

## Department of Veterans Affairs

## § 52.70

(j) Veterans who agree to pay to the United States the applicable co-payment determined under 38 U.S.C. 1710(f) and 1710(g), if they seek VA (U.S. Department of Veterans Affairs) hospital, nursing home, or outpatient care.

(Authority: 38 U.S.C. 101, 501, 1741-1743)

### Subpart D—Standards

#### § 52.60 Standards applicable for payment of per diem.

The provisions of this subpart are the standards that a State home and program management must meet for the State to receive per diem for adult day health care provided at that facility.

#### § 52.61 General requirements for adult day health care program.

Adult day health care must be a therapeutically-oriented outpatient day program, which provides health maintenance and rehabilitative services to participants. The program must provide individualized care delivered by an interdisciplinary health care team and support staff, with an emphasis on helping participants and their caregivers to develop the knowledge and skills necessary to manage care requirements in the home. Adult day health care is principally targeted for complex medical and/or functional needs of geriatric patients.

(Authority: 38 U.S.C. 101, 501, 1741-1743)

#### § 52.70 Participant rights.

The participant has a right to a dignified existence, self-determination, and communication with and access to persons and services inside and outside the facility. The program management must protect and promote the rights of each participant, including each of the following rights:

(a) *Exercise of rights.* (1) The participant has the right to exercise his or her rights as a participant of the program and as a citizen or resident of the United States.

(2) The participant has the right to be free of interference, coercion, discrimination, and reprisal from the program management in exercising his or her rights.

(3) The participant has the right to freedom from chemical or physical restraint.

(4) In the case of a participant determined incompetent under the laws of a State by a court of jurisdiction, the rights of the participant are exercised by the person appointed under State law to act on the participant's behalf.

(b) *Notice of rights and services.* (1) The program management must inform the participant both orally and in writing in a language that the participant understands of his or her rights and all rules and regulations governing participant conduct and responsibilities during enrollment in the program. Such notification must be made prior to or upon enrollment and periodically during the participant's enrollment.

(2) Participants or their legal representatives have the right—

(i) Upon an oral or written request, to access all records pertaining to them including current participant records within 24 hours (excluding weekends and holidays); and

(ii) After receipt of their records for review, to purchase, at a cost not to exceed the community standard, photocopies of the records or any portions of them upon request and with two working days advance notice to the facility management.

(3) Participants have the right to be fully informed in language that they can understand of their total health status.

(4) Participants have the right to refuse treatment, to refuse to participate in patient activities, to refuse to participate in experimental research, and to formulate an advance directive as specified in paragraph (a)(7) of this section.

(5) The program management must inform each participant before, or at the time of enrollment, and periodically during the participant's stay, of services available in the facility and of charges for those services to be billed to the participant.

(6) The program management must furnish a written description of legal rights which includes a statement that the participant may file a complaint with the State (agency) concerning participant abuse and neglect.
