receive funds and the proposal is selected, the proposal is treated as prescribed by paragraph (h)(3) of this section.

(2) If more than one proposal is submitted for the same cause, and the proposals would have different executive agencies receiving funds, the funds would be evenly divided among the executive agencies, with no more than two agencies being designated to receive funds, as determined by the vice president and consumer advocate.

(3) Within 10 days of receipt of a notice indicating that it has been selected to receive funds, a selected agency could request a proportionately larger share if it can demonstrate that its share of total funding of the cause from other sources (excluding any additional funds available as a result of the semipostal stamp) exceeds that of the other recipient executive agency. The request must be in writing and must be sent to the manager of Stamp Services. In those cases, the determination regarding the proportional share to be divided among the recipient executive agencies is made by the Postal Service’s vice president and consumer advocate.

(i) As either a separate matter, or in combination with recommendations on a cause and a recipient executive agency(ies), the Citizens’ Stamp Advisory Committee will recommend to the postmaster general a design (i.e., artwork) for the semipostal stamp. The postmaster general will make a final determination on the design to be featured.

Interested persons who submit proposals are not entitled to any remuneration, compensation, or any other form of payment, whether their proposal submissions are selected or not, for any reason.

(c) The following persons are disqualified from submitting proposals:

(1) Any contractor of the Postal Service that may stand to benefit financially from the Semipostal Stamp Program; or

(2) Members of the Citizens’ Stamp Advisory Committee and their immediate families, and employees or contractors of the Postal Service, and their immediate families, who are involved in any decision-making related to causes, recipient agencies, or artwork for the Semipostal Stamp Program.
§ 551.7 Calculation of funds for recipient executive agencies.

(a) The Postal Service is to determine its reasonable costs in executing its responsibilities pursuant to the Semipostal Authorization Act, as specified in §551.8. (b) Any reasonable costs offset by the Postal Service shall be retained by it, along with revenue from the sale of the semipostal stamps, as recorded by sales units through the use of a specially designated account.

(c) The Postal Service is to pay designated recipient executive agency(ies) the remainder of the differential revenue less an amount to recover the reasonable costs of the Postal Service, as determined under §551.8.

(d) The amounts for recipient executive agencies are transferred in a manner and frequency determined by mutual agreement, consistent with the requirements of 39 U.S.C. 416.
