APPENDIX A—FEDERAL CONTRACTOR VETERANS' EMPLOYMENT REPORT VETS-100

AUTHORITY: 38 U.S.C. 4211 (2001) and 38 U.S.C. 4212 (2001).

SOURCE: 73 FR 65768, Nov. 5, 2008, unless otherwise noted.

§ 61-250.1 What are the purpose and scope of this part?

(a) This part 61-250 implements 38 U.S.C. 4212(d) (2001). Each contractor or subcontractor with a contract in the amount of \$25,000 or more entered into before December 1, 2003, with any department or agency of the United States for the procurement of personal property and non-personal services (including construction), and who is subject to 38 U.S.C. 4212(a) and the Office of Federal Contract Compliance Programs (OFCCP) regulations at 41 CFR Part 60-250, must submit a report according to the requirements of § 61-250.10, except that the contractor or subcontractor must submit a report according to the requirements of § 61-300.10, not § 61-250.10, if such a contract is modified on or after December 1, 2003, and the contract as modified is in the amount of \$100,000 or more.

(b) Notwithstanding the regulations in this part, the regulations at 41 CFR Part 60-250, administered by OFCCP, continue to apply to the affirmative action obligations of contractors and subcontractors with contracts entered into before December 1, 2003 (and not modified as described in paragraph (a) of this section).

(c) Reporting requirements of this part regarding veterans will be deemed

waived in those instances in which the Deputy Assistant Secretary, OFCCP, has granted a waiver under 41 CFR 60-250.4(b)(1), or has concurred in granting a waiver under 41 CFR 60-250.4(b)(2), from compliance with all the terms of the equal opportunity clause for those establishments not involved in government contract work. Where OFCCP grants only a partial waiver, compliance with these reporting requirements regarding veterans will be required.

(d) 41 CFR 60-250.42 and Appendix B to part 60-250 provide guidance concerning the affirmative action obligations of Federal contractors and subcontractors with contracts entered into before December 1, 2003, (and not modified as described in paragraph (a) of this section), with respect to applicants for employment who are protected veterans.

§ 61-250.2 What definitions apply to this part?

(a) For purposes of this part, and unless otherwise indicated in paragraph (b) of this section, the terms set forth in this part have the same meaning as set forth in 41 CFR Part 60-250.

(b) For purposes of this part:

(1) *Hiring location* (this definition is identical to establishment as defined by the instructions for completing Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report)) means an economic unit which produces goods or services, such as a factory, office, store, or mine. In most instances the establishment is at a single physical location and is engaged in one, or predominantly one, type of economic activity. Units at different locations, even though engaged in the same kind of business operation, should be reported as separate establishments. For locations involving construction, transportation, communications, electric, gas, and sanitary services, oil and gas fields, and similar types of physically dispersed industrial activities, however, it is not necessary to list separately each individual site, project, field, line, etc., unless it is treated by

the contractor as a separate legal entity with a separate Employer Identification Number (EIN). For these physically dispersed activities, list as establishments only those relatively permanent main or branch offices, terminals, stations, etc., which are either:

(i) Directly responsible for supervising such dispersed activities, or

(ii) The base from which personnel and equipment operate to carry out these activities. (Where these dispersed activities cross State lines, at least one such establishment should be listed for each State involved.)

(2) *Employee* means any individual on the payroll of an employer who is an employee for purposes of the employer's withholding of Social Security taxes except insurance salespersons who are considered to be employees for such purposes solely because of the provisions of section 3121(d)(3)(B) of the Internal Revenue Code (26 U.S.C.). The term employee does not include persons who are hired on a casual basis for a specified time, or for the duration of a specified job, and who work on remote or scattered sites or locations where it is not practical or feasible for the employer to make a visual survey of the work force within the report period; for example, persons at a construction site whose employment relationship is expected to terminate with the end of the employees' work at the site; persons temporarily employed in any industry other than construction, such as mariners, stevedores, waiters/waitresses, movie extras, agricultural laborers, lumber yard workers, etc., who are obtained through a hiring hall or other referral arrangement, through an employee contractor or agent, or by some individual hiring arrangement; or persons on the payroll of a temporary service agency who are referred by such agency for work to be performed on the premises of another employer under that employer's direction and control.

