§ 102–37.150

Acceptance and certify that the SASP is authorized to:

(a) Acquire and distribute property to eligible donees in the State;
(b) Enter into cooperative agreements; and
(c) Undertake other actions and provide other assurances as are required by 40 U.S.C. 549(e) and set forth in the plan.

§ 102–37.155 What must a State legislature include in the plan?

The State legislature must ensure the plan conforms to the provisions of 40 U.S.C. 549(e) and includes the information and assurances set forth in Appendix B of this part. It may also include in the plan other provisions not inconsistent with the purposes of title 40 of the United States Code and the requirements of this part.

§ 102–37.160 Must GSA approve amendments or modifications to the plan?

Yes, GSA must approve amendments or modifications to the plan.

§ 102–37.165 Do plans or major amendments require public notice?

Yes, proposed plans and major amendments to existing plans require general notice to the public for comment. A State must publish a general notice of the plan or amendment at least 60 calendar days in advance of filing the proposal with GSA and provide interested parties at least 30 calendar days to submit comments before filing the proposal.

§ 102–37.170 What happens if a SASP does not operate in accordance with its plan?

If a SASP does not operate in accordance with its plan, GSA may withhold allocation and transfer of surplus property until the nonconformance is corrected.

§ 102–37.175 How does a SASP find out what property is potentially available for donation?

A SASP may conduct onsite screening at various Federal facilities, contact or submit want lists to GSA, or use GSA’s or other agencies’ computerized inventory system to electronically search for property that is potentially available for donation (see §102–36.90 for information on GSA’s system, FEDS).

§ 102–37.180 Does a SASP need special authorization to screen property at Federal facilities?

Yes, SASP personnel or donee personnel representing a SASP must have a valid screener-identification card (GSA Optional Form 92, Screener’s Identification, or other suitable identification approved by GSA) before screening and selecting property at holding agencies. However, SASP or donee personnel do not need a screener-ID card to inspect or remove property previously set aside or approved by GSA for transfer.

§ 102–37.185 How does a SASP obtain screening authorization for itself or its donees?

(a) To obtain screening authorization for itself or donees, a SASP must submit an Optional Form 92 (with the signature and an affixed passport-style photograph of the screener applicant) and a written request to the GSA regional office serving the area in which the intended screener is located. The request must:
(1) State the prospective screener’s name and the name and address of the organization he or she represents;
(2) Specify the period of time and location(s) in which screening will be conducted; and
(3) Certify that the applicant is qualified to screen property.

(b) If the request is approved, GSA will complete the Optional Form 92 and return it to the SASP for issuance to the screener.
