§ 223.188 Prohibitions against exporting unprocessed Federal timber.

No person who acquires unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States may export such timber from the United States, or sell, trade, exchange, or otherwise convey such timber to any other person for the purpose of exporting such timber from the United States. This prohibition does not apply to specific quantities of grades and species of such unprocessed Federal timber that the Secretary of Agriculture determines to be surplus to domestic manufacturing needs.

§ 223.189 Prohibitions against substitution.

(a) Direct substitution prohibition. Except as otherwise provided by this section:

1. No person may purchase directly from any department or agency of the United States unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if:

   i. Such person acquires unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States and engages in exporting or selling for export, unprocessed timber originating from private lands within the same geographic and economic area; or

   ii. Such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands.

2. No person may export or sell for export, unprocessed timber originating from private lands within the same geographic and economic area in the same calendar year that the person has unprocessed timber originating from Federal lands in the person’s possession or under contract.

3. No person may purchase unprocessed timber originating from Federal lands if such person sells or otherwise transfers unprocessed timber originating from Federal lands to a third party or successive parties that require domestic processing, to a third party if that third party or successive parties export that unprocessed private timber. A third party or successive parties who acquire
§ 223.189

such unprocessed timber that originates from private lands west of the 100th meridian in the contiguous 48 States and that requires domestic processing may not export such timber.

(4) The prohibitions in paragraphs (a) (1)–(3) of this section shall not apply to specific quantities of grades and species of unprocessed timber which the Secretary of Agriculture has determined to be surplus to domestic manufacturing needs.

(b) Exemptions. (1) Pursuant to section 490(c) of the Act (16 U.S.C. 620b), all persons who applied for a sourcing area by December 20, 1990, in accordance with § 223.190 of this subpart, were exempt from the prohibitions against substitution, in accordance with § 223.189(a)(1) of this subpart, until such time that the approving official approved or disapproved the application.

(2) Pursuant to Section 490(a) of the Act (16 U.S.C. 620b), an exemption to the prohibition in § 223.189(a)(1) of this subpart is provided to:

(i) A person with a historic export quota who submitted a certification in accordance with § 223.189(c) and (d) of this subpart; and

(ii) A non-manufacturer who submitted a certification in accordance with § 223.192 of this subpart.

(3) Pursuant to § 490(c) of the Act (16 U.S.C. 620b), the prohibitions against direct substitution in § 223.189(a)(1) and (2) of this subpart do not apply to a person who acquires unprocessed timber originating from Federal lands within an approved sourcing area, does not export unprocessed timber originating from private lands within the approved sourcing area while the approval is in effect, and, if applicable, received a waiver of the prohibition against exporting unprocessed timber originating from private lands within the sourcing area during the preceding 24 months, in accordance with § 223.189(f) and (g) of this subpart.

(c) Historic export quota exemption. The prohibition against the purchase of Federal timber for a person who has exported unprocessed timber originating from private lands, within the preceding 24-month period, shall not apply to a person with a historic export quota approved by the Secretary and who has been exporting unprocessed private timber in accordance with the log export and substitution regulations of the Secretary of Agriculture at 36 CFR part 223, subpart D, in effect before August 20, 1990, if:

(1) That person certified in writing to the Regional Forester of the Region administering the historic export quota, on or before November 20, 1990, that the person would cease exporting unprocessed timber originating from private lands on or before February 20, 1991, and

(2) The exporting ceased in accordance with such certification.

(d) Application for historic export quota exemption. To obtain an exemption from the prohibition against export within the preceding 24-month period for purchasing Federal timber based on an approved historic export quota described in paragraph (c) of this section, a person must have applied in writing to the applicable Regional Forester on or before November 20, 1990. The certificate must have been notarized. The application was required to be on company letterhead and must have included:

(1) An agreement to retain records of all transactions involving acquisition and disposition of unprocessed timber from both private and Federal lands within the area(s) involved in the certification, for a period of three (3) years beginning November 20, 1990, and to make such records available for inspection upon the request of the Regional Forester, or other official to whom such authority has been delegated.

(2) A signed certification which reads as follows:

"I have purchased, under an historic export quota approved by the Secretary of Agriculture, unprocessed timber originating from Federal lands located west of the 100th meridian in the contiguous 48 States during the preceding 24 months in direct substitution for exported unprocessed timber originating from private lands. I desire to purchase directly from a Department or agency of the United States, unprocessed timber originating from Federal lands located in such area of the United States. I make this certification for the exemption from the prohibition against export within the preceding 24-month period for purchasing Federal timber required by the Forest Resources Conservation and Shortage Relief Act of 1990, (Pub. L. No. 101-382, August 20, 1990, 16 U.S.C. VerDate Mar<15>2010 17:05 Aug 03, 2011 Jkt 223138 PO 00000 Frm 00156 Fmt 8010 Sfmt 8010 Q:\36\36V2.TXT ofr150 PsN: PC150"
§ 223.189

620, et seq.) (Act). I hereby certify that I will cease all exporting of such unprocessed private timber from lands west of the 100th meridian in the 48 contiguous States of the United States by February 20, 1991. I make this certification with full knowledge and understanding of the requirements of this Act and do fully understand that failure to cease such exporting as certified will be a violation of this Act (16 U.S.C. 620d) and the False Statements Act (18 U.S.C. 1001), and may subject me to the penalties and remedies provided for under such violation.