(3) *Job category* means any of the following: Officials and managers, professionals, technicians, sales workers, office and clerical, craft workers (skilled), operatives (semiskilled), laborers (unskilled), service workers, as required by the Employer Information

Veterans' Employment and Training

§ 61-250.2

Includes bookkeepers, cashiers, collectors (bills and accounts), messengers and office helpers, office machine operators, shipping and receiving clerks, stenographers, typists and secretaries, telegraph and telephone operators, legal assistants, and kindred workers.

(ix) *Service workers* means workers in both protective and non-protective service occupations. §61-250.10 What reporting requirements apply to Federal contractors and subcontractors, and what specific wording must the reporting requirements contract clause contain?

Each contractor or subcontractor described in §61-250.1 must submit reports in accordance with the following reporting clause, which must be included in each of its covered government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract). Such clause is considered as an addition to the equal opportunity action clause required by 41 CFR 60-250.5. The reporting requirements clause is as follows:

Employment Reports on Special Disabled Veterans, Veterans of the Vietnam Era, Other Protected Veterans, and Recently Separated Veterans.

(a) The contractor or subcontractor agrees to report at least annually, as required by the Secretary of Labor, on:

(1) The number of current employees in each job category and at each hiring location who are special disabled veterans, the number who are veterans of the Vietnam era, the number who are other protected veterans, and the number who are recently separated veterans;

(2) The total number of new employees hired during the period covered by the report, and of that total, the number who are special disabled veterans, the number who are veterans of the Vietnam era, the number who are other protected veterans, and the number who are recently separated veterans; and

(3) The maximum number and minimum number of employees of such contractor at each hiring location during the period covered by the report.

(b) The above items must be reported by completing the form entitled "Federal Contractor Veterans' Employment Report VETS-100."

(c) VETS-100 reports must be submitted no later than September 30 of each year beginning September 30, 2001. The eligibility period (the period during which an employer received a Federal contract) for this report and all subsequent reports is the calendar year (January 1 through December 31) that

Veterans' Employment and Training

§ 61-250.11

precedes the year in which the report is submitted.

(d) The employment activity report required by paragraphs (a)(2) and (a)(3) of this clause must reflect total new hires and maximum and minimum number of employees during the 12-month period preceding the ending date that the contractor selects for the current employment report required by paragraph (a)(1) of this clause. Contractors may select an ending date: (1) As of the end of any pay period during the period July 1 through August 31 of the year the report is due; or (2) as of December 31, if the contractor has previous written approval from the Equal Employment Opportunity Commission to do so for purposes of submitting the Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report).

(e) The number of veterans reported according to paragraph (a) of this clause must be based on data known to contractors and subcontractors when completing their VETS-100 Reports. Contractors' and subcontractors' knowledge of veteran status may be obtained in a variety of ways, including, in response to an invitation to applicants to self-identify in accordance with 41 CFR 60-250.42, voluntary self-disclosures by protected incumbent veterans, or actual knowledge of an employee's veteran status by a contractor or subcontractor. Nothing in this paragraph (e) relieves a contractor from liability for discrimination under 38 U.S.C. 4212. (OMB No. 1293-0005)

§ 61-250.11 On what form must the data required by this part be submitted?

(a) Data items required in paragraph (a) of the contract clause set forth in § 61-250.10 must be reported for each hiring location on the VETS-100 form. This form is provided annually to those contractors who are included in the VETS-100 data base. The form, and instructions for preparing it, are also set forth as follows:

THE VETS-100 REPORT FORM IS
REPRINTED AS APPENDIX A TO

41 CFR PART 61-250

WHO MUST FILE

This VETS-100 Report is to be completed by all nonexempt federal contractors and subcontractors with a contract or subcontract entered into before December 1, 2003, in the amount of \$25,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services. Services include but are not limited to the following services: utility, construction, transportation, research, insurance, and fund depository, irrespective of whether the government is the purchaser or seller. Entering into a covered federal contract or subcontract during a given calendar year establishes the requirement to file a VETS-100 Report during the following calendar year. A VETS-100A Report is to be completed by all nonexempt federal contractors and subcontractors whose only contract or subcontract with any department or agency of the United States for the procurement of personal property and non-personal services (including construction) was entered into or modified on or after December 1, 2003.

