MOTOR VEHICLE PERMITS

§ 13.930 Do I need a permit to operate a motor vehicle on the Denali Park road west of the Savage River?

Yes, you must obtain a permit from the superintendent to operate a motor vehicle on the restricted section of the Denali Park road. The restricted section begins at the west end of the Savage River Bridge (mile 14.8) and continues to the former Mt. McKinley National Park boundary north of Wonder Lake (mile 87.9).

§ 13.932 How many permits will be issued each summer?

The superintendent is authorized, under this subpart, to issue no more than 10,512 motor vehicle permits each year for access to the restricted section of the road. The superintendent will issue the permits for the period that begins on the Saturday of Memorial Day weekend and continues through the second Thursday following Labor Day or September 15, whichever comes first. Each permit allows one vehicle one entry onto the restricted portion of the Park road.

§ 13.934 How will the superintendent manage the permit program?

(a) The superintendent will apportion motor vehicle permits among authorized users following the procedures in §13.55. Authorized users are individuals, groups and governmental entities who are allowed by law or policy to use the restricted section of the road.

(b) The superintendent will establish an annual date to evaluate permit requests and publish that date, along with the results of the annual apportionment, in the superintendent's compendium of rules and orders. The superintendent's compendium is available to the public upon request.
