§ 21.4009 Waiver or recovery of overpayments.

For the purposes of this section, “educational institution” includes an organization or entity offering licensing or certification tests.

(a) General. (1) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of that veteran or eligible person.

(2) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of the education institution if the Department of Veterans Affairs determines that the overpayment was made as the result of willful or negligent:

(i) Failure of the educational institution to report, as required by §§21.4203 and 21.4204, discontinuance or interruption of a course by a veteran, reservist or eligible person, or

(ii) False certification by the educational institution.

(3) If it appears that the falsity or misrepresentation was deliberate, the Department of Veterans Affairs may not pursue administrative collection pending a determination whether the matter should be referred to the Department of Justice for possible civil or criminal action. However, the Department of Veterans Affairs may recover the amount of the overpayment from the educational institution by administrative collection procedure when the Department of Veterans Affairs determines the false certification or misrepresentation resulted from an administrative error or a misstatement of fact and that no criminal or civil action is warranted.
