§ 686.33 Frequency of payment.

(a) In each payment period, an institution may pay a student at such times and in such installments as it determines will best meet the student’s needs.

(b) The institution may pay funds in one lump sum for all the prior payment periods for which the student was eligible under §686.11 within the award year as long as the student has signed the agreement to serve prior to disbursement of the TEACH Grant. The student’s enrollment status must be determined according to work already completed.

§ 686.34 Liability for and recovery of TEACH Grant overpayments.

(a)(1) Except as provided in paragraphs (a)(2) and (3) of this section, a student is liable for any TEACH Grant overpayment made to him or her.

(2) The institution is liable for a TEACH Grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or in 34 CFR part 686. The institution must restore an amount equal to the overpayment to its TEACH Grant account.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a TEACH Grant overpayment if the amount of the overpayment is less than $25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes a TEACH Grant overpayment for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make the requested repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the TEACH Grant overpayment.

(2) If a student objects to the institution’s TEACH Grant overpayment determination, the institution must consider any information provided by the student and determine whether the objection is warranted.

(c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay a TEACH Grant overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the TEACH Grant overpayment, after the institution has taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection in accordance with procedures required by the Secretary. After referring the TEACH Grant overpayment to the Secretary under this section, the institution need make no further efforts to recover the overpayment.

(Authority: 20 U.S.C. 1070g, et seq.)

§ 686.35 Recalculation of TEACH Grant award amounts.

(a) Change in enrollment status. (1) If the student’s enrollment status changes from one academic term to another academic term within the same award year, the institution must recalculate the TEACH Grant award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student’s projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student’s award for the payment period is recalculated. Any such recalculations must take into account any changes in the cost of attendance. In the case of an undergraduate or post-baccalaureate program of study, if such a policy is established, it must be the same policy that the institution established under 34 CFR 680.80(b) for the Federal Pell Grant Program and it must apply to all students in the TEACH Grant-eligible program.
