Scope of work or specific scope of work means a brief written description of the work to be accomplished under the construction project agreement, sufficient to confirm that the project is consistent with the purpose for which the Secretary has allocated funds.

THPO means Tribal Historic Preservation Officer.

§ 137.290 What additional provisions of law are related to NEPA and NHPA?

(a) Depending upon the nature and the location of the construction project, environmental laws related to NEPA and NHPA may include:

(1) Archaeological and Historical Data Preservation Act [16 U.S.C. 469];
(2) Archeological Resources Protection Act [42 U.S.C. 470aa];
(3) Clean Air Act [42 U.S.C. 7401];
(4) Clean Water Act [33 U.S.C. 1251];
