Subpart 2610—Carey Act Grants, General

§ 2610.0–2 Objectives.

The objective of section 4 of the Act of August 18, 1894 (28 Stat. 422), as amended (43 U.S.C. 641 et seq.), known as the Carey Act, is to aid public land States in the reclamation of the desert lands therein, and the settlement, cultivation, and sale thereof in small tracts to actual settlers.

§ 2610.0–3 Authority.

(a) The Carey Act authorizes the Secretary of the Interior, with the approval of the President, to contract and agree to grant and patent to States, in which there are desert lands, not to exceed 1,000,000 acres of such lands to each State, under the conditions specified in the Act. The Secretary is authorized to contract and agree to grant and patent additional lands to certain States. After a State’s application for a grant has been approved by the Secretary, the lands are segregated from the public domain for a period of from 3 to 15 years, the State undertaking within that time to cause the reclamation of the lands by irrigation. The lands, when reclaimed, are patented to the States or to actual settlers who are its assignees. If the lands are patented to the State, the State transfers title to the settler. Entries are limited to 160 acres to each actual settler.

(b) The Act of June 11, 1896 (29 Stat. 434; 43 U.S.C. 642), authorizes liens on the land for the cost of construction of the irrigation works, and permits the issuance of patents to States for particular tracts actually reclaimed without regard to settlement or cultivation.

(c) The Act of March 1, 1907 (34 Stat. 1056), extends the provisions of the Carey Act to the former Southern Ute Indian Reservation in Colorado.

(d) The Joint Resolution approved May 25, 1908 (35 Stat. 577), authorizes grants to the State of Idaho of an additional 1,000,000 acres.

(e) The Act of May 27, 1908 (35 Stat. 347; 43 U.S.C. 645), authorizes grants of an additional 1,000,000 acres to the State of Idaho and the State of Wyoming.

(g) The Act of February 16, 1911 (36 Stat. 913), extends the Carey Act to the former Fort Bridger Military Reservation in Wyoming.

(i) The Act of March 4, 1911 (36 Stat. 1417; 43 U.S.C. 645), authorizes grants to the State of Nevada of an additional 1,000,000 acres.

(j) The Joint Resolution of August 21, 1911 (37 Stat. 38; 43 U.S.C. 645), authorizes grants to the State of Colorado of an additional 1,000,000 acres.

§ 2610.0–4 Responsibilities.

(a) The authority of the Secretary of the Interior to approve the applications provided for in this part, has been delegated to the Director of the Bureau of Land Management and redelegated to State Directors of the Bureau of Land Management.

(b) The grant contract must be signed by the Secretary of the Interior, or an officer authorized by him, and approved by the President.

§ 2610.0–5 Definitions.

As used in the regulations of this part:

(a) Actual settler means a person who establishes a primary residence on the land.

(b) Cultivation means tilling or otherwise preparing the land and keeping the ground in a state favorable for the growth of ordinary agricultural crops,
