order of selection by closing one or more priority categories.

(d) *Establishing an order of selection—*

(1) *Basis for order of selection.* An order of selection must be based on a refinement of the three criteria in the definition of “individual with a significant disability” in section 7(21)(A) of the Act and §361.5(b)(31).

(2) *Factors that cannot be used in determining order of selection of eligible individuals.* An order of selection may not be based on any other factors, including—

(i) Any duration of residency requirement, provided the individual is present in the State;

(ii) Type of disability;

(iii) Age, gender, race, color, or national origin;

(iv) Source of referral;

(v) Type of expected employment outcome;

(vi) The need for specific services or anticipated cost of services required by an individual; or

(vii) The income level of an individual or an individual’s family.

(e) *Administrative requirements.* In administering the order of selection, the designated State unit must—

(1) Implement the order of selection on a statewide basis;

(2) Notify all eligible individuals of the priority categories in a State’s order of selection, their assignment to a particular category, and their right to appeal their category assignment;

(3) Continue to provide all needed services to any eligible individual who has begun to receive services under an

individualized plan for employment prior to the effective date of the order of selection, irrespective of the severity of the individual's disability; and

(4) Ensure that its funding arrangements for providing services under the State plan, including third-party arrangements and awards under the establishment authority, are consistent with the order of selection. If any funding arrangements are inconsistent with the order of selection, the designated State unit must renegotiate these funding arrangements so that they are consistent with the order of selection.

(f) *State Rehabilitation Council.* The designated State unit must consult with the State Rehabilitation Council, if the State unit has a Council, regarding the—

(1) Need to establish an order of selection, including any reevaluation of the need under paragraph (c)(2) of this section;

(2) Priority categories of the particular order of selection;

(3) Criteria for determining individuals with the most significant disabilities; and

(4) Administration of the order of selection.

§ 361.37 Information and referral programs.

(a) *General provisions.* The State plan must assure that—

(1) The designated State agency will implement an information and referral system adequate to ensure that individuals with disabilities, including eligible individuals who do not meet the agency's order of selection criteria for receiving vocational rehabilitation services if the agency is operating on an order of selection, are provided accurate vocational rehabilitation information and guidance (which may include counseling and referral for job placement) using appropriate modes of

communication to assist them in preparing for, securing, retaining, or regaining employment; and

(2) The designated State agency will refer individuals with disabilities to other appropriate Federal and State programs, including other components of the statewide workforce investment system.

(b) The State unit must refer to local extended employment providers an individual with a disability who makes an informed choice to pursue extended employment as the individual's employment goal. Before making the referral required by this paragraph, the State unit must—

(1) Consistent with § 361.42(a)(4)(i) of this part, explain to the individual that the purpose of the vocational rehabilitation program is to assist individuals to achieve an employment outcome as defined in § 361.5(b)(16) (i.e., employment in an integrated setting);

(2) Consistent with § 361.52 of this part, provide the individual with information concerning the availability of employment options, and of vocational rehabilitation services, in integrated settings;

(3) Inform the individual that services under the vocational rehabilitation program can be provided to eligible individuals in an extended employment setting if necessary for purposes of training or otherwise preparing for employment in an integrated setting;

(4) Inform the individual that, if he or she initially chooses not to pursue employment in an integrated setting, he or she can seek services from the designated State unit at a later date if, at that time, he or she chooses to pursue employment in an integrated setting; and

(5) Refer the individual, as appropriate, to the Social Security Administration in order to obtain information concerning the ability of individuals with disabilities to work while receiving benefits from the Social Security Administration.

(c) *Criteria for appropriate referrals.* In making the referrals identified in paragraph (a)(2) of this section, the designated State unit must—

(1) Refer the individual to Federal or State programs, including programs carried out by other components of the

§ 361.38

34 CFR Ch. III (7-1-10 Edition)

statewide workforce investment system, best suited to address the specific employment needs of an individual with a disability; and

(2) Provide the individual who is being referred—

(i) A notice of the referral by the designated State agency to the agency carrying out the program;

(ii) Information identifying a specific point of contact within the agency to which the individual is being referred; and

(iii) Information and advice regarding the most suitable services to assist the individual to prepare for, secure, retain, or regain employment.

(d) *Order of selection.* In providing the information and referral services under this section to eligible individuals who are not in the priority category or categories to receive vocational rehabilitation services under the State's order of selection, the State unit must identify, as part of its reporting under section 101(a)(10) of the Act and §361.40, the number of eligible individuals who did not meet the agency's order of selection criteria for receiving vocational rehabilitation services and did receive information and referral services under this section.

§ 361.38 Protection, use, and release of personal information.

(a) *General provisions.* (1) The State agency and the State unit must adopt and implement written policies and procedures to safeguard the confidentiality of all personal information, including photographs and lists of names. These policies and procedures must ensure that—

(i) Specific safeguards are established to protect current and stored personal information;

(ii) All applicants and eligible individuals and, as appropriate, those individuals' representatives, service providers, cooperating agencies, and interested persons are informed through ap-

propriate modes of communication of the confidentiality of personal information and the conditions for accessing and releasing this information;

(iii) All applicants or their representatives are informed about the State unit's need to collect personal information and the policies governing its use, including—

(A) Identification of the authority under which information is collected;

(B) Explanation of the principal purposes for which the State unit intends to use or release the information;

(C) Explanation of whether providing requested information to the State unit is mandatory or voluntary and the effects of not providing requested information;

(D) Identification of those situations in which the State unit requires or does not require informed written consent of the individual before information may be released; and

(E) Identification of other agencies to which information is routinely released;

(iv) An explanation of State policies and procedures affecting personal information will be provided to each individual in that individual's native language or through the appropriate mode of communication; and

(v) These policies and procedures provide no fewer protections for individuals than State laws and regulations.

(2) The State unit may establish reasonable fees to cover extraordinary costs of duplicating records or making extensive searches and must establish policies and procedures governing access to records.

(b) *State program use.* All personal information in the possession of the State agency or the designated State unit must be used only for the purposes directly connected with the administration of the vocational rehabilitation program. Information containing identifiable personal information may not be shared with advisory or other bodies that do not have official responsibility for administration of the program. In the administration of the program, the State unit may obtain personal information from service providers and cooperating agencies under assurances that the information may not be further divulged, except as provided under

paragraphs (c), (d), and (e) of this section.

(c) *Release to applicants and eligible individuals.* (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section, if requested in writing by an applicant or eligible individual, the State unit must make all requested information in that individual's record of services accessible to and must release the information to the individual or the individual's representative in a timely manner.

(2) Medical, psychological, or other information that the State unit determines may be harmful to the individual may not be released directly to the individual, but must be provided to the individual through a third party chosen by the individual, which may include, among others, an advocate, a family member, or a qualified medical or mental health professional, unless a representative has been appointed by a court to represent the individual, in which case the information must be released to the court-appointed representative.

(3) If personal information has been obtained from another agency or organization, it may be released only by, or under the conditions established by, the other agency or organization.

(4) An applicant or eligible individual who believes that information in the individual's record of services is inaccurate or misleading may request that the designated State unit amend the information. If the information is not amended, the request for an amendment must be documented in the record of services, consistent with § 361.47(a)(12).

(d) *Release for audit, evaluation, and research.* Personal information may be released to an organization, agency, or individual engaged in audit, evaluation, or research only for purposes directly connected with the administration of the vocational rehabilitation program or for purposes that would significantly improve the quality of life for applicants and eligible individuals and only if the organization, agency, or individual assures that—

(1) The information will be used only for the purposes for which it is being provided;

(2) The information will be released only to persons officially connected with the audit, evaluation, or research;

(3) The information will not be released to the involved individual;

(4) The information will be managed in a manner to safeguard confidentiality; and

(5) The final product will not reveal any personal identifying information without the informed written consent of the involved individual or the individual's representative.

(e) *Release to other programs or authorities.* (1) Upon receiving the informed written consent of the individual or, if appropriate, the individual's representative, the State unit may release personal information to another agency or organization for its program purposes only to the extent that the information may be released to the involved individual or the individual's representative and only to the extent that the other agency or organization demonstrates that the information requested is necessary for its program.

(2) Medical or psychological information that the State unit determines may be harmful to the individual may be released if the other agency or organization assures the State unit that the information will be used only for the purpose for which it is being provided and will not be further released to the individual.

(3) The State unit must release personal information if required by Federal law or regulations.

(4) The State unit must release personal information in response to investigations in connection with law enforcement, fraud, or abuse, unless expressly prohibited by Federal or State laws or regulations, and in response to an order issued by a judge, magistrate, or other authorized judicial officer.

(5) The State unit also may release personal information in order to protect the individual or others if the individual poses a threat to his or her safety or to the safety of others.

PROVISION AND SCOPE OF SERVICES

§ 361.41 Processing referrals and applications.

(a) *Referrals.* The designated State unit must establish and implement standards for the prompt and equitable handling of referrals of individuals for vocational rehabilitation services, including referrals of individuals made through the One-Stop service delivery systems established under section 121 of the Workforce Investment Act of 1998. The standards must include timelines for making good faith efforts to inform these individuals of application requirements and to gather information necessary to initiate an assessment for determining eligibility and priority for services.

(b) *Applications.* (1) Once an individual has submitted an application for vocational rehabilitation services, including applications made through common intake procedures in One-Stop centers established under section 121 of the Workforce Investment Act of 1998, an eligibility determination must be made within 60 days, unless—

(i) Exceptional and unforeseen circumstances beyond the control of the designated State unit preclude making an eligibility determination within 60 days and the designated State unit and the individual agree to a specific extension of time; or

(ii) An exploration of the individual's abilities, capabilities, and capacity to perform in work situations is carried out in accordance with § 361.42(e) or, if appropriate, an extended evaluation is carried out in accordance with § 361.42(f).

(2) An individual is considered to have submitted an application when the individual or the individual's representative, as appropriate—

(i)(A) Has completed and signed an agency application form;

(B) Has completed a common intake application form in a One-Stop center requesting vocational rehabilitation services; or

(C) Has otherwise requested services from the designated State unit;

(ii) Has provided to the designated State unit information necessary to initiate an assessment to determine

eligibility and priority for services; and

(iii) Is available to complete the assessment process.

(3) The designated State unit must ensure that its application forms are widely available throughout the State, particularly in the One-Stop centers established under section 121 of the Workforce Investment Act of 1998.

§ 361.42 Assessment for determining eligibility and priority for services.

In order to determine whether an individual is eligible for vocational rehabilitation services and the individual's priority under an order of selection for services (if the State is operating under an order of selection), the designated State unit must conduct an assessment for determining eligibility and priority for services. The assessment must be conducted in the most integrated setting possible, consistent with the individual's needs and informed choice, and in accordance with the following provisions:

(a) *Eligibility requirements*—(1) *Basic requirements.* The designated State unit's determination of an applicant's eligibility for vocational rehabilitation services must be based only on the following requirements:

(i) A determination by qualified personnel that the applicant has a physical or mental impairment.

(ii) A determination by qualified personnel that the applicant's physical or mental impairment constitutes or results in a substantial impediment to employment for the applicant.

(iii) A determination by a qualified vocational rehabilitation counselor employed by the designated State unit that the applicant requires vocational rehabilitation services to prepare for, secure, retain, or regain employment consistent with the applicant's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(iv) A presumption, in accordance with paragraph (a)(2) of this section, that the applicant can benefit in terms of an employment outcome from the provision of vocational rehabilitation services.

(2) *Presumption of benefit.* The designated State unit must presume that an applicant who meets the eligibility requirements in paragraphs (a)(1)(i) and (ii) of this section can benefit in terms of an employment outcome unless it demonstrates, based on clear and convincing evidence, that the applicant is incapable of benefiting in terms of an employment outcome from vocational rehabilitation services due to the severity of the applicant's disability.

(3) *Presumption of eligibility for Social Security recipients and beneficiaries.* (i) Any applicant who has been determined eligible for Social Security benefits under Title II or Title XVI of the Social Security Act is—

(A) Presumed eligible for vocational rehabilitation services under paragraphs (a)(1) and (2) of this section; and

(B) Considered an individual with a significant disability as defined in § 361.5(b)(31).

(ii) If an applicant for vocational rehabilitation services asserts that he or she is eligible for Social Security benefits under Title II or Title XVI of the Social Security Act (and, therefore, is presumed eligible for vocational rehabilitation services under paragraph (a)(3)(i)(A) of this section), but is unable to provide appropriate evidence, such as an award letter, to support that assertion, the State unit must verify the applicant's eligibility under Title II or Title XVI of the Social Security Act by contacting the Social Security Administration. This verification must be made within a reasonable period of time that enables the State unit to determine the applicant's eligibility for vocational rehabilitation services within 60 days of the individual submitting an application for services in accordance with § 361.41(b)(2).

(4) *Achievement of an employment outcome.* Any eligible individual, including an individual whose eligibility for vocational rehabilitation services is based on the individual being eligible

for Social Security benefits under Title II or Title XVI of the Social Security Act, must intend to achieve an employment outcome that is consistent with the applicant's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(i) The State unit is responsible for informing individuals, through its application process for vocational rehabilitation services, that individuals who receive services under the program must intend to achieve an employment outcome.

(ii) The applicant's completion of the application process for vocational rehabilitation services is sufficient evidence of the individual's intent to achieve an employment outcome, and no additional demonstration on the part of the applicant is required for purposes of satisfying paragraph (a)(4) of this section.

(5) *Interpretation.* Nothing in this section, including paragraph (a)(3)(i), is to be construed to create an entitlement to any vocational rehabilitation service.

(b) *Interim determination of eligibility.*

(1) The designated State unit may initiate the provision of vocational rehabilitation services for an applicant on the basis of an interim determination of eligibility prior to the 60-day period described in § 361.41(b)(2).

(2) If a State chooses to make interim determinations of eligibility, the designated State unit must—

(i) Establish criteria and conditions for making those determinations;

(ii) Develop and implement procedures for making the determinations; and

(iii) Determine the scope of services that may be provided pending the final determination of eligibility.

(3) If a State elects to use an interim eligibility determination, the designated State unit must make a final determination of eligibility within 60 days of the individual submitting an application for services in accordance with § 361.41(b)(2).

(c) *Prohibited factors.* (1) The State plan must assure that the State unit will not impose, as part of determining eligibility under this section, a duration of residence requirement that ex-

cludes from services any applicant who is present in the State.

(2) In making a determination of eligibility under this section, the designated State unit also must ensure that—

(i) No applicant or group of applicants is excluded or found ineligible solely on the basis of the type of disability; and

(ii) The eligibility requirements are applied without regard to the—

(A) Age, gender, race, color, or national origin of the applicant;

(B) Type of expected employment outcome;

(C) Source of referral for vocational rehabilitation services; and

(D) Particular service needs or anticipated cost of services required by an applicant or the income level of an applicant or applicant's family.

(d) *Review and assessment of data for eligibility determination.* Except as provided in paragraph (e) of this section, the designated State unit—

(1) Must base its determination of each of the basic eligibility requirements in paragraph (a) of this section on—

(i) A review and assessment of existing data, including counselor observations, education records, information provided by the individual or the individual's family, particularly information used by education officials, and determinations made by officials of other agencies; and

(ii) To the extent existing data do not describe the current functioning of the individual or are unavailable, insufficient, or inappropriate to make an eligibility determination, an assessment of additional data resulting from the provision of vocational rehabilitation services, including trial work experiences, assistive technology devices and services, personal assistance services, and any other support services that are necessary to determine whether an individual is eligible; and

(2) Must base its presumption under paragraph (a)(3)(i) of this section that an applicant who has been determined eligible for Social Security benefits under Title II or Title XVI of the Social Security Act satisfies each of the

basic eligibility requirements in paragraph (a) of this section on determinations made by the Social Security Administration.

(e) *Trial work experiences for individuals with significant disabilities.* (1) Prior to any determination that an individual with a disability is incapable of benefiting from vocational rehabilitation services in terms of an employment outcome because of the severity of that individual's disability, the designated State unit must conduct an exploration of the individual's abilities, capabilities, and capacity to perform in realistic work situations to determine whether or not there is clear and convincing evidence to support such a determination.

(2)(i) The designated State unit must develop a written plan to assess periodically the individual's abilities, capabilities, and capacity to perform in work situations through the use of trial work experiences, which must be provided in the most integrated setting possible, consistent with the informed choice and rehabilitation needs of the individual.

(ii) Trial work experiences include supported employment, on-the-job training, and other experiences using realistic work settings.

(iii) Trial work experiences must be of sufficient variety and over a sufficient period of time for the designated State unit to determine that—

(A) There is sufficient evidence to conclude that the individual can benefit from the provision of vocational rehabilitation services in terms of an employment outcome; or

(B) There is clear and convincing evidence that the individual is incapable of benefiting from vocational rehabilitation services in terms of an employment outcome due to the severity of the individual's disability.

(iv) The designated State unit must provide appropriate supports, including assistive technology devices and services and personal assistance services, to accommodate the rehabilitation needs of the individual during the trial work experiences.

(f) *Extended evaluation for certain individuals with significant disabilities.* (1) Under limited circumstances if an individual cannot take advantage of trial

work experiences or if options for trial work experiences have been exhausted before the State unit is able to make the determinations described in paragraph (e)(2)(iii) of this section, the designated State unit must conduct an extended evaluation to make these determinations.

(2) During the extended evaluation period, vocational rehabilitation services must be provided in the most integrated setting possible, consistent with the informed choice and rehabilitation needs of the individual.

(3) During the extended evaluation period, the designated State unit must develop a written plan for providing services necessary to make a determination under paragraph (e)(2)(iii) of this section.

(4) During the extended evaluation period, the designated State unit provides only those services that are necessary to make the determinations described in paragraph (e)(2)(iii) of this section and terminates extended evaluation services when the State unit is able to make the determinations.

(g) *Data for determination of priority for services under an order of selection.* If the designated State unit is operating under an order of selection for services, as provided in §361.36, the State unit must base its priority assignments on—

(1) A review of the data that was developed under paragraphs (d) and (e) of this section to make the eligibility determination; and

(2) An assessment of additional data, to the extent necessary.

NOTE TO §361.42: *Clear and convincing evidence* means that the designated State unit shall have a high degree of certainty before it can conclude that an individual is incapable of benefiting from services in terms of an employment outcome. The "clear and convincing" standard constitutes the highest standard used in our civil system of law and is to be individually applied on a case-by-

§ 361.43

case basis. The term *clear* means unequivocal. For example, the use of an intelligence test result alone would not constitute clear and convincing evidence. Clear and convincing evidence might include a description of assessments, including situational assessments and supported employment assessments, from service providers who have concluded that they would be unable to meet the individual's needs due to the severity of the individual's disability. The demonstration of "clear and convincing evidence" must include, if appropriate, a functional assessment of skill development activities, with any necessary supports (including assistive technology), in real life settings. (S. Rep. No. 357, 102d Cong., 2d. Sess. 37-38 (1992))

§ 361.43 Procedures for ineligibility determination.

