§ 607.9 What are the type, duration and limitations in the awarding of grants under this part?

(a)(1) Under this part, the Secretary may award planning grants and two types of development grants, individual development grants and cooperative arrangement development grants.

(2) Planning grants may be awarded for a period not to exceed one year.

(3) Either type of development grant may be awarded for a period of five years.

(b)(1) An institution that received an individual development grant of five years may not subsequently receive another individual development grant for a period of two years from the date on which the five-year grant period terminates.

(2) A cooperative arrangement grant is not considered to be an individual development grant under paragraph (b)(1) of this section.

§ 607.10 What activities may and may not be carried out under a grant?

(a) Planning grants. Under a planning grant, a grantee shall formulate—

(1) A comprehensive development plan described in §607.8; and

(2) An application for a development grant.

(b) Development grants—allocable activities. Under a development grant, except as provided in paragraph (c) of this section, a grantee shall carry out activities that implement its comprehensive development plan and hold promise for strengthening the institution. Activities that may be carried out include, but are not limited to—

(1) Faculty exchanges, faculty fellowships, and faculty development that provide faculty with the skills and knowledge needed to—

(i) Develop academic support services, including advising and mentoring students;

(ii) Develop academic programs or methodology, including computer-assisted instruction, that strengthen the academic quality of the institution; or

(iii) Acquire terminal degrees that are required to obtain or retain accreditation of an academic program or department;

(2) Funds and administrative management that will improve the institution’s ability to—

(i) Manage financial resources in an efficient and effective manner; and

(ii) Collect, access, and use information about the institution’s operations for improved decisionmaking;

(3) Developing and improving academic programs that enable the institution to—

(i) Develop new academic programs or new program options that show promise for increased student enrollment;

(ii) Provide new technology or methodology to increase student success and retention or to retain accreditation; or

(iii) Improve curriculum or methodology for existing academic programs to stabilize or increase student enrollment;

(4) Acquiring equipment for use in strengthening management and academic programs to achieve objectives such as those described in paragraphs (b)(2) and (b)(3) of this section;

(5) Establishing or increasing the joint use of facilities such as libraries and laboratories to—

(i) Eliminate the distance and high cost associated with providing academic programs and academic support; or

(ii) Provide clinical experience that is part of an approved academic program at off-campus locations;

(6) Developing or improving student services to provide—

(i) New or improved methods to deliver student services, including counseling, tutoring, and instruction in basic skills; or

(ii) Improved strategies to train student services personnel;