WHEN TO FILE

This annual report must be filed no later than September 30. Mail to the address pre-printed on the front of the form.

LEGAL BASIS FOR REPORTING REQUIREMENTS

Title 38, United States Code, Section 4212(d) and PL 105-339, requires that federal contractors report at least annually the numbers of existing employees who are: (1) Special disabled veterans, (2) veterans of the Vietnam era, and (3) other protected veterans (that is, who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). For the existing employees, the numbers of veterans within these three groups are to be broken out by job category. New hires are to be reported over a twelve-month reporting

period. The total number of veteran new hires in each of the three groups above is to be reported, along with the total number of recently separated veterans (*i.e.*, hired within twelve months of separation). In addition, over the same twelve-month period, the total number of new hires, both veterans and non-veterans, is required to be reported, along with the minimum and maximum total employment. This reporting is required by hiring location.

HOW TO SUBMIT THE VETS-100 REPORT

Single-establishment employers must file one completed form. All multi-establishment employers, *i.e.*, those doing business at more than one hiring location, must file (A) one form covering the principal or headquarters office; (B) A separate form for each hiring location employing 50 or more persons; and (C) EITHER, (I) a separate form for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required for the VETS-100 Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form.

RECORDKEEPING

Employers must keep copies of the completed annual VETS-100 Report submitted to DOL for a period of three years.

HOW TO PREPARE THE FORMS

Multi-establishment employers submitting hard copy reports should produce facsimile copies of the headquarters form for reporting data on each location.

Type of Reporting Organization: Indicate the type of contractual relationship (prime contractor or subcontractor) that the organization has with the Federal Government. If the organi-

zation serves as both a prime contractor and a subcontractor on various federal contracts, check both boxes.

Type of Form: If a reporting organization submits only one VETS-100 Report form for a single location, check the Single Establishment box. If the reporting organization submits more than one form, only one form should be checked as Multiple Establishment-Headquarters. The remaining forms should be checked as either Multiple Establishment-Hiring Location or Multiple Establishment-State Consolidated. For state consolidated forms, the number of hiring locations included in that report should be entered in the space provided. For each form, only one box should be checked within this block.

COMPANY IDENTIFICATION INFORMATION

Company Number: Do not change the Company Number that is printed on the form. If there are any questions regarding your Company Number, please call the VETS-100 staff at (301) 306-6752 or e-mail HELPDESK@VETS100.COM.

Twelve Month Period Ending: Enter the end date for the twelve-month reporting period used as the basis for filing the VETS-100 Report. To determine this period, select a date in the current year between July 1 and August 31 that represents the end of a payroll period. That payroll period will be the basis for reporting Number of Employees, as described below. Then the twelve-month period preceding the end date of that payroll period will be your twelve-month period covered. This period is the basis for reporting New Hires, as described below. Any federal contractor or subcontractor who has written approval from the Equal Employment Opportunity Commission to use December 31 as the ending date for the EEO-1 Report may also use that date as the ending date for the payroll period selected for the VETS-100 Report.

Name and Address for Single Establishment Employers: COMPLETE the identifying information under the Parent Company name and address section. LEAVE BLANK all of the identifying information for the Hiring Location.

Name and Address for Multi Establishment Employers: For parent company

Veterans' Employment and Training

§ 61-250.11

headquarters location, COMPLETE the name and address for the parent company headquarters, LEAVE BLANK the name and address of the Hiring Location. For hiring locations of a parent company, COMPLETE the name and address for the Parent Company location, COMPLETE the name and address for the Hiring Location.

NAICS Code, DUNS Number, and Employer ID Number: Single Establishment and Multi Establishment Employers must COMPLETE the NAICS Code, Employer ID Number, and the DUNS number if the contractor has a DUNS number, as described below.

NAICS Code Enter the six (6) digits NAICS Code applicable to the hiring location for which the report is filed. If there is not a separate NAICS Code for the hiring location, enter the NAICS Code for the parent company.

