§ 403.730 Condition of participation: Patient rights.

An RNHCI must protect and promote each patient’s rights.

(a) Standard: Notice of rights. The RNHCI must do the following:
(1) Inform each patient of his or her rights in advance of furnishing patient care.
(2) Have a process for prompt resolution of grievances, including a specific person within the facility whom a patient may contact to file a grievance. In addition, the facility must provide patients with information about the facility’s process as well as contact information for appropriate State and Federal resources.

(b) Standard: Exercise of rights. The patient has the right to:
(1) Be informed of his or her rights and to participate in the development and implementation of his or her plan of care.
(2) Make decisions regarding his or her care, including transfer and discharge from the RNHCI. (See §403.736 for discharge and transfer requirements.)

(c) Standard: Privacy and safety. The patient has the right to the following:
(1) Personal privacy.
(2) Care in a safe setting.
(3) Freedom from verbal, psychological, and physical abuse, and misappropriation of property.
(4) Freedom from the use of restraints.
(5) Freedom from involuntary seclusion.

(d) Standard: Confidentiality of patient records. For any patient care records or election information it maintains on patients, the RNHCI must establish procedures to do the following:
(1) Safeguard the privacy of any information that identifies a particular patient. Information from, or copies of, records may be released only to authorized individuals, and the RNHCI
must ensure that unauthorized individuals cannot gain access to or alter patient records. Original patient care records must be released only in accordance with Federal or State laws, court orders, or subpoenas.

(2) Maintain the records and information in an accurate and timely manner.

(3) Ensure timely access by patients to the records and other information that pertains to that patient.

(4) Abide by all Federal and State laws regarding confidentiality and disclosure for patient care records and election information.

§ 403.732 Condition of participation: Quality assessment and performance improvement.

The RNHCI must develop, implement, and maintain a quality assessment and performance improvement program.

(a) Standard: Program scope. (1) The quality assessment and performance improvement program must include, but is not limited to, measures to evaluate:

(i) Access to care.
(ii) Patient satisfaction.
(iii) Staff performance.
(iv) Complaints and grievances.
(v) Discharge planning activities.
(vi) Safety issues, including physical environment.

(2) In each of the areas listed in paragraph (a)(1) of this section, and any other areas the RNHCI includes, the RNHCI must do the following:

(i) Define quality assessment and performance improvement measures.
(ii) Describe and outline quality assessment and performance improvement activities appropriate for the services furnished by or in the RNHCI.
(iii) Measure, analyze, and track performance that reflect care and RNHCI processes.
(iv) Inform all patients, in writing, of the scope and responsibilities of the quality assessment and performance improvement program.

(3) The RNHCI must set priorities for performance improvement, considering the prevalence of and severity of identified problems.

(4) The RNHCI must act to make performance improvements and must track performance to assure that improvements are sustained.

(b) Standard: Program responsibilities.

(1) The governing body, administration, and staff are responsible for ensuring that the quality assessment and performance improvement program addresses identified priorities in the RNHCI and are responsible for the development, implementation, maintenance, and performance improvement of assessment actions.

(2) The RNHCI must include all programs, departments, functions, and contracted services when developing, implementing, maintaining, and evaluating the program of quality assessment and performance improvement.

§ 403.734 Condition of participation: Food services.

The RNHCI must have an organized food service that is directed and adequately staffed by qualified personnel.

(a) Standard: Sanitary conditions. The RNHCI must furnish food to the patient that is obtained, stored, prepared, distributed, and served under sanitary conditions.

(b) Standard: Meals. The RNHCI must serve meals that furnish each patient with adequate nourishment in accordance with the recommended dietary allowances of the Food and Nutrition Board of the National Research Council, National Academy of Sciences. The RNHCI must do the following:

(1) Furnish food that is palatable, attractive, and at the proper temperature and consistency.

(2) Offer substitutes of similar nourishment to patients who refuse food served or desire alternative choices.

(3) Furnish meals at regular times comparable to normal mealtimes in the community. There must be no more than 14 hours between a substantial evening meal and breakfast the following day.

(4) The RNHCI must offer snacks at bedtime.

§ 403.736 Condition of participation: Discharge planning.

The RNHCI must have in effect a discharge planning process that applies to all patients. The process must assure
