§ 7.12 Gulf Islands National Seashore.

(a) Operation of seaplanes and amphibious aircraft. (1) Aircraft may be operated on the waters within the boundaries of the Seashore surrounding Ship, Horn and Petit Bois Islands, but approaches, landings and take-offs shall not be made within 500 feet of beaches. Airplanes may be moored to island beaches, but beaches may not be used as runways or taxi strips.

(2) Aircraft operating in the vicinity of any developed facilities, boat docks, floating piers, ramps or bathing beaches will remain 500 feet from such facilities and must be operated with due care and regard for persons and property and in accordance with any posted signs or uniform waterway markers.

(3) Aircraft are prohibited from landing on or taking off from any land surfaces: any estuary, lagoon, pond or tidal flat; or any waters temporarily covering a beach; except when such operations may be authorized by prior permission of the Superintendent. Permission shall be based on needs for emergency service, resource protection, or resource management.

(b) Off-road operation of motor vehicles—(1) Route designations. (i) The operation of motor vehicles, other than on established roads and parking areas, is limited to oversand routes designated by the Superintendent in accordance with § 4.10(b) of this chapter. Operation of vehicles on these routes will be subject to all provisions of parts 2 and 4 of this chapter, as well as the specific provisions of this paragraph (b).

(ii) Oversand routes may be designated by the Superintendent in the following locations:

(A) In the eastern portion of Perdido Key, from the easternmost extension of the paved road to the east end of the island, excluding the Perdido Key Historic District near the former site of Fort McRee.

(B) In the westernmost portion of Santa Rosa Island, from the vicinity of Fort Pickens to the west end of the island.

(iii) Oversand routes designated by the Superintendent will be shown on maps available at park headquarters and other park offices. Signs at the entrance to each route will designate the route as open to motor vehicles.

Routes will be marked as follows:

(A) On beach routes, travel is permitted only between the water's edge and a line of markers on the landward side of the beach.

(B) On inland routes, travel is permitted only in the lane designated by pairs of markers showing the sides of the route.

(ii) No motor vehicle shall be operated on a designated oversand route without a valid permit issued by the Superintendent.

(iii) Permits are not transferable to another motor vehicle or to another driver. The driver listed on the permit must be present in the vehicle at any time it is being operated on an oversand route. Permits are to be displayed as directed at the time of issuance.

(iv) No permit shall be valid for more than one year. Permits may be issued for lesser periods, as appropriate for the time of year at which a permit is issued or the length of time for which use is requested.

(v) For a permit to be issued, a motor vehicle must:

(A) Be capable of four-wheel drive operation.

(B) Meet the requirements of §4.10(c)(3) of this chapter and conform to all applicable State laws regarding licensing, registration, inspection, insurance, and required equipment.

(C) Contain the following equipment to be carried at all times when the vehicle is being operated on an oversand route: shovel; tow rope, cable or chain; jack; and board or similar support for the jack.

(vi) No permit will be issued for a two-wheel drive motor vehicle, a motorcycle, an all-terrain vehicle, or any vehicle not meeting State requirements for on-road use.

(vii) In addition to any penalty required by §1.3 of this chapter for a violation of regulations governing the use of motor vehicles on oversand routes, the Superintendent may revoke the
§ 7.13 Yellowstone National Park.

(a) Commercial Vehicles. (1) Notwithstanding the prohibition of commercial vehicles set forth in §5.6 of this chapter, commercial vehicles are allowed to operate on U.S. Highway 191 in accordance with the provisions of this section.

(2) The transporting on U.S. Highway 191 of any substance or combination of substances, including any hazardous substance, hazardous material, or hazardous waste as defined in 49 CFR 171.8 that requires placarding of the transport vehicle in accordance with 49 CFR 177.823 or any marine pollutant that requires marking as defined in 49 CFR Subtitle B, is prohibited; provided, however, that the superintendent may issue permits and establish terms and conditions for the transportation of hazardous materials on U.S. Highway 191 in emergencies or when such transport is necessary for access to lands within or adjacent to the park area.

(3) The operator of a motor vehicle transporting any hazardous substance,