Dun and Bradstreet I.D. Number (DUNS): If the company or any of its establishments has a Dun and Bradstreet Identification Number, please enter the nine (9) digit number in the space provided. Employer I.D. Number (EIN): Enter the nine (9) digit numbers assigned by the I.R.S. to the contractor. If there is a specific EIN applicable to the hiring location for which the report is filed, enter that EIN. Otherwise, enter the EIN for the parent company.

INFORMATION ON EMPLOYEES

Counting Veterans: Some veterans will fall into more than one of the protected veteran categories. For example, a veteran may be both a special disabled veteran and a Vietnam era veteran. In such cases, the veteran must be counted in each category. Recently separated veterans will be counted in the New Hires section of the VETS-100 Report only. In subsequent years, these veterans will no longer be considered newly separated veterans.

Number of Employees: Select any payroll period ending between July 1 and August 31 of the current year. Provide all data for permanent full-time and part-time employees who were special

disabled veterans, Vietnam-era veterans, or other protected veterans employed as of the ending date of the selected payroll period. Do not include employees specifically excluded as indicated in 41 CFR 61-250.2(b)(2). Employees must be counted by veteran status for each of the nine occupational categories (Lines 1-9) in columns L, M, and N. The description of job categories can be found in 41 CFR 61-250.2(b)(3). Blank spaces will be considered zeros.

New Hires: Report the number of permanent full-time and part-time employees by veteran status who were hired (both veterans and non-veterans) and who were included in the payroll for the first time during the 12-month period ending between July 1 through August 31 of the current year. The totals in columns O, P, Q, R, and S (Line 10) are required. Enter all applicable numbers, including zeros.

Maximum/Minimum Employees: Report the maximum and minimum number of permanent employees on board during the period covered as indicated by 41 CFR 61-250.10(a)(3). Contractors may use any reasonable method for calculating and determining the maximum and minimum number of employees during the reporting period.

FEDERAL CONTRACTOR VETERANS' EMPLOYMENT REPORT (VETS-100)

WHO MUST FILE

This VETS-100 Report is to be completed by all nonexempt federal contractors and subcontractors with a contract or subcontract entered into before December 1, 2003, in the amount of \$25,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services. Services include but are not limited to the following services: utility, construction, transportation, research, insurance, and fund depository, irrespective of whether the government is the purchaser or seller. Entering into a covered federal contract or subcontract during a given calendar year establishes the requirement to file a VETS-100 Report during the following calendar year. A VETS-100A Report is to be completed by all nonexempt federal contractors and subcontractors whose only contract or subcontract with any department or agency of the United States for the procurement of personal property and non-personal services (including construction) was entered into or modified on or after December 1, 2003.

WHEN TO FILE

This annual report must be filed no later than September 30. Mail to the address pre-printed on the front of the form.

LEGAL BASIS FOR REPORTING REQUIREMENTS

Title 38, United States Code, Section 4212(d) and PL 105-339, requires that federal contractors report at least annually the numbers of existing employees who are: 1) special disabled veterans, 2) veterans of the Vietnam era, and 3) other protected veterans (that is, who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). For the existing employees, the numbers of veterans within these three groups are to be broken out by job category. New hires are to be reported over a twelve-month reporting period. The total number of veteran new hires in each of the three groups above is to be reported, along with the total number of recently separated veterans (i.e., hired within twelve months of separation). In addition, over the same twelve-month period, the total number of new hires, both veterans and non-veterans, is required to be reported, along with the minimum and maximum total employment. This reporting is required by hiring location.

HOW TO SUBMIT THE VETS-100 REPORT

Single-establishment employers must file one completed form. All multi-establishment employers, i.e., those doing business at more than one hiring location, must file (A) one form covering the principal or headquarters office (B) a separate form for each hiring location employing 50 or more persons and (C) EITHER, (i) a separate form for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required for the VETS-100 Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form.

RECORD KEEPING

Employers must keep copies of the completed annual VETS-100 Report submitted to DOL for a period of three years.

HOW TO PREPARE THE FORMS

Multi-establishment employers submitting hard copy reports should produce facsimile copies of the headquarters form for reporting data on each location.

Type of Reporting Organization Indicate the type of contractual relationship (prime contractor or subcontractor) that the organization has with the Federal Government. If the organization serves as both a prime contractor and a subcontractor on various federal contracts, check both boxes.