If the State unit determines that an applicant is ineligible for vocational rehabilitation services or determines that an individual receiving services under an individualized plan for employment is no longer eligible for services, the State unit must—

(a) Make the determination only after providing an opportunity for full consultation with the individual or, as appropriate, with the individual's representative;

(b) Inform the individual in writing, supplemented as necessary by other appropriate modes of communication consistent with the informed choice of the individual, of the ineligibility determination, including the reasons for that determination, the requirements under this section, and the means by which the individual may express and seek remedy for any dissatisfaction, including the procedures for review of State unit personnel determinations in accordance with § 361.57;

(c) Provide the individual with a description of services available from a client assistance program established under 34 CFR part 370 and information on how to contact that program;

(d) Refer the individual—

(1) To other programs that are part of the One-Stop service delivery system under the Workforce Investment Act that can address the individual's training or employment-related needs; or

(2) To local extended employment providers if the ineligibility determination is based on a finding that the individual is incapable of achieving an em-

34 CFR Ch. III (7-1-10 Edition)

ployment outcome as defined in § 361.5(b)(16).

(e) Review within 12 months and annually thereafter if requested by the individual or, if appropriate, by the individual's representative any ineligibility determination that is based on a finding that the individual is incapable of achieving an employment outcome. This review need not be conducted in situations in which the individual has refused it, the individual is no longer present in the State, the individual's whereabouts are unknown, or the individual's medical condition is rapidly progressive or terminal.

§ 361.44 Closure without eligibility determination.

The designated State unit may not close an applicant's record of services prior to making an eligibility determination unless the applicant declines to participate in, or is unavailable to complete, an assessment for determining eligibility and priority for services, and the State unit has made a reasonable number of attempts to contact the applicant or, if appropriate, the applicant's representative to encourage the applicant's participation.

§ 361.45 Development of the individualized plan for employment.

(a) *General requirements.* The State plan must assure that—

(1) An individualized plan for employment (IPE) meeting the requirements of this section and § 361.46 is developed and implemented in a timely manner for each individual determined to be eligible for vocational rehabilitation services or, if the designated State unit is operating under an order of selection in accordance with § 361.36, for each eligible individual to whom the State unit is able to provide services; and

(2) Services will be provided in accordance with the provisions of the IPE.

(b) *Purpose.* (1) The designated State unit must conduct an assessment for determining vocational rehabilitation needs, if appropriate, for each eligible individual or, if the State is operating under an order of selection, for each eligible individual to whom the State is able to provide services. The purpose of this assessment is to determine the employment outcome, and the nature and scope of vocational rehabilitation services to be included in the IPE.

(2) The IPE must be designed to achieve a specific employment outcome, as defined in §361.5(b)(16), that is selected by the individual consistent with the individual's unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(c) *Required information.* The State unit must provide the following information to each eligible individual or, as appropriate, the individual's representative, in writing and, if appropriate, in the native language or mode of communication of the individual or the individual's representative:

(1) *Options for developing an IPE.* Information on the available options for developing the IPE, including the option that an eligible individual or, as appropriate, the individual's representative may develop all or part of the IPE—

(i) Without assistance from the State unit or other entity; or

(ii) With assistance from—

(A) A qualified vocational rehabilitation counselor employed by the State unit;

(B) A qualified vocational rehabilitation counselor who is not employed by the State unit; or

(C) Resources other than those in paragraph (A) or (B) of this section.

(2) *Additional information.* Additional information to assist the eligible individual or, as appropriate, the individual's representative in developing the IPE, including—

(i) Information describing the full range of components that must be included in an IPE;

(ii) As appropriate to each eligible individual—

(A) An explanation of agency guidelines and criteria for determining an

eligible individual's financial commitments under an IPE;

(B) Information on the availability of assistance in completing State unit forms required as part of the IPE; and

(C) Additional information that the eligible individual requests or the State unit determines to be necessary to the development of the IPE;

(iii) A description of the rights and remedies available to the individual, including, if appropriate, recourse to the processes described in §361.57; and

(iv) A description of the availability of a client assistance program established under 34 CFR part 370 and information on how to contact the client assistance program.

§ 361.49 Scope of vocational rehabilitation services for groups of individuals with disabilities.

(a) The designated State unit may also provide for the following vocational rehabilitation services for the

benefit of groups of individuals with disabilities:

(1) The establishment, development, or improvement of a public or other nonprofit community rehabilitation program that is used to provide vocational rehabilitation services that promote integration and competitive employment, including, under special circumstances, the construction of a facility for a public or nonprofit community rehabilitation program. Examples of "special circumstances" include the destruction by natural disaster of the only available center serving an area or a State determination that construction is necessary in a rural area because no other public agencies or private nonprofit organizations are currently able to provide vocational rehabilitation services to individuals.

(2) Telecommunications systems that have the potential for substantially improving vocational rehabilitation service delivery methods and developing appropriate programming to meet the particular needs of individuals with disabilities, including telephone, television, video description services, satellite, tactile-vibratory devices, and similar systems, as appropriate.

(3) Special services to provide non-visual access to information for individuals who are blind, including the use of telecommunications, Braille, sound recordings, or other appropriate media; captioned television, films, or video cassettes for individuals who are deaf or hard of hearing; tactile materials for individuals who are deaf-blind; and other special services that provide information through tactile, vibratory, auditory, and visual media.

(4) Technical assistance and support services to businesses that are not subject to Title I of the Americans with Disabilities Act of 1990 and that are seeking to employ individuals with disabilities.

(5) In the case of any small business enterprise operated by individuals with significant disabilities under the supervision of the designated State unit, including enterprises established under the Randolph-Sheppard program, management services and supervision provided by the State unit along with the

acquisition by the State unit of vending facilities or other equipment, initial stocks and supplies, and initial operating expenses, in accordance with the following requirements:

(i) “Management services and supervision” includes inspection, quality control, consultation, accounting, regulating, in-service training, and related services provided on a systematic basis to support and improve small business enterprises operated by individuals with significant disabilities. “Management services and supervision” may be provided throughout the operation of the small business enterprise.

(ii) “Initial stocks and supplies” includes those items necessary to the establishment of a new business enterprise during the initial establishment period, which may not exceed 6 months.

(iii) Costs of establishing a small business enterprise may include operational costs during the initial establishment period, which may not exceed 6 months.

(v) If the designated State unit provides for these services and chooses to set aside funds from the proceeds of the operation of the small business enterprises, the State unit must maintain a description of the methods used in setting aside funds and the purposes for which funds are set aside. Funds may be used only for small business enterprises purposes, and benefits that are provided to operators from set-aside funds must be provided on an equitable basis.

(6) Other services that promise to contribute substantially to the rehabilitation of a group of individuals but that are not related directly to the individualized plan for employment of any one individual. Examples of those other services might include the purchase or lease of a bus to provide transportation to a group of applicants or eligible individuals or the purchase of equipment or instructional materials that would benefit a group of applicants or eligible individuals.

(7) Consultative and technical assistance services to assist educational agencies in planning for the transition of students with disabilities from school to post-school activities, including employment.

§ 361.50 Written policies governing the provision of services for individuals with disabilities.

(a) *Policies.* The State unit must develop and maintain written policies covering the nature and scope of each of the vocational rehabilitation services specified in § 361.48 and the criteria under which each service is provided. The policies must ensure that the provision of services is based on the rehabilitation needs of each individual as identified in that individual’s IPE and is consistent with the individual’s informed choice. The written policies may not establish any arbitrary limits on the nature and scope of vocational rehabilitation services to be provided to the individual to achieve an employment outcome. The policies must be developed in accordance with the following provisions:

(b) *Out-of-State services.* (1) The State unit may establish a preference for in-

§ 361.51

34 CFR Ch. III (7–1–10 Edition)

State services, provided that the preference does not effectively deny an individual a necessary service. If the individual chooses an out-of-State service at a higher cost than an in-State service, if either service would meet the individual's rehabilitation needs, the designated State unit is not responsible for those costs in excess of the cost of the in-State service.

(2) The State unit may not establish policies that effectively prohibit the provision of out-of-State services.

(c) *Payment for services.* (1) The State unit must establish and maintain written policies to govern the rates of payment for all purchased vocational rehabilitation services.

(2) The State unit may establish a fee schedule designed to ensure a reasonable cost to the program for each service, if the schedule is—

(i) Not so low as to effectively deny an individual a necessary service; and

(ii) Not absolute and permits exceptions so that individual needs can be addressed.

(3) The State unit may not place absolute dollar limits on specific service categories or on the total services provided to an individual.

(d) *Duration of services.* (1) The State unit may establish reasonable time periods for the provision of services provided that the time periods are—

(i) Not so short as to effectively deny an individual a necessary service; and

(ii) Not absolute and permit exceptions so that individual needs can be addressed.

(2) The State unit may not establish absolute time limits on the provision of specific services or on the provision of services to an individual. The duration of each service needed by an individual must be determined on an individual basis and reflected in that individual's individualized plan for employment.

(e) *Authorization of services.* The State unit must establish policies related to the timely authorization of services,

including any conditions under which verbal authorization can be given.

(a) *Accessibility of facilities.* The State plan must assure that any facility used in connection with the delivery of vocational rehabilitation services under this part meets program accessibility requirements consistent with the requirements, as applicable, of the Architectural Barriers Act of 1968, the Americans with Disabilities Act of 1990, section 504 of the Act, and the regulations implementing these laws.

(b) *Affirmative action.* The State plan must assure that community rehabilitation programs that receive assistance under part B of Title I of the Act take affirmative action to employ and advance in employment qualified individuals with disabilities covered under and on the same terms and conditions as in section 503 of the Act.

(c) *Special communication needs personnel.* The designated State unit must ensure that providers of vocational rehabilitation services are able to communicate—

§ 361.52 Informed choice.

(a) *General provision.* The State plan must assure that applicants and eligible individuals or, as appropriate, their representatives are provided information and support services to assist applicants and eligible individuals in exercising informed choice throughout

the rehabilitation process consistent with the provisions of section 102(d) of the Act and the requirements of this section.

(b) *Written policies and procedures.* The designated State unit, in consultation with its State Rehabilitation Council, if it has a Council, must develop and implement written policies and procedures that enable an applicant or eligible individual to exercise informed choice throughout the vocational rehabilitation process. These policies and procedures must provide for—

(1) Informing each applicant and eligible individual (including students with disabilities who are making the transition from programs under the responsibility of an educational agency to programs under the responsibility of the designated State unit), through appropriate modes of communication, about the availability of and opportunities to exercise informed choice, including the availability of support services for individuals with cognitive or other disabilities who require assistance in exercising informed choice throughout the vocational rehabilitation process;

(2) Assisting applicants and eligible individuals in exercising informed choice in decisions related to the provision of assessment services;

(3) Developing and implementing flexible procurement policies and methods that facilitate the provision of vocational rehabilitation services and that afford eligible individuals meaningful choices among the methods used to procure vocational rehabilitation services;

- (i) Employment outcome;
- (ii) Specific vocational rehabilitation services needed to achieve the employment outcome;
- (iii) Entity that will provide the services;
- (iv) Employment setting and the settings in which the services will be provided; and

(v) Methods available for procuring the services; and

(5) Ensuring that the availability and scope of informed choice is consistent with the obligations of the designated State agency under this part.

(c) *Information and assistance in the selection of vocational rehabilitation services and service providers.* In assisting an applicant and eligible individual in exercising informed choice during the assessment for determining eligibility and vocational rehabilitation needs and during development of the IPE, the designated State unit must provide the individual or the individual's representative, or assist the individual or the individual's representative in acquiring, information necessary to make an informed choice about the specific vocational rehabilitation services, including the providers of those services, that are needed to achieve the individual's employment outcome. This information must include, at a minimum, information relating to the—

(1) Cost, accessibility, and duration of potential services;

(2) Consumer satisfaction with those services to the extent that information relating to consumer satisfaction is available;

(3) Qualifications of potential service providers;

(4) Types of services offered by the potential providers;

(5) Degree to which services are provided in integrated settings; and

(6) Outcomes achieved by individuals working with service providers, to the extent that such information is available.

(d) *Methods or sources of information.* In providing or assisting the individual or the individual's representative in acquiring the information required under paragraph (c) of this section, the State unit may use, but is not limited to, the following methods or sources of information:

(1) Lists of services and service providers.

(2) Periodic consumer satisfaction surveys and reports.

§ 361.53 Comparable services and benefits.

(a) *Determination of availability.* The State plan must assure that prior to providing any vocational rehabilitation services, except those services listed in paragraph (b) of this section, to an eligible individual, or to members of the individual's family, the State unit must determine whether comparable services and benefits, as defined in § 361.5(b)(10), exist under any other program and whether those services and benefits are available to the individual unless such a determination would interrupt or delay—

(1) The progress of the individual toward achieving the employment outcome identified in the individualized plan for employment;

(2) An immediate job placement; or

(3) The provision of vocational rehabilitation services to any individual who is determined to be at extreme medical risk, based on medical evidence provided by an appropriate qualified medical professional.

(5) Rehabilitation technology, including telecommunications, sensory, and other technological aids and devices.

(6) Post-employment services consisting of the services listed under paragraphs (b)(1) through (5) of this section.

(c) *Provision of services.* (1) If comparable services or benefits exist under any other program and are available to the individual at the time needed to ensure the progress of the individual toward achieving the employment outcome in the individual's IPE, the designated State unit must use those comparable services or benefits to meet, in whole or part, the costs of the vocational rehabilitation services.

(2) If comparable services or benefits exist under any other program, but are not available to the individual at the time needed to ensure the progress of the individual toward achieving the employment outcome in the individual's IPE, the designated State unit must provide vocational rehabilitation services until those comparable services and benefits become available.

(d) *Interagency coordination.* (1) The State plan must assure that the Governor, in consultation with the entity in the State responsible for the vocational rehabilitation program and other appropriate agencies, will ensure that an interagency agreement or other mechanism for interagency coordination takes effect between the designated State vocational rehabilitation unit and any appropriate public entity, including the State entity responsible for administering the State medicaid program, a public institution of higher education, and a component of the statewide workforce investment system, to ensure the provision of vocational rehabilitation services (other than those services listed in paragraph (b) of this section) that are included in the IPE, including the provision of those vocational rehabilitation services during the pendency of any interagency dispute in accordance with the

provisions of paragraph (d)(3)(iii) of this section.

(2) The Governor may meet the requirements of paragraph (d)(1) of this section through—

- (i) A State statute or regulation;
- (ii) A signed agreement between the respective officials of the public entities that clearly identifies the responsibilities of each public entity for the provision of the services; or

(iii) Another appropriate mechanism as determined by the designated State vocational rehabilitation unit.

(3) The interagency agreement or other mechanism for interagency coordination must include the following:

(i) *Agency financial responsibility.* An identification of, or description of a method for defining, the financial responsibility of the public entity for providing the vocational rehabilitation services other than those listed in paragraph (b) of this section and a provision stating the financial responsibility of the public entity for providing those services.

(ii) *Conditions, terms, and procedures of reimbursement.* Information specifying the conditions, terms, and procedures under which the designated State unit must be reimbursed by the other public entities for providing vocational rehabilitation services based on the terms of the interagency agreement or other mechanism for interagency coordination.

(iii) *Interagency disputes.* Information specifying procedures for resolving interagency disputes under the interagency agreement or other mechanism for interagency coordination, including procedures under which the designated State unit may initiate proceedings to secure reimbursement from other public entities or otherwise implement the provisions of the agreement or mechanism.

(iv) *Procedures for coordination of services.* Information specifying policies and procedures for public entities to determine and identify interagency coordination responsibilities of each public entity to promote the coordination and timely delivery of vocational rehabilitation services other than those listed in paragraph (b) of this section.

(e) *Responsibilities under other law.* (1) If a public entity (other than the des-

ignated State unit) is obligated under Federal law (such as the Americans with Disabilities Act, section 504 of the Act, or section 188 of the Workforce Investment Act) or State law, or assigned responsibility under State policy or an interagency agreement established under this section, to provide or pay for any services considered to be vocational rehabilitation services (*e.g.*, interpreter services under §361.48(j)), other than those services listed in paragraph (b) of this section, the public entity must fulfill that obligation or responsibility through—

(i) The terms of the interagency agreement or other requirements of this section;

(ii) Providing or paying for the service directly or by contract; or

(iii) Other arrangement.

(2) If a public entity other than the designated State unit fails to provide or pay for vocational rehabilitation services for an eligible individual as established under this section, the designated State unit must provide or pay for those services to the individual and may claim reimbursement for the services from the public entity that failed to provide or pay for those services. The public entity must reimburse the designated State unit pursuant to the terms of the interagency agreement or other mechanism described in paragraph (d) of this section in accordance with the procedures established in the agreement or mechanism pursuant to paragraph (d)(3)(ii) of this section.

(i) As a condition for furnishing the following vocational rehabilitation services:

(A) Assessment for determining eligibility and priority for services under § 361.48(a), except those non-assessment services that are provided to an individual with a significant disability during either an exploration of the individual's abilities, capabilities, and capacity to perform in work situations through the use of trial work experiences under § 361.42(e) or an extended evaluation under § 361.42(f).

§ 361.55 Annual review of individuals in extended employment and other employment under special certificate provisions of the Fair Labor Standards Act.

(a) The State plan must assure that the designated State unit conducts an annual review and reevaluation in accordance with the requirements in paragraph (b) of this section for an individual with a disability served under this part—

(1) Who has achieved an employment outcome in which the individual is compensated in accordance with section 14(c) of the Fair Labor Standards Act; or

(2) Whose record of services is closed while the individual is in extended employment on the basis that the individual is unable to achieve an employment outcome consistent with § 361.5(b)(16) or that the individual made an informed choice to remain in extended employment.

(c) *Satisfactory outcome.* At the end of the appropriate period under paragraph (b) of this section, the individual and the qualified rehabilitation counselor employed by the designated State unit consider the employment outcome to be satisfactory and agree that the individual is performing well in the employment.

§361.57 Review of determinations made by designated State unit personnel.

