§ 96.123 Assurances.

(a) The application must include assurances that:

(1) the State will expend the Block Grant in accordance with the percentage to be allocated to treatment, prevention, and other activities as prescribed by law and, also, for the purposes prescribed by law;

(2) The activities relating to intravenous drug use pursuant to §96.126 will be carried out;

(3) The TB services and referral will be carried out pursuant to §96.127, as well as the early intervention services for HIV provided for in §96.128, if a designated State;

(4) The revolving funds to establish group homes for recovering substance abusers is in place consistent with the provisions of §96.129 and the loans will be made and used as provided for by law;

(5) The State has a law in effect making it illegal to sell or distribute tobacco products to minors as provided in §96.130(b), will conduct annual, unannounced inspections as prescribed in §96.130, will enforce such law in a manner that can reasonably be expected to reduce the extent to which tobacco products are available to individuals under the age of 18, and will submit an annual report as required under §96.122(d) and §96.130(e);

(6) Pregnant women are provided preference in admission to treatment centers as provided by §96.131, and are provided interim services as necessary and as required by law;

(7) The State will improve the process in the State for referrals of individuals to the treatment modality that is most appropriate for the individuals, will ensure that continuing education is provided to employees of any funded entity providing prevention activities or treatment services, and will coordinate prevention activities and treatment services with the provision of other appropriate services as provided by §96.132;

(8) The State will submit an assessment of need as required by section 96.133;

(9) The State will for such year maintain aggregate State expenditures by the principal agency of a State for authorized activities at a level that is not
§ 96.124 Certain allocations.

(a) States are required to expend the Block Grant on various activities in certain proportions. Specifically, as to treatment and prevention, the State shall expend the grant as follows:

(1) not less than 35 percent for prevention and treatment activities regarding alcohol; and

(2) not less than 35 percent for prevention and treatment activities regarding other drugs.

(b) The States are also to expend the Block Grant on primary prevention programs as follows:

(1) Consistent with §96.125, the State shall expend not less than 20 percent for programs for individuals who do not require treatment for substance abuse, which programs—

(i) educate and counsel the individuals on such abuse; and

(ii) provide for activities to reduce the risk of such abuse by the individuals;

(2) The State shall, in carrying out paragraph (b)(1) of this section—

(i) give priority to programs for populations that are at risk of developing a pattern of such abuse; and

(ii) ensure that programs receiving priority under paragraph (b)(2)(i) of this section develop community-based strategies for prevention of such abuse, including strategies to discourage the use of alcoholic beverages and tobacco products by individuals to whom it is unlawful to sell or distribute such beverages or products.

(c) Subject to paragraph (d) of this section, a State is required to expend the Block Grant on women services as follows:

(1) The State for fiscal year 1993 shall expend not less than five percent of the grant to increase (relative to fiscal year 1992) the availability of treatment services designed for pregnant women and women with dependent children (either by establishing new programs or expanding the capacity of existing programs). The base for fiscal year 1993 shall be an amount equal to the fiscal...