Type of Form If a reporting organization submits only one VETS-100 Report form for a single location, check the Single Establishment box. If the reporting organization submits more than one form, only one form should be checked as Multiple Establishment-Headquarters. The remaining forms should be checked as either Multiple Establishment-Hiring Location or Multiple Establishment-State Consolidated. For state consolidated forms, the number of hiring locations included in that report should be entered in the space provided. For each form, only one box should be checked within this block.

II. INFORMATION ON EMPLOYEES

Counting Veterans Some veterans will fall into more than one of the protected veteran categories. For example, a veteran may be both a special disabled veteran and a Vietnam era veteran. In such cases, the veteran must be counted in each category. Recently separated veterans will be counted in the New Hires section of the VETS-100 Report only. In subsequent years, these veterans will no longer be considered newly separated veterans.

Number of Employees Select any payroll period ending between July 1 and August 31 of the current year. Provide all data for permanent full-time and part-time employees who were special disabled veterans, Vietnam-era veterans, or other protected veterans employed as of the ending date of the selected payroll period. Do not include employees specifically excluded as indicated in 41 CFR 61-250.2(b)(2). Employees must be counted by veteran status for each of the nine occupational categories (Lines 1-9) in columns L, M, and N. The description of job categories can be found in 41 CFR 61-250.2(b)(3). Blank spaces will be considered zeros.

New Hires Report the number of permanent full-time and part-time employees by veteran status who were hired (both veterans and non-veterans) and who were included in the payroll for the first time during the 12-month period ending between July 1 through August 31 of the current year. The totals in columns O, P, Q, R, and S (Line 10) are required. Enter all applicable numbers, including zeros.

Maximum/Minimum Employees Report the maximum and minimum number of permanent employees on board during the period covered as indicated by 41 CFR 61-250.10(a)(3). AUTHORITY: 38 U.S.C. 4211 and 4212.

SOURCE: 73 FR 28716, May 19, 2008, unless otherwise noted.

§ 61-300.1 What are the purpose and scope of this part?

(a) This part 61-300 implements 38 U.S.C. 4212(d) as amended by the Jobs for Veterans Act. Each contractor or subcontractor who enters into or modifies a contract or subcontract on or after December 1, 2003, in the amount of \$100,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services (including construction), and who is subject to 38 U.S.C. 4212(a), must submit a report according to the requirements of part 61-300. (d) 41 CFR 60-300.42 and Appendix B to part 60-300 provide guidance concerning the affirmative action obligations of Federal contractors and subcontractors toward applicants for employment who are qualified covered veterans.

§ 61-300.2 What definitions apply to this part?

(a) For the purposes of this part, and unless otherwise indicated in paragraph (b) of this section, the terms set forth in this part have the same meaning as those set forth in 41 CFR part 60-300.

(b) For purposes of this part:

(1) *Hiring location* (this definition is identical to *establishment* as defined by the instructions for completing Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report)) means an economic unit which produces goods or services, such as a factory, office, store, or mine. In most instances the establishment is at a single physical location and is engaged in one, or predominantly one, type of economic activity. Units at different locations, even though engaged in the same kind of business operation, should be reported as separate establishments. For locations involving construction, transportation, communications, electric, gas, and sanitary services, oil and gas fields, and similar types of physically dispersed industrial activities, however, it is not necessary to list separately each individual site, project, field, line, etc., unless it is treated by

the contractor as a separate legal entity. For these physically dispersed activities, list as establishments only those relatively permanent main or branch offices, terminals, stations, etc., which are either:

(i) Directly responsible for supervising such dispersed activities; or

(ii) The base from which personnel and equipment operate to carry out these activities. (Where these dispersed activities cross State lines, at least one such establishment should be listed for each State involved.)