(a) *Procedures.* The designated State unit must develop and implement procedures to ensure that an applicant or eligible individual who is dissatisfied with any determination made by personnel of the designated State unit that affects the provision of vocational rehabilitation services may request, or, if appropriate, may request through the individual's representative, a timely review of that determination. The procedures must be in accordance with paragraphs (b) through (k) of this section:

(b) *General requirements—(1) Notification.* Procedures established by the State unit under this section must provide an applicant or eligible individual or, as appropriate, the individual's representative notice of—

(i) The right to obtain review of State unit determinations that affect the provision of vocational rehabilitation services through an impartial due process hearing under paragraph (e) of this section;

(ii) The right to pursue mediation under paragraph (d) of this section with respect to determinations made by designated State unit personnel that affect the provision of vocational rehabilitation services to an applicant or eligible individual;

(iii) The names and addresses of individuals with whom requests for mediation or due process hearings may be filed;

(iv) The manner in which a mediator or impartial hearing officer may be selected consistent with the requirements of paragraphs (d) and (f) of this section; and

(v) The availability of the client assistance program, established under 34 CFR part 370, to assist the applicant or eligible individual during mediation sessions or impartial due process hearings.

(2) *Timing.* Notice described in paragraph (b)(1) of this section must be provided in writing—

(i) At the time the individual applies for vocational rehabilitation services under this part;

(ii) At the time the individual is assigned to a category in the State's order of selection, if the State has established an order of selection under § 361.36;

(iii) At the time the IPE is developed; and

(iv) Whenever vocational rehabilitation services for an individual are reduced, suspended, or terminated.

(3) *Evidence and representation.* Procedures established under this section must—

(i) Provide an applicant or eligible individual or, as appropriate, the individual's representative with an opportunity to submit during mediation sessions or due process hearings evidence and other information that supports the applicant's or eligible individual's position; and

(ii) Allow an applicant or eligible individual to be represented during mediation sessions or due process hearings by counsel or other advocate selected by the applicant or eligible individual.

(4) *Impact on provision of services.* The State unit may not institute a suspension, reduction, or termination of vocational rehabilitation services being provided to an applicant or eligible individual, including evaluation and assessment services and IPE development, pending a resolution through mediation, pending a decision by a hearing officer or reviewing official, or pending informal resolution under this section unless—

(i) The individual or, in appropriate cases, the individual's representative requests a suspension, reduction, or termination of services; or

(ii) The State agency has evidence that the services have been obtained through misrepresentation, fraud, collusion, or criminal conduct on the part of the individual or the individual's representative.

(5) *Ineligibility.* Applicants who are found ineligible for vocational rehabilitation services and previously eligible individuals who are determined to be no longer eligible for vocational rehabilitation services pursuant to § 361.43 are permitted to challenge the determinations of ineligibility under the procedures described in this section.

(c) *Informal dispute resolution.* The State unit may develop an informal process for resolving a request for review without conducting mediation or a formal hearing. A State's informal process must not be used to deny the right of an applicant or eligible individual to a hearing under paragraph (e) of this section or any other right provided under this part, including the right to pursue mediation under paragraph (d) of this section. If informal resolution under this paragraph or mediation under paragraph (d) of this section is not successful in resolving the dispute within the time period established under paragraph (e)(1) of this section, a formal hearing must be conducted within that same time period, unless the parties agree to a specific extension of time.

(d) *Mediation.* (1) The State must establish and implement procedures, as required under paragraph (b)(1)(ii) of this section, to allow an applicant or eligible individual and the State unit to resolve disputes involving State unit determinations that affect the provision of vocational rehabilitation services through a mediation process that must be made available, at a minimum, whenever an applicant or eligible individual or, as appropriate, the individual's representative requests an impartial due process hearing under this section.

(2) Mediation procedures established by the State unit under paragraph (d) must ensure that—

(i) Participation in the mediation process is voluntary on the part of the applicant or eligible individual, as appropriate, and on the part of the State unit;

(ii) Use of the mediation process is not used to deny or delay the applicant's or eligible individual's right to pursue resolution of the dispute through an impartial hearing held within the time period specified in paragraph (e)(1) of this section or any other rights provided under this part. At any point during the mediation process, either party or the mediator may elect to terminate the mediation. In the event mediation is terminated, either party may pursue resolution through an impartial hearing;

(iii) The mediation process is conducted by a qualified and impartial mediator, as defined in §361.5(b)(43), who must be selected from a list of qualified and impartial mediators maintained by the State—

(A) On a random basis;

(B) By agreement between the director of the designated State unit and the applicant or eligible individual or, as appropriate, the individual's representative; or

(C) In accordance with a procedure established in the State for assigning mediators, provided this procedure ensures the neutrality of the mediator assigned; and

(iv) Mediation sessions are scheduled and conducted in a timely manner and are held in a location and manner that is convenient to the parties to the dispute.

(3) Discussions that occur during the mediation process must be kept confidential and may not be used as evidence in any subsequent due process hearings or civil proceedings, and the parties to the mediation process may be required to sign a confidentiality pledge prior to the commencement of the process.

(4) An agreement reached by the parties to the dispute in the mediation process must be described in a written mediation agreement that is developed by the parties with the assistance of the qualified and impartial mediator and signed by both parties. Copies of the agreement must be sent to both parties.

(5) The costs of the mediation process must be paid by the State. The State is not required to pay for any costs related to the representation of an applicant or eligible individual authorized

under paragraph (b)(3)(ii) of this section.

(e) *Impartial due process hearings.* The State unit must establish and implement formal review procedures, as required under paragraph (b)(1)(i) of this section, that provide that—

(1) A hearing conducted by an impartial hearing officer, selected in accordance with paragraph (f) of this section, must be held within 60 days of an applicant's or eligible individual's request for review of a determination made by personnel of the State unit that affects the provision of vocational rehabilitation services to the individual, unless informal resolution or a mediation agreement is achieved prior to the 60th day or the parties agree to a specific extension of time;

(2) In addition to the rights described in paragraph (b)(3) of this section, the applicant or eligible individual or, if appropriate, the individual's representative must be given the opportunity to present witnesses during the hearing and to examine all witnesses and other relevant sources of information and evidence;

(3) The impartial hearing officer must—

(i) Make a decision based on the provisions of the approved State plan, the Act, Federal vocational rehabilitation regulations, and State regulations and policies that are consistent with Federal requirements; and

(ii) Provide to the individual or, if appropriate, the individual's representative and to the State unit a full written report of the findings and grounds for the decision within 30 days of the completion of the hearing; and

(4) The hearing officer's decision is final, except that a party may request an impartial review under paragraph (g)(1) of this section if the State has established procedures for that review, and a party involved in a hearing may bring a civil action under paragraph (i) of this section.

(f) *Selection of impartial hearing officers.* The impartial hearing officer for a particular case must be selected—

(1) From a list of qualified impartial hearing officers maintained by the State unit. Impartial hearing officers included on the list must be—

§ 361.57

34 CFR Ch. III (7-1-10 Edition)

(i) Identified by the State unit if the State unit is an independent commission; or

(ii) Jointly identified by the State unit and the State Rehabilitation Council if the State has a Council; and

(2)(i) On a random basis; or

(ii) By agreement between the director of the designated State unit and the applicant or eligible individual or, as appropriate, the individual's representative.

(g) *Administrative review of hearing officer's decision.* The State may establish procedures to enable a party who is dissatisfied with the decision of the impartial hearing officer to seek an impartial administrative review of the decision under paragraph (e)(3) of this section in accordance with the following requirements:

(1) A request for administrative review under paragraph (g) of this section must be made within 20 days of the mailing of the impartial hearing officer's decision.

(2) Administrative review of the hearing officer's decision must be conducted by—

(i) The chief official of the designated State agency if the State has established both a designated State agency and a designated State unit under § 361.13(b); or

(ii) An official from the office of the Governor.

(3) The reviewing official described in paragraph (g)(2)(i) of this section—

(i) Provides both parties with an opportunity to submit additional evidence and information relevant to a final decision concerning the matter under review;

(ii) May not overturn or modify the hearing officer's decision, or any part of that decision, that supports the position of the applicant or eligible individual unless the reviewing official concludes, based on clear and convincing evidence, that the decision of the impartial hearing officer is clearly erroneous on the basis of being contrary to the approved State plan, the Act, Federal vocational rehabilitation regulations, or State regulations and policies that are consistent with Federal requirements;

(iii) Makes an independent, final decision following a review of the entire

hearing record and provides the decision in writing, including a full report of the findings and the statutory, regulatory, or policy grounds for the decision, to the applicant or eligible individual or, as appropriate, the individual's representative and to the State unit within 30 days of the request for administrative review under paragraph (g)(1) of this section; and

(iv) May not delegate the responsibility for making the final decision under paragraph (g) of this section to any officer or employee of the designated State unit.

(4) The reviewing official's decision under paragraph (g) of this section is final unless either party brings a civil action under paragraph (i) of this section.

(h) *Implementation of final decisions.* If a party brings a civil action under paragraph (h) of this section to challenge the final decision of a hearing officer under paragraph (e) of this section or to challenge the final decision of a State reviewing official under paragraph (g) of this section, the final decision of the hearing officer or State reviewing official must be implemented pending review by the court.

(i) *Civil action.* (1) Any party who disagrees with the findings and decision of an impartial hearing officer under paragraph (e) of this section in a State that has not established administrative review procedures under paragraph (g) of this section and any party who disagrees with the findings and decision under paragraph (g)(3)(iii) of this section have a right to bring a civil action with respect to the matter in dispute. The action may be brought in any State court of competent jurisdiction or in a district court of the United States of competent jurisdiction without regard to the amount in controversy.

(2) In any action brought under paragraph (i) of this section, the court—

(i) Receives the records related to the impartial due process hearing and the records related to the administrative review process, if applicable;

(ii) Hears additional evidence at the request of a party; and

(iii) Basing its decision on the preponderance of the evidence, grants the

relief that the court determines to be appropriate.

(j) *State fair hearing board.* A fair hearing board as defined in §361.5(b)(22) is authorized to carry out the responsibilities of the impartial hearing officer under paragraph (e) of this section in accordance with the following criteria:

(1) The fair hearing board may conduct due process hearings either collectively or by assigning responsibility for conducting the hearing to one or more members of the fair hearing board.

(2) The final decision issued by the fair hearing board following a hearing under paragraph (j)(1) of this section must be made collectively by, or by a majority vote of, the fair hearing board.

(3) The provisions of paragraphs (b)(1), (2), and (3) of this section that relate to due process hearings and of paragraphs (e), (f), (g), and (h) of this section do not apply to fair hearing boards under this paragraph (j).

(k) *Data collection.* (1) The director of the designated State unit must collect and submit, at a minimum, the following data to the Commissioner of the Rehabilitation Services Administration (RSA) for inclusion each year in the annual report to Congress under section 13 of the Act:

(i) A copy of the standards used by State reviewing officials for reviewing decisions made by impartial hearing officers under this section.

(ii) The number of mediations held, including the number of mediation agreements reached.

(iii) The number of hearings and reviews sought from impartial hearing officers and State reviewing officials, including the type of complaints and the issues involved.

(iv) The number of hearing officer decisions that were not reviewed by administrative reviewing officials.

(v) The number of hearing decisions that were reviewed by State reviewing officials and, based on these reviews, the number of hearing decisions that were—

(A) Sustained in favor of an applicant or eligible individual;

(B) Sustained in favor of the designated State unit;

(C) Reversed in whole or in part in favor of the applicant or eligible individual; and

(D) Reversed in whole or in part in favor of the State unit.

(2) The State unit director also must collect and submit to the Commissioner of RSA copies of all final decisions issued by impartial hearing officers under paragraph (e) of this section and by State review officials under paragraph (g) of this section.

(3) The confidentiality of records of applicants and eligible individuals maintained by the State unit may not preclude the access of the RSA Commissioner to those records for the purposes described in this section.

Subpart C—Financing of State Vocational Rehabilitation Programs

§ 361.60 Matching requirements.

(a) *Federal share—(1) General.* Except as provided in paragraph (a)(2) of this section, the Federal share for expenditures made by the State under the State plan, including expenditures for the provision of vocational rehabilitation services and the administration of the State plan, is 78.7 percent.

(2) *Construction projects.* The Federal share for expenditures made for the construction of a facility for community rehabilitation program purposes may not be more than 50 percent of the total cost of the project.

(b) *Non-Federal share—(1) General.* Except as provided in paragraph (b)(2) and (3) of this section, expenditures made under the State plan to meet the non-Federal share under this section must be consistent with the provisions of 34 CFR 80.24.

(2) *Third party in-kind contributions.* Third party in-kind contributions specified in 34 CFR 80.24(a)(2) may not be used to meet the non-Federal share under this section.

(3) *Contributions by private entities.* Expenditures made from contributions

§361.61

34 CFR Ch. III (7–1–10 Edition)

by private organizations, agencies, or individuals that are deposited in the account of the State agency or sole local agency in accordance with State law and that are earmarked, under a condition imposed by the contributor, may be used as part of the non-Federal share under this section if the funds are earmarked for—

(i) Meeting in whole or in part the State's share for establishing a community rehabilitation program or constructing a particular facility for community rehabilitation program purposes;

(ii) Particular geographic areas within the State for any purpose under the State plan, other than those described in paragraph (b)(3)(i) of this section, in accordance with the following criteria:

(A) Before funds that are earmarked for a particular geographic area may be used as part of the non-Federal share, the State must notify the Secretary that the State cannot provide the full non-Federal share without using these funds.

(B) Funds that are earmarked for a particular geographic area may be used as part of the non-Federal share without requesting a waiver of statewideness under §361.26.

(C) Except as provided in paragraph (b)(3)(i) of this section, all Federal funds must be used on a statewide basis consistent with §361.25, unless a waiver of statewideness is obtained under §361.26; and

(iii) Any other purpose under the State plan, provided the expenditures do not benefit in any way the donor, an individual to whom the donor is related by blood or marriage or with whom the donor has a close personal relationship, or an individual, entity, or organization with whom the donor shares a financial interest. The Secretary does not consider a donor's receipt from the State unit of a grant, subgrant, or contract with funds allotted under this part to be a benefit for the purposes of this paragraph if the grant, subgrant, or contract is awarded under the State's regular competitive procedures.

(Authority: Sections 7(14), 101(a)(3), 101(a)(4) and 104 of the Act; 29 U.S.C. 706(14), 721(a)(3), 721(a)(4) and 724)

Example for paragraph (b)(3): Contributions may be earmarked in accordance with §361.60(b)(3)(iii) for providing particular services (*e.g.*, rehabilitation technology services); serving individuals with certain types of disabilities (*e.g.*, individuals who are blind), consistent with the State's order of selection, if applicable; providing services to special groups that State or Federal law permits to be targeted for services (*e.g.*, students with disabilities who are receiving special education services), consistent with the State's order of selection, if applicable; or carrying out particular types of administrative activities permissible under State law. Contributions also may be restricted to particular geographic areas to increase services or expand the scope of services that are available statewide under the State plan in accordance with the requirements in §361.60(b)(3)(ii).

§361.61 Limitation on use of funds for construction expenditures.

No more than 10 percent of a State's allotment for any fiscal year under section 110 of the Act may be spent on the construction of facilities for community rehabilitation program purposes.

(Authority: Section 101(a)(17)(A) of the Act; 29 U.S.C. 721(a)(17)(A))

§361.62 Maintenance of effort requirements.

(a) *General requirements.* (1) The Secretary reduces the amount otherwise payable to a State for a fiscal year by the amount by which the total expenditures from non-Federal sources under the State plan for the previous fiscal year were less than the total of those expenditures for the fiscal year 2 years prior to the previous fiscal year.

Example: For fiscal year 2001, a State's maintenance of effort level is based on the amount of its expenditures from non-Federal sources for fiscal year 1999. Thus, if the State's non-Federal expenditures in 2001 are less than they were in 1999, the State has a maintenance of effort deficit, and the Secretary reduces the State's allotment in 2002 by the amount of that deficit.

(2) If, at the time the Secretary makes a determination that a State has failed to meet its maintenance of effort requirements, it is too late for the Secretary to make a reduction in

accordance with paragraph (a)(1) of this section, then the Secretary recovers the amount of the maintenance of effort deficit through audit disallowance.

(b) *Specific requirements for construction of facilities.* If the State provides for the construction of a facility for community rehabilitation program purposes, the amount of the State's share of expenditures for vocational rehabilitation services under the plan, other than for the construction of a facility for community rehabilitation program purposes or the establishment of a facility for community rehabilitation purposes, must be at least equal to the expenditures for those services for the second prior fiscal year. If a State fails to meet the requirements of this paragraph, the Secretary recovers the amount of the maintenance of effort deficit through audit disallowance.

(c) *Separate State agency for vocational rehabilitation services for individuals who are blind.* If there is a separate part of the State plan administered by a separate State agency to provide vocational rehabilitation services for individuals who are blind—

(1) Satisfaction of the maintenance of effort requirements under paragraphs (a) and (b) of this section are determined based on the total amount of a State's non-Federal expenditures under both parts of the State plan; and

(2) If a State fails to meet any maintenance of effort requirement, the Secretary reduces the amount otherwise payable to the State for that fiscal year under each part of the plan in direct relation to the amount by which expenditures from non-Federal sources under each part of the plan in the previous fiscal year were less than they were for that part of the plan for the fiscal year 2 years prior to the previous fiscal year.

(d) *Waiver or modification.* (1) The Secretary may waive or modify the maintenance of effort requirement in paragraph (a)(1) of this section if the Secretary determines that a waiver or modification is necessary to permit the State to respond to exceptional or uncontrollable circumstances, such as a major natural disaster or a serious economic downturn, that—

(i) Cause significant unanticipated expenditures or reductions in revenue that result in a general reduction of programs within the State; or

(ii) Require the State to make substantial expenditures in the vocational rehabilitation program for long-term purposes due to the one-time costs associated with the construction of a facility for community rehabilitation program purposes, the establishment of a facility for community rehabilitation program purposes, or the acquisition of equipment.

(2) The Secretary may waive or modify the maintenance of effort requirement in paragraph (b) of this section or the 10 percent allotment limitation in § 361.61 if the Secretary determines that a waiver or modification is necessary to permit the State to respond to exceptional or uncontrollable circumstances, such as a major natural disaster, that result in significant destruction of existing facilities and require the State to make substantial expenditures for the construction of a facility for community rehabilitation program purposes or the establishment of a facility for community rehabilitation program purposes in order to provide vocational rehabilitation services.

(3) A written request for waiver or modification, including supporting justification, must be submitted to the Secretary as soon as the State determines that an exceptional or uncontrollable circumstance will prevent it from making its required expenditures from non-Federal sources.

§ 361.63 Program income.

(a) *Definition.* For purposes of this section, *program income* means gross income received by the State that is directly generated by an activity supported under this part.

(b) *Sources.* Sources of program income include, but are not limited to, payments from the Social Security Administration for assisting Social Security beneficiaries and recipients to

§ 361.64

achieve employment outcomes, payments received from workers' compensation funds, fees for services to defray part or all of the costs of services provided to particular individuals, and income generated by a State-operated community rehabilitation program.

