§ 61.30 Definitions.

As used in this part:

Continental United States does not include Hawaii or Alaska.

Secretary means the Secretary of Health and Human Services and any other officer or employee of the Department of Health and Human Services to whom the authority involved may be delegated.

Service Fellowship is one which requires the performance of services, either full or part time, for the Public Health Service.

§ 61.31 Applicability.

The regulations in this part apply to the establishment of service fellowships in the Public Health Service, the designation of persons to receive such fellowships, and the appointment of service fellows under authority of section 207(g) of the Public Health Service Act.

§ 61.32 Purpose of service fellowships.

Service fellowships in the Public Health Service are for the purpose of encouraging and promoting research, studies, and investigations related to health. Such fellowships may be provided to secure the services of talented scientists for a period of limited duration for health-related research, studies, and investigations where the nature of the work or the character of the individual’s services render customary employing methods impracticable or less effective.