(2) *Employee* means any individual on the payroll of an employer who is an employee for purposes of the employer's withholding of Social Security taxes except insurance sales agents who are considered to be employees for such purposes solely because of the provisions of 26 U.S.C. 3121(d)(3)(B) (the Internal Revenue Code). Leased employees are included in this definition. Leased employee means a permanent employee provided by an employment agency for a fee to an outside company for which the employment agency handles all personnel tasks including payroll, staffing, benefit payments and compliance reporting. The employment agency shall, therefore, include leased employees in its VETS-100A Report. The term employee shall not include persons who are hired on a casual basis for a specified time, or for the duration of a specified job (for example, persons at a construction site whose employment relationship is expected to terminate with the end of the employee's work at the site); persons temporarily employed in any industry other than construction, such as temporary office workers, mariners, stevedores, lumber yard workers, etc., who are hired through a hiring hall or other referral arrangement, through an employee contractor or agent, or by some individual hiring arrangement, or persons (except leased employees) on the payroll of an employment agency who are referred by such agency for work to be performed on the premises of another employer under that employer's direction and control.

(3) *Job category* means any of the following: Officials and managers (Executive/Senior Level Officials and Managers and First/Mid Level Officials and

Managers), professionals, technicians, sales workers, administrative support workers, craft workers, operatives, laborers and helpers, and service workers, as required by the Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report), as follows:

(i) *Officials and managers* as a whole is to be divided into the following two subcategories: Executive/Senior Level Officials and Managers and First/Mid Level Officials and Managers.

(A) *Executive/Senior Level Officials and Managers* means individuals who plan, direct and formulate policies, set strategy and provide the overall direction of enterprises/organizations for the development and delivery of products and services, within the parameters approved by boards of directors of other governing bodies. Residing in the highest levels of organizations, these executives plan, direct, or coordinate activities with the support of subordinate executives and staff managers. They include, in larger organizations, those individuals within two reporting levels of the CEO, whose responsibilities require frequent interaction with the CEO. Examples of these kinds of managers are: Chief executive officers, chief operating officers, chief financial officers, line of business heads, presidents or executive vice presidents of functional areas or operating groups, chief information officers, chief human resources officers, chief marketing officers, chief legal officers, management directors and managing partners.

(B) *First/Mid Level Officials and Managers* means individuals who serve as managers, other than those who serve as Executive/Senior Level Officials and Managers, including those who oversee and direct the delivery of products, services or functions at group, regional or divisional levels of organizations. These managers receive directions from Executive/Senior Level management and typically lead major business units. They implement policies, programs and directives of Executive/Senior Level management through subordinate managers and within the parameters set by Executives/Senior Level management. Examples of these kinds of managers are: Vice presidents and directors; group, regional or divisional

controllers; treasurers; and human resources, information systems, marketing, and operations managers. The First/Mid Level Officials and Managers subcategory also includes those who report directly to middle managers. These individuals serve at functional, line of business segment or branch levels and are responsible for directing and executing the day-to-day operational objectives of enterprises/organizations, conveying the directions of higher level officials and managers to subordinate personnel and, in some instances, directly supervising the activities of exempt and non-exempt personnel. Examples of these kinds of managers are: First-line managers; team managers; unit managers; operations and production managers; branch managers; administrative services managers; purchasing and transportation managers; storage and distribution managers; call center or customer service managers; technical support managers; and brand or product managers.

(ii) *Professionals* means individuals in positions that require bachelor and graduate degrees, and/or professional certification. In some instances, comparable experience may establish a person's qualifications. Examples of these kinds of positions include: Accountants and auditors; airplane pilots and flight engineers; architects; artists; chemists; computer programmers; designers; dietitians; editors; engineers; lawyers; librarians; mathematical scientists; natural scientists; registered nurses; physical scientists; physicians and surgeons; social scientists; teachers; and surveyors.

(iii) *Technicians* means individuals in positions that include activities requiring applied scientific skills, usually obtained by post secondary education of varying lengths, depending on the particular occupation, recognizing that in some instances additional training, certification, or comparable experience is required. Examples of these types of positions include: Drafters; emergency medical technicians; chemical technicians; and broadcast and sound engineering technicians.

(iv) *Sales workers* means individuals in positions including non-managerial activities that wholly and primarily in-

volve direct sales. Examples of these types of positions include: Advertising sales agents; insurance sales agents; real estate brokers and sales agents; wholesale sales representatives; securities, commodities, and financial services sales agents; telemarketers; demonstrators; retail salespersons; counter and rental clerks; and cashiers.

