§ 410.24 Limitations on services of a doctor of dental surgery or dental medicine.

Medicare Part B pays for services furnished by a doctor of dental surgery or dental medicine within the scope of his or her license, if the services would be covered as physicians’ services when performed by a doctor of medicine or osteopathy.¹

§ 410.25 Limitations on services of a podiatrist.

Medicare Part B pays for the services of a doctor of podiatric medicine, acting within the scope of his or her license, if the services would be covered as physicians’ services when performed by a doctor of medicine or osteopathy.

§ 410.26 Services and supplies incident to a physician’s professional services: Conditions.

(a) Definitions. For purposes of this section, the following definitions apply:

(1) Auxiliary personnel means any individual who is acting under the supervision of a physician (or other practitioner), regardless of whether the individual is an employee, leased employee, or independent contractor of the physician (or other practitioner) or of the same entity that employs or contracts with the physician (or other practitioner).

(2) Direct supervision means the level of supervision by the physician (or other practitioner) of auxiliary personnel as defined in §410.32(b)(3)(i).

(3) Independent contractor means an individual (or an entity that has hired such an individual) who performs part-time or full-time work for which the individual (or the entity that has hired such an individual) receives an IRS-1099 form.

¹For services furnished before July 1, 1981, Medicare Part B paid only for the following services of a doctor of dental surgery or dental medicine:

Surgery on the jaw or any adjoining structure; and

Reduction of a fracture of the jaw or other facial bone.

throughout the performance of the procedure. It does not mean the physician must be present in the room when the procedure is performed.

(2) Eligible beneficiary means individuals in the following high risk categories:

(i) Individual with diabetes mellitus.

(ii) Individual with a family history of glaucoma.

(iii) African-Americans age 50 and over.

(iv) Hispanic-Americans age 65 and over.

(3) Screening for glaucoma means the following procedures furnished to an individual for the early detection of glaucoma:

(i) A dilated eye examination with an intraocular pressure measurement.

(ii) A direct ophthalmoscopy examination, or a slit-lamp biomicroscopic examination.

(b) Condition for coverage of screening for glaucoma. Medicare Part B pays for glaucoma screening examinations provided to eligible beneficiaries as described in paragraph (a)(2) of this section if they are furnished by or under the direct supervision in the office setting of an optometrist or ophthalmologist who is legally authorized to perform these services under State law (or the State regulatory mechanism provided by State law) of the State in which the services are furnished, as would otherwise be covered if furnished by a physician or incident to a physician’s professional service.

(c) Limitations on coverage of glaucoma screening examinations. (1) Payment may not be made for a glaucoma screening examination that is performed for an individual who is not an eligible beneficiary as described in paragraph (a)(2) of this section.

(2) Payment may be made for a glaucoma screening examination that is performed on an individual who is an eligible beneficiary as described in paragraph (a)(2) of this section, after at least 11 months have passed following the month in which the last glaucoma screening examination was performed.
