§ 17.162 Eligibility for Class II dental treatment without rating action.

When an application has been made for class II dental treatment under §17.161(b), the applicant may be deemed eligible and dental treatment authorized on a one-time basis without rating action if:

(a) The examination to determine the need for dental care has been accomplished within the specified time limit after date of discharge or release unless delayed through no fault of the veteran, and sound dental judgment warrants a conclusion the condition originated in or was aggravated during service and the condition existed at the time of discharge or release from active service, and

(b) The treatment will not involve replacement of a missing tooth noted at the time of Department of Veterans Affairs examination except:

(1) In conjunction with authorized extraction replacement, or

(2) When a determination can be made on the basis of sound professional judgment that a tooth was extracted or lost on active duty.

(c) Individuals whose entire tour of duty consisted of active or inactive duty for training shall not be eligible for treatment under this section.

(Authority: 38 U.S.C. 1712)

§ 17.163 Posthospital outpatient dental treatment.

The Chief, Dental Service may authorize outpatient dental care which is reasonably necessary to complete treatment of a nonservice-connected dental condition which was begun while the veteran was receiving Department of Veterans Affairs authorized hospital care.

(Authority: 38 U.S.C. 1712(b)(5))

§ 17.164 Patient responsibility in making and keeping dental appointments.

Any veteran eligible for dental treatment on a one-time completion basis only and who has not received such treatment within 3 years after filing the application shall be presumed to have abandoned the claim for dental treatment.

§ 17.165 Emergency outpatient dental treatment.

When outpatient emergency dental care is provided, as a humanitarian service, to individuals who have no established eligibility for outpatient dental care, the treatment will be restricted to the alleviation of pain or extreme discomfort, or the remediation