(v) *Administrative support workers* means individuals in positions involving non-managerial tasks providing administrative and support assistance, primarily in office settings. Examples of these types of positions include: Office and administrative support workers; bookkeeping; accounting and auditing clerks; cargo and freight agents; dispatchers; couriers; data entry keyers; computer operators; shipping, receiving and traffic clerks; word processors and typists; proofreaders; desktop publishers; and general office clerks.

(vi) *Craft workers* means individuals in positions that include higher skilled occupations in construction (building trades craft workers and their formal apprentices) and natural resource extraction workers. Examples of these types of positions include: Boilermakers; brick and stone masons; carpenters; electricians; painters (both construction and maintenance); glaziers; pipelayers, plumbers, pipefitters and steamfitters; plasterers; roofers; elevator installers; earth drillers; derrick operators; oil and gas rotary drill operators; and blasters and explosive workers. This category also includes occupations related to the installation, maintenance and part replacement of equipment, machines and tools, such as: Automotive mechanics; aircraft mechanics; and electric and electronic equipment repairers. This category also includes some production occupations that are distinguished by the high degree of skill and precision required to perform them, based on clearly defined task specifications, such as: Millwrights; etchers and engravers; tool and die makers; and pattern makers.

(vii) *Operatives* means individuals in intermediate skilled occupations and includes workers who operate machines or factory-related processing equipment. Most of these occupations do not

usually require more than several months of training. Examples include: Textile machine workers; laundry and dry cleaning workers; photographic process workers; weaving machine operators; electrical and electronic equipment assemblers; semiconductor processors; testers, graders and sorters; bakers; and butchers and other meat, poultry and fish processing workers. This category also includes occupations of generally intermediate skill levels that are concerned with operating and controlling equipment to facilitate the movement of people or materials, such as: Bridge and lock tenders; truck, bus or taxi drivers; industrial truck and tractor (forklift) operators; parking lot attendants; sailors; conveyor operators; and hand packers and packagers.

(viii) *Laborers and helpers* means individuals with more limited skills who require only brief training to perform tasks that require little or no independent judgment. Examples include: Production and construction worker helpers; vehicle and equipment cleaners; laborers; freight, stock and material movers; service station attendants; construction laborers; refuse and recyclable materials collectors; septic tank servicers; and sewer pipe cleaners.

(ix) *Service workers* means individuals in positions that include food service, cleaning service, personal service, and protective service activities. Skill may be acquired through formal training, job-related training or direct experience. Examples of food service positions include: Cooks; bartenders; and other food service workers. Examples of personal service positions include: Medical assistants and other healthcare support positions; hairdressers; ushers; and transportation attendants. Examples of cleaning service positions include: Cleaners; janitors; and porters. Examples of protective service positions include: Transit and railroad police and fire fighters; guards; private detectives and investigators.

(4) *Disabled veteran* means:

under laws administered by the Secretary of Veterans Affairs, or

(ii) A person who was discharged or released from active duty because of a service-connected disability.

(5) *Other protected veteran* means a veteran who served on active duty in the U.S. military, ground, naval, or air service during a war or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

(6) *Armed Forces service medal veteran* means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985 (61 FR 1209, 3 CFR, 1996 Comp., p. 159).

Veterans' Employment and Training

§ 61-300.11

§ 61-300.10 What reporting requirements apply to Federal contractors and subcontractors, and what specific wording must the reporting requirements contract clause contain?

Each contractor or subcontractor described in § 61-300.1 must submit reports in accordance with the following reporting clause, which must be included in each of its covered government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract). Such clause is considered as an addition to the equal opportunity action clause required by 41 CFR 60-300.5. The reporting requirements clause is as follows:

EMPLOYMENT REPORTS ON DISABLED VETERANS, OTHER PROTECTED VETERANS, ARMED FORCES SERVICE MEDAL VETERANS, AND RECENTLY SEPARATED VETERANS

(a) The contractor or subcontractor agrees to report at least annually, as required by the Secretary of Labor, on:

(1) The total number of employees in the workforce of such contractor or subcontractor, by job category and hiring location, and the number of such employees by job category and hiring location, who are disabled veterans, other protected veterans, Armed Forces service medal veterans, and recently separated veterans;

(2) The total number of new employees hired by the contractor or subcontractor during the period covered by the report, and of such employees, the number who are disabled veterans, other protected veterans, Armed Forces service medal veterans, and recently separated veterans; and

(3) The maximum number and minimum number of employees of such contractor or subcontractor at each hiring location during the period covered by the report.

