§ 6.12 Special dividends.

Any special U.S. Government Life Insurance dividend that may be declared shall be paid in cash. Such special dividends shall not be accepted to accumulate on deposit or as a dividend credit. (Authority: 38 U.S.C. 1944)

§ 6.13 Policy loans.

At any time after the first policy year and upon the execution of a loan agreement satisfactory to the Secretary the United States will lend to the insured on the sole security of his/her United States Government Life Insurance policy any amount which shall not exceed 94 percent of the cash value, and any indebtedness shall be deducted from the amount advanced on such loan. The loan shall bear interest at a rate not to exceed 5 percent per annum, payable annually, and the loan may be repaid in full or in amounts of $5 or more. Failure to pay either the amount of the loan or the interest thereon shall not void the policy unless the total indebtedness shall equal or exceed the cash value thereof. When the amount of the indebtedness equals or exceeds the cash value, the policy shall cease and become void.

(Authority: 38 U.S.C. 1944)

§ 6.14 Cash value; other than special endowment at age 96 plan policy.

Provisions for cash value shall become effective at the completion of the first policy year on any plan of United States Government Life Insurance other than the special endowment at age 96 plan policy; all values, reserves, and net single premiums being based on the American Experience Table of Mortality, with interest at the rate of 3½ percent per annum. The cash value shall be the reserve together with any dividend accumulations. For each month after the first policy year the reserve at the end of the preceding policy year shall be increased by one-twelfth of the increase in reserve for the current policy year. Upon written request therefor and upon complete
surrender of the insurance with all claims thereafter made by the insured the United States will pay to the insured the cash value of the policy less any indebtedness. Unless otherwise requested by the insured, a surrender will be deemed completed as of the end of the month in which the application for cash surrender is delivered to the Department of Veterans Affairs, or as of the date of the check for the cash value, whichever is later. If the application is forwarded by mail, properly addressed, the postmark date will be taken as the date of delivery.

§ 6.16 Payment of cash value in monthly installments.

Effective January 1, 1971, in lieu of payment of cash value in one sum, the insured may elect to receive payment in monthly installments under option 2 as set forth in the insurance contract or as a refund life income option. If the insured dies before the agreed number of monthly installments have been paid, the remaining unpaid monthly installments shall be payable to the designated beneficiary in one sum, unless the insured or such beneficiary has elected to continue the installments under the option selected by the insured. If no designated beneficiary survives, the present value of any remaining unpaid installments shall be paid to the estate of the insured, provided such payment would not escheat.

INDEBTEDNESS

§ 6.17 Collection of any indebtedness.
