§ 456.124 Notification of adverse decision.

The UR plan must provide that written notice of any adverse final decision on the need for admission under § 456.123(e) through (g) is sent to—
(a) The hospital administrator;
(b) The attending physician;
(c) The Medicaid agency;
(d) The recipient; and
(e) If possible, the next of kin or sponsor.

§ 456.125 Time limits for admission review.

Except as required under § 456.127, the UR plan must provide that review of each recipient’s admission to the hospital is conducted—
(a) Within one working day after admission, for an individual who is receiving Medicaid at that time; or
(b) Within one working day after the hospital is notified of the application for Medicaid, for an individual who applies while in the hospital.

§ 456.126 Time limits for final decision and notification of adverse decision.

Except as required under § 456.127, the UR plan must provide that the committee makes a final decision on a recipient’s need for admission and gives notice of an adverse final decision—
(a) Within two working days after admission, for an individual who is receiving Medicaid at that time; or
(b) Within two working days after the hospital is notified of the application for Medicaid, for an individual who applies while in the hospital.

§ 456.127 Pre-admission review.

The UR plan must provide for review and final decision prior to admission for certain providers or categories of admissions that the UR committee designates under § 456.142(b)(4)(iii) to receive pre-admission review.

§ 456.128 Initial continued stay review date.

The UR plan must provide that—
(a) When a recipient is admitted to the hospital under the admission review requirements of this subpart, the committee assigns a specified date by which the need for his continued stay will be reviewed;
(b) The committee bases its assignment of the initial continued stay review date on—
(1) The methods and criteria required to be described under § 456.129;
(2) The individual’s condition; and
(3) The individual’s projected discharge date;
(c)(1) The committee uses any available appropriate regional medical care appraisal norms, such as those developed by abstracting services or third party payors, to assign the initial continued stay review date;
(2) These regional norms are based on current and statistically valid data on duration of stay in hospitals for patients whose characteristics, such as age and diagnosis, are similar to those of the individual whose case is being reviewed;
(3) If the committee uses norms to assign the initial continued stay review date, the number of days between the individual’s admission and the initial continued stay review date is no greater than the number of days reflected in the 50th percentile of the norms. However, the committee may assign a later review date if it documents that the later date is more appropriate; and
