§ 1356.41 Nonrecurring expenses of adoption.

(a) The amount of the payment made for nonrecurring expenses of adoption shall be determined through agreement between the adopting parent(s) and the State agency administering the program. The agreement must indicate the nature and amount of the nonrecurring expenses to be paid.

(b) The agreement for nonrecurring expenses may be a separate document or a part of an agreement for either State or Federal adoption assistance payments or services. The agreement for nonrecurring expenses must be signed prior to the final decree of adoption, with two exceptions:

(1) Cases in which the final decree of adoption was entered into on or after January 1, 1987 and within six months after the effective date of the final rule; or

(2) Cases in which a final decree was entered into before January 1, 1987 but nonrecurring adoption expenses were paid after January 1, 1987.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of nonrecurring expenses of adoption, the State must determine that the child is a “child with special needs” as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable State and local laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The State agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services after the publication date of this final rule.

(2) The State agency must send a notice to all public and private nonprofit adoption agencies directing them to notify all their clients who adopted a special needs child between January 1, 1986 and six months following the effective date of this rule of the availability of reimbursement for nonrecurring expenses paid after January 1, 1987.

(3) For adoptions in which a final decree is entered between January 1, 1987 and six months after the effective date of this rule, or where a final decree was entered before January 1, 1987 but nonrecurring adoption expenses were paid after January 1, 1987, individuals who seek reimbursement must enter into an agreement with the State agency and file a claim with the State agency within two years of the date of the final decree of adoption. In such cases, claims must be filed with the State agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the State under an adoption assistance agreement, with respect to nonrecurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV-E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for State expenditures up to $2,000, for any adoptive placement.

(2) States may set a reasonable lower maximum which must be based on reasonable charges, consistent with State and local practices, for special needs adoptions within the State. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other