(c) *Use of program income.* (1) Except as provided in paragraph (c)(2) of this section, program income, whenever earned, must be used for the provision of vocational rehabilitation services and the administration of the State plan. Program income is considered earned when it is received.

(2) Payments provided to a State from the Social Security Administration for assisting Social Security beneficiaries and recipients to achieve employment outcomes may also be used to carry out programs under part B of Title I of the Act (client assistance), part B of Title VI of the Act (supported employment), and Title VII of the Act (independent living).

(3) The State is authorized to treat program income as—

(i) An addition to the grant funds to be used for additional allowable program expenditures, in accordance with 34 CFR 80.25(g)(2); or

(ii) A deduction from total allowable costs, in accordance with 34 CFR 80.25(g)(1).

(4) Program income cannot be used to meet the non-Federal share requirement under § 361.60.

(Authority: Section 108 of the Act; 29 U.S.C. 728; 34 CFR 80.25)

§ 361.64 Obligation of Federal funds and program income.

(a) Except as provided in paragraph (b) of this section, any Federal funds, including reallocated funds, that are appropriated for a fiscal year to carry out a program under this part that are not obligated by the State by the beginning of the succeeding fiscal year and any program income received during a fiscal year that is not obligated by the State by the beginning of the succeeding fiscal year remain available for obligation by the State during that succeeding fiscal year.

(b) Federal funds appropriated for a fiscal year remain available for obligation in the succeeding fiscal year only to the extent that the State met the

34 CFR Ch. III (7–1–10 Edition)

matching requirement for those Federal funds by obligating, in accordance with 34 CFR 76.707, the non-Federal share in the fiscal year for which the funds were appropriated.

(Authority: Section 19 of the Act; 29 U.S.C. 716)

§ 361.65 Allotment and payment of Federal funds for vocational rehabilitation services.

(a) *Allotment.* (1) The allotment of Federal funds for vocational rehabilitation services for each State is computed in accordance with the requirements of section 110 of the Act, and payments are made to the State on a quarterly basis, unless some other period is established by the Secretary.

(2) If the State plan designates one State agency to administer, or supervise the administration of, the part of the plan under which vocational rehabilitation services are provided for individuals who are blind and another State agency to administer the rest of the plan, the division of the State's allotment is a matter for State determination.

(b) *Reallotment.* (1) The Secretary determines not later than 45 days before the end of a fiscal year which States, if any, will not use their full allotment.

(2) As soon as possible, but not later than the end of the fiscal year, the Secretary reallots these funds to other States that can use those additional funds during the current or subsequent fiscal year, provided the State can meet the matching requirement by obligating the non-Federal share of any reallocated funds in the fiscal year for which the funds were appropriated.

(3) Funds reallocated to another State are considered to be an increase in the recipient State's allotment for the fiscal year for which the funds were appropriated.

Subpart D [Reserved]

Subpart E—Evaluation Standards and Performance Indicators

§ 361.80 Purpose.

The purpose of this subpart is to establish evaluation standards and performance indicators for the Program.

(Authority: 29 U.S.C. 726(a))

§ 361.81 Applicable definitions.

In addition to those definitions in § 361.5(b), the following definitions apply to this subpart:

Average hourly earnings means the average per hour earnings in the week prior to exiting the vocational rehabilitation (VR) program of an eligible individual who has achieved a competitive employment outcome.

Business Enterprise Program (BEP) means an employment outcome in which an individual with a significant disability operates a vending facility or other small business under the management and supervision of a designated State unit (DSU). This term includes home industry, farming, and other enterprises.

Exit the VR program means that a DSU has closed the individual's record of VR services in one of the following categories:

- (1) Ineligible for VR services.
- (2) Received services under an individualized plan for employment (IPE) and achieved an employment outcome.
- (3) Received services under an IPE but did not achieve an employment outcome.
- (4) Eligible for VR services but did not receive services under an IPE.

General or combined DSU means a DSU that does not serve exclusively individuals with visual impairments or blindness.

Individuals from a minority background means individuals who report their race and ethnicity in any of the following categories: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, or Hispanic or Latino.

Minimum wage means the higher of the rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938, 29 U.S.C. 206(a)(1), (i.e., the Federal minimum wage) or applicable State minimum wage law.

Non-minority individuals means individuals who report themselves exclusively as White, non-Hispanic.

Performance period is the reporting period during which a DSU's performance is measured. For Evaluation Standards 1 and 2, performance data must be aggregated and reported for each fiscal year beginning with fiscal year 1999. However, DSUs that exclusively serve individuals with visual impairments or blindness must report each year the aggregated data for the 2 previous years for Performance Indicators 1.1 through 1.6; the second year must coincide with the performance period for general or combined DSUs.

Primary indicators means Performance Indicators 1.3, 1.4, and 1.5, which are specifically designed to measure—

(1) The achievement of competitive, self-, or BEP employment with earnings equivalent to the minimum wage or higher, particularly by individuals with significant disabilities; and

(2) The ratio between the average hourly earnings of individuals who exit the VR program in competitive, self-, or BEP employment with earnings equivalent to the minimum wage or higher and the State's average hourly earnings for all employed individuals.

RSA-911 means the Case Service Report that is submitted annually by a DSU as approved by the Office of Management and Budget (OMB).

Self-employment means an employment outcome in which the individual works for profit or fee in his or her own business, farm, shop, or office, including sharecroppers.

Service rate means the result obtained by dividing the number of individuals who exit the VR program after receiving one or more services under an IPE during any reporting period by the total number of individuals who exit the VR program (as defined in this section) during that reporting period.

State's average hourly earnings means the average hourly earnings of all persons in the State in which the DSU is located.

(Authority: 29 U.S.C. 726(a))

§ 361.82 Evaluation standards.

(a) The Secretary establishes two evaluation standards to evaluate the performance of each DSU that receives

§ 361.84

funds under this part. The evaluation standards assist the Secretary and each DSU to evaluate a DSU's performance in serving individuals with disabilities under the VR program.

(b) A DSU must achieve successful performance on both evaluation standards during each performance period.

(c) The evaluation standards for the VR program are—

(1) *Evaluation Standard 1—Employment outcomes.* A DSU must assist any eligible individual, including an individual with a significant disability, to obtain, maintain, or regain high-quality employment.

(2) *Evaluation Standard 2—Equal access to services.* A DSU must ensure that individuals from minority backgrounds have equal access to VR services.

(Approved by the Office of Management and Budget under control number 1820–0508)

(Authority: 29 U.S.C. 726(a))

§ 361.84 Performance indicators.

(a) The performance indicators establish what constitutes minimum compliance with the evaluation standards.

(b) The performance indicators require a DSU to provide information on a variety of factors to enable the Secretary to measure compliance with the evaluation standards.

(c) The performance indicators are as follows:

(1) *Employment outcomes.*

(i) *Performance Indicator 1.1.* The number of individuals exiting the VR program who achieved an employment outcome during the current performance period compared to the number of individuals who exit the VR program after achieving an employment outcome during the previous performance period.

(ii) *Performance Indicator 1.2.* Of all individuals who exit the VR program after receiving services, the percentage who are determined to have achieved an employment outcome.

(iii) *Performance Indicator 1.3.* Of all individuals determined to have achieved an employment outcome, the percentage who exit the VR program in competitive, self-, or BEP employment with earnings equivalent to at least the minimum wage.

(iv) *Performance Indicator 1.4.* Of all individuals who exit the VR program in

competitive, self-, or BEP employment with earnings equivalent to at least the minimum wage, the percentage who are individuals with significant disabilities.

(v) *Performance Indicator 1.5.* The average hourly earnings of all individuals who exit the VR program in competitive, self-, or BEP employment with earnings levels equivalent to at least the minimum wage as a ratio to the State's average hourly earnings for all individuals in the State who are employed (as derived from the Bureau of Labor Statistics report "State Average Annual Pay" for the most recent available year).

(vi) *Performance Indicator 1.6.* Of all individuals who exit the VR program in competitive, self-, or BEP employment with earnings equivalent to at least the minimum wage, the difference between the percentage who report their own income as the largest single source of economic support at the time they exit the VR program and the percentage who report their own income as the largest single source of support at the time they apply for VR services.

(2) *Equal access to services—(i) Performance Indicator 2.1.* The service rate for all individuals with disabilities from minority backgrounds as a ratio to the service rate for all non-minority individuals with disabilities.

(Approved by the Office of Management and Budget under control number 1820–0508)

(Authority: 29 U.S.C. 726(a))

§ 361.86 Performance levels.

(a) *General.* (1) Paragraph (b) of this section establishes performance levels for—

- (i) General or combined DSUs; and
- (ii) DSUs serving exclusively individuals who are visually impaired or blind.

(2) The Secretary may establish, by regulations, new performance levels.

(b) *Performance levels for each performance indicator.* (1)(i) The performance levels for Performance Indicators 1.1 through 1.6 are—

Performance indicator	Performance level by type of DSU	
	General/Combined	Blind
1.1	Equal or exceed previous performance period.	Same.
1.2	55.8%	68.9%.

Performance indicator	Performance level by type of DSU	
	General/Combined	Blind
1.3	72.6%	35.4%
1.4	62.4%	89.0%
1.552 (Ratio)59
1.6	53.0 (Math. Difference)	30.4

(ii) To achieve successful performance on Evaluation Standard 1 (Employment outcomes), a DSU must meet or exceed the performance levels established for four of the six performance indicators in the evaluation standard, including meeting or exceeding the performance levels for two of the three primary indicators (Performance Indicators 1.3, 1.4, and 1.5).

(2)(i) The performance level for Performance Indicator 2.1 is—

Performance indicator	Performance levels
2.180 (Ratio).

(ii) To achieve successful performance on Evaluation Standard 2 (Equal access), DSUs must meet or exceed the performance level established for Performance Indicator 2.1 or meet the performance requirement in paragraph (2)(iii) of this section.

(iii) If a DSU's performance does not meet or exceed the performance level required for Performance Indicator 2.1, or if fewer than 100 individuals from a minority population have exited the VR program during the reporting period, the DSU must describe the policies it has adopted or will adopt and the steps it has taken or will take to ensure that individuals with disabilities from minority backgrounds have equal access to VR services.

(Authority: 29 U.S.C. 726(a))

§ 361.88 Reporting requirements.

(a) The Secretary requires that each DSU report within 60 days after the end of each fiscal year the extent to which the State is in compliance with the evaluation standards and performance indicators and include in this report the following RSA-911 data:

(1) The number of individuals who exited the VR program in each closure category as specified in the definition of "Exit the VR program" under § 361.81.

(2) The number of individuals who exited the VR program in competitive,

self-, or BEP employment with earnings at or above the minimum wage.

(3) The number of individuals with significant disabilities who exited the VR program in competitive, self-, or BEP employment with earnings at or above the minimum wage.

(4) The weekly earnings and hours worked of individuals who exited the VR program in competitive, self-, or BEP employment with earnings at or above the minimum wage.

(5) The number of individuals who exited the VR program in competitive, self-, or BEP employment with earnings at or above the minimum wage whose primary source of support at the time they applied for VR services was "personal income."

(6) The number of individuals who exited the VR program in competitive, self-, or BEP employment with earnings at or above the minimum wage whose primary source of support at closure was "personal income."

(7) The number of individuals exiting the VR program who are individuals from a minority background.

(8) The number of non-minority individuals exiting the VR program.

(9) The number of individuals from a minority background exiting the VR program after receiving services under an IPE.

(10) The number of non-minority individuals exiting the VR program after receiving services under an IPE.

(b) In lieu of the report required in paragraph (a) of this section, a DSU may submit its RSA-911 data on tape, diskette, or any alternative electronic format that is compatible with RSA's capability to process such an alternative, as long as the tape, diskette, or alternative electronic format includes the data that—

(1) Are required by paragraph (a)(1) through (10) of this section; and

(2) Meet the requirements of paragraph (c) of this section.

(c) Data reported by a DSU must be valid, accurate, and in a consistent format. If a DSU fails to submit data that are valid, accurate, and in a consistent format within the 60-day period, the

§ 361.89

DSU must develop a program improvement plan pursuant to § 361.89(a).

(Approved by the Office of Management and Budget under control number 1820-0508)

(Authority: 29 U.S.C. 726(b))

§ 361.89 Enforcement procedures.

(a) If a DSU fails to meet the established performance levels on both evaluation standards as required by § 361.82(b), the Secretary and the DSU must jointly develop a program improvement plan that outlines the specific actions to be taken by the DSU to improve program performance.

(b) In developing the program improvement plan, the Secretary considers all available data and information related to the DSU's performance.

(c) When a program improvement plan is in effect, review of the plan is conducted on a biannual basis. If necessary, the Secretary may request that a DSU make further revisions to the plan to improve performance. If the Secretary establishes new performance levels under § 361.86(a)(2), the Secretary and the DSU must jointly modify the program improvement plan based on the new performance levels. The Secretary continues reviews and requests revisions until the DSU sustains satisfactory performance based on the current performance levels over a period of more than 1 year.

(d) If the Secretary determines that a DSU with less than satisfactory performance has failed to enter into a program improvement plan or comply substantially with the terms and conditions of the program improvement plan, the Secretary, consistent with the procedures specified in § 361.11, reduces or makes no further payments to the DSU under this program until the DSU has met one of these two requirements or raised its subsequent performance to meet the current overall minimum satisfactory level on the compliance indicators.

APPENDIX A TO PART 361—QUESTIONS AND ANSWERS

The following questions and answers provide a summary of some of the most common

34 CFR Ch. III (7-1-10 Edition)

and critical questions that we received regarding this part 361 and the applicable responses. As is evident from the responses, we maintain that redefining the term "employment outcome" for purposes of the VR program to mean outcomes that occur in integrated settings will promote the provision of opportunities for all VR-eligible individuals to pursue the types of jobs that generally are available to the public.

Is Extended Employment Still a Legitimate Employment Option?

Yes. Employment in a sheltered setting is a legitimate and valuable employment option for individuals with disabilities. Implementation of these regulations will not change that fact. Individuals still may choose to pursue long-term extended employment outside of the VR program, and these regulations ensure that those individuals' needs are met by requiring the VR agency to make the necessary referral to local extended employment providers.

Do the Regulations Restrict Individual Choice?

No. We interpret the concept of individual choice in the Act as a choice among the employment outcomes under the VR program specified in the statute or by the Secretary in regulations.

Extended employment (i.e., sheltered or non-integrated employment) remains both an initial step toward achieving integrated employment under the VR program and a long-term employment option through sources of support other than the VR program. In recognizing that some individuals with disabilities may wish to work in an extended employment setting, these regulations require the VR agency to ensure that these individuals are afforded the opportunity to do so by referring them to local extended employment providers. Those providers currently support the vast majority of sheltered workers through non-VR program resources. Moreover, persons wishing to prepare for integrated employment by initially working in an extended employment setting also may do so. In these cases, the VR agency cannot discontinue VR services until the individual transitions to integrated work in the community.

Can State Agencies Refuse To Serve Those With the Most Significant Disabilities?

No. Both the Act and regulations guard against that result. Persons with disabilities may not be excluded from the VR program based on an assumption or belief that the individual is incapable of working in an integrated setting. Rather, State units are required to establish clear and convincing evidence that an individual is incapable of achieving an employment outcome, for purposes of the VR program, and must conduct

a trial work assessment of the individual's abilities before it can refuse services to any individual who it initially believes is incapable of working in an intergrated job setting.

Are Homemaker and Unpaid Family Worker Considered Employment Outcomes for Purposes of the VR Program?

Yes. The chief purpose of the regulations is to ensure that individuals with disabilities participating in the VR program are able to pursue the same type of employment opportunities that are available to the general public. Extended employment jobs, unlike homemakers and unpaid family workers, are primarily reserved for those with disabilities.

Will the Regulations Serve To Close Down Sheltered Workshops?

No. Sheltered workshops are primarily supported by other State, local, and private resources and rely very little on VR program funds. Persons who prefer to work in extended employment on a long-term basis are assured access to local extended employment programs through the referral requirements in the regulations. Also, those participants in the VR program who can best prepare for integrated employment by working in an extended employment setting as part of a training and assessment program are able to follow that path as well. Thus, extended employment programs and sheltered workshops continue to serve essentially the same role that they currently serve.

§ 363.6 What definitions apply?

(a) *Definitions in 34 CFR part 361.* The following terms used in this part are defined in 34 CFR 369.4(b):

- Act
- Designated State unit
- Individual with disabilities
- Individual with severe disabilities
- State plan

(b) *Definitions in EDGAR.* The following terms used in this part are defined in 34 CFR 77.1:

- Fiscal Year
- Nonprofit
- Private Secretary
- State

(c) *Other definitions.* The following definitions also apply to this part:

(1) *Supported employment* means—

(i) Competitive employment in an integrated setting with ongoing support services for individuals with the most severe disabilities—

(A) For whom competitive employment has not traditionally occurred or for whom competitive employment has been interrupted or intermittent as a result of a severe disability; and

(B) Who, because of the nature and severity of their disabilities, need intensive supported employment services from the designated State unit and extended services after transition in order to perform this work; or

(ii) Transitional employment for individuals with the most severe disabilities due to mental illness.

(2) As used in the definition of “Supported employment”—

(i) *Competitive employment* means work—

(A) In the competitive labor market that is performed on a full-time or part-time basis in an integrated setting; and

(B) For which an individual is compensated at or above the minimum wage, but not less than the customary or usual wage paid by the employer for the same or similar work performed by individuals who are not disabled.

(ii) *Integrated setting* means a setting typically found in the community in which an individual with the most severe disabilities interacts with non-disabled individuals, other than non-disabled individuals who are providing services to that individual, to the same

extent that non-disabled individuals in comparable positions interact with other persons.

(iii) *Supported employment services* means on-going support services provided by the designated State unit with funds under this part—

(A) For a period not to exceed 18 months, unless under special circumstances a longer period to achieve job stabilization has been jointly agreed to by the individual and the rehabilitation counselor and established in the individualized written rehabilitation program, before an individual with the most severe disabilities makes the transition to extended services; and

(B) As discrete post-employment services following transition in accordance with § 363.4(c)(3);

(iv) *Extended services* means on-going support services and other appropriate services provided by a State agency, a private nonprofit organization, employer, or any other appropriate resource, from funds other than funds received under this part, part 381, part 376, or part 380, after an individual with the most severe disabilities has made the transition from State vocational rehabilitation agency support; and

(v) *Transitional employment* means a series of temporary job placements in competitive work in an integrated work setting with on-going support services for individuals with the most severe disabilities due to mental illness. In transitional employment, the provision of on-going support services must include continuing sequential job placements until job permanency is achieved.