(3) The certification must have been signed by the person making such certification or, in the case of a corporation, by its Chief Executive Officer.

(e) Indirect substitution prohibition. No person may purchase from any other person unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if such person would be prohibited by paragraph (a) of this section from purchasing such timber directly from a Department or agency of the United States, pursuant to §490(b) of the Forest Resources Conservation and Shortage Relief Act of 1990 (16 U.S.C. 620, et seq.). The prohibition in this paragraph does not apply to the following:

(1) To the acquisition of western red cedar, which is domestically processed into finished products.

(2) To a person who acquires unprocessed timber originating from Federal lands within an approved sourcing area, does not export unprocessed timber originating from private lands within the approved sourcing area while the approval is in effect, and, if applicable, receives a waiver of the prohibition against exporting unprocessed timber originating from private lands within the approved sourcing area during the preceding 24 months in accordance with §223.203.

3. The prohibitions in §223.189(a) (1) and (2) against direct and indirect acquisition of unprocessed timber originating from Federal lands do not apply if:

(1) A person acquires such timber from within an approved sourcing area located west of the 100th meridian in the 48 contiguous States;

(2) Has not exported unprocessed timber originating from private lands located within the approved sourcing area during the preceding 24 months;

(3) Does not export such private timber from within the approved sourcing area during the period the sourcing area is in effect; and

(4) Does not export such private timber during any calendar year in the same geographic and economic area that unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States is under contract or in possession of the Federal government.

(f) Application for waiver within a sourcing area. To obtain a waiver of the prohibition against exporting unprocessed timber originating from private lands within the approved sourcing area boundaries, pursuant to paragraph (g), any person must submit a request for waiver, in writing, to the Regional Forester of the region in which the manufacturing facility being sourced is located, which must have been received by the Regional Forester on or before November 20, 1990.

(g) Signatories of this certificate who received an approved sourcing area, like all holders of sourcing areas, are subject to the prohibition against exporting unprocessed timber originating from private lands within the sourcing area boundaries, pursuant to paragraph (f).
§ 223.190 Sourcing area application procedures.

(a) Subject to the restrictions described in §223.189 of this subpart and, except as provided in paragraph (b) of this section, a person who owns or operates a manufacturing facility and who exports unprocessed timber originating from private lands may apply for a sourcing area in accordance with the procedures of this section. However, an owner/operator of a manufacturing facility who exports unprocessed timber originating from Federal lands may not possess or acquire unprocessed timber originating from Federal lands unless the acquisition is within an approved sourcing area. A person who intends to acquire or become affiliated with a manufacturing facility that processes Federal timber and who is an exporter may apply for a sourcing area. Written proof of the intent to acquire or affiliate must be included in the sourcing area application, signed by the applicant and the person or, in the case of a corporation, the Chief Executive Officer, whose company the applicant intends to acquire or affiliate with. This certification must be on letterhead and must be notarized. A sourcing area application that the Secretary determines would be approved will be granted tentative approval pending final notification by the applicant of acquisition of or affiliation with the manufacturing facility. The tentative approval of the sourcing area will lapse unless the acquisition or affiliation occurs within 30 days of the tentative approval of the sourcing area. A sourcing area is not valid until final approval of the sourcing area. The direct substitution prohibition did not apply to a person who applied for a sourcing area on or before December 20, 1990. A request for modification of an existing sourcing area shall trigger a review pursuant to the procedures and restrictions in §223.191(e).

(b) As provided in the Act, a person who has requested an exemption or waiver of the prohibition against export within the preceding 24-month period, pursuant to §223.189 of this subpart, must have applied for the desired sourcing area on or before December 20, 1990. A request for modification of an existing sourcing area shall trigger a review pursuant to the procedures and restrictions in §223.191(e).

(c) Applications. Sourcing area applications shall include:

(1) A map of sufficient scale and detail to clearly show:

(i) The applicant’s desired sourcing area boundary. This boundary will include both the private and Federal lands from which the applicant intends to acquire unprocessed timber for sourcing its manufacturing facilities;

(ii) The location of the timber manufacturing facilities owned or operated by the applicant within the proposed sourcing area where the person intends to process timber originating from Federal land;

(iii) The location of private lands within and outside the desired sourcing
