PART 406—STATE-ADMINISTERED TECH-PREP EDUCATION PROGRAM

Subpart A—General

§ 406.1 What is the State-Administered Tech-Prep Education Program?

If the annual appropriation for tech-prep education exceeds $50,000,000, the State-Administered Tech-Prep Education Program provides financial assistance for—

(a) Planning and developing four-year or six-year programs designed to provide a tech-prep education program leading to a two-year associate degree or certificate; and
(b) Planning and developing, in a systematic manner, strong, comprehensive links between secondary schools and postsecondary educational institutions.

(Authority: 20 U.S.C. 2394(b))

§ 406.2 Who is eligible for an award?

A State board of vocational education (State board) in the fifty States, Puerto Rico, the District of Columbia, or the Virgin Islands is eligible for an allotment under this program.

(Authority: 20 U.S.C. 2394a(b))

§ 406.3 What activities may the Secretary fund?

(a) The Secretary makes allotments to State boards to provide funding for consortia described in §406.30 for tech-prep education projects.

(b) A State board assists projects that must—

1. Be carried out under an articulation agreement between the members of the consortium;
2. Consist of the two years or four years of secondary school preceding graduation and two years of higher education, or an apprenticeship training program of at least two years following secondary instruction, with a common core of required proficiency in mathematics, science, communications, and technologies designed to lead to an associate degree or certificate in a specific career field;
3. Include the development of tech-prep education program curricula appropriate to the needs of the consortium participants;
4. Include in-service training for teachers that—
   (i) Is designed to train teachers to implement tech-prep education program curricula effectively;
   (ii) Provides for joint training for teachers from all participants in the consortium; and
   (iii) May provide training on weekends, evenings, or during the summer in the form of sessions, institutes, or workshops;
5. Include training activities for counselors designed to enable counselors to more effectively—
   (i) Recruit students for tech-prep education programs;