(3) *On-going support services* means services that are—

(i) Needed to support and maintain an individual with the most severe disabilities in supported employment;

(ii) Based on a determination by the designated State unit of the individual’s needs as specified in an individualized written rehabilitation program; and

(iii) Furnished by the designated State unit from the time of job placement until transition to extended services, except as provided in § 363.4(c)(3) and, following transition, by one or more extended services providers

§ 363.10

throughout the individual's term of employment in a particular job placement or multiple placements if those placements are being provided under a program of transitional employment. On-going support services must include, at a minimum, twice-monthly monitoring at the work site of each individual in supported employment to assess employment stability, unless under special circumstances, especially at the request of the individual, the individualized written rehabilitation program provides for off-site monitoring, and, based upon that assessment, the coordination or provision of specific services at or away from the work site, that are needed to maintain employment stability. If off-site monitoring is determined to be appropriate, it must, at a minimum, consist of two meetings with the individual and one contact with the employer each month. (2) Will determine how successful the project is in meeting its goals and objectives; and

(3) Are objective and produce data that are quantifiable.

(4) (Cross-reference: See 34 CFR 75.590.)

(g) *Plan of operation* (20 points). The Secretary reviews each application for information that shows the quality of the plan of operation for the project, including—

(2) The extent to which the plan of management ensures proper and efficient administration of the project;

(3) How well the objectives of the project relate to the purpose of the program;

(4) The quality and adequacy of the applicant's plan to use its resources (including funding, facilities, equipment, and supplies) and personnel to achieve each objective;

(5) How the applicant will ensure that project participants who are otherwise eligible to participate are selected without regard to race, color, national origin, gender, age, or disability; and

(6) A clear description of how the applicant will provide equal access to services for eligible project participants who are members of groups that have been traditionally under-represented, including—

- (i) Members of racial or ethnic minority groups;
- (ii) Women;

(a) The Secretary may use funds from the allotment of one State to award a grant to a center located in a bordering State if the Secretary determines that the proposal of the out-of-State center to serve individuals with significant disabilities who reside in the bordering State is consistent with the State plan of the State in which these individuals reside.

(b) An applicant shall submit documentation demonstrating that the arrangements described in paragraph (a) of this section are consistent with the State plan of the State in which the individuals reside.

Subpart D—Grants to Centers in States in Which State Funding Equals or Exceeds Federal Funding

DETERMINING WHETHER STATE FUNDING EQUALS OR EXCEEDS FEDERAL FUNDING

§ 366.29 When may the Director of the designated State unit (DSU) award grants to centers?

(a) The Director of the DSU (Director) may award grants under section 723 of the Act and this subpart to centers located within the State or in a bordering State in a fiscal year if—

(1) The Director submits to the Secretary and obtains approval of an application to award grants for that fiscal year under section 723 of the Act and § 366.32 (a) and (b); and

(2) The Secretary determines that the amount of State funds that were earmarked by the State to support the general operation of centers meeting the requirements of part C of chapter 1 of title VII of the Act in the second fiscal year preceding the fiscal year for which the application is submitted equaled or exceeded the amount of funds allotted to the State under section 721 (c) and (d) of the Act (or part B of title VII of the Act as in effect on October 28, 1992) for that preceding fiscal year.

(b) For purposes of section 723(a)(1)(A)(iii) of the Act and this subpart, the second fiscal year preceding the fiscal year for which the State submits an application to administer the CIL program is considered the “preceding fiscal year.” *Example:* If FY 1995 is the fiscal year for which the State submits an application to administer the CIL program under this subpart, FY 1993 is the “preceding fiscal year.” In determining the “preceding fiscal year” under this subpart, the Secretary makes any adjustments necessary to accommodate a State’s multi-year funding cycle or fiscal year that does not coincide with the Federal fiscal year.

(Approved by the Office of Management and Budget under control number 1820-0018)

(Authority: 29 U.S.C. 796f-2(a)(3))

§ 366.30 What are earmarked funds?

(a) For purposes of this subpart, the amount of State funds that were earmarked by a State to support the general operation of centers does not include—

- (1) Federal funds used for the general operation of centers;
- (2) State funds used to purchase specific services from a center, including State funds used for grants or contracts to procure or purchase personal assistance services or particular types of skills training;
- (3) State attendant care funds; or
- (4) Social Security Administration reimbursement funds.

(b) For purposes of this subpart, *earmarked funds* means funds appropriated by the State and expressly or clearly identified as State expenditures in the relevant fiscal year for the sole purpose of funding the general operation of centers.

(Authority: 29 U.S.C. 711(c) and 796f-2(a)(1)(A))

§ 366.31 What happens if the amount of earmarked funds does not equal or exceed the amount of Federal funds for a preceding fiscal year?

If the State submits an application to administer the CIL program under section 723 of the Act and this subpart for a fiscal year, but did not earmark the amount of State funds required by § 366.29(a)(2) in the preceding fiscal year, the State shall be ineligible to make grants under section 723 of the Act and this subpart after the end of the fiscal year succeeding the preceding fiscal year and for each succeeding fiscal year.

Example: A State meets the earmarking requirement in FY 1994. It also meets this requirement in FY 1995. However, in reviewing the State's application to administer the CIL program in FY 1998, the Secretary determines that the State failed to meet the earmarking requirement in FY 1996. The State may continue to award grants in FY 1997 but may not do so in FY 1998 and succeeding fiscal years.

(Authority: 29 U.S.C. 796f-2(a)(1)(B))

AWARDING GRANTS

§ 366.32 Under what circumstances may the DSU make grants?

(a) To be eligible to award grants under this subpart and to carry out section 723 of the Act for a fiscal year, the Director must submit to the Secretary for approval an application at the time and in the manner that the Secretary may require and that includes, at a minimum—

(1) Information demonstrating that the amount of funds earmarked by the State for the general operation of centers meets the requirements in § 366.29(a)(1); and

(2) A summary of the annual performance reports submitted to the Director from centers in accordance with § 366.50(n).

(b) If the amount of funds earmarked by the State for the general operation of centers meets the requirements in § 366.29(a)(1), the Secretary approves the application and designates the Director to award the grants and carry out section 723 of the Act.

(c) If the Secretary designates the Director to award grants and carry out section 723 of the Act under paragraph (b) of this section, the Director makes grants to eligible agencies in a State, as described in § 366.2, for a fiscal year from the amount of funds allotted to the State under section 721(c) and (d) of the Act.

(d)(1) In the case of a State in which there is both a DSU responsible for providing IL services to the general population and a DSU responsible for providing IL services for individuals who are blind, for purposes of subparts D and E of this part, the "Director" shall be the Director of the general DSU.

(2) The State units described in paragraph (d)(1) of this section shall periodically consult with each other with respect to the provision of services for individuals who are blind.

(e) The Director may enter into assistance contracts with centers to carry out section 723 of the Act. For purposes of this paragraph, an assistance contract is an instrument whose principal purpose is to transfer funds allotted to the State under section 721 (c) and (d) of the Act and this part to an eligible agency to carry out section

§ 366.33

723 of the Act. Under an assistance contract, the DSU shall assume a role consistent with that of the Secretary under section 722 of the Act. If the DSU uses an assistance contract to award funds under section 723 of the Act, the DSU may not add any requirements, terms, or conditions to the assistance contract other than those that would be permitted if the assistance contract were a grant rather than an assistance contract. Under an assistance contract, as defined in this paragraph, the role of the DSU is to ensure that the terms of the assistance contract, which are established by chapter 1 of title VII of the Act and the implementing regulations in this part and 34 CFR part 364, are satisfied.

(f) The Director may not enter into procurement contracts with centers to carry out section 723 of the Act. For purposes of this paragraph, a procurement contract is an instrument whose principal purpose is to acquire (by purchase, lease, or barter) property or services for the direct benefit or use of the DSU. Under a procurement contract, the DSU prescribes the specific services it intends to procure and the terms and conditions of the procurement.

(g) In the enforcement of any breach of the terms and conditions of an assistance contract, the DSU shall follow the procedures established in §§366.40 through 366.45.

jointly agree on another order of priorities, the Director shall follow the order of priorities in §366.22 for allocating funds among centers within a State, to the extent funds are available.

(b) If the order of priorities in §366.22 is followed and, after meeting the priorities in §366.22(a) (1) and (2), there are insufficient funds under the State's allotment under section 721(c) and (d) of the Act to fund a new center under §366.22(a)(3), the Director may—

(1) Use the excess funds in the State to assist existing centers consistent with the State plan; or

(2) Return these funds to the Secretary for reallocation in accordance with section 721(d) of the Act.

(Authority: 29 U.S.C. 711(c) and 796f-2(e))

§ 366.35 What grants must be made to existing eligible agencies?

(Authority: 29 U.S.C. 796f-2(c))

§ 366.36 How is an award made to a new center?

the Director and the chairperson or other designated individual;

(i) Evidence of the need for a center, consistent with the State plan.

(ii) Any past performance of the applicant in providing services comparable to IL services.

(Authority: 29 U.S.C. 796f-2(d)(2))

§ 366.38 What are the procedures for review of centers?

(a) The Director shall, in accordance with section 723(g)(1) and (h) of the Act, periodically review each center receiving funds under section 723 of the Act to determine whether the center is in compliance with the standards and assurances in section 725 (b) and (c) of the Act and subparts F and G of this part.

(b) The periodic reviews of centers required by paragraph (a) of this section must include annual on-site compliance reviews of at least 15 percent of the centers assisted under section 723 of the Act in that State in each year.

(c) Each team that conducts an on-site compliance review of a center shall

include at least one person who is not an employee of the designated State agency, who has experience in the operation of centers, and who is jointly selected by the Director and the chairperson of the SILC, or other individual designated by the SILC to act on behalf of and at the direction of the SILC.

Subpart A—General

§ 370.1 What is the Client Assistance Program (CAP)?

The purpose of this program is to establish and carry out CAPs that—

(a) Advise and inform clients and client applicants of all services and benefits available to them through programs authorized under the Rehabilitation Act of 1973 (Act), as amended;

(b) Assist and advocate for clients and client applicants in their relationships with projects, programs, and community rehabilitation programs providing services under the Act; and

(c) Inform individuals with disabilities in the State, especially individuals with disabilities who have traditionally been unserved or underserved by vocational rehabilitation programs, of the services and benefits available to them under the Act and under title I of the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. 12101–12213.

(Authority: 29 U.S.C. 732(a))

§ 370.2 Who is eligible for an award?

(a) Any State, through its Governor, is eligible for an award under this part if the State submits, and receives approval of, an application in accordance with § 370.20.

(b) The Governor of each State shall designate a public or private agency to conduct the State's CAP under this part.

(c) Except as provided in paragraph (d) of this section, the Governor shall designate an agency that is independent of any agency that provides treatment, services, or rehabilitation to individuals under the Act.

(d) The Governor may, in the initial designation, designate an agency that provides treatment, services, or rehabilitation to individuals with disabilities under the Act if, at any time before February 22, 1984, there was an agency in the State that both—

(1) Was a grantee under section 112 of the Act by serving as a client assistance agency and directly carrying out a CAP; and

(2) Was, at the same time, a grantee under any other provision of the Act.

(e) Except as permitted in paragraph (f) of this section, an agency designated by the Governor of a State to conduct the State's CAP under this part may not award a subgrant to or enter into a contract with an agency that provides services under this Act either to carry out the CAP or to provide services under the CAP.

(f) An agency designated by the Governor of a State to conduct the State's CAP under this part may enter into a contract with a center for independent living (center) that provides services under the Act if—

(1) On February 22, 1984, the designated agency was contracting with one or more centers to provide CAP services; and

(2) The designated agency meets the requirements of paragraph (g) of this section.

(g) A designated agency that contracts to provide CAP services with a center (pursuant to paragraph (f) of this section) or with an entity or individual that does not provide services under the Act remains responsible for—

(1) The conduct of a CAP that meets all of the requirements of this part;

(2) Ensuring that the center, entity, or individual expends CAP funds in accordance with—

(i) The regulations in this part; and

(ii) The cost principles applicable to the designated agency; and

(3) The direct day-to-day supervision of the CAP services being carried out by the contractor. This day-to-day supervision must include the direct supervision of the individuals who are employed or used by the contractor to provide CAP services.

(Authority: 29 U.S.C. 711(c) and 732(a) and (c)(1)(A))

§ 370.3 Who is eligible for services and information under the CAP?

(a) Any client or client applicant is eligible for the services described in § 370.4.

(b) Any individual with a disability is eligible to receive information on the services and benefits available to individuals with disabilities under the Act and title I of the ADA.

(Authority: 29 U.S.C. 732(a))

§ 370.4 What kinds of activities may the Secretary fund?

(a) Funds made available under this part must be used for activities consistent with the purposes of this program, including—

(1) Advising and informing clients, client applicants, and individuals with disabilities in the State, especially individuals with disabilities who have traditionally been unserved or underserved by vocational rehabilitation programs, of—

(i) All services and benefits available to them through programs authorized under the Act; and

(ii) Their rights in connection with those services and benefits;

(2) Informing individuals with disabilities in the State, especially individuals with disabilities who have traditionally been unserved or underserved by vocational rehabilitation programs, of the services and benefits available to them under title I of the ADA;

(3) Upon the request of a client or client applicant, assisting and advocating on behalf of a client and client applicant in his or her relationship with projects, programs, and community rehabilitation programs that provide services under the Act by engaging in individual or systemic advocacy and pursuing, or assisting and advocating on behalf of a client and client appli-

cant to pursue, legal, administrative, and other available remedies, if necessary—

(i) To ensure the protection of the rights of a client or client applicant under the Act; and

(ii) To facilitate access by individuals with disabilities and individuals with disabilities who are making the transition from public school programs to services funded under the Act; and

(4) Providing information to the public concerning the CAP.

(b) In providing assistance and advocacy services under this part with respect to services under title I of the Act, a designated agency may provide assistance and advocacy services to a client or client applicant to facilitate the individual's employment, including assistance and advocacy services with respect to the individual's claims under title I of the ADA, if those claims under title I of the ADA are directly related to services under the Act that the individual is receiving or seeking.

(Authority: 29 U.S.C. 732(a))

§ 370.5 What regulations apply?

The following regulations apply to the expenditure of funds under the CAP:

(a) The Education Department General Administrative Regulations (EDGAR) as follows:

(1) 34 CFR part 74 (Administration of Grants to Institutions of Higher Education, Hospitals and Nonprofit Organizations) applies to the designated agency if the designated agency is not a State agency, local government agency, or Indian tribal organization. As the entity that eventually, if not directly, receives the CAP grant funds, the designated agency is considered a recipient for purposes of part 74.

(2) 34 CFR part 76 (State-Administered Programs) applies to the State and, if the designated agency is a State or local government agency, to the designated agency, except for—

- (i) § 76.103;
- (ii) §§ 76.125 through 76.137;
- (iii) §§ 76.300 through 76.401;
- (iv) § 76.708;
- (v) § 76.734; and
- (vi) § 76.740.

(3) 34 CFR part 77 (Definitions That Apply to Department Regulations).

§ 370.6

34 CFR Ch. III (7–1–10 Edition)

(4) 34 CFR part 79 (Intergovernmental Review of Department of Education Programs and Activities).

(5) 34 CFR part 80 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments) applies to the State and, if the designated agency is a State or local government agency, to the designated agency.

(6) 34 CFR part 81 (General Education Provisions Act-Enforcement) applies to both the State and the designated agency, whether or not the designated agency is the actual recipient of the CAP grant. As the entity that eventually, if not directly, receives the CAP grant funds, the designated agency is considered a recipient for purposes of Part 81.

(7) 34 CFR part 82 (New Restrictions on Lobbying).

(8) 34 CFR part 85 (Governmentwide Debarment and Suspension (Non-procurement) and Governmentwide Requirements for Drug-Free Workplace (Grants)).

(b) The regulations in this part 370.

(c) The regulations in 34 CFR 369.43, 369.46 and 369.48, relating to various conditions to be met by grantees.

NOTE: Any funds made available to a State under this program that are transferred by a State to a designated agency do not comprise a subgrant as that term is defined in 34 CFR 77.1. The designated agency is not, therefore, in these circumstances a subgrantee, as that term is defined in that section or in 34 CFR part 74, 76, or 80.)

(Authority: 29 U.S.C. 711(c) and 732)

§ 370.6 What definitions apply?

(a) *Definitions in EDGAR.* The following terms used in this part are defined in 34 CFR 77.1:

Award
EDGAR
Fiscal year
Nonprofit
Private
Public
Secretary

(b) *Other definitions.* The following definitions also apply to this part:

Act means the Rehabilitation Act of 1973, as amended.

Advocacy means pleading an individual's cause or speaking or writing in support of an individual. Advocacy

may be formal, as in the case of a lawyer representing an individual in a court of law or in formal administrative proceedings before government agencies (whether State, local or Federal). Advocacy also may be informal, as in the case of a lawyer or non-lawyer representing an individual in negotiations, mediation, or informal administrative proceedings before government agencies (whether State, local or Federal), or as in the case of a lawyer or non-lawyer representing an individual's cause before private entities or organizations, or government agencies (whether State, local or Federal). Advocacy may be on behalf of—

(1) A single individual, in which case it is *individual advocacy*;

(2) More than one individual or a group or class of individuals, in which case it is *systems* (or *systemic*) *advocacy*; or

(3) Oneself, in which case it is *self advocacy*.

Class action means a formal legal suit on behalf of a group or class of individuals filed in a Federal or State court that meets the requirements for a "class action" under Federal or State law. "Systems (or systemic) advocacy" that does not include filing a formal class action in a Federal or State court is not considered a class action for purposes of this part.

Client or client applicant means an individual receiving or seeking services under the Act, respectively.

Designated agency means the agency designated by the Governor under § 370.2 to conduct a client assistance program under this part.

Mediation means the act or process of using an independent third party to act as a mediator, intermediary, or conciliator to settle differences or disputes between persons or parties. The third party who acts as a mediator, intermediary, or conciliator may not be any entity or individual who is connected in any way with the eligible system or the agency, entity, or individual with whom the individual with a disability has a dispute. Mediation may involve the use of professional mediators or any other independent third party mutually agreed to by the parties to the dispute.

Services under the Act means vocational rehabilitation, independent living, supported employment, and other similar rehabilitation services provided under the Act. For purposes of the CAP, the term “services under the Act” does not include activities carried out under the protection and advocacy program authorized by section 509 of the Act (i.e., the Protection and Advocacy of Individual Rights (PAIR) program, 34 CFR part 381).

State means, in addition to each of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, The United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and the Republic of Palau (but only until September 30, 1998), except for purposes of the allotments under section 112 of the Act, in which case “State” does not mean or include Guam, American Samoa, the United States Virgin Islands, the Commonwealth of the Northern Mariana Islands, and the Republic of Palau.

