§ 3836.24  (d) You must record in the local recording office a notice that you are petitioning BLM for a deferment of assessment work.

(e) You must attach a copy of the notice required by paragraph (d) of this section to the petition you submit to BLM.

(f) At least one of the claimants of each of the mining claims for which you request a deferment must sign:

1. The petition you submit to BLM; and
2. The original notice you record with the local recording office.

(g) You must pay a processing fee with each petition. (See the table of service charges and fees in § 3830.21 of this chapter.)

§ 3836.27  When must I complete my deferred assessment work?

(a) You may begin the deferred assessment work any time after the deferment ends. However, you must complete it before the end of the following assessment year. For example, if your deferment ends on July 15, 2008, you must complete all the deferred assessment work by September 1, 2009, in addition to completing the regular assessment work due on that date.

(b) You may also choose to pay the annual maintenance fees for the years deferred instead of performing the deferred assessment work.
