(a) Conditions for CMS approval of a novation agreement. CMS approves a novation agreement if the following conditions are met:

The MA organization also provides CMS with updated financial information and a discussion of the financial and solvency impact of the change of ownership on the surviving organization.

(2) Advance submittal of agreement. The MA organization submits to CMS, at least 30 days before the proposed change of ownership date, three signed copies of the novation agreement containing the provisions specified in paragraph (b) of this section, and one copy of other relevant documents required by CMS.

(3) CMS’s determination. CMS determines that—

(iii) The successor organization meets the requirements to qualify as an MA organization under subpart K of this part.

(b) Provisions of a novation agreement—(1) Assumption of contract obligations. The new owner must assume all obligations under the contract.

(2) Waiver of right to reimbursement. The previous owner must waive its rights to reimbursement for covered services furnished during the rest of the current contract period.

(3) Guarantee of performance. (i) The previous owner must guarantee performance of the contract by the new owner during the contract period; or

(ii) The new owner must post a performance bond that is satisfactory to CMS.

(4) Records access. The previous owner must agree to make its books and records and other necessary information available to the new owner and to CMS to permit an accurate determination of costs for the final settlement of the contract period.
(b) Effect of lease of all facilities. (1) If an MA organization leases all of its facilities to another entity, the contract terminates.

(2) If the other entity wishes to participate in Medicare as an MA organization, it must apply for and enter into a contract in accordance with subpart K of this part.

(c) Effect of partial lease of facilities. If the MA organization leases part of its facilities to another entity, its contract with CMS remains in effect while CMS surveys the MA organization to determine whether it continues to be in compliance with the applicable requirements and qualifying conditions specified in subpart K of this part.