(Authority: 29 U.S.C. 711(c) and 732; Pub. L. 101-219 (Dec. 12, 1989); Pub. L. 99-658 (Nov. 14, 1986); and Pub. L. 99-239 (Jan. 14, 1986))

§ 370.7 What shall the designated agency do to make its services accessible?

The designated agency shall provide, as appropriate, the CAP services described in §370.4 in formats that are accessible to clients or client applicants who seek or receive CAP services.

(Authority: 29 U.S.C. 711(c))

Subpart B—What Requirements Apply to Redesignation?

§ 370.10 When do the requirements for redesignation apply?

(a) The Governor may not redesignate the agency designated pursuant to section 112(c) of the Act and §370.2(b) without good cause and without complying with the requirements of §§370.10 through 370.17.

(b) For purposes of §§370.10 through 370.17, a “redesignation of” or “to redesignate” a designated agency means any change in or transfer of the designation of an agency previously des-

ignated by the Governor to conduct the State’s CAP to a new or different agency, unit, or organization, including—

(1) A decision by a designated agency to cancel its existing contract with another entity with which it has previously contracted to carry out and operate all or part of its responsibilities under the CAP (including providing advisory, assistance, or advocacy services to eligible clients and client applicants); or

(2) A decision by a designated agency not to renew its existing contract with another entity with which it has previously contracted. Therefore, an agency that is carrying out a State’s CAP under a contract with a designated agency is considered a designated agency for purposes of §§370.10 through 370.17.

(c) For purposes of paragraph (a) of this section, a designated agency that does not renew a contract for CAP services because it is following State procurement laws that require contracts to be awarded through a competitive bidding process is presumed to have good cause for not renewing an existing contract. However, this presumption may be rebutted.

(d) If State procurement laws require a designated agency to award a contract through a competitive bidding process, the designated agency must hold public hearings on the request for proposal before awarding the new contract.

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

§ 370.11 What requirements apply to a notice of proposed redesignation?

(a) Prior to any redesignation of the agency that conducts the CAP, the Governor shall give written notice of the proposed redesignation to the designated agency, the State Rehabilitation Advisory Council (SRAC), and the State Independent Living Council (SILC) and publish a public notice of the Governor’s intention to redesignate. Both the notice to the designated agency, the SRAC, and the SILC and the public notice must include, at a minimum, the following:

(1) The Federal requirements for the CAP (section 112 of the Act).

(2) The goals and function of the CAP.

§ 370.12

(3) The name of the current designated agency.

(4) A description of the current CAP and how it is administered.

(5) The reason or reasons for proposing the redesignation, including why the Governor believes good cause exists for the proposed redesignation.

(6) The effective date of the proposed redesignation.

(7) The name of the agency the Governor proposes to administer the CAP.

(8) A description of the system that the redesignated (i.e., new) agency would administer.

(b) The notice to the designated agency must—

(1) Be given at least 30 days in advance of the Governor's written decision to redesignate; and

(2) Advise the designated agency that it has at least 30 days from receipt of the notice of proposed redesignation to respond to the Governor and that the response must be in writing.

(c) The notice of proposed redesignation must be published in a place and manner that provides the SRAC, the SILC, individuals with disabilities or their representatives, and the public with at least 30 days to submit oral or written comments to the Governor.

(d) Following public notice, public hearings concerning the proposed redesignation must be conducted in an accessible format that provides individuals with disabilities or their representatives an opportunity for comment. The Governor shall maintain a written public record of these hearings.

(e) The Governor shall fully consider any public comments before issuing a written decision to redesignate.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

§ 370.12 How does a designated agency preserve its right to appeal a redesignation?

(a) To preserve its right to appeal a Governor's written decision to redesignate (see § 370.13), a designated agency must respond in writing to the Governor within 30 days after it receives the Governor's notice of proposed redesignation.

(b) The designated agency shall send its response to the Governor by reg-

istered or certified mail, return receipt requested, or other means that provides a record that the Governor received the designated agency's response.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

§ 370.13 What are the requirements for a decision to redesignate?

(a) If, after complying with the requirements of § 370.11, the Governor decides to redesignate the designated agency, the Governor shall provide to the designated agency a written decision to redesignate that includes the rationale for the redesignation. The Governor shall send the written decision to redesignate to the designated agency by registered mail, return receipt requested, or other means that provides a record that the designated agency received the Governor's written decision to redesignate.

(b) If the designated agency submitted to the Governor a timely response to the Governor's notice of proposed redesignation, the Governor shall inform the designated agency that it has at least 15 days from receipt of the Governor's written decision to redesignate to file a formal written appeal with the Secretary.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(A))

§ 370.14 How does a designated agency appeal a written decision to redesignate?

(a) A designated agency may appeal to the Secretary a Governor's written decision to redesignate only if the designated agency submitted to the Governor a timely written response to the Governor's notice of proposed redesignation in accordance with § 370.12.

(b) To appeal to the Secretary a Governor's written decision to redesignate, a designated agency shall file a formal written appeal with the Secretary within 15 days after the designated agency's receipt of the Governor's written decision to redesignate. The date of filing of the designated agency's written appeal with the Secretary will be

determined in a manner consistent with the requirements of 34 CFR 81.12.

(c) If the designated agency files a written appeal with the Secretary, the designated agency shall send a separate copy of this appeal to the Governor by registered or certified mail, return receipt requested, or other means that provides a record that the Governor received a copy of the designated agency's appeal to the Secretary.

(d) The designated agency's written appeal to the Secretary must state why the Governor has not met the burden of showing that good cause for the redesignation exists or has not met the procedural requirements under §§ 370.11 and 370.13.

(e) The designated agency's written appeal must be accompanied by the designated agency's written response to the Governor's notice of proposed redesignation and may be accompanied by any other written submissions or documentation the designated agency wishes the Secretary to consider.

(f) As part of its submissions under this section, the designated agency may request an informal meeting with the Secretary at which representatives of both parties will have an opportunity to present their views on the issues raised in the appeal.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

§ 370.15 What must the Governor of a State do upon receipt of a copy of a designated agency's written appeal to the Secretary?

(a) If the designated agency files a formal written appeal in accordance with § 370.14, the Governor shall, within 15 days of receipt of the designated agency's appeal, submit to the Secretary copies of the following:

- (1) The written notice of proposed redesignation sent to the designated agency.
- (2) The public notice of proposed redesignation.

(6) Any other written documentation or submissions the Governor wishes the Secretary to consider.

(7) Any other information requested by the Secretary.

(b) As part of the submissions under this section, the Governor may request an informal meeting with the Secretary at which representatives of both parties will have an opportunity to present their views on the issues raised in the appeal.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

§ 370.16 How does the Secretary review an appeal of a redesignation?

(a) If either party requests a meeting under § 370.14(f) or § 370.15(b), the meeting is to be held within 30 days of the submissions by the Governor under § 370.15, unless both parties agree to waive this requirement. The Secretary promptly notifies the parties of the date and place of the meeting.

(b) Within 30 days of the informal meeting permitted under paragraph (a) of this section or, if neither party has requested an informal meeting, within 60 days of the submissions required from the Governor under § 370.15, the Secretary issues to the parties a final written decision on whether the redesignation was for good cause.

(c) The Secretary reviews a Governor's decision based on the record submitted under §§ 370.14 and 370.15 and any other relevant submissions of other interested parties. The Secretary may affirm or, if the Secretary finds that the redesignation is not for good cause, remand for further findings or reverse a Governor's redesignation.

(d) The Secretary sends copies of the decision to the parties by registered or certified mail, return receipt requested, or other means that provide a record of receipt by both parties.

34 CFR Ch. III (7–1–10 Edition)

§ 370.17 When does a redesignation become effective?

A redesignation does not take effect for at least 15 days following the designated agency's receipt of the Governor's written decision to redesignate or, if the designated agency appeals, for at least 5 days after the Secretary has affirmed the Governor's written decision to redesignate.

(Authority: 29 U.S.C. 711(c) and 732(c)(1)(B))

Subpart C—How Does a State Apply for a Grant?

§ 370.20 What must be included in a request for a grant?

(a) Each State seeking assistance under this part shall submit to the Secretary, in writing, each fiscal year, an application that includes, at a minimum—

(1) The name of the designated agency; and

(2) An assurance that the designated agency meets the independence requirement of section 112(c)(1)(A) of the Act and § 370.2(c), or that the State is exempted from that requirement under section 112(c)(1)(A) of the Act and § 370.2(d).

(b)(1) Each State also shall submit to the Secretary an assurance that the designated agency has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of the rights of clients or client applicants within the State.

(2) The authority to pursue remedies described in paragraph (b)(1) of this section must include the authority to pursue those remedies against the State vocational rehabilitation agency and other appropriate State agencies. The designated agency meets this requirement if it has the authority to pursue those remedies either on its own behalf or by obtaining necessary services, such as legal representation, from outside sources.

(c) Each State also shall submit to the Secretary assurances that—

(1) All entities conducting, administering, operating, or carrying out programs within the State that provide services under the Act to individuals with disabilities in the State will advise all clients and client applicants of

the existence of the CAP, the services provided under the program, and how to contact the designated agency;

(2) The designated agency will meet each of the requirements in this part; and

(3) The designated agency will provide the Secretary with the annual report required by section 112(g)(4) of the Act and § 370.44.

(d) To allow a designated agency to receive direct payment of funds under this part, a State must provide to the Secretary, as part of its application for assistance, an assurance that direct payment to the designated agency is not prohibited by or inconsistent with State law, regulation, or policy.

(Approved by the Office of Management and Budget under control number 1820–0520)

(Authority: 29 U.S.C. 732 (b) and (f))

Subpart D—How Does the Secretary Allocate and Reallocate Funds to a State?

§ 370.30 How does the Secretary allocate funds?

(a) The Secretary allocates the funds available under this part for any fiscal year to the States on the basis of the relative population of each State. The Secretary allocates at least \$50,000 to each State, unless the provisions of section 112(e)(1)(D) of the Act (which provides for increasing the minimum allotment if the appropriation for the CAP exceeds \$7,500,000 or the appropriation is increased by a certain percentage described in section 112(e)(1)(D)(ii) of the Act) are applicable.

(b) The Secretary allocates \$30,000 each, unless the provisions of section 112(e)(1)(D) of the Act are applicable, to American Samoa, Guam, the Virgin Islands, the Northern Mariana Islands, and the Republic of Palau, except that the Secretary allocates to the Republic of Palau only 75 percent of this allotment in fiscal year 1996, only 50 percent of this allotment in fiscal year 1997, only 25 percent of this allotment in fiscal year 1998, and none of this allotment in fiscal year 1999 and thereafter.

(c) Unless prohibited or otherwise provided by State law, regulation, or

policy, the Secretary pays to the designated agency, from the State allotment under paragraph (a) or (b) of this section, the amount specified in the State's approved request. Because the designated agency is the eventual, if not the direct, recipient of the CAP funds, 34 CFR parts 74 and 81 apply to the designated agency, whether or not the designated agency is the actual recipient of the CAP grant. However, because it is the State that submits an application for and receives the CAP grant, the State remains the grantee for purposes of 34 CFR parts 76 and 80. In addition, both the State and the designated agency are considered recipients for purposes of 34 CFR part 81.

§ 370.31 How does the Secretary reallocate funds?

(a) The Secretary reallocates funds in accordance with section 112(e)(2) of the Act.

(b) A designated agency shall inform the Secretary at least 90 days before the end of the fiscal year for which CAP funds were received whether the designated agency is making available for allotment any of those CAP funds that it will be unable to obligate in that fiscal year.

(Approved by the Office of Management and Budget under control number 1820-0520)

(Authority: 29 U.S.C. 711(c) and 732(e)(2))

Subpart E—What Post-Award Conditions Must Be Met by a Designated Agency?

§ 370.40 What are allowable costs?

§ 379.50

§ 379.50 What are the requirements for continuation funding?

To receive a continuation award for the third or subsequent year of the PWI grant, a grantee must—

(a) Adhere to the provisions of its approved application; and

(b) Meet the minimum performance levels on—

(1) The two “primary” program compliance indicators identified in § 379.51(b) and described in § 379.53(a); and

(2) Any two of the three “secondary” compliance indicators identified in § 379.51(c) and described in § 379.53(b).

(Authority: Section 611(f)(4) of the Act; 29 U.S.C. 795(f)(4))

§ 379.51 What are the program compliance indicators?

(a) *General.* The program compliance indicators implement program evaluation standards, which are contained in an appendix to this part, by establishing minimum performance levels in essential project areas to measure the effectiveness of individual grantees.

(b) *Primary compliance indicators.* “Placement rate” and “Change in earnings” are “primary” compliance indicators.

(c) *Secondary compliance indicators.* “Percent placed who have significant disabilities,” “Percent placed who were previously unemployed,” and “Average cost per placement” are “secondary” compliance indicators.

§ 379.52 How is grantee performance measured using the compliance indicators?

(a) Each compliance indicator establishes a minimum performance level.

(b) If a grantee does not achieve the minimum performance level for a compliance indicator, the grantee does not pass the compliance indicator.

(Authority: Section 611(f)(1) of the Act; 26 U.S.C. 795(f)(1))

§ 379.53 What are the minimum performance levels for each compliance indicator?

(i) No less than 50 percent during fiscal year (FY) 2001.

(ii) No less than 51 percent during FY 2002.

(iii) No less than 52 percent during FY 2003.

(iv) No less than 54 percent during FY 2004.

(v) No less than 55 percent during FY 2005 and any year thereafter.

(2) *Change in earnings.* (i) Except as provided in paragraph (a)(2)(ii) of this section, the average earnings of all individuals who are placed into competitive employment by the project increase by an average of at least \$125.00 a week over the average earnings of all individuals at the time of project entry.

(ii) For projects in which at least 75 percent of individuals placed into competitive employment are working fewer than 30 hours per week, the average earnings of all individuals placed by the project increase by an average of at least \$100.00 a week over the average earnings of all individuals at the time of project entry.

(b) *Secondary compliance indicators—*
(1) *Percent placed who have significant disabilities.* At least 50 percent of individuals who are placed into competitive employment are individuals with significant disabilities.

(2) *Percent placed who were previously unemployed.* At least 50 percent of individuals who are placed into competitive employment are individuals who were continuously unemployed for at least 6 months at the time of project entry.

(3) *Average cost per placement.* The actual average cost per placement does not exceed 115 percent of the projected average cost per placement in the grantee’s application.

§ 379.54 What are the reporting requirements for the compliance indicators?

(a) To receive continuation funding for the third or any subsequent year of a PWI grant, each grantee must submit to the Secretary data for the most recent complete budget period no later

than 60 days after the end of that budget period, unless the Secretary authorizes a later submission date. The Secretary uses this data to determine if the grantee has met the program compliance indicators in this subpart F.

(b) A grantee may receive its second year of funding (or the first continuation award) under this program before data from the first complete budget period is available. However, to allow the Secretary to determine whether the grantee is eligible for the third year of funding (or the second continuation award), the grantee must submit data from the first budget period in accordance with paragraph (a) of this section.

(c) If the data for the most recent complete budget period provided under paragraph (a) or (b) of this section show that a grantee has failed to achieve the minimum performance levels, as required by §379.50(b), the grantee may, at its option, submit data from the first 6 months of the current budget period. The grantee must submit this data no later than 60 days after the end of that 6-month period, unless the Secretary authorizes a later submission date. The data must demonstrate that the grantee's project performance has improved sufficiently to meet the minimum performance levels required in §379.50(b).

APPENDIX A TO PART 379—EVALUATION STANDARDS

Standard 1: The primary objective of the project must be to assist individuals with disabilities to obtain competitive employment. The activities carried out by the project must support the accomplishment of this objective.

Standard 2: The project must serve individuals with disabilities that impair their capacity to obtain competitive employment. In selecting persons to receive services, priority must be given to individuals with significant disabilities.

Standard 3: The project must ensure the provision of services that will assist in the placement of individuals with disabilities.

Standard 4: Funds must be used to achieve the project's primary objective at minimum cost to the Federal Government.

Standard 5: The project's advisory council must provide policy guidance and assistance in the conduct of the project.

Standard 6: Working relationships, including partnerships, must be established with agencies and organizations to expand the project's capacity to meet its objectives.

Standard 7: The project must obtain positive results in assisting individuals with disabilities to obtain competitive employment.

APPENDIX B TO PART 379—PRESUMPTION OF ELIGIBILITY

If a DSU determines that an individual is an eligible individual under section 102(a) of the Act, including that the individual meets the definition of an "individual with a significant disability," and refers the individual to a PWI project, the PWI grantee may initiate services to that individual without the need for an additional determination of eligibility. In these instances, the PWI grantee should obtain appropriate documentation of this determination from the DSU.

APPENDIX C TO PART 379—CALCULATING REQUIRED MATCHING AMOUNT

1. The method for calculating the required matching amount may be stated by the following formula:

$$X = (Y \div .8) - Y$$

X = Required Match (provided in cash or through third party in-kind contributions)
 Y = Amount of Federal Funds

This equation holds true regardless of the total cost of the project. The amount of Federal funds spent in a fiscal year (FY) can never be more than 80 percent (hence, the ".8" in the formula) of the total funds (Federal and non-Federal) spent by the project. Thus, the formula is not dependent on knowing the total cost of the project. One needs to know only that the Federal share can be no more than 80 percent of whatever the total costs may turn out to be. In all cases, the matching contribution is calculated by dividing the amount of the Federal grant award by 80 percent (.8) and subtracting from that result the amount of the Federal grant award.

For example: If the amount of the Federal PWI grant award is \$400,000, the amount of the required match is \$100,000, calculated as follows:

Required match	=	(Am't. of Fed. Funds in FY	+	Max. Fed. % of Total)	-	(Am't. of Fed. Funds in FY)
X	=	(\$400,000	+	.8)	-	400,000

Required match	=	(Am't. of Fed. Funds in FY	+	Max. Fed. % of Total)	-	(Am't. of Fed. Funds in FY)
X	=	\$500,000-400,000.				
X	=	\$100,000.				

The matching contribution is never simply 20 percent of the amount of the Federal grant award (i.e., in the above example, NOT .2x\$400,000).

2. Another consideration is what happens if a grantee carries over unspent Federal funds it received in a fiscal year. If the grantee spends or obligates less than the amount of its Federal grant award in a particular fiscal year and carries over the unspent or unobligated amount of its Federal grant award, its required matching contribution stays the same because the amount of its required matching expenditures or obligations is based on the amount of Federal dollars received in a particular fiscal year. That is, if the grantee carries over any unspent or unobligated Federal funds, the grantee must have spent or obligated the amount of non-Federal funds required for its matching contribution in the same fiscal year in which the Federal funds were received.

