§ 100.8 How does the Secretary provide states an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, area wide, regional, and local officials and entities:

1. At least 30 days from the date established by the Secretary to comment on proposed direct Federal development or Federal financial assistance in the form of noncompeting continuation awards; and

2. At least 60 days from the date established by the Secretary to comment on proposed direct Federal development or Federal financial assistance.