(b) The above items must be reported by completing the form entitled "Federal Contractor Veterans' Employment Report VETS-100A."

(c) VETS-100A Reports must be submitted no later than September 30 of each year following a calendar year in which a contractor or subcontractor held a covered contract or subcontract.

(d) The employment activity report required by paragraphs (a)(2) and (a)(3) of this clause must reflect total new hires and maximum and minimum number of employees during the 12-month period preceding the ending date that the contractor selects for the current employment report required by paragraph (a)(1) of this clause. Contractors may select an ending date: (1) As of the end

of any pay period during the period July 1 through August 31 of the year the report is due; or (2) as of December 31, if the contractor has previous written approval from the Equal Employment Opportunity Commission to do so for purposes of submitting the Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report).

(e) The number of veterans reported according to paragraph (a) above must be based on data known to contractors and subcontractors when completing their VETS-100A Reports. Contractors' and subcontractors' knowledge of veterans status may be obtained in a variety of ways, including, in response to an invitation to applicants to self-identify in accordance with 41 CFR 60-300.42, voluntary self-disclosures by covered incumbent veterans, or actual knowledge of an employee's veteran status by a contractor or subcontractor. Nothing in this paragraph (e) relieves a contractor from liability for discrimination under 38 U.S.C. 4212.

§ 61-300.11 On what form must the data required by this part be submitted?

(a) Data items required in paragraph (a) of the contract clause set forth in § 61-300.10 must be reported for each hiring location on the VETS-100A Report. This form is provided annually to those contractors who are included in the VETS-100 database. VETS failure to provide a contractor with a VETS-100A Report does not excuse the contractor from the requirement to submit a VETS-100A Report. The form, and instructions for preparing it, are set forth in Appendix A to 41 CFR part 61-300—Federal Contractor Veterans' Employment Report VETS-100A and Instructions.

(b) Contractors and subcontractors that submit computer-generated output for more than 10 hiring locations to satisfy their VETS-100A reporting obligations must submit the output in the form of an electronic file. LEGAL BASIS FOR REQUIREMENTS

Title 38, United States Code, Section 4212(d), as amended by the Jobs for Veterans Act (PL 107-288) enacted in 2002, requires federal contractors covered under the Act's affirmative action provisions in Section 4212(a) to report at least annually the numbers of employees in the workforce by job category and hiring location, and the number of such employees, by job category and hiring location, who are qualified covered veterans. Federal contractors must report the total number of new hires during the period covered by the report and the number of such employees who are qualified covered veterans. Additionally, federal contractors must report on the maximum and minimum number of employees during the period covered by the report. The Department of Labor has promulgated regulations to implement the requirements of 38 U.S.C. 4212, as amended by the Jobs for Veterans Act. The regulations at 41 CFR Part 61-300 require the submission of this VETS-100A Report to comply with the requirements of 38 U.S.C. 4212(d), as amended.

HOW TO SUBMIT THE VETS-100A REPORT

Single-establishment employers must file one completed VETS-100A Report. All multi-establishment employers, i.e., those doing business at more than one hiring location, must file (A) one VETS-100A Report covering the principal or headquarters office; (B) a separate VETS-100A Report for each hiring location employing 50 or more persons; and (C) EITHER, (i) a separate VETS-100A Report for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required

for the VETS-100A Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form. Employers may submit their reports via the Internet at <http://vets.dol.gov/vets100/>. A company number is required in order to use this method of submission. This number is provided to employers on the VETS-100A Report mailed annually to those employers listed in the VETS-100 Report database. Other employers may obtain a company number by e-mailing their request to <http://vets.dol.gov/vets100/vets100login.htm>.

Employers that submit computer-generated output for more than 10 hiring locations to satisfy their VETS-100A reporting obligations must submit the output in the form of an electronic file. This file must comply with current DOL specifications for the layout of these records, along with any other specifications established by the Department for the applicable reporting year. Employers that submit VETS-100A Reports for ten locations or less are exempt from this requirement, but are strongly encouraged to submit an electronic file. In these cases, state consolidated reports count as one location each.