For example: If a PWI grantee receives a grant award of \$80,000 in FY 2000, its matching requirement for these funds is \$20,000. If the grantee spends and obligates only \$64,000 in FY 2000, it may "carry over" \$16,000 to FY 2001. However, the grantee must spend or obligate \$20,000 in non-Federal funds in FY 2000 to meet its matching requirements for the \$80,000 it received in FY 2000, even though it does not spend or obligate the entire \$80,000 in FY 2000. If the grantee fails to spend or obligate in FY 2000 the entire \$20,000 in non-Federal funds, the grantee will fail to meet the matching requirement for the \$80,000 it received in FY 2000 and may not carry over the unspent or unobligated \$16,000 to FY 2001.

3. The matching contribution also must comply with the requirements of 34 CFR 74.23 (for grantees that are institutions of higher education, hospitals, or other non-profit organizations) or 34 CFR 80.24 (for grantees that are State, local, or Indian tribal governments). The term "third party in-kind contributions" is defined in either 34 CFR 74.2 or 34 CFR 80.3, as applicable to the type of grantee.

§ 380.9 What definitions apply?

(a) The following term used in this part is defined in 34 CFR part 363: Supported employment.

(b) The following terms used in this part are defined in 34 CFR part 369:

Designated State unit
Community rehabilitation program
Individual with a severe disability

(c) *Other definitions.* The following definitions also apply to this part:

(1) As used in the definition of “supported employment”—

(i) *Competitive employment* means work—

(A) In the competitive labor market that is performed on a full-time or part-time basis in an integrated setting; and

(B) For which an individual is compensated at or above the minimum wage, but not less than the customary or usual wage paid by the employer for the same or similar work performed by individuals who are not disabled.

(ii) *Integrated setting* means a setting typically found in the community in which an individual with the most severe disabilities interacts with non-disabled individuals, other than non-disabled individuals who are providing services to that individual, to the same extent that non-disabled individuals in comparable positions interact with other persons.

(iii) *Supported employment services* means on-going support services provided by the grantee with funds under this part—

(A) For a period not to exceed 18 months, unless under special circumstances a longer period to achieve job stabilization has been jointly agreed to by the individual and the rehabilitation counselor and established in the individual’s program of services, before an individual with the most severe disabilities makes the transition to extended services; and

(B) As discrete post-employment services following transition in accordance with 34 CFR 363.4(c)(3);

(iv) *Extended services* means on-going support services and other appropriate services provided by a State agency, a private nonprofit organization, employer, or any other appropriate resource, from funds other than funds received under this part, part 361, part 363, or part 376 after an individual with the most severe disabilities has made the transition from project support; and

(v) *Transitional employment* means a series of temporary job placements in competitive work in an integrated work setting with on-going support services for individuals with the most severe disabilities due to mental illness. In transitional employment, the provision of on-going support services must include continuing sequential job placements until job permanency is achieved.

(2) *On-going support services* means services that are—

(i) Needed to support and maintain an individual with the most severe disabilities in supported employment;

(ii) Based on a determination by the grantee of the individual’s needs as specified in a program of services; and

(iii) Furnished by the grantee from the time of job placement until transition to extended services, except as provided in 34 CFR 363.4(c)(3) and, following transition, by one or more extended services providers throughout the individual’s term of employment in a particular job placement or multiple placements if those placements are being provided under a program of transitional employment. On-going support services must include, at a minimum, twice-monthly monitoring at the work site of each individual in supported employment to assess employment stability, unless under special circumstances, especially at the request of the individual, the individual’s program of services provides for off-site monitoring, and, based upon that assessment, the coordination or provision of specific services, at or away from the work site, that are needed to maintain employment stability. If off-site monitoring is determined to be appropriate, it must, at a minimum, consist of two meetings with the individual and one contact

§ 380.10

with the employer each month. On-going support services consist of—

(A) Any particularized assessment needed to supplement the comprehensive assessment of rehabilitation needs;

(B) The provision of skilled job trainers who accompany the individual for intensive job skill training at the work site;

(C) Job development and placement;

(D) Social skills training;

(E) Regular observation or supervision of the individual;

§ 395.4

34 CFR Ch. III (7-1-10 Edition)

§ 395.4 State rules and regulations.

(a) The State licensing agency shall promulgate rules and regulations which have been approved by the Secretary and which shall be adequate to assure the effective conduct of the State's vending facility program (including State licensing agency procedures covering the conduct of full evidentiary hearings) and the operation of each vending facility in accordance with this part and with the requirements and conditions of each department, agency, and instrumentality in control of the maintenance, operation, and protection of Federal property, including the conditions contained in permits, as well as in all applicable Federal and State laws, local ordinances and regulations.

(b) Such rules and regulations and amendments thereto shall be filed or published in accordance with State law.

(c) Such rules and regulations shall include provisions adequate to insure that the right, title to, and interest in each vending facility used in the program and the stock will be vested in accordance with the laws of the State in only the following:

- (1) The State licensing agency; or
- (2) Its nominee, subject to the conditions specified in § 395.15(b); or
- (3) The vendor, in accordance with State determination.

(d) Notwithstanding the provisions of paragraph (c) of this section, any right, title to, or interest which existed on June 30, 1955, in stock may continue so long as:

- (2) The vendor was licensed in the program (whether or not for the operation of the vending facility in question) prior to July 1, 1955.

§ 395.5 Approval of application for designation as State licensing agency.

When the Secretary determines that an application submitted by a State vocational rehabilitation agency under § 395.2, and the accompanying rules and regulations indicate a plan of program operations which will stimulate and enlarge the economic opportunities for the blind, and which will meet all other

requirements of this part, he shall approve the application and shall designate the applying State vocational rehabilitation agency as the State licensing agency.

§ 395.6 Vendor ownership of vending facilities.

(a) If a State licensing agency determines under § 395.4(c) that the right, title to, and interest in a vending facility may be vested in the blind vendor, the State licensing agency shall enter into a written agreement with each vendor who is to have such ownership. Such agreement shall contain in full the terms and conditions governing such ownership in accordance with criteria in the State licensing agency's regulations, this part, and the terms and conditions of the permit. The criteria established to govern the determination that the title may be so vested shall contain reasonable provisions to enable a vendor to purchase vending facility equipment and to ensure that no individual will be denied the opportunity to become a vendor because of his inability to purchase the vending facility equipment or the initial stock;

(b) The State licensing agency shall establish in writing and maintain policies determining whether the vendor-owner or the State licensing agency shall be required to maintain the vending facility in good repair and in an attractive condition and replace worn-out or obsolete equipment; and if the former, such policies shall provide that upon such vendor-owner's failure to do so, the State licensing agency may make the necessary maintenance, replacement, or repairs and make equitable arrangements for reimbursement;

(c) Where the vendor owns such equipment and is required to maintain the vending facility in good repair and in an attractive condition and replace worn-out or obsolete equipment, or agrees to purchase additional new equipment, service charges for such purposes shall be equitably reduced and the method for determining such amount shall be established by the State licensing agency in writing;

(d) Where the vendor owns such equipment, the State licensing agency shall retain a first option to repurchase such equipment, and in the event the

vendor-owner dies, or for any other reason ceases to be a licensee, or transfers to another vending facility, ownership of such equipment shall become vested in the State licensing agency for transfer to a successor licensee subject to an obligation on its part to pay to such vendor-owner or his estate, the fair value therein; and

(e) The vendor-owner, his personal representative or next of kin shall be entitled to an opportunity for a full evidentiary hearing with respect to the determination of the amount to be paid by the State licensing agency for a vendor's ownership in the equipment. When the vendor-owner is dissatisfied with any decision rendered as a result of such hearing, he may file a complaint with the Secretary under §395.13 to request the convening of an ad hoc arbitration panel.

§ 395.7 The issuance and conditions of licenses.

(a) The State licensing agency shall establish in writing and maintain objective criteria for licensing qualified applicants, including a provision for giving preference to blind persons who are in need of employment. Such criteria shall also include provisions to assure that licenses will be issued only to persons who are determined by the State licensing agency to be:

- (1) Blind;
- (2) Citizens of the United States; and
- (3) Certified by the State vocational rehabilitation agency as qualified to operate a vending facility.

(b) The State licensing agency shall provide for the issuance of licenses for an indefinite period but subject to suspension or termination if, after affording the vendor an opportunity for a full evidentiary hearing, the State licensing agency finds that the vending facility is not being operated in accordance with its rules and regulations, the terms and conditions of the permit, and the terms and conditions of the agreement with the vendor.

(c) The State licensing agency shall further establish in writing and maintain policies which have been developed with the active participation of the State Committee of Blind Vendors and which govern the duties, supervision, transfer, promotion, and finan-

cial participation of the vendors. The State licensing agency shall also establish procedures to assure that such policies have been explained to each blind vendor.

§ 395.8 Distribution and use of income from vending machines on Federal property.

(a) Vending machine income from vending machines on Federal property which has been disbursed to the State licensing agency by a property managing department, agency, or instrumentality of the United States under §395.32 shall accrue to each blind vendor operating a vending facility on such Federal property in each State in an amount not to exceed the average net income of the total number of blind vendors within such State, as determined each fiscal year on the basis of each prior year's operation, except that vending machine income shall not accrue to any blind vendor in any amount exceeding the average net income of the total number of blind vendors in the United States. No blind vendor shall receive less vending machine income than he was receiving during the calendar year prior to January 1, 1974, as a direct result of any limitation imposed on such income under this paragraph. No limitation shall be imposed on income from vending machines, combined to create a vending facility, when such facility is maintained, serviced, or operated by a blind vendor. Vending machine income disbursed by a property managing department, agency or instrumentality of the United States to a State licensing agency in excess of the amounts eligible to accrue to blind vendors in accordance with this paragraph shall be retained by the appropriate State licensing agency.

(b) The State licensing agency shall disburse vending machine income to blind vendors within the State on at least a quarterly basis.

(c) Vending machine income which is retained under paragraph (a) of this section by a State licensing agency shall be used by such agency for the establishment and maintenance of retirement or pension plans, for health insurance contributions, and for the provision of paid sick leave and vacation

§ 395.9

time for blind vendors in such State, if it is so determined by a majority vote of blind vendors licensed by the State licensing agency, after such agency has provided to each such vendor information on all matters relevant to such purposes. Any vending machine income not necessary for such purposes shall be used by the State licensing agency for the maintenance and replacement of equipment, the purchase of new equipment, management services, and assuring a fair minimum return to vendors. Any assessment charged to blind vendors by a State licensing agency shall be reduced pro rata in an amount equal to the total of such remaining vending machine income.

§ 395.9 The setting aside of funds by the State licensing agency.

(a) The State licensing agency shall establish in writing the extent to which funds are to be set aside or caused to be set aside from the net proceeds of the operation of the vending facilities and, to the extent applicable, from vending machine income under § 395.8(c) in an amount determined by the Secretary to be reasonable.

(b) Funds may be set aside under paragraph (a) of this section only for the purposes of:

(1) Maintenance and replacement of equipment;

(2) The purchase of new equipment;

(3) Management services;

(4) Assuring a fair minimum of return to vendors; or

(5) The establishment and maintenance of retirement or pension funds, health insurance contributions, and provision for paid sick leave and vacation time, if it is so determined by a majority vote of blind vendors licensed by the State licensing agency, after such agency provides to each such vendor information on all matters relevant to such proposed purposes.

(c) The State licensing agency shall further set out the method of determining the charge for each of the above purposes listed in paragraph (b) of this section, which will be determined with the active participation of the State Committee of Blind Vendors and which will be designed to prevent, so far as is practicable, a greater charge for any purpose than is reasonably required for

34 CFR Ch. III (7-1-10 Edition)

that purpose. The State licensing agency shall maintain adequate records to support the reasonableness of the charges for each of the purposes listed in this section, including any reserves necessary to assure that such purposes can be achieved on a consistent basis.

§ 395.10 The maintenance and replacement of vending facility equipment.

The State licensing agency shall maintain (or cause to be maintained) all vending facility equipment in good repair and in an attractive condition and shall replace or cause to be replaced worn-out and obsolete equipment as required to ensure the continued successful operation of the facility.

§ 395.11 Training program for blind individuals.

The State licensing agency shall ensure that effective programs of vocational and other training services, including personal and vocational adjustment, books, tools, and other training materials, shall be provided to blind individuals as vocational rehabilitation services under the Rehabilitation Act of 1973 (Pub. L. 93-112), as amended by the Rehabilitation Act Amendments of 1974 (Pub. L. 93-516). Such programs shall include on-the-job training in all aspects of vending facility operation for blind persons with the capacity to operate a vending facility, and upward mobility training (including further education and additional training or retraining for improved work opportunities) for all blind licensees. The State licensing agency shall further ensure that post-employment services shall be provided to blind vendors as vocational rehabilitation services as necessary to assure that the maximum vocational potential of such vendors is achieved and suitable employment is maintained within the State's vending facility program.

§ 395.12 Access to program and financial information.

Each blind vendor under this part shall be provided access to all financial data of the State licensing agency relevant to the operation of the State vending facility program, including quarterly and annual financial reports, provided that such disclosure does not

violate applicable Federal or State laws pertaining to the disclosure of confidential information. Insofar as practicable, such data shall be made available in braille or recorded tape. At the request of a blind vendor State licensing agency staff shall arrange a convenient time to assist in the interpretation of such financial data.

§ 395.13 Evidentiary hearings and arbitration of vendor complaints.

(a) The State licensing agency shall specify in writing and maintain procedures whereby such agency affords an opportunity for a full evidentiary hearing to each blind vendor (which procedures shall also apply to cases under § 395.6(e)) dissatisfied with any State licensing agency action arising from the operation or administration of the vending facility program. When such blind vendor is dissatisfied with any action taken or decision rendered as a result of such hearing, he may file a complaint with the Secretary. Such complaint shall be accompanied by all available supporting documents, including a statement of the decision which was rendered and the reasons in support thereof.

(b) The filing of a complaint under paragraph (a) of this section with either the State licensing agency or the Secretary shall indicate consent by the blind vendor for the release of such information as is necessary for the conduct of a full evidentiary hearing or the hearing of an ad hoc arbitration panel.

(c) Upon receipt of a complaint filed by a blind vendor which meets the requirements established by the Secretary, the Secretary shall convene an ad hoc arbitration panel which shall, in accordance with the provisions of 5 U.S.C. chapter 5, subchapter II, give notice, conduct a hearing, and render its decision which shall be final and binding on the parties except that such decision shall be subject to appeal and review as a final agency action for purposes of the provisions of 5 U.S.C. chapter 7.

(d) The arbitration panel convened by the Secretary to hear the grievances of blind vendors shall be composed of three members appointed as follows:

(1) One individual designated by the State licensing agency;

(2) One individual designated by the blind vendor; and

(3) One individual not employed by the State licensing agency or, where appropriate, its parent agency, who shall be jointly designated by the other members of the panel and who shall serve as chairman of the panel.

(e) If either the State licensing agency or the blind vendor fails to designate a member of an arbitration panel, the Secretary shall designate such member on behalf of such party.

(f) The decisions of an arbitration panel convened by the Secretary under this section shall be matters of public record and shall be published in the FEDERAL REGISTER.

(g) The Secretary shall pay all reasonable costs of arbitration under this section in accordance with a schedule of fees and expenses which shall be published in the FEDERAL REGISTER.

(h) The provisions of this section shall not require the participation of grantors of permits for the operation of vending facilities on property other than Federal property.

§ 395.14 The State Committee of Blind Vendors.

(a) The State licensing agency shall provide for the biennial election of a State Committee of Blind Vendors which, to the extent possible, shall be fully representative of all blind vendors in the State program on the basis of such factors as geography and vending facility type with a goal of providing for proportional representation of blind vendors on Federal property and blind vendors on other property. Participation by any blind vendor in any election shall not be conditioned upon the payment of dues or any other fees.

(b) The State Committee of Blind Vendors shall:

(1) Actively participate with the State licensing agency in major administrative decisions and policy and program development decisions affecting the overall administration of the State's vending facility program;

§ 395.15

(2) Receive and transmit to the State licensing agency grievances at the request of blind vendors and serve as advocates for such vendors in connection with such grievances;

(3) Actively participate with the State licensing agency in the development and administration of a State system for the transfer and promotion of blind vendors;

(4) Actively participate with the State licensing agency in the development of training and retraining programs for blind vendors; and

(5) Sponsor, with the assistance of the State licensing agency, meetings and instructional conferences for blind vendors within the State.

§ 395.15 Use of nominee agreements.

(a) The State licensing agency may enter into an agreement whereby another agency or organization undertakes to furnish services to blind vendors. Such agreement shall be in writing and shall contain provisions which:

(1) Clearly insure the retention by the State licensing agency of full responsibility for the administration and operation of all phases of the program;

(2) Specify the type and extent of the services to be provided under such agreement;

(3) Provide that no set-aside charges will be collected from blind vendors except as specified in such agreement;

(4) Specify that no nominee will be allowed to exercise any function with respect to funds for the purchase of new equipment or for assuring a fair minimum of return to vendors, except to collect and hold solely for disposition in accordance with the order of the State licensing agency any charges authorized for those purposes by the licensing agency; and

(5) Specify that only the State licensing agency shall have control with respect to selection, placement, transfer, financial participation and termination of the vendors, and the preservation, utilization, and disposition of program assets.

(b) If the State licensing agency permits any agency or organization other than a vendor to hold any right, title to, or interest in vending facilities or stock, the arrangement shall be one permitted by State law and shall speci-

fy in writing that all such right, title to, or interest is held by such agency or organization as the nominee of the State licensing agency for program purposes and subject to the paramount right of the State licensing agency to direct and control the use, transfer, and disposition of such vending facilities or stock.

§ 395.16 Permit for the establishment of vending facilities.

Prior to the establishment of each vending facility, other than a cafeteria, the State licensing agency shall submit an application for a permit setting forth the location, the amount of space necessary for the operation of the vending facility; the type of facility and equipment, the number, location and type of vending machines and other terms and conditions desired to be included in the permit. Such application shall be submitted for the approval of the head of the Federal property managing department, agency, or instrumentality. When an application is not approved, the head of the Federal property managing department, agency, or instrumentality shall advise the State licensing agency in writing and shall indicate the reasons for the disapproval.

§ 395.17 Suspension of designation as State licensing agency.

(a) If the Secretary has reason to believe that, in the administration of the program, there is a failure on the part of any State licensing agency to comply substantially with the Act and this part, he shall so inform such agency in writing, setting forth, in detail, the areas in which there is such failure and giving it a reasonable opportunity to comply.

(b) If, after the lapse of a reasonable time, the Secretary is of the opinion that such failure to comply still continues and that the State licensing agency is not taking the necessary steps to comply, he shall offer to such agency, by reasonable notice in writing thereto and to the chief executive of the State, an opportunity for a hearing before the Secretary (or person designated by the Secretary) to determine whether there is a failure on the part of such agency to comply substantially

with the provisions of the Act and of this part.

