List cannot satisfy his or her service obligation to teach in that high-need field unless the high-need field in which he or she has prepared to teach begins teaching at the time the recipient begins teaching in that field.

(e) Repayment for failure to complete service obligation. If a grant recipient fails or refuses to carry out the required service obligation described in paragraph (b) of this section, the TEACH Grants received by the recipient must be repaid and will be treated as a Federal Direct Unsubsidized Loan, with interest accruing from the date of each TEACH Grant disbursement, in accordance with applicable sections of subpart B of 34 CFR part 685.

Subpart C—Determination of Awards

§ 686.21 Calculation of a grant.

(a)(1)(i) The Scheduled Award for a TEACH Grant for an eligible student is $4,000.

(ii) Each Scheduled Award remains available to an eligible student until the $4,000 is disbursed.

(b)(1) The aggregate amount that a student may receive in TEACH Grants for undergraduate and post-baccalaureate study may not exceed $16,000.

(ii) The aggregate amount that a student may receive in TEACH Grants for a master’s degree may not exceed $8,000.

(b) The annual award for—

(1) A full-time student is $4,000;

(2) A three-quarter-time student is $3,000;

(3) A half-time student is $2,000; and

(4) A less-than-half-time student is $1,000.

(c) Except as provided in paragraph (d) of this section, the amount of a student’s grant under this part, in combination with the other student financial assistance available to the student, including the amount of a Federal Pell Grant for which the student is eligible, may not exceed the student’s cost of attendance at the TEACH Grant-eligible institution. Other student financial assistance is estimated financial assistance, as defined in 34 CFR 673.5(c).

(d) A TEACH Grant may replace a student’s EFC, but the amount of the grant that exceeds the student’s EFC is considered estimated financial assistance, as defined in 34 CFR 673.5(c).

(e) In determining a student’s payment for a payment period, an institution must include—

(1) To help a student be prepared for the pursuit of a first undergraduate baccalaureate or post-baccalaureate degree or certificate; or
(i) In the case of English language instruction, to enable the student to utilize already existing knowledge, training, or skills; and

(2) In accordance with 34 CFR 668.5, a student’s participation in a program of study abroad if it is approved for credit by the home institution at which the student is enrolled.

§686.22 Calculation of a grant for a payment period.

(a) Eligibility for payment formula—(1) Programs using standard terms with at least 30 weeks of instructional time. A student’s grant for a payment period is calculated under paragraph (b) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;
(B) Is offered in semesters, trimesters, or quarters; and

(C)(1) For an undergraduate student, requires the student to enroll for at least 12 credit hours in each term in the award year to qualify as a full-time student; or

(2) For a graduate student, each term in the award year meets the minimum full-time enrollment status established by the institution for a semester, trimester, or quarter; and

(ii) The program uses an academic calendar that provides at least 30 weeks of instructional time in—

(A) Two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring, none of which overlaps any other term (including a summer term) in the program; or

(B) Any two semesters or trimesters, or any three quarters where—

(1) The institution starts its terms for different cohorts of students on a periodic basis (e.g., monthly);

(2) The program is offered exclusively in semesters, trimesters, or quarters; and

(3) Students are not allowed to be enrolled simultaneously in overlapping terms and must stay with the cohort in which they start unless they withdraw from a term (or skip a term) and re-enroll in a subsequent term.

(2) Programs using standard terms with less than 30 weeks of instructional time. A student’s payment for a payment period is calculated under paragraph (c) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;
(B) Is offered in semesters, trimesters, or quarters;

(C)(1) For an undergraduate student, requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; or

(2) For a graduate student, each term in the award year meets the minimum full-time enrollment status established by the institution for a semester, trimester, or quarter; and

(D) Is not offered with overlapping terms; and

(ii) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) Other programs using terms and credit hours. A student’s payment for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (2) of this section.

(4) Programs not using terms or using clock hours. A student’s payment for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) Programs for which an exception to the academic year definition has been
