§ 137.333 What procedures must the Secretary follow if the Secretary rejects a final construction project proposal, in whole or in part?

Whenever the Secretary rejects a final construction project proposal in whole or in part, the Secretary must:

(a) Send the Self-Governance Tribe a timely written notice of rejection that shall set forth specific finding(s) that clearly demonstrates, or that is supported by controlling legal authority supporting the rejection;

(b) Within 20 days, provide all documents relied on in making the rejection decision to the Self-Governance Tribe;

(c) Provide assistance to the Self-Governance Tribe to overcome any objections stated in the written notice of rejection;

(d) Provide the Self-Governance Tribe with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal of the decision to reject the final construction contract proposal, under the regulations set forth in subpart P of this part, except that the Self-Governance Tribe may, in lieu of filling an appeal, initiate an action in Federal district court and proceed directly under sections 511 [25 U.S.C. 458aaa–10] and 110(a) of the Act [25 U.S.C. 450m–1(a)]. With respect to any hearing or appeal or civil action conducted pursuant to this section, the Secretary shall have the burden of demonstrating by clear and convincing evidence the validity of the grounds for rejecting the final construction project proposal (or portion thereof); and

(e) Provide the Self-Governance Tribe with the option of entering into the severable portions of a final proposed construction project agreement (including a lesser funding amount) that the Secretary did not reject, subject to any additional alterations necessary to conform the construction project agreement to the severed provisions. Exercising this option does not affect the Self-Governance Tribe’s right to appeal the portion of the final construction project proposal that was rejected by the Secretary.

§ 137.334 What happens if the Secretary fails to notify the Self-Governance Tribe of a decision to approve or reject a final construction project proposal within the time period allowed?

If the Secretary fails to notify the Self-Governance Tribe of the decision to approve or reject within 30 days (or a longer period if agreed to by the Self-Governance Tribe in writing), then the proposal will be deemed approved by the Secretary.

§ 137.335 What costs may be included in the budget for a construction agreement?

(a) A Self-Governance Tribe may include costs allowed by applicable OMB Circulars, and costs allowed under sections 508(c) [25 U.S.C. 458aaa–7(c)], 106 [25 U.S.C. 450j–1] and 105 (m) of the Act [25 U.S.C. 450j(m)]. The costs incurred will vary depending on which phase of the construction process the Self-Governance Tribe is conducting and type of construction project agreement that will be used.

   (ii) Fixed-price agreements budget project contingency in the lump sum price or unit price.

§ 137.336 What is the difference between fixed-price and cost-reimbursement agreements?

   (2) Self-Governance Tribes are not required to perform beyond the amount of funds provided under the agreement;
   (3) Self-Governance Tribes establish budgets based upon the actual costs of the project and are not allowed to include profit;
   (4) Budgets are stated using broad categories, such as planning, design, construction project administration, and contingency;
   (5) The agreement funding amount is stated as a “not to exceed” amount;
   (6) Self-Governance Tribes provide notice to the IHS if they expect to exceed the amount of the agreement and require more funds;
   (7) Excess funds remaining at the end of the project are considered savings; and
   (8) Actual costs are subject to applicable OMB circulars and cost principles.
(b) Fixed Price agreements generally have one or more of the following characteristics:
   (1) Self-Governance Tribes assume the risk for performance;
   (2) Self-Governance Tribes are entitled to make a reasonable profit;
   (3) Budgets may be stated as lump sums, unit cost pricing, or a combination thereof;
   (4) For unit cost pricing, savings may occur if actual quantity is less than estimated; and,
   (5) Excess funds remaining at the end of a lump sum fixed price project are considered profit, unless, at the option of the Self-Governance Tribe, such amounts are reclassified in whole or in part as savings.