(c) If it is thereupon determined that there is a failure on the part of such agency to comply substantially with the Act and this part, appropriate written notice shall be given to such agency and to the chief executive of the State suspending such agency's designation as licensing agency effective 90 days from the date of such notice. A copy of such written notice shall be given to each department, agency, or instrumentality of the United States responsible for the maintenance, operation, and protection of Federal property on which vending machines subject to the requirements of § 395.32 are located in the State. Upon the suspension of such designation, vending machine income from vending machines on Federal property due for accrual to the State licensing agency under § 395.32 shall be retained in escrow by such department, agency, or instrumentality of the United States responsible for the maintenance, operation and protection of the Federal property on which such vending machines are located, pending redesignation of the State licensing agency or rescission of the suspension under paragraph (e) of this section.

(d) If, before the expiration of such 90 days, the Secretary (or person designated by him) determines that the State licensing agency is taking the necessary steps to comply, he may postpone the effective date of such suspension for such time as he deems necessary in the best interest of the program.

(e) If, prior to the effective date of such suspension, the Secretary (or person designated by him) finds that there is no longer a failure on the part of the State licensing agency to comply substantially with the provisions of the Act and this part, he shall so notify the agency, the chief executive of the State, and each Federal department, agency, or instrumentality required to place funds in escrow under paragraph (c) of this section, in which event the suspension of the designation shall not become effective and the requirement to place funds in escrow shall be terminated.

Subpart C—Federal Property Management

§ 395.30 The location and operation of vending facilities for blind vendors on Federal property.

(a) Each department, agency, or instrumentality of the United States in control of the maintenance, operation, and protection of Federal property shall take all steps necessary to assure that, wherever feasible, in light of appropriate space and potential patronage, one or more vending facilities for operation by blind licensees shall be located on all Federal property *Provided* that the location or operation of such facility or facilities would not adversely affect the interests of the United States. Blind persons licensed by State licensing agencies shall be given priority in the operation of vending facilities on any Federal property.

(b) Any limitation on the location or operation of a vending facility for blind vendors by a department, agency or instrumentality of the United States based on a finding that such location or operation or type of location or operation would adversely affect the interests of the United States shall be fully justified in writing to the Secretary who shall determine whether such limitation is warranted. A determination made by the Secretary concerning such limitation shall be binding on any department, agency, or instrumentality of the United States affected by such determination. The Secretary shall publish such determination in the FEDERAL REGISTER along with supporting documents directly relating to the determination.

(c) Priority in the operation of vending facilities in areas administered by the National Park Service or the National Aeronautics and Space Administration shall be given to blind vendors. Priority in the awarding of contracts for the operation of concessions in such areas when such concessions provide accommodations, facilities, and services of a scope or of a character not generally available in vending facilities operated by blind vendors shall be given in accordance with the provisions of the Concession Policy Act (Pub. L. 98-249, 16 U.S.C. 1) or the National Aeronautics and Space Act of 1958, as

amended (Pub. L. 85-568, 42 U.S.C. 2473). The provisions of this part shall not apply when all accommodations, facilities, or services in such areas are operated by a single responsible concessioner.

§ 395.31 Acquisition and occupation of Federal property.

(a) Effective January 2, 1975, no department, agency, or instrumentality of the United States shall undertake to acquire by ownership, rent, or lease, or to otherwise occupy, in whole or in part, any building unless it is determined that such building includes a satisfactory site or sites for the location and operation of a vending facility by a blind vendor. In those cases where a purchase contract, an agreement to lease, or other similar commitment was entered into prior to January 2, 1975, the provisions of this paragraph shall not apply.

(b) Effective January 2, 1975, no department, agency, or instrumentality of the United States, shall undertake to occupy, in whole or in part, any building which is to be constructed, substantially altered, or renovated, or in the case of a building which is occupied on January 2, 1975 by a department, agency, or instrumentality of the United States, no such department, agency, or instrumentality shall undertake to substantially alter or renovate such building, unless it is determined that the design for such construction, substantial alteration, or renovation includes a satisfactory site or sites for the location and operation of a vending facility by a blind vendor. In those cases where a design contract or other similar commitment was entered into prior to January 2, 1975, the provisions of this paragraph shall not apply. For purposes of this paragraph, *substantial alteration or renovation of a building* means a permanent material change in the floor area of such building which would render such building appropriate for the location and operation of a vending facility by a blind vendor.

(c) The determination that a building contains a satisfactory site or sites under paragraph (a) or (b) of this section shall be made after consultation between the State licensing agency and the head of the department, agency, or

instrumentality of the United States which is planning to acquire or otherwise occupy such building. In order to make such determination, effective on the publication date of this part each such department, agency, or instrumentality shall provide to the appropriate State licensing agency written notice of its intention to acquire or otherwise occupy such building. Such written notice shall be by certified or registered mail with return receipt and shall be provided as early as practicable but no later than 60 days prior to such intended action. The written notice shall indicate that a satisfactory site or sites for the location and operation of a vending facility by blind persons is included in the plans for the building to be acquired or otherwise occupied and shall further assure that the State licensing agency shall be afforded the opportunity to determine whether such building includes a satisfactory site or sites for a vending facility. The written notice shall further assure that the State licensing agency, subject to the approval of the head of the Federal property managing department, agency, or instrumentality, shall be offered the opportunity to select the location and type of vending facility to be operated by a blind vendor prior to the completion of the final space layout of the building. The receipt of such written notice shall be acknowledged in writing promptly by the State licensing agency but no later than within 30 days and the State licensing agency shall indicate at that time whether it is interested in establishing a vending facility. A copy of the written notice to the State licensing agency and the State licensing agency's acknowledgement shall be provided to the Secretary.

(d) When, after a written notice has been provided under paragraph (c) of this section, the State licensing agency determines that the number of persons using the Federal property is or will be insufficient to support a vending facility, and the Secretary concurs with such determination, the provisions of paragraphs (a) and (b) of this section shall not apply. The provisions of paragraphs (a) and (b) of this section shall also not apply when fewer than 100 Federal Government employees are or

will be located during normal working hours in the building to be acquired or otherwise occupied or when such building contains less than 15,000 square feet of interior space to be utilized for Federal Government purposes in the case of buildings in which services are to be provided to the public.

(e) The operation of a vending facility established under pre-existing arrangements shall not be affected by the provisions of this section. The provisions of this section shall further not preclude future arrangements under which vending facilities to be operated by blind vendors may be established in buildings of a size or with an employee population less than that specified in paragraph (d) of this section: *Provided*, That both the State licensing agency and the Federal property managing department, agency or instrumentality concur in such establishment.

(f) Each department, agency, and instrumentality of the United States, when leasing property in privately owned buildings, shall make every effort to lease property capable of accommodating a vending facility. When, however, such department, agency, or instrumentality is leasing part of a privately owned building in which prior to the execution of the lease, the lessor or any of his tenants had in operation or had entered into a contract for the operation of a restaurant or other food facility in a part of the building not included in such lease and the operation of a vending facility by a blind vendor would be in proximate and substantial direct competition with such restaurant or other food facility, the provisions of paragraphs (a), (b), and (c) of this section shall not apply.

§ 395.32 Collection and distribution of vending machine income from vending machines on Federal property.

(a) The on-site official responsible for the Federal property of each property managing department, agency, or instrumentality of the United States, in accordance with established procedures of such department, agency, or instrumentality, shall be responsible for the collection of, and accounting for, vending machine income from vending machines on Federal property under his

control and shall otherwise ensure compliance with the provisions of this section.

(b) Effective January 2, 1975, 100 per centum of all vending machine income from vending machines on Federal property which are in direct competition with a vending facility operated by a blind vendor shall accrue to the State licensing agency which shall disburse such income to such blind vendor operating such vending facility on such property provided that the total amount of such income accruing to such blind vendor does not exceed the maximum amount determined under § 395.8(a). In the event that there is income from such vending machines in excess of the maximum amount which may be disbursed to the blind vendor under § 395.8(a), such additional income shall accrue to the State licensing agency for purposes determined in accordance with § 395.8(c).

(c) Effective January 2, 1975, 50 per centum of all vending machine income from vending machines on Federal property which are not in direct competition with a vending facility operated by a blind vendor shall accrue to the State licensing agency which shall disburse such income to the blind vendor operating such vending facility on such property. In the event that there is no blind vendor, such income shall accrue to the State licensing agency, except as indicated under paragraph (d) of this section. The total amount of such income disbursed to such blind vendor shall not exceed the maximum amount determined under § 395.8(a). In the event that there is income from such vending machines in excess of the maximum amount which may accrue to the blind vendor under § 395.8(a), such additional income shall accrue to the State licensing agency for purposes determined in accordance with § 395.8(c).

(d) Effective January 2, 1975, 30 per centum of all vending machine income from vending machines, which are not in direct competition with a vending facility operated by a blind vendor and which are on Federal property at which at least 50 per centum of the total hours worked on the premises occurs during a period other than normal working hours, shall accrue to the

State licensing agency which shall disburse such income to the blind vendor operating a vending facility on such property. In the event that there is no blind vendor on such property, such income shall accrue to the State licensing agency. The total amount of such income disbursed to such blind vendor shall not exceed the maximum amount determined under §395.8(a). In the event that there is income from such vending machines in excess of the maximum amount which may be disbursed to the blind vendor under §395.8(a), such additional income shall accrue to the State licensing agency for purposes determined in accordance with §395.8(c).

(e) The determination that a vending machine on Federal property is in direct competition with a vending facility operated by a blind vendor shall be the responsibility of the on-site official responsible for the Federal property of each property managing department, agency or instrumentality of the United States, subject to the concurrence of the State licensing agency.

(f) In the case of vending machine income which, prior to the effective date of this part, has been disbursed to a blind vendor by a property managing department, agency, or instrumentality from proceeds which accrued from operations subsequent to January 2, 1975, pursuant to agreements in effect prior to such time, such income may be deducted, at the discretion of such property managing department, agency or instrumentality, from vending machine income due to the State licensing agency under paragraphs (b), (c), or (d) of this section.

(g) The collection of vending machine income and its disbursement to the appropriate State licensing agency shall be conducted on at least a quarterly basis.

(h) All arrangements pertaining to the operation of vending machines on Federal property not covered by contract with, or by permits issued to, State licensing agencies, shall be renegotiated upon the expiration of the existing contract or other arrangement for consistency with the provisions of this section.

(i) The provisions of this section shall not apply to income from vending

machines within operated retail sales outlets under the control of post exchange or ships' stores systems authorized under title 10 U.S.C.; to income from vending machines operated by the Veterans Canteen Service; or to income from vending machines not in direct competition with a blind vending facility at individual locations, installations, or facilities on Federal property the total of which at such individual locations, installations, or facilities does not exceed \$3,000 annually.

(j) The provisions of this section shall not operate to preclude pre-existing or future arrangements, or regulations of departments, agencies, or instrumentalities of the United States, under which blind vendors or State licensing agencies may:

(1) Receive a greater percentage or amount of vending machine income than that specified in paragraphs (b), (c), and (d) of this section, or

(2) Receive vending machine income from individual locations, installations, or facilities on Federal property the total of which at such individual locations, installations, or facilities does not exceed \$3,000 annually.

§ 395.33 Operation of cafeterias by blind vendors.

(a) Priority in the operation of cafeterias by blind vendors on Federal property shall be afforded when the Secretary determines, on an individual basis, and after consultation with the appropriate property managing department, agency, or instrumentality, that such operation can be provided at a reasonable cost, with food of a high quality comparable to that currently provided employees, whether by contract or otherwise. Such operation shall be expected to provide maximum employment opportunities to blind vendors to the greatest extent possible.

(b) In order to establish the ability of blind vendors to operate a cafeteria in such a manner as to provide food service at comparable cost and of comparable high quality as that available from other providers of cafeteria services, the appropriate State licensing agency shall be invited to respond to solicitations for offers when a cafeteria contract is contemplated by the appropriate property managing department,

agency, or instrumentality. Such solicitations for offers shall establish criteria under which all responses will be judged. Such criteria may include sanitation practices, personnel, staffing, menu pricing and portion sizes, menu variety, budget and accounting practices. If the proposal received from the State licensing agency is judged to be within a competitive range and has been ranked among those proposals which have a reasonable chance of being selected for final award, the property managing department, agency, or instrumentality shall consult with the Secretary as required under paragraph (a) of this section. If the State licensing agency is dissatisfied with an action taken relative to its proposal, it may file a complaint with the Secretary under the provisions of § 395.37.

(c) All contracts or other existing arrangements pertaining to the operation of cafeterias on Federal property not covered by contract with, or by permits issued to, State licensing agencies shall be renegotiated subsequent to the effective date of this part on or before the expiration of such contracts or other arrangements pursuant to the provisions of this section.

(d) Notwithstanding the requirements of paragraphs (a) and (b) of this section, Federal property managing departments, agencies, and instrumentalities may afford priority in the operation of cafeterias by blind vendors on Federal property through direct negotiations with State licensing agencies whenever such department, agency, or instrumentality determines, on an individual basis, that such operation can be provided at a reasonable cost, with food of a high quality comparable to that currently provided employees: *Provided, however,* That the provisions of paragraphs (a) and (b) of this section shall apply in the event that the negotiations authorized by this paragraph do not result in a contract.

§ 395.34 Application for permits.

Applications for permits for the operation of vending facilities other than cafeterias shall be made in writing on the appropriate form, and submitted for the review and approval of the head

of the Federal property managing department, agency, or instrumentality.

§ 395.35 Terms of permit.

Every permit shall describe the location of the vending facility including any vending machines located on other than the facility premises and shall be subject to the following provisions:

(a) The permit shall be issued in the name of the applicant State licensing agency which shall:

(1) Prescribe such procedures as are necessary to assure that in the selection of vendors and employees for vending facilities there shall be no discrimination because of sex, race, age, creed, color, national origin, physical or mental disability, or political affiliation; and

(2) Take the necessary action to assure that vendors do not discriminate against any person or persons in furnishing, or by refusing to furnish, to such person or persons the use of any vending facility, including any and all services, privileges, accommodations, and activities provided thereby, and comply with title VI of the Civil Rights Act of 1964 and regulations issued pursuant thereto.

(b) The permit shall be issued for an indefinite period of time subject to suspension or termination on the basis of compliance with agreed upon terms.

(c) The permit shall provide that:

(1) No charge shall be made to the State licensing agency for normal cleaning, maintenance, and repair of the building structure in and adjacent to the vending facility areas;

(2) Cleaning necessary for sanitation, and the maintenance of vending facilities and vending machines in an orderly condition at all times, and the installation, maintenance, repair, replacement, servicing, and removal of vending facility equipment shall be without cost to the department, agency, or instrumentality responsible for the maintenance of the Federal property; and

(3) Articles sold at vending facilities operated by blind licensees may consist of newspapers, periodicals, publications, confections, tobacco products, foods, beverages, chances for any lottery authorized by State law and conducted by an agency of a State within

§ 395.36

such State, and other articles or services as are determined by the State licensing agency, in consultation with the on-site official responsible for the Federal property of the property managing department, agency or instrumentality, to be suitable for a particular location. Such articles and services may be dispensed automatically or manually and may be prepared on or off the premises in accordance with all applicable health laws.

(d) The permit shall further provide that vending facilities shall be operated in compliance with applicable health, sanitation, and building codes or ordinances.

(e) The permit shall further provide that installation, modification, relocation, removal, and renovation of vending facilities shall be subject to the prior approval and supervision of the on-site official responsible for the Federal property of the property managing department, agency, or instrumentality, and the State licensing agency; that costs of relocations initiated by the State licensing agency shall be paid by the State licensing agency; and that costs of relocations initiated by the department, agency, or instrumentality shall be borne by such department, agency, or instrumentality.

(f) The operation of a cafeteria by a blind vendor shall be covered by a contractual agreement and not by a permit.

§ 395.36 Enforcement procedures.

(a) The State licensing agency shall attempt to resolve day-to-day problems pertaining to the operation of the vending facility in an informal manner with the participation of the blind vendor and the on-site official responsible for the property of the property managing department, agency, or instrumentality as necessary.

(b) Unresolved disagreements concerning the terms of the permit, the Act, or the regulations in this part and any other unresolved matters shall be reported in writing to the State licensing agency supervisory personnel by the Regional or other appropriate official of the Federal property managing department, agency, or instrumentality in an attempt to resolve the issue.

34 CFR Ch. III (7-1-10 Edition)

§ 395.37 Arbitration of State licensing agency complaints.

(a) Whenever any State licensing agency determines that any department, agency, or instrumentality of the United States which has control of the maintenance, operation, and protection of Federal property is failing to comply with the provisions of the Act or of this part and all informal attempts to resolve the issues have been unsuccessful, such licensing agency may file a complaint with the Secretary.

(b) Upon receipt of a complaint filed under paragraph (a) of this section, the Secretary shall convene an ad hoc arbitration panel which shall, in accordance with the provisions of 5 U.S.C. ch. 5, subchapter II, give notice, conduct a hearing and render its decision which shall be final and binding on the parties except that such decision shall be subject to appeal and review as a final agency action for purposes of the provisions of 5 U.S.C. ch. 7. The arbitration panel convened by the Secretary to hear complaints filed by a State licensing agency shall be composed of three members appointed as follows:

(1) One individual designated by the State licensing agency;

(2) One individual designated by the head of the Federal department, agency, or instrumentality controlling the Federal property over which the dispute arose; and

(3) One individual, not employed by the Federal department, agency, or instrumentality controlling the Federal property over which the dispute arose, who shall be jointly designated by the other members of the panel and who shall serve as chairman of the panel.

(c) If either the State licensing agency or the head of the Federal department, agency, or instrumentality fails to designate a member of an arbitration panel, the Secretary shall designate such member on behalf of such party.

(d) If the panel finds that the acts or practices of any department, agency, or instrumentality are in violation of the Act or of this part, the head of any such department, agency, or instrumentality (subject to any appeal under paragraph (b) of this section) shall

cause such acts or practices to be terminated promptly and shall take such other action as may be necessary to carry out the decision of the panel.

(e) The decisions of an arbitration panel convened by the Secretary under this section shall be matters of public record and shall be published in the FEDERAL REGISTER.

(f) The Secretary shall pay all reasonable costs of arbitration under this section in accordance with a schedule of fees and expenses which shall be published in the FEDERAL REGISTER.

§ 395.38 Reports.

At the end of each fiscal year, each property managing department, agency, or instrumentality of the United States shall report to the Secretary the total number of applications for vending facility locations received from State licensing agencies, the number accepted, the number denied, the number still pending, the total amount of vending machine income collected and the amount of such vending machine income disbursed to the State licensing agency in each State.
